SECURITIES AND EXCHANGE COMMISSION  
WASHINGTON, D.C. 20549

**SCHEDULE 13D/A**  
**(Amendment No. 10)**

Statement of

**LIBERTY BROADBAND CORPORATION**

Pursuant to Section 13(d) of the Securities Exchange Act of 1934

in respect of

**CHARTER COMMUNICATIONS, INC.**

This statement on Schedule 13D/A relates to the Class A common stock, par value \$0.001 per share (the “Common Stock”), of Charter Communications, Inc., a Delaware corporation (the “Issuer” or “Charter”). The statement on Schedule 13D originally filed with the Securities and Exchange Commission (the “SEC”) by Liberty Broadband Corporation, a Delaware corporation (“Liberty Broadband” or the “Reporting Person”), on November 13, 2014, as amended by Amendment No. 1 filed with the SEC on April 6, 2015, Amendment No. 2 filed with the SEC on June 1, 2015, Amendment No. 3 filed with the SEC on May 26, 2016, Amendment No. 4 filed with the SEC on December 30, 2016, Amendment No. 5 filed with the SEC on December 29, 2017, Amendment No. 6 filed with the SEC on March 4, 2020, Amendment No. 7 filed with the SEC on August 7, 2020, Amendment No. 8 filed with the SEC on December 23, 2020 and Amendment No. 9 filed with the SEC on February 24, 2021 (together, the “Schedule 13D”), is hereby further amended and supplemented to include the information set forth herein. This amended statement on Schedule 13D/A constitutes Amendment No. 10 to the Schedule 13D (this “Amendment,” and together with the Schedule 13D, this “Statement”). Capitalized terms used but not defined herein have the meanings given to such terms in the Schedule 13D. Except as set forth herein, the Schedule 13D is unmodified.

**Item 4. Purpose of Transaction.**

The information contained in Item 4 of the Schedule 13D is hereby amended and supplemented by adding the following information:

On September 23, 2024, the Reporting Person communicated to the Issuer a non-binding response (the “Response”) to a non-binding proposal received from the Issuer (the “Charter Proposal”), which Charter Proposal outlined the terms of a proposed combination of the Reporting Person with the Issuer (the “Combination”) whereby each stockholder of the Reporting Person would receive 0.228 of a share of Common Stock for each share of Series A Common Stock, par value \$0.01 per share, of the Reporting Person (the “Series A Common Stock”), Series B Common Stock, par value \$0.01 per share, of the Reporting Person (the “Series B Common Stock”) and Series C Common Stock, par value \$0.01 per share, of the Reporting Person (the “Series C Common Stock”) and together with the Series A Common Stock and the Series B Common Stock, “LBC Common Stock”). The Charter Proposal also provided that this exchange ratio assumes GCI Holdings, LLC (“GCI”) is not included in the Combination, but that the Issuer is willing to discuss terms for a transaction that would include GCI.

In the Response, the Reporting Person proposed that in the Combination each stockholder of the Reporting Person would receive 0.2900 of a share of Common Stock for each share of LBC Common Stock. The Response also provided that the Combination would include GCI and that the Issuer would assume or refinance the Reporting Person’s debt and preferred stock.

The Combination is intended to be tax-free and would be subject to, among other things, the negotiation and execution of mutually acceptable definitive transaction documents, applicable board approvals and approval of the requisite holders of a majority of the voting power of the Reporting Person and the Issuer, including approval of the holders of a majority of the voting power of the Reporting Person unaffiliated with Mr. John C. Malone and his affiliates. The Response proposes that the Combination would close on June 30, 2027 or such earlier date as the parties shall mutually agree. No further updates on the Charter Proposal, the Response or the proposed Combination will be provided unless and until definitive documents are executed or discussions between the parties terminate, or unless otherwise required by applicable law.

The shares of Common Stock beneficially owned by the Reporting Person and described in this Statement are being held by the Reporting Person for investment purposes.

---

Other than as set forth in this Amendment, the Reporting Person does not have any present plans or proposals which relate to or would result in: (i) any acquisition by any person of additional securities of the Issuer, or any disposition of securities of the Issuer; (ii) any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (iii) any sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (iv) any change in the board or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any vacancies on the board; (v) any material change in the present capitalization or dividend policy of the Issuer; (vi) any other material change in the Issuer's business or corporate structure; (vii) any change in the Issuer's charter or bylaws or other actions which may impede the acquisition of control of the Issuer by any person; (viii) any delisting from a national securities exchange or any loss of authorization for quotation in an inter-dealer quotation system of a registered national securities association of a class of securities of the Issuer; (ix) any termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), of a class of equity securities of the Issuer; or (x) any action similar to any of those enumerated above.

Notwithstanding the foregoing, the Reporting Person may determine to change his intentions with respect to the Issuer at any time in the future and may, for example, elect (i) to acquire additional securities of the Issuer in open market or privately negotiated transactions or (ii) to dispose of all or a portion of the Reporting Person's holdings of securities of the Issuer. In reaching any determination as to his future course of action, the Reporting Person will take into consideration various factors, such as the Issuer's business and prospects, other developments concerning the Issuer, other business opportunities available to the Reporting Person, tax and estate planning considerations, liquidity needs and general economic and stock market conditions, including, but not limited to, the market prices of the securities.

The information contained in Item 6 of this Amendment is incorporated by reference into this Item.

Board of Directors  
c/o Dr. John Malone, Chairman  
Greg Maffei, Chief Executive Officer  
Liberty Broadband Corporation

Englewood, Colorado 80112

Ladies and Gentlemen,

I send this letter on behalf of Charter Communications, Inc. ("Charter") with the approval and direction of the Special Committee of Unaffiliated Directors of Charter's Board of Directors.

Charter's relationship with Liberty Broadband Corporation ("Liberty Broadband") (and, before that, Liberty Media) has been and remains of great importance to Charter. Liberty first invested in Charter in 2013, when Charter served approximately five million subscribers. Since that time, Liberty and Charter have shared the vision of growth, efficiency and customer service; and Charter has grown to one integrated system under a single brand, Spectrum, that now serves approximately 32 million customers. We are proud of what we have achieved together and grateful for the collaborative approach that has helped us to get here.

As you have highlighted to us, Liberty Broadband has historically traded at a discount to net asset value, in part as a result of its holding company structure. In that vein, we are pleased to provide this non-binding proposal with respect to a combination of Charter with Liberty Broadband in an all-stock transaction as described below. We believe that this proposal represents a compelling opportunity for Liberty Broadband to simplify its structure and meaningfully reduce this discount, to provide greater value, certainty and ultimately greater liquidity to the Liberty Broadband shareholder.

Liberty Broadband shareholders would receive 0.228 newly issued shares of Charter common stock for each share of Liberty Broadband common stock. This exchange ratio represents a premium of approximately 27% to the value of Liberty Broadband stock based on closing sale prices on September 13, 2024. This exchange ratio assumes that Liberty Broadband disposes of GCI prior to completion of the transaction. Alternatively, we are willing to discuss terms for a transaction that would include GCI.

---

The foregoing proposal is predicated on, among other things, the following assumptions:

- The share count numbers that were provided in Liberty Broadband's most recent public filings.
- Commitments that, during the pendency of the transaction, the Liberty Broadband business (other than GCI) will operate in a steady state in all respects, and GCI will operate in the ordinary course consistent with past practice, subject only to efforts to separate GCI.
- Liberty Broadband disposing of the GCI business prior to the combination, along with the associated debt, with such disposition for the benefit of Liberty Broadband shareholders to be effected through a sale or spin-off subject to further review.
- The continuation of Charter's buyback program, from time to time in Charter's discretion and subject to customary blackout periods, as it has in the past, except that Liberty Broadband's participation would be limited to a modest amount required to remain approximately cash flow breakeven.
- The assumption or repayment by Charter of the net debt of Liberty Broadband at closing.
- Our current governance arrangement with Liberty Broadband continuing until the closing, subject to certain modifications to ensure arms-length process going forward.

Consistent with our mutual expectations concerning optimal timing for the transaction, while we would seek respective shareholder approvals forthwith following announcement, the proposed combination would occur on June 30, 2027 or earlier on the basis of a 60-day closing notice delivered by Charter if all approvals have been obtained. Completion will be subject to customary closing conditions, including receipt of the required regulatory approvals (including HSR). We believe that, with the divestiture of GCI, FCC approval will not be required for the combination. Prior to executing a definitive agreement, we will need to complete confirmatory due diligence review of business, financial, tax, human resources and legal matters. To that end Charter will also provide you with the opportunity to conduct appropriate high-level reverse confirmatory due diligence on Charter.

The transaction will be negotiated by Charter's Special Committee of Unaffiliated Directors and will be subject to the receipt of the recommendation of the Special Committee and the approval of a majority of Charter's unaffiliated shareholders as a non-waivable condition. Charter is amenable to a comparable special committee approval and shareholder approval at Liberty Broadband. Additionally, the transaction will be subject to approval by Charter's full Board of Directors, including a majority of the directors designated by Advance/Newhouse.

This proposal is for discussion purposes only and does not represent an agreement of the parties or an offer to enter into an agreement, and is not intended to and does not create any legal or equitable obligations with respect to the potential transaction on the part of Charter, including any obligation to enter into or to continue any discussions or negotiations as to the terms outlined herein or otherwise. Any agreement with respect to the potential transaction must be in writing and executed by all parties thereto.

Please let us know your timing in terms of next steps.

Sincerely

/s/ Christopher L. Winfrey

Christopher L. Winfrey

Charter Communications, Inc.

Dear Chris:

Liberty Broadband Corporation (“LBC”) is in receipt of Charter Communications, Inc.’s (“Charter”) September 15, 2024 non-binding proposal (the “Proposal”) regarding a potential combination of Charter with LBC. We appreciate your interest in exploring the potential combination of our respective companies.

While the Proposal represents a constructive starting point, LBC management believes that the Proposal undervalues LBC. To that end, we would propose engaging in further discussions based upon the terms set forth herein. LBC would merge with a subsidiary of Charter in an all-stock transaction, inclusive of GCI Holdings LLC (“GCI”), on June 30, 2027 or such earlier date as the parties shall mutually agree. LBC stockholders would receive 0.2900 newly issued shares of Charter common stock for each share of LBC common stock issued and outstanding immediately prior to the merger, and we would expect Charter to assume or refinance LBC’s debt and preferred stock on or prior to closing. Between signing and closing, the current Charter governance arrangements between Charter and LBC would remain in effect, subject to such modifications as may be necessary to provide for a more limited participation by LBC in Charter’s stock buyback program.

In addition to the approvals that Charter outlined in the Proposal, the closing of the transaction would be subject to the approval of the Board of Directors of LBC, the requisite approval of LBC stockholders, and the approval of a majority of the stockholders of LBC unaffiliated with Dr. John C. Malone and his affiliates. The transaction would also be subject to customary closing conditions, including receipt of requisite regulatory approvals and applicable tax opinions. In addition, the foregoing counter-proposal is subject to the completion of reciprocal confirmatory due diligence of each party’s financial, tax, HR and legal matters. During the pendency of the transaction, LBC (including GCI) would operate in the ordinary course of business, subject to the terms of the definitive transaction agreements (if any).

We believe the foregoing counter-proposal represents a compelling opportunity for both parties. The proposed transaction, as outlined herein, rationalizes the dual corporate structure of both Charter and LBC, enhances the direct trading liquidity in Charter stock, provides a pathway to eliminating LBC’s existing governance rights and is consistent with precedent valuations. The transaction, if consummated, would also establish a fixed price at which shares of Charter common stock are effectively retired for the portion of LBC’s shares of Charter common stock underlying LBC’s debt. In addition, by retaining GCI, we believe Charter would be acquiring the leading consumer connectivity platform in Alaska at an attractive valuation and with an opportunity for further value creation through operational synergies and financing efficiencies.

The foregoing counter-proposal is offered for discussion purposes only and does not constitute an offer to sell any of the assets or equity of LBC or its affiliates. Unless and until definitive transaction agreements have been duly executed and delivered by all parties thereto, no contract or other obligation to proceed with a transaction shall be deemed to exist and none of LBC, its affiliates or their respective representatives shall have any liability or obligation of any kind whatsoever with respect to any transaction by virtue of this letter or any written or oral expression with respect to the transaction described herein.

Thank you for our strong partnership, and we look forward to your response.

Very truly yours,

Liberty Broadband Corporation
