PROSPECTUS

CCH II, LLC
CCH II Capital Corp.
\$261,607,749 13.50% Senior Notes due 2016

This prospectus relates to \$261,607,749 aggregate principal amount of 13.50% Senior Notes due 2016, or the Notes, of CCH II, LLC and CCH II Capital Corp, or the Issuers. The Notes offered by this prospectus are to be sold for the account of the holders. The Notes were issued in exchange for a like amount of the 13.50% Senior Notes due 2016 originally issued on November 30, 2009 to certain initial purchasers in a transaction that was exempt from the registration requirements of the Securities Act.

The Notes bear interest at a rate equal to 13.50% per annum. Interest on the Notes is paid semi-annually in arrears on each February 15 and August 15. The Notes will mature on November 30, 2016.

We may redeem any of the Notes beginning on November 30, 2012 at the redemption prices specified in this prospectus. We may also redeem any of the Notes at any time prior to November 30, 2012 at a redemption price equal to 100% of their principal amount, plus accrued interest and a "make-whole" premium.

The Notes are unsecured and rank equally with any unsecured senior indebtedness we incur. The Notes are guaranteed by Charter Communications, Inc., the indirect parent of the Issuers. The Notes and the related guarantee are effectively subordinated in right of payment to the Issuers' and the guarantor's secured obligations to the extent of the value of the assets securing such indebtedness. The Notes will not be guaranteed by any of the Issuers' subsidiaries and will therefore be structurally subordinated to all obligations and liabilities of such subsidiaries.

See "Risk Factors" beginning on page 9 of this prospectus for a discussion of certain risks that you should consider prior to investing in the Notes.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

DISCLOSURE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, which we refer to as the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act, regarding, among other things, our plans, strategies and prospects, both business and financial, including, without limitation, the forward-looking statements set forth in the section titled “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in this prospectus. Although we believe that our plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, we cannot assure you that we will achieve or realize these plans, intentions or expect ations. Forward-looking statements are inherently subject to risks, uncertainties and assumptions, including, without limitation, the factors described in the sections titled “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in this prospectus. Many of the forward-looking statements contained in this prospectus may be identified by the use of forward-looking words such as “believe,” “expect,” “anticipate,” “should,” “planned,” “will,” “may,” “intend,” “estimated,” “aim,” “on track,” “target,” “opportunity,” “tentative” and “potential,” among others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this prospectus are set forth in this prospectus and in other reports or documents that we file from time to time with the Securities and Exchange Commission, which we refer to as the SEC, and include, but are not limited to:

- our ability to sustain and grow revenues and cash flows from operating activities by offering video, high-speed Internet, telephone and other services to residential and commercial customers, and to maintain and grow our customer base, particularly in the face of increasingly aggressive competition and the difficult economic conditions in the United States;
- the impact of competition from other distributors, including but not limited to incumbent telephone companies, direct broadcast satellite operators, wireless broadband providers, and digital subscriber line (“DSL”) providers and competition from video provided over the Internet;
- general business conditions, economic uncertainty or downturn and the significant downturn in the housing sector and overall economy;
- our ability to obtain programming at reasonable prices or to raise prices to offset, in whole or in part, the effects of higher programming costs (including retransmission consents);
- our ability to adequately deliver customer service;

- the effects of governmental regulation on our business;
- the availability and access, in general, of funds to meet our debt obligations, prior to or when they become due, and to fund our operations and necessary capital expenditures, either through (i) cash on hand, (ii) cash flows from operating activities, (iii) access to the capital or credit markets including through new issuances, exchange offers or otherwise, especially given recent volatility and disruption in the capital and credit markets, or (iv) other sources and our ability to fund debt obligations (by dividend, investment or otherwise) to the applicable obligor of such debt; and
- our ability to comply with all covenants in our indentures and credit facilities, any violation of which, if not cured in a timely manner, could trigger a default of our other obligations under cross-default provisions.

All forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by this cautionary statement. We are under no duty or obligation to update any of the forward-looking statements after the date of this prospectus.

Our Business

We are among the largest providers of cable services in the United States, offering a variety of entertainment, information and communications solutions to residential and commercial customers. Our infrastructure consists of a hybrid of fiber and coaxial cable plant passing approximately 12.0 million homes, with 96% of homes passed at 550 MHz or greater and 96% of plant miles two-way active. A national Internet Protocol (IP) infrastructure interconnects all Charter markets.

For the three months ended March 31, 2010, we generated approximately \$1.7 billion in revenue, of which approximately 53% was generated from our residential video service. We also generate revenue from high-speed Internet, telephone service and advertising with residential and commercial high-speed Internet and telephone service contributing the majority of the recent growth in our revenue.

As of March 31, 2010, we served approximately 5.3 million customers. We sell our video, high-speed Internet and telephone services primarily on a subscription basis, often in a bundle of two or more services, providing savings and convenience to our customers. Bundled services are available to approximately 96% of our homes passed, and approximately 59% of our customers subscribe to a bundle of services.

We served approximately 4.8 million video customers as of March 31, 2010, of which approximately 69% subscribed to digital video service. Digital video enables our customers to access advanced services such as high definition television, OnDemand video programming, an interactive program guide and digital video recorder, or DVR service.

We also served approximately 3.2 million high-speed Internet customers as of March 31, 2010. Our high-speed Internet service is available in a variety of download speeds up to 60 Mbps. We also offer home networking service, or Wi-Fi, enabling our customers to connect up to five computers wirelessly in the home.

We provided telephone service to approximately 1.6 million customers as of March 31, 2010. Our telephone services typically include unlimited local and long distance calling to the U.S., Canada and Puerto Rico, plus more than 10 features, including voicemail, call waiting and caller ID.

Through Charter Business®, we provide scalable, tailored broadband communications solutions to business organizations, such as business-to-business Internet access, data networking, fiber connectivity to cellular towers, video and music entertainment services and business telephone. As of March 31, 2010, we served approximately 233,500 business customers, including small- and medium-sized commercial customers. Our advertising sales division, Charter Media®, provides local, regional and national businesses with the opportunity to advertise in individual markets on cable television networks.

We have a history of net losses. Our net losses were principally attributable to insufficient revenue to cover the combination of operating expenses and interest expenses we incurred because of our debt, impairment of franchises and depreciation expenses resulting from the capital investments we have made and continue to make in our cable properties.

On March 27, 2009, we filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), to reorganize under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code"). The Chapter 11 cases were jointly administered under the caption In re Charter Communications, Inc., et al., Case No. 09-11435. We continued to operate our businesses and owned and managed our properties as a debtor-in-possession under the jurisdiction of the Bankruptcy Court in accordance with the applicable provisions of the Bankruptcy Code until we emerged from protection under Chapter 11 of the Bankruptcy Code on November 30, 2009.

On May 7, 2009, we filed a Joint Plan of Reorganization (the "Plan"), and a related disclosure statement (the "Disclosure Statement"), with the Bankruptcy Court. The Plan was confirmed by the Bankruptcy Court on November 17, 2009 (the "Confirmation Order"), and became effective on November 30, 2009 (the "Effective Date"), the date on which we emerged from protection under Chapter 11 of the Bankruptcy Code.

Recent Developments

On February 28, 2010, Charter's former President and Chief Executive Officer, Neil Smit, resigned and our Chief Operating Officer, Michael J. Lovett, assumed the additional title of Interim President and Chief Executive Officer. On April 12, 2010, Charter announced the appointment of Mr. Lovett as our President and Chief Executive Officer and his election as a member of the Board of Directors of Charter, effective immediately. Charter also announced that Eloise Schmitz, our Executive Vice President and Chief Financial Officer, would be leaving Charter effective July 31, 2010. Charter is undergoing a search for a Chief Financial Officer, but no assurance can be given as to the timing or the results of such search. As of May 3, 2010, we appointed Marwan Fawaz, previously our Executive Vice President and Chief Technology Officer, to the office of Executive Vice President-Operations and Chief Technology Officer.

On March 31, 2010, Charter Communications Operating, LLC ("Charter Operating") and its affiliates closed on a transaction to amend and restate its senior secured credit facilities to, among other things, allow for the creation of a new revolving facility of \$1.3 billion, the extension of maturities of a portion of the facilities and the amendment and restatement of certain other terms and conditions. Upon the closing, each of Bank of America, N.A. and JPMorgan Chase Bank, N.A., as agent and retiring agent, respectively, for itself and on behalf of the lenders under the Charter Operating senior secured credit facilities, agreed to dismiss with prejudice the pending appeal of our Confirmation Order pending before the Bankruptcy Court and to waive any objections to our Confirmation Order issued by the Bankruptcy Court.

On April 28, 2010, CCO Holdings, LLC ("CCO Holdings") sold an aggregate of \$1.6 billion principal amount in two tranches of 7.875% senior notes due 2018 (the "2018 Notes") and 8.125% senior notes due 2020 (the "2020 Notes"). The net proceeds of this issuance were used to finance the tender offers for \$741 million of CCO Holdings' outstanding 8.750% senior notes due 2013 (the "2013 Notes") and \$677 million of Charter Operating's outstanding 8.375% senior second lien notes due 2014 (the "2014 Notes"). On May 28, 2010, Charter redeemed the remaining balance of the 2013 Notes and 2014 Notes that were not tendered.

On the Effective Date, the Issuers issued approximately \$1.8 billion in aggregate principal amount of 13.50% Senior Notes due 2016 (the "Initial Notes"), of which approximately \$977 million in aggregate principal amount (the "Initial Restricted Notes") were issued to certain holders pursuant to Section 4(2) of the Securities Act of 1933, as

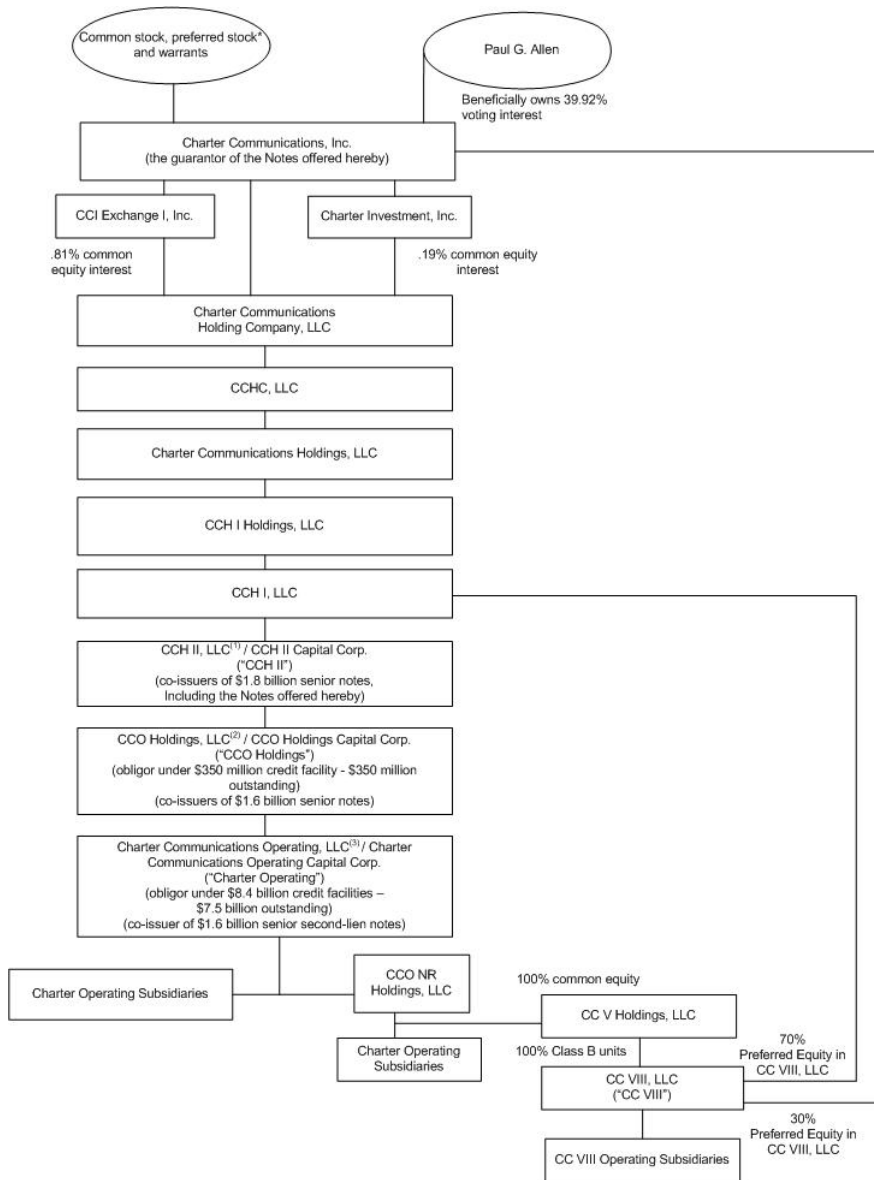

amended, and as a result contained terms with respect to transfer restrictions. On June 16, 2010, the Issuers exchanged the Notes we are offering hereby, which have been registered under the Securities Act of 1933, as amended, for the Initial Restricted Notes. The terms of the Notes are identical in all material respects to those of the Initial Restricted Notes, except for certain transfer restrictions and registration rights relating to the Initial Restricted Notes.

See "Description of the Notes – Optional Redemption."

Restrictive Covenants

The indenture governing the notes, among other things, restricts our ability and the ability of certain of our subsidiaries to:

- incur additional debt;
- repurchase or redeem equity interests and debt;
- issue equity;
- make certain investments or acquisitions;
- pay dividends or make other distributions;
- dispose of assets or merge;
- enter into related party transactions; and
- grant liens and pledge assets.

These covenants are subject to important exceptions and qualifications as described under "Description of the Notes — Certain Covenants," including provisions allowing us, as long as our leverage ratio is below 5.75 to 1.0, to incur additional indebtedness.

Change of Control

Following a Change of Control, as defined in "Description of the Notes — Certain Definitions," we will be required to offer to purchase all of the Notes at a purchase price of 101% of their principal amount plus accrued and unpaid interest, if any, to the date of purchase thereof.

Events of Default

For a discussion of events that will permit acceleration of the payment of the principal of and accrued interest on the notes, see "Description of Notes — Events of Default and Remedies."

Absence of Established Markets for the Notes

The Notes are new issues of securities, and currently there are no markets for them. We do not intend to apply for the Notes to be listed on any securities exchange or to arrange for any quotation system to quote them. Accordingly, we cannot assure you that liquid markets will develop for the notes.

United States Federal Income Tax Considerations

For a discussion of the U.S. federal income tax consequences of holding the notes, see "Important United States Federal Income Tax Considerations."

Use of Proceeds

We will not receive any cash proceeds from the sale of the notes. See "Use of Proceeds."

You should carefully consider all of the information in this prospectus. In particular, you should evaluate the information beginning on page 9 under “Risk Factors” for a discussion of risks associated with an investment in the notes.

For more complete information about the notes, see the “Description of the Notes” section of this prospectus.

RISK FACTORS

You should carefully consider the risk factors set forth below and the risk factors incorporated herein by reference to Charter's Form 10-K for the year ended December 31, 2009 and Form 10-Q for the quarter ended March 31, 2010, as well as the other information contained in this prospectus before deciding whether to invest in the Notes. Any of the following risks could materially and adversely affect our business, financial condition or results of operations. However, the selected risks described below and the risks that are incorporated herein by reference to Charter's Form 10-K for the year ended December 31, 2009 and Form 10-Q for the quarter ended March 31, 2010 are not the only risks facing us. Additional risks and uncertainties not currently known to us or those we currently view to be immaterial may also materially and adversely affect our business, financial condition or results of operations. In such a case, we may not be able to make payments of principal and interest on the notes, and you may lose all or part of your original investment.

Risks Related to the Notes

The Issuers and Charter are holding companies and will depend on subsidiaries to satisfy their obligations under the Notes and the guarantee, respectively.

As holding companies, the Issuers and Charter conduct substantially all of their operations through their indirect subsidiaries, which own substantially all of our consolidated assets. Consequently, the principal source of cash to pay the obligations of the Issuers under the Notes and obligations of Charter under the guarantee is the cash that our subsidiaries generate from their operations. We cannot assure you that our subsidiaries will be able to, or be permitted to, make distributions to enable the Issuers and/or Charter to make payments in respect of their obligations. Each of our subsidiaries is a distinct legal entity and, under certain circumstances, applicable state laws, regulatory limitations and terms of our debt instruments may limit the ability of the Issuers and/or Charter to obtain cash from our subsidiaries. While the indentures governing certain of our existing notes and the Notes limit the ability of our subsidiaries to restrict their ability to pay dividends or make other intercompany payments to us, these limitations are subject to certain qualifications and exceptions, which may have the effect of significantly restricting the applicability of those limits. In the event the Issuers and/or Charter do not receive distributions from our subsidiaries, the Issuers may be unable to make required payments on their indebtedness and Charter may be unable to make any payments under its guarantee. The Issuers are finance companies with no independent operations.

The Notes are not guaranteed by any of CCH II's subsidiaries and are structurally subordinated to the indebtedness and other liabilities of these subsidiaries.

The Issuers and Charter, as guarantor, are the sole obligors under the Notes. Our subsidiaries do not guarantee the Notes and our subsidiaries (other than the Issuers) have no legal obligation to make payments on the Notes or make funds available for those payments, whether by dividends, loans or other payments. The Notes, therefore, are structurally subordinated to the indebtedness and other liabilities of our subsidiaries (other than the Issuers). Accordingly, there may only be a limited amount of assets available to satisfy your claims as a holder of the Notes. In the event of a bankruptcy, liquidation, reorganization or similar proceeding with respect to us or any of our subsidiaries, the assets of our subsidiaries will be available to the Issuers and Charter to satisfy the obligations under the Notes only after all outstanding liabilities of those subsidiaries have been paid in full. As of March 31, 2010, our subsidiaries had approximately \$11.6 billion of total principal amount of debt and intercompany loans. The terms of our debt instruments permit these subsidiaries to incur additional indebtedness.

Changes in our credit rating could adversely affect the market price or liquidity of the Notes.

Credit rating agencies continually revise their ratings for the companies that they follow, including us. The credit rating agencies also evaluate our industry as a whole and may change their credit ratings for us based on their overall view of our industry. We cannot be sure that credit rating agencies will maintain their ratings on the Notes. A negative change in our ratings could have an adverse effect on the price of the Notes.

There is currently no public market for the Notes, and an active trading market may not develop for the Notes. The failure of a market to develop for the Notes could adversely affect the liquidity and value of the Notes.

We do not intend to apply for listing of the Notes on any securities exchange or for quotation of the Notes on any automated dealer quotation system. A market may not develop for the Notes, and if a market does develop, it may not be sufficiently liquid for your purposes. If an active, liquid market does not develop for the Notes, the market price and liquidity of the Notes may be adversely affected. If any of the Notes are traded after their initial issuance, they may trade at a discount from their initial offering price. The liquidity of the trading market, if any, and future trading prices of the Notes will depend on many factors, including, among other things, prevailing interest rates, our operating results, financial performance and prospects, the market for similar securities and the overall securities market, and may be adversely affected by unfavorable changes in these factors. The market for the Notes may be subject to disruptions that could have a negative effect on the holders of the Notes, regardless of our operating results, financial performance or prospects.

USE OF PROCEEDS

We will not receive any cash proceeds from the sale of the notes.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information as of May 31, 2010 regarding the beneficial ownership of Charter's Class A common stock by:

- each holder of more than 5% of Charter's outstanding shares of common stock;
- each of Charter's directors and named executive officers; and
- all of Charter's directors and executive officers as a group.

Beneficial ownership for the purposes of the following table is determined in accordance with the rules and regulations of the SEC. These rules generally provide that a person is the beneficial owner of securities if such person has or shares the power to vote or direct the voting thereof, or to dispose or direct the disposition thereof or has the right to acquire such powers within 60 days. Common stock subject to options that are currently exercisable or exercisable within 60 days of May 31, 2010 is deemed to be outstanding and beneficially owned by the person holding the options. These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person. Percentage of beneficial ownership is based on 112,480,961 shares of Class A common stock outstanding as of May 31, 2010. Except as disclosed in the footnotes to this table, we believe that each stockholder identified in the table possesses sole voting and investment power over all shares of common stock shown as beneficially owned by the stockholder. Unless otherwise indicated in the table or footnotes below, the address for each beneficial owner is 12405 Powerscourt Drive, St. Louis, Missouri 63131.

DESCRIPTION OF NOTES

General

On March 27, 2009, CCI and certain of its affiliates (collectively, the “Debtors”) filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) seeking relief under the provisions of the Bankruptcy Code. On November 17, 2009 the Bankruptcy Court entered an order confirming the Plan of Reorganization, and on November 30, 2009 (the “Effective Date”) the Debtors consummated their reorganization under the Bankruptcy Code and the Plan of Reorganization became effective. On the Effective Date, the Issuers issued \$1,766,206,515 in aggregate principal amount of 13.50% senior notes due 2016 (the “Initial Notes”) pursuant to an indenture (the “Indenture”), dated as of the Effective Date, by and among CCH II, CCH II Capital Corp. and the Bank of New York Mellon Trust Company N.A., as trustee (the “Trustee”). \$976,826,466 in aggregate principal amount of the Initial Notes (the “Initial Restricted Notes”) were issued to certain holders pursuant to Section 4(2) of the Securities Act (identified with CUSIP No. 12502C AT8) and as a result contained terms with respect to transfer restrictions. On June 16, 2010, the Issuers exchanged the Notes we are offering hereby, which have been registered under the Securities Act of 1933, as amended, for the Initial Restricted Notes. The terms of the Notes are identical in all material respects to those of the Initial Restricted Notes, except for certain transfer restrictions and registration rights relating to the Initial Restricted Notes.

In connection with the issuance of the Initial Restricted Notes, the Issuers, certain holders of the Crossover Committee (as defined in the Plan of Reorganization) and Charter Investment, Inc. entered into an Exchange and Registration Rights Agreement (the “Registration Rights Agreement”). Pursuant to the Registration Rights Agreement, among other things, the Issuers agreed to use their commercially reasonable efforts to file under the Securities Act, on or prior to January 15, 2010, a registration statement relating to an offer to exchange all Initial Restricted Notes at the time such registration statement is declared effective by the SEC, for a like aggregate principal amount of unrestricted notes issued by the Issuers, substantially identical in all material respects to the Restricted Initial Notes (except that such unrestricted notes will not contain terms with respect to transfer restrictions). On June 16, 2010, the Issuers exchanged the Notes (as defined below), which have been registered under the Securities Act, for the Initial Restricted Notes. The terms of the Notes are identical in all material respects to those of the Initial Restricted Notes, except for certain transfer restrictions and registration rights relating to the Initial Restricted Notes.

This Description of Notes relates to the \$276,607,749 in aggregate principal amount of 13.50% senior notes due 2016 of the Issuers (the “Notes”) issued in exchange for the Initial Restricted Notes. The Notes are being offered pursuant to this prospectus. We refer in this Description of Notes to CCH II, LLC and CCH II Capital Corp., which are the co-obligors with respect to the Notes, as the “Issuers”, and we sometimes refer to them each as an “Issuer.” We may also refer to CCH II, LLC as “CCH II.” You can find the definitions of certain terms used in this description under the subheading “— Certain definitions.” The definitions of terms set forth in this section “Description of Notes” shall apply in this section.

The Notes were issued pursuant to the Indenture under which the Issuers previously issued the Initial Notes. The Notes were issued on terms substantially identical to those of the Initial Notes and vote together as a single class on any matter submitted to noteholders. The Notes offered hereby have been registered under the Securities Act of 1933 and, therefore, will not bear legends restricting their transfer. The terms of the Notes will include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939.

The following description is a summary of the provisions we consider material of the Indenture. It does not restate that agreement in its entirety. We urge you to read the Indenture because it, and not this description, defines your rights as holders of the respective Notes. Copies of the Indenture are available as set forth under “— Additional Information.”

Brief Description of the Notes

The Notes are:

- senior unsecured obligations of the Issuers;

- effectively subordinated in right of payment to any future secured Indebtedness of the Issuers, to the extent of the value of the assets securing such Indebtedness;
- equal in right of payment to the Initial Notes and any other future unsubordinated, unsecured Indebtedness of the Issuers;
- senior in right of payment to any future subordinated Indebtedness of the Issuers;
- structurally subordinated to all indebtedness and other liabilities (including trade payables) of the Issuers' subsidiaries, including indebtedness under our subsidiaries' credit facilities and the senior notes of CCO Holdings and CCO; and
- guaranteed on a senior unsecured basis by Charter (which guarantee is structurally junior to all indebtedness and liabilities of all of Charter's subsidiaries).

As of March 31, 2010, the total outstanding Indebtedness and other obligations of CCH II and its subsidiaries, reflected on its consolidated balance sheet, was \$14.1 billion, of which approximately \$12.2 billion was Indebtedness and other liabilities of the Issuers' Subsidiaries and, therefore, structurally senior to the Notes.

Substantially all of the Subsidiaries of CCH II (except certain non-material Subsidiaries) are "Restricted Subsidiaries." Under the circumstances described below under "— Certain Covenants — Investments," CCH II will be permitted to designate additional Subsidiaries as "Unrestricted Subsidiaries." Unrestricted Subsidiaries will generally not be subject to the restrictive covenants in the Indenture.

Principal, Maturity and Interest

The Notes were issued in denominations of \$1.00 and integral multiples thereof. The Notes will mature on November 30, 2016.

Interest on the Notes accrue at the rate of 13.50% per annum. Interest on the Notes accrue from and including November 30, 2009 or, if interest already has been paid, from the date it was most recently paid. Interest will be payable semi-annually in arrears on February 15 and August 15, commencing on February 15, 2010. The Issuers will make each interest payment to the holders of record of the Notes on the immediately preceding February 1 and August 1. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months.

The Initial Notes were issued in an initial aggregate principal amount of \$1,766,206,515. Subject to the limitations set forth under "—Certain Covenants — Incurrence of Indebtedness and Issuance of Preferred Stock," the Issuers may issue an unlimited principal amount of Additional Notes under the Indenture. The Initial Notes and any Additional Notes subsequently issued under the Indenture (including the Notes offered hereby) would be treated as a single class of securities for all purposes of the Indenture. For purposes of this description, unless otherwise indicated, references to the Notes include the Initial Notes, the Notes offered hereby and any Additional Notes subsequently issued under the Indenture.

Optional Redemption

At any time prior to November 30, 2012, the Issuers may, on any one or more occasions, redeem up to 35% of the aggregate principal amount of the Notes on a pro rata basis (or nearly as pro rata as practicable), at a redemption price of 113.50% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net cash proceeds of one or more Equity Offerings; provided that

- (1) at least 65% of the aggregate principal amount of the Notes remain outstanding immediately after the occurrence of such redemption (excluding Notes held by the Issuers and their Subsidiaries), and
- (2) the redemption must occur within 60 days of the date of the closing of such Equity Offering.

Notwithstanding the above paragraph, at any time prior to November 30, 2012, the Notes may be redeemed, in whole or in part, at the option of CCH II upon no less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at a redemption price equal to 100% of the principal amount of such Notes redeemed plus the relevant Applicable Premium as of, and accrued and unpaid interest and Special Interest, if any, to the applicable redemption date, subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date.

On or after November 30, 2012, the Issuers may redeem all or a part of the Notes upon not less than 30 nor more than 60 days notice, at the applicable redemption prices (expressed as percentages of the principal amount of the Notes) set forth below plus accrued and unpaid interest thereon, if any, to the applicable redemption date, if redeemed during the twelve-month period beginning on November 30 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2012	106.750%
2013	103.375%
2014	101.6875%
2015 and thereafter	100.000%

Repurchase at the Option of Holders

Change of Control

If a Change of Control occurs, each holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to \$1.00 in principal amount, or in either case an integral multiple thereof) of that holder's Notes pursuant to a "Change of Control Offer." In the Change of Control Offer, the Issuers will offer a "Change of Control Payment" in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest thereon, if any, to the date of purchase.

Within ten days following any Change of Control, the Issuers will mail a notice to each holder (with a copy to the trustee) describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on a certain date (the "Change of Control Payment Date") specified in such notice, pursuant to the procedures required by the Indenture and described in such notice. The Issuers will comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934 or any successor rules, and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this covenant, the Issuers' compliance with such laws and regulations shall not in and of itself cause a breach of their obligations under such covenant.

On the Change of Control Payment Date, the Issuers will, to the extent lawful:

- (1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof so tendered; and
- (3) deliver or cause to be delivered to the trustee the Notes so accepted together with an officers' certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Issuers.

The paying agent will promptly mail to each holder of Notes so tendered the Change of Control Payment for such Notes, and the trustee will promptly authenticate and mail, or cause to be transferred by book entry, to each holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each such new Note will be in a principal amount of \$1.00 or an integral multiple thereof.

The provisions described above that require the Issuers to make a Change of Control Offer following a Change of Control will be applicable regardless of whether or not any other provisions of the Indenture are applicable. Except as described above with respect to a Change of Control, the Indenture will not contain provisions that permit the holders of the Notes to require that the Issuers repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

The Issuers will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

The definition of Change of Control includes a phrase relating to the sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the assets of CCH II and its Subsidiaries, taken as a whole, or of a Parent and its Subsidiaries, taken as a whole. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder of Notes to require the Issuers to repurchase Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of CCH II and its Subsidiaries, taken as a whole, or of a Parent and its Subsidiaries, taken as a whole, to another Person or group may be uncertain.

Asset Sales

CCH II will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) CCH II or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets or Equity Interests issued or sold or otherwise disposed of;
- (2) such fair market value is determined by the Board of Directors of CCH II and evidenced by a resolution of such Board of Directors set forth in an officers' certificate delivered to the trustee; and
- (3) at least 75% of the consideration therefor received by CCH II or such Restricted Subsidiary is in the form of cash, Cash Equivalents or readily marketable securities.

For purposes of this provision, each of the following shall be deemed to be cash:

- (a) any liabilities (as shown on CCH II's or such Restricted Subsidiary's most recent balance sheet) of CCH II or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases CCH II or such Restricted Subsidiary from further liability;
- (b) any securities, notes or other obligations received by CCH II or any such Restricted Subsidiary from such transferee that are converted by the recipient thereof into cash, Cash Equivalents or readily marketable securities within 180 days after receipt thereof (to the extent of the cash, Cash Equivalents or readily marketable securities received in that conversion); and
- (c) Productive Assets.

Within 365 days after the receipt of any Net Proceeds from an Asset Sale, CCH II or a Restricted Subsidiary of CCH II may apply such Net Proceeds or an amount equal to such Net Proceeds at its option:

- (1) to repay or otherwise retire or repurchase debt under the Credit Facilities or any other Indebtedness of the Restricted Subsidiaries of CCH II (other than Indebtedness represented solely by a guarantee of a Restricted Subsidiary of CCH II); or

(2) to invest in Productive Assets; provided that any such amount of Net Proceeds which CCH II or a Restricted Subsidiary has committed to invest in Productive Assets within 365 days of the applicable Asset Sale may be invested in Productive Assets within two years of such Asset Sale.

The amount of any Net Proceeds received from Asset Sales that are not applied or invested as provided in the preceding paragraph will constitute Excess Proceeds. When the aggregate amount of Excess Proceeds exceeds \$25 million, CCH II will make an offer to purchase Notes (an "Asset Sale Offer") to all holders of Notes and will repay, redeem or offer to purchase Indebtedness that is of equal priority with the Notes containing provisions requiring repayment, redemption or offers to purchase with the proceeds of sales of assets, to purchase, repay or redeem, on a pro rata basis, the maximum principal amount of Notes and such other Indebtedness of equal priority that may be purchased, repaid or redeemed out of the Excess Proceeds, which amount includes the entire amount of the Net Proceeds. The offer price in any Asset Sale Offer will be payable in cash and equal to 100% of the principal amount of the subject Notes plus accrued and unpaid interest, if any, to the date of purchase. If the aggregate principal amount of Notes tendered into such Asset Sale Offer and such other Indebtedness of equal priority to be purchased, repaid or redeemed out of the Excess Proceeds exceeds the amount of Excess Proceeds, the trustee shall select the Notes tendered into such Asset Sale Offer and such other Indebtedness of equal priority to be purchased, repaid or redeemed on a pro rata basis.

If any Excess Proceeds remain after consummation of an Asset Sale Offer, then CCH II or any Restricted Subsidiary thereof may use such remaining Excess Proceeds for any purpose not otherwise prohibited by the Indenture. Upon completion of any Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

Selection and Notice

If less than all of the Notes are redeemed at any time, the trustee will select Notes for redemption as follows:

- (1) if any Notes are listed, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; or
- (2) if the Notes are not so listed, on a pro rata basis, by lot or by such method as the trustee shall deem fair and appropriate.

No Notes of \$1.00 principal amount or less shall be redeemed in part. Notices of redemption shall be mailed by first class mail at least 30 but not more than 60 days before the redemption date to each holder of Notes to be redeemed at its registered address. Notices of redemption may be conditional.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the holder thereof upon cancellation of the original Note. Notes called for redemption become irrevocably due and payable on the date fixed for redemption at the redemption price. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption.

Certain Covenants

Set forth in this section are summaries of certain covenants contained in the Indenture.

During any period of time that (a) any Notes have Investment Grade Ratings from both Rating Agencies and (b) no Default or Event of Default has occurred and is continuing under the Indenture, CCH II and the Restricted Subsidiaries of CCH II will not be subject to the provisions of the Indenture described under:

- "— Limitation on Asset Sales,"
- "— Restricted Payments,"
- "— Investments,"

- “— Incurrence of Indebtedness and Issuance of Preferred Stock,”
- “— Dividend and Other Payment Restrictions Affecting Subsidiaries,”
- clause (D) of the first paragraph of “— Merger, consolidation, or sale of assets,”
- “— Transactions with Affiliates” and
 - “— Sale and Leaseback Transactions.”

If CCH II and its Restricted Subsidiaries are not subject to these covenants for any period of time as a result of the above paragraph and, subsequently, one, or both, of the Rating Agencies withdraws its ratings or downgrades the ratings assigned to the Notes below the required Investment Grade Ratings or a Default or Event of Default occurs and is continuing, then CCH II and its Restricted Subsidiaries will thereafter again be subject to these covenants. The ability of CCH II and its Restricted Subsidiaries to make Restricted Payments after the time of such withdrawal, downgrade, Default or Event of Default will be calculated as if the covenant governing Restricted Payments had been in effect during the entire period of time from the Issue Date.

Restricted Payments

CCH II will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any other payment or distribution on account of its or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving CCH II or any of its Restricted Subsidiaries) or to the direct or indirect holders of CCH II's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable (x) solely in Equity Interests (other than Disqualified Stock) of CCH II or (y), in the case of CCH II and its Restricted Subsidiaries, to CCH II or a Restricted Subsidiary thereof);

(2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving CCH II or any of its Restricted Subsidiaries) any Equity Interests of CCH II or any direct or indirect Parent of CCH II or any Restricted Subsidiary of CCH II (other than, in the case of CCH II and its Restricted Subsidiaries, any such Equity Interests owned by CCH II or any of its Restricted Subsidiaries); or

(3) make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value, any Indebtedness of CCH II that is subordinated in right of payment to the Notes, except a payment of interest or principal at the Stated Maturity thereof (all such payments and other actions set forth in clauses (1) through (3) above are collectively referred to as “Restricted Payments”), unless, at the time of and after giving effect to such Restricted Payment:

(a) no Default or Event of Default under the Indenture shall have occurred and be continuing or would occur as a consequence thereof; and

(b) CCH II would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of the covenant described below under the caption “— Incurrence of Indebtedness and Issuance of Preferred Stock”; and

(c) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by CCH II and its Restricted Subsidiaries from and after the Issue Date (excluding Restricted Payments permitted by clauses (2), (3), (4), (5), (6), (7) or (10) of the next succeeding paragraph), shall not exceed, at the date of determination, the sum of:

(1) an amount equal to 100% of the Consolidated EBITDA of CCH II for the period beginning on the first day of the fiscal quarter immediately preceding the Issue Date to the end of CCH II's most recently ended full fiscal quarter for which internal financial statements are available, taken as a single accounting period, less the product of 1.3 times the Consolidated Interest Expense of CCH II for such period, plus

(2) an amount equal to 100% of Capital Stock Sale Proceeds less any amount of such Capital Stock Sale Proceeds used in connection with an Investment made on or after the Issue Date pursuant to clause (5) of the definition of "Permitted Investments."

So long as no Default under the Indenture has occurred and is continuing or would be caused thereby, the preceding provisions will not prohibit:

(1) the payment of any dividend within 60 days after the date of declaration thereof, if at said date of declaration such payment would have complied with the provisions of the Indenture;

(2) the redemption, repurchase, retirement, defeasance or other acquisition of any subordinated Indebtedness of CCH II in exchange for, or out of the net proceeds of, the substantially concurrent sale (other than to a Subsidiary of CCH II) of Equity Interests of CCH II (other than Disqualified Stock); provided that the amount of any such net cash proceeds that are utilized for any such redemption, repurchase, retirement, defeasance or other acquisition shall be excluded from clause (3)(b) of the preceding paragraph;

(3) the defeasance, redemption, repurchase or other acquisition of subordinated Indebtedness of CCH II or any of its Restricted Subsidiaries with the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness;

(4) regardless of whether a Default then exists, the payment of any dividend or distribution made in respect of any calendar year or portion thereof during which CCH II or any of its Subsidiaries is a Person that is not treated as a separate tax paying entity for United States federal income tax purposes by CCH II and its Subsidiaries (directly or indirectly) to the direct or indirect holders of the Equity Interests of CCH II or its Subsidiaries that are Persons that are treated as a separate tax paying entity for United States federal income tax purposes, in an amount sufficient to permit each such holder to pay the actual income taxes (including required estimated tax installments) that are required to be paid by it with respect to the taxable income of any Parent (through its direct or indirect ownership of CCH II and/or its Subsidiaries), CCH II, its Subsidiaries or any Unrestricted Subsidiary, as applicable, in any calendar year, as estimated in good faith by CCH II or its Subsidiaries, as the case may be;

(5) regardless of whether a Default then exists, the payment of any dividend by a Restricted Subsidiary of CCH II to the holders of its common Equity Interests on a pro rata basis;

(6) the repurchase, redemption or other acquisition or retirement for value, or the payment of any dividend or distribution to the extent necessary to permit the repurchase, redemption or other acquisition or retirement for value, of any Equity Interests of CCH II or a Parent of CCH II held by any member of CCH II's, such Parent's or any Restricted Subsidiary's management pursuant to any management equity subscription agreement or stock option agreement entered into in accordance with the policies of CCH II, any Parent or any Restricted Subsidiary; provided that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests shall not exceed \$10 million in any fiscal year of the Issuers;

(7) payment of fees in connection with any acquisition, merger or similar transaction in an amount that does not exceed an amount equal to 1.25% of the transaction value of such acquisition, merger or similar transaction;

(8) Restricted Payments made in order to pay interest (including accreted or PIK interest) on (but not principal of) Specified Parent Indebtedness or Refinancing Specified Parent Indebtedness, so long as CCH II, at the time of the making of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable quarter period, would have been permitted to incur at

least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of the covenant described below under the caption “— Incurrence of Indebtedness and Issuance of Preferred Stock”; and

(9) Restricted Payments directly or indirectly to a Parent of (A) attorneys’ fees, investment banking fees, accountants’ fees, underwriting discounts and commissions and other customary fees and expenses actually incurred in connection with any issuance, sale or incurrence by a Parent of Equity Interests or Indebtedness, or any exchange of securities or tender for outstanding debt securities, (B) the costs and expenses of any offer to exchange privately placed securities in respect of the foregoing for publicly registered securities or any similar concept having a comparable purpose, or (C) (i) fees, taxes and expenses required to maintain the corporate existence of a Parent, (ii) income taxes to the extent such income taxes are attributable to the income of CCH II and its Restricted Subsidiaries and, to the extent of the amount actually received from the Unrestricted Subsidiaries, in amounts required to pay such taxes to the extent attributable to the income of the Unrestricted Subsidiaries, provided, however, that in each case the amount of such payments in any fiscal year does not exceed the amount of income taxes that CCH II and its Restricted Subsidiaries would be required to pay for such fiscal year were CCH II and its Restricted Subsidiaries to pay such taxes as a stand-alone taxpayer; and (iii) general corporate overhead and operating expenses for such direct or indirect parent corporation of CCH II to the extent such expenses are attributable to the ownership or operation of CCH II and its Restricted Subsidiaries (which amounts pursuant to this subclause (C) shall not exceed \$25 million in any fiscal year);

(10) payments contemplated by the Plan of Reorganization, including, without limitation, Specified Fees and Expenses;

(11) additional Restricted Payments directly or indirectly to CCH I or any other Parent for the purpose of enabling CCI to redeem, or pay dividends on, the Series A Preferred Stock so long as (i) such dividends do not exceed, and (ii) such redemptions do not exceed, the dividends and liquidation preference, respectively, contemplated in the certificate of designation governing the Series A Preferred Stock as in effect on the Issue Date; and

(12) additional Restricted Payments in an aggregate amount of \$50 million.

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by CCH II or any of its Restricted Subsidiaries pursuant to the Restricted Payment. The fair market value of any assets or securities that are required to be valued by this covenant shall be determined by the Board of Directors of CCH II, whose resolution with respect thereto shall be delivered to the trustee. Such Board of Directors’ determination must be based upon an opinion or appraisal issued by an accounting, appraisal or investment banking firm of national standing if the fair market value exceeds \$100 million.

Not later than the date of making any Restricted Payment involving an amount or fair market value in excess of \$10 million, the Issuers shall deliver to the trustee an officers’ certificate stating that such Restricted Payment is permitted and setting forth the basis upon which the calculations required by this “Restricted Payments” covenant were computed, together with a copy of any fairness opinion or appraisal required by the Indenture.

Investments

CCH II will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) make any Restricted Investment; or

(2) allow any of its Restricted Subsidiaries to become an Unrestricted Subsidiary, unless, in each case:

(a) no Default or Event of Default under the Indenture shall have occurred and be continuing or would occur as a consequence thereof; and

(b) CCH II would, at the time of, and after giving effect to, such Restricted Investment or such designation of a Restricted Subsidiary as an Unrestricted Subsidiary, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the applicable Leverage Ratio test set forth in the first paragraph of the covenant described below under the caption “— Incurrence of Indebtedness and Issuance of Preferred Stock.”

An Unrestricted Subsidiary may be redesignated as a Restricted Subsidiary if such redesignation would not cause a Default.

Incurrence of Indebtedness and Issuance of Preferred Stock

CCH II will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, “incur”) any Indebtedness (including Acquired Debt) and CCH II will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of Disqualified Stock or Preferred Stock, provided that CCH II or any of its Restricted Subsidiaries may incur Indebtedness, CCH II may issue Disqualified Stock and subject to the final paragraph of this covenant below, Restricted Subsidiaries of CCH II may incur Preferred Stock if the Leverage Ratio of CCH II and its Restricted Subsidiaries would have been not greater than 5.75 to 1.0 determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, at the beginning of the most recently ended fiscal quarter.

So long as no Event of Default under clauses (1), (2), (7) or (8) under “— Event of Default and Remedies” shall have occurred and be continuing after giving effect to the incurrence thereof (and the use of proceeds therefrom), the first paragraph of this covenant will not prohibit the incurrence of any of the following items of Indebtedness (collectively, “Permitted Debt”):

- (1) the incurrence by CCH II and its Restricted Subsidiaries of Indebtedness under the Credit Facilities; provided that the aggregate principal amount of all Indebtedness of CCH II and its Restricted Subsidiaries outstanding under this clause (1) for all Credit Facilities of CCH II and its Restricted Subsidiaries after giving effect to such incurrence does not exceed an amount equal to \$1.0 billion;
- (2) the incurrence by CCH II and its Restricted Subsidiaries of Existing Indebtedness (including under the Credit Facilities);
- (3) the incurrence on the Issue Date by CCH II of Indebtedness represented by the Notes (but not including any Additional Notes);
- (4) the incurrence by CCH II or any of its Restricted Subsidiaries of Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of construction or improvement (including, without limitation, the cost of design, development, construction, acquisition, transportation, installation, improvement, and migration) of Productive Assets of CCH II or any of its Restricted Subsidiaries in an aggregate principal amount not to exceed, together with any related Permitted Refinancing Indebtedness permitted by clause (5) below, \$75 million at any time outstanding;
- (5) the incurrence by CCH II or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace, in whole or in part, Indebtedness (other than intercompany Indebtedness) that was permitted by the Indenture to be incurred under this clause (5), the first paragraph of this covenant or clauses (2), (3) or (4) of this paragraph;
- (6) the incurrence by CCH II or any of its Restricted Subsidiaries of intercompany Indebtedness between or among CCH II and any of its Restricted Subsidiaries; provided that:
 - (a) if CCH II is the obligor on such Indebtedness, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all obligations with respect to the Notes; and

(b) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than CCH II or a Restricted Subsidiary of CCH II and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either CCH II or a Restricted Subsidiary of CCH II, shall be deemed, in each case, to constitute an incurrence of such Indebtedness that was not permitted by this clause (6);

(7) the incurrence by CCH II or any of its Restricted Subsidiaries of Hedging Obligations that are incurred for the purpose of fixing or hedging interest rate risk with respect to any floating rate Indebtedness that is permitted by the terms of the Indenture to be outstanding;

(8) the guarantee by CCH II or any of its Restricted Subsidiaries of Indebtedness of a Restricted Subsidiary that was permitted to be incurred by another provision of this covenant;

(9) the incurrence by CCH II or any of its Restricted Subsidiaries of additional Indebtedness in an aggregate principal amount at any time outstanding under this clause (9), not to exceed \$300 million; and

(10) the accretion or amortization of original issue discount and the write up of Indebtedness in accordance with purchase accounting.

In the event that an item of proposed Indebtedness (a) meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (10) above or (b) is entitled to be incurred pursuant to the first paragraph of this covenant, CCH II will be permitted to classify and from time to time to reclassify such item of Indebtedness in any manner that complies with this covenant. Once any item of Indebtedness is so reclassified, it will no longer be deemed outstanding under the category of Permitted Debt, where initially incurred or previously reclassified. For avoidance of doubt, Indebtedness incurred pursuant to a single agreement, instrument, program, facility or line of credit may be classified as Indebtedness arising in part under one of the clauses listed above or under the first paragraph of this covenant, and in part under any one or more of the clauses listed above, to the extent that such Indebtedness satisfies the criteria for such classification.

Notwithstanding the foregoing, in no event shall any Restricted Subsidiary of CCH II consummate a Subordinated Debt Financing or a Preferred Stock Financing. A "Subordinated Debt Financing" or a "Preferred Stock Financing," as the case may be, with respect to any Restricted Subsidiary of CCH II shall mean a public offering or private placement (whether pursuant to Rule 144A under the Securities Act or otherwise) of Subordinated Notes or Preferred Stock (whether or not such Preferred Stock constitutes Disqualified Stock), as the case may be, of such Restricted Subsidiary to one or more purchasers (other than to one or more Affiliates of CCH II). "Subordinated Notes" with respect to any Restricted Subsidiary of CCH II shall mean Indebtedness of such Restricted Subsidiary that is contractually subordinated in right of payment to any other Indebtedness of such Restricted Subsidiary (including, without limitation, Indebtedness under the Credit Facilities), provided that the foregoing shall not apply to priority of Liens, including by way of intercreditor arrangements. The foregoing limitation shall not apply to:

(a) any Indebtedness or Preferred Stock of any Person existing at the time such Person is merged with or into or becomes a Subsidiary of CCH II; provided that such Indebtedness or Preferred Stock was not incurred or issued in connection with, or in contemplation of, such Person merging with or into, or becoming a Subsidiary of, CCH II, and

(b) any Indebtedness or Preferred Stock of a Restricted Subsidiary issued in connection with, and as part of the consideration for, an acquisition, whether by stock purchase, asset sale, merger or otherwise, in each case involving such Restricted Subsidiary, which Indebtedness or Preferred Stock is issued to the seller or sellers of such stock or assets; provided that such Restricted Subsidiary is not obligated to register such Indebtedness or Preferred Stock under the Securities Act or obligated to provide information pursuant to Rule 144A under the Securities Act.

Liens

The Indenture will provide that CCH II will not, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind securing Indebtedness or trade payables on any asset of CCH II, whether owned on the Issue Date or thereafter acquired, except Permitted Liens.

Dividend and Other Payment Restrictions Affecting Subsidiaries

CCH II will not, directly or indirectly, create or permit to exist or become effective any encumbrance or restriction on the ability of any of its Restricted Subsidiaries to:

- (1) pay dividends or make any other distributions on its Capital Stock to CCH II or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to CCH II or any of its Restricted Subsidiaries;
- (2) make loans or advances to CCH II or any of its Restricted Subsidiaries; or
- (3) transfer any of its properties or assets to CCH II or any of its Restricted Subsidiaries.

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

- (1) Existing Indebtedness, contracts and other instruments as in effect on the Issue Date and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings thereof; provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in the most restrictive Existing Indebtedness, contracts or other instruments, as in effect on the Issue Date;
- (2) applicable law;
- (3) any instrument governing Indebtedness or Capital Stock of a Person acquired by CCH II or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; provided that, in the case of Indebtedness, such Indebtedness was permitted by the terms of the Indenture to be incurred;
- (4) customary non-assignment provisions in leases, franchise agreements and other commercial agreements entered into in the ordinary course of business;
- (5) purchase money obligations for property acquired in the ordinary course of business that impose restrictions on the property so acquired of the nature described in clause (3) of the preceding paragraph;
- (6) any agreement for the sale or other disposition of Capital Stock or assets of a Restricted Subsidiary that restricts distributions by such Restricted Subsidiary pending such sale or other disposition;
- (7) Permitted Refinancing Indebtedness; provided that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive at the time such restrictions become effective, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;
- (8) Liens securing Indebtedness or other obligations otherwise permitted to be incurred pursuant to the provisions of the covenant described above under the caption “— Liens” that limit the right of CCH II or any of its Restricted Subsidiaries to dispose of the assets subject to such Lien;
- (9) provisions with respect to the disposition or distribution of assets or property in joint venture agreements and other similar agreements entered into in the ordinary course of business;
- (10) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(11) restrictions contained in the terms of Indebtedness or Preferred Stock permitted to be incurred under the covenant described under the caption “— Incurrence of Indebtedness and Issuance of Preferred Stock”; provided that such restrictions are not materially more restrictive, taken as a whole, than the terms contained in the most restrictive, together or individually, of the Credit Facilities and other Existing Indebtedness as in effect on the Issue Date; and

(12) restrictions that are not materially more restrictive, taken as a whole, than customary provisions in comparable financings and that the management of CCH II determines, at the time of such financing, will not materially impair the Issuers’ ability to make payments as required under the Notes.

Merger, Consolidation or Sale of Assets

Neither Issuer may, directly or indirectly, (1) consolidate or merge with or into another Person (whether or not such Issuer is the surviving Person) or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to another Person; unless:

- (A) either:
 - (i) such Issuer is the surviving Person; or
 - (ii) the Person formed by or surviving any such consolidation or merger (if other than such Issuer) or to which such sale, assignment, transfer, conveyance or other disposition shall have been made is a Person organized or existing under the laws of the United States, any state thereof or the District of Columbia, provided that if the Person formed by or surviving any such consolidation or merger with such Issuer is a Person other than a corporation, a corporate co-issuer shall also be an obligor with respect to the Notes;
- (B) the Person formed by or surviving any such consolidation or merger (if other than such Issuer) or the Person to which such sale, assignment, transfer, conveyance or other disposition shall have been made assumes all the obligations of such Issuer under the Notes and the Indenture pursuant to agreements reasonably satisfactory to the trustee;
- (C) immediately after such transaction no Default or Event of Default exists; and
- (D) such Issuer or the Person formed by or surviving any such consolidation or merger (if other than such Issuer) will, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period,
 - (x) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of the covenant described above under the caption “— Incurrence of Indebtedness and Issuance of Preferred Stock;” or
 - (y) have a Leverage Ratio immediately after giving effect to such consolidation or merger no greater than the Leverage Ratio immediately prior to such consolidation or merger.

In addition, neither of the Issuers may, directly or indirectly, lease all or substantially all of their properties or assets, in one or more related transactions, to any other Person. The foregoing clause (D) of this “Merger, Consolidation, or Sale of Assets” covenant will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among an Issuer and any of its Wholly Owned Restricted Subsidiaries.

Transactions with Affiliates

CCH II will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each, an “Affiliate Transaction”), unless:

(1) such Affiliate Transaction is on terms, taken as a whole, that are not less favorable to CCH II or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by CCH II or such Restricted Subsidiary with an unrelated Person; and

(2) CCH II delivers to the trustee:

(a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration given or received by CCH II or any such Restricted Subsidiary in excess of \$15 million, a resolution of the Board of Directors of CCH II or CCI set forth in an officers' certificate certifying that such Affiliate Transaction complies with this covenant and that such Affiliate Transaction has been approved by a majority of the members of such Board of Directors; and

(b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration given or received by CCH II or any such Restricted Subsidiary in excess of \$50 million, an opinion as to the fairness to the holders of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

The following items shall not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of the prior paragraph:

(1) any existing employment agreement and employee benefit arrangement (including stock purchase or options agreements, deferred compensation plans, and retirement, savings or similar plans) entered into by CCH II or any of its Subsidiaries and any employment agreement and employee benefit arrangements entered into by CCH II or any of its Restricted Subsidiaries in the ordinary course of business;

(2) transactions between or among CCH II and/or its Restricted Subsidiaries;

(3) payment of reasonable directors fees to Persons who are not otherwise Affiliates of CCH II;

(4) customary indemnification and insurance arrangements in favor of directors and officers, regardless of affiliation with CCH II or any of its Restricted Subsidiaries;

(5) payment of Management Fees;

(6) Restricted Payments that are permitted by the provisions of the covenant described above under the caption "— Restricted Payments" and Restricted Investments that are permitted by the provisions of the covenant described above under the caption "— Investments";

(7) Permitted Investments;

(8) transactions pursuant to agreements existing on the Issue Date, as in effect on the Issue Date, or as subsequently modified, supplemented, or amended, to the extent that any such modifications, supplements, or amendments comply with the applicable provisions of paragraph (1) of this covenant;

(9) transactions contemplated by the Plan of Reorganization, including, without limitation, the payment of Specified Fees and Expenses;

(10) contributions to the common equity capital of CCH II or the issue or sale of Equity Interests of CCH II;

(11) the assignment and assumption of contracts (which contracts were entered into prior to the Issue Date on an arms-length basis in the ordinary course of business of the relevant Parent, reasonably related to the business of CCH II and the assignment and assumption of which would not result in the incurrence of any Indebtedness by CCH II or any Restricted Subsidiary) to a Restricted Subsidiary by a Parent; and

- (12) transactions with a Person that would otherwise be deemed Affiliate Transactions solely because any Issuer or a Restricted Subsidiary owns Equity Interests in such Person.

Sale and Leaseback Transactions

CCH II will not, and will not permit any of its Restricted Subsidiaries to, enter into any sale and leaseback transaction; provided that CCH II and its Restricted Subsidiaries may enter into a sale and leaseback transaction if:

- (1) CCH II or such Restricted Subsidiary could have
 - (a) incurred Indebtedness in an amount equal to the Attributable Debt relating to such sale and leaseback transaction under the Leverage Ratio test in the first paragraph of the covenant described above under the caption “— Incurrence of Indebtedness and Issuance of Preferred Stock”; and
 - (b) incurred a Lien to secure such Indebtedness pursuant to the covenant described above under the caption “— Liens” or the definition of “Permitted Liens”; and
- (2) the transfer of assets in that sale and leaseback transaction is permitted by, and CCH II or such Restricted Subsidiary applies the proceeds of such transaction in compliance with, the covenant described above under the caption “— Repurchase at the Option of Holders — Asset Sales.”

The foregoing restrictions do not apply to a sale and leaseback transaction if the lease is for a period, including renewal rights, of not in excess of three years.

Limitations on Issuances of Guarantees of Indebtedness

CCH II will not permit any of its Restricted Subsidiaries, directly or indirectly, to Guarantee or pledge any assets to secure the payment of any other Indebtedness of CCH II (the “Guaranteed Indebtedness”), unless

- (1) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture providing for the Guarantee (a “Subsidiary Guarantee”) of the payment of the Notes by such Restricted Subsidiary, and
- (2) until one year after all the Notes have been paid in full in cash, such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against CCH II or any other Restricted Subsidiary of CCH II as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee; provided that this paragraph shall not be applicable to any Guarantee or any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

If the Guaranteed Indebtedness is subordinated to the Notes, then the Guarantee of such Guaranteed Indebtedness shall be subordinated to the Subsidiary Guarantee at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes.

Any Subsidiary Guarantee shall terminate upon the release of such guarantor from its guarantee of the Guaranteed Indebtedness.

Limitations on Layering

- (1) At all times, CCOH shall be a direct Restricted Subsidiary of CCH II or of a Restricted Subsidiary that Guarantees the Notes on an unsubordinated, full and unconditional basis.
- (2) CCH II shall not permit any members of the CCOH Group to guarantee or otherwise become an obligor with respect to any Indebtedness (“CCOH Guaranteed Indebtedness”) of CCH II or any Parent or any

Subsidiary of a Parent other than a member of the CCOH Group without Guaranteeing the Notes on an unsubordinated basis pursuant to the above “—Limitations on Issuances of Guarantees of Indebtedness” covenant (treating all references therein to “Guaranteed Indebtedness” as references to “CCOH Guaranteed Indebtedness”).

(3) CCH II shall not permit any member of the CCOH Group to create a Lien on any of its assets or properties to secure the repayment of the Indebtedness of CCH II or any Parent or any Subsidiary of a Parent who is not itself a member of the CCOH Group, unless:

- (i) in the case of Liens securing Indebtedness that is subordinated in right of payment to the Notes, the Notes are secured by a Lien on such property or assets that is senior in priority to such Liens;
- (ii) and in all other cases, the Notes are equally and ratably secured;

provided that any Lien which is granted under this covenant shall be automatically discharged at the same time as the discharge of the Lien (other than through the exercise of remedies with respect thereto) that gave rise to the obligation to so secure the Notes or Guarantees.

Payments for Consent

CCH II will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or amendment.

Reports

Whether or not required by the SEC, so long as any Notes are outstanding, the Issuers will furnish to the holders of the Notes, within the time periods specified in the SEC’s rules and regulations:

(1) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Issuers were required to file such forms, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” section and, with respect to the annual information only, a report on the annual consolidated financial statements of CCH II by its independent public accountants; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Issuers were required to file such reports.

Notwithstanding anything contained herein, so long as CCI or another entity that is a guarantor of the Notes and is a Parent, consolidated reports at such Parent level in a manner consistent with this covenant for CCH II shall satisfy this covenant; provided that (x) such reports at such Parent level do not reflect the financial information or assets of any material operations other than those of the Issuers and their Subsidiaries; (y) such Parent includes in its reports information about CCH II that is required to be provided by a parent guaranteeing debt of an operating company subsidiary pursuant to Rule 3-10 of Regulation S-X or any successor rule then in effect; and (z) such reports include reasonably detailed information regarding the outstanding Indebtedness and preferred stock (including, without limitation, any such instruments held by Parents or their Subsidiaries) of CCH II.

For any fiscal quarter or fiscal year at the end of which Subsidiaries of CCH II are Unrestricted Subsidiaries, the quarterly and annual financial information required by the preceding paragraph shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in Management’s Discussion and Analysis of Financial Condition and Results of Operations, of the financial condition and results of operations of CCH II and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of CCH II.

In addition, after effectiveness of a registration statement registering either the exchange or the resale of the Initial Notes, whether or not required by the SEC, the Issuers will file a copy of all of the information and reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the SEC's rules and regulations, unless the SEC will not accept such a filing, and make such information available to securities analysts and prospective investors upon request.

Events of Default and Remedies

Each of the following is an Event of Default with respect to the Notes:

- (1) default for 30 consecutive days in the payment when due of interest on the Notes;
- (2) default in payment when due of the principal of or premium, if any, on the Notes;
- (3) failure by CCH II or any of its Restricted Subsidiaries to comply with the provisions of the Indenture described under the captions “— Repurchase at the Option of Holders — Change of Control” or “— Certain Covenants — Merger, Consolidation, or Sale of Assets”;
- (4) failure by CCH II or any of its Restricted Subsidiaries for 30 consecutive days after written notice thereof has been given to the Issuers by the trustee or to the Issuers and the trustee by holders of at least 25% of the aggregate principal amount of the Notes outstanding to comply with any of their other covenants or agreements in the Indenture;
- (5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by CCH II or any of its Restricted Subsidiaries (or the payment of which is guaranteed by CCH II or any of its Restricted Subsidiaries) whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default:
 - (a) is caused by a failure to pay at final stated maturity the principal amount on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a “Payment Default”); or
 - (b) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$100 million or more;
- (6) failure by CCH II or any of its Restricted Subsidiaries to pay final judgments which are non-appealable aggregating in excess of \$100 million, net of applicable insurance which has not been denied in writing by the insurer, which judgments are not paid, discharged or stayed for a period of 60 days; and
- (7) CCH II or any of its Significant Subsidiaries pursuant to or within the meaning of Bankruptcy Law:
 - (a) commences a voluntary case,
 - (b) consents to the entry of an order for relief against it in an involuntary case,
 - (c) consents to the appointment of a custodian of it or for all or substantially all of its property, or
 - (d) makes a general assignment for the benefit of its creditors; or
- (8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (a) is for relief against CCH II or any of its Significant Subsidiaries in an involuntary case;

(b) appoints a custodian of CCH II or any of its Significant Subsidiaries or for all or substantially all of the property of CCH II or any of its Significant Subsidiaries; or

(c) orders the liquidation of CCH II or any of its Significant Subsidiaries;

and the order or decree remains unstayed and in effect for 60 consecutive days.

In the case of an Event of Default described in the foregoing clauses (7) and (8) with respect to CCH II, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the trustee or the holders of at least 25% in principal amount of the then outstanding Notes may declare the Notes to be due and payable immediately.

Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, the holders of a majority in principal amount of the then outstanding Notes may direct the trustee in its exercise of any trust or power. The trustee may withhold from holders of the Notes notice of any continuing Default or Event of Default under the Indenture (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest.

If a Default is deemed to occur solely because a Default (the "Initial Default") already existed, then if such Initial Default is cured and is not continuing, the Default or Event of Default resulting solely because the Initial Default existed shall be deemed cured, and will be deemed annulled, waived and rescinded without any further action required.

The holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the trustee may on behalf of the holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, or premium, if any, on, the Notes.

The Issuers will be required to deliver to the trustee annually a statement regarding compliance with the Indenture. Upon becoming aware of any Default or Event of Default, the Issuers will be required to deliver to the trustee a statement specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

No Personal Liability of Directors, Officers, Employees, Members and Stockholders

No director, officer, employee or incorporator of the Issuers or any Parent Guarantor, as such, and no member or stockholder of the Issuers or any Parent Guarantor, as such, shall have any liability for any obligations of the Issuers or any Parent Guarantor under the Notes, the Indenture, any Note Guarantee or the Registration Rights Agreement, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Notes by accepting a Note and any Note Guarantee waives and releases all such liability. The waiver and release will be part of the consideration for issuance of the Notes and any Note Guarantee. The waiver may not be effective to waive liabilities under the federal securities laws.

Legal Defeasance and Covenant Defeasance

The Issuers and any Parent Guarantor may, at their option and at any time, elect to have all of their obligations discharged with respect to any outstanding Notes and any Note Guarantee ("Legal Defeasance") except for:

(1) the rights of holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due from the trust referred to below;

(2) the Issuers' obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

- (3) the rights, powers, trusts, duties and immunities of the trustee, and the Issuers' obligations in connection therewith; and
- (4) the Legal Defeasance provisions of the Indenture.

In addition, the Issuers may, at their option and at any time, elect to have the obligations of the Issuers and any Parent Guarantor released with respect to certain covenants that are described in the Indenture and any Note Guarantee ("Covenant Defeasance") and thereafter any omission to comply with those covenants shall not constitute a Default or Event of Default with respect to the Notes or any Note Guarantee. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under "Events of Default" will no longer constitute an Events of Default with respect to the Notes or any Note Guarantee.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) the Issuers or any Parent Guarantor must irrevocably deposit, or cause to be deposited, with the trustee, in trust, for the benefit of the holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as are expected to be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the outstanding Notes on the stated maturity or on the applicable redemption date, as the case may be, and the Issuers and any Parent Guarantor must specify whether the Notes will be defeased to maturity or to a particular redemption date;
- (2) in the case of Legal Defeasance, the Issuers shall have delivered to the trustee an opinion of counsel reasonably acceptable to the trustee confirming that
 - (a) the Issuers and any Parent Guarantor have received from, or there has been published by, the Internal Revenue Service a ruling or
 - (b) since the Issue Date, there has been a change in the applicable federal income tax law,

in either case of (a) or (b) immediately above to the effect that, and based thereon such opinion of counsel shall confirm that, the holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuers or any Parent Guarantor shall have delivered to the trustee an opinion of counsel confirming that the holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default under the Indenture shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowing);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than the Indenture) to which the Issuers or any of their Restricted Subsidiaries is a party or by which the Issuers or any of their Restricted Subsidiaries is bound;

(6) the Issuers or any Parent Guarantor must deliver to the trustee an officers' certificate stating that the deposit was not made by the Issuers with the intent of preferring the holders of the Notes over the other creditors of the Issuers or any Parent Guarantor with the intent of defeating, hindering, delaying or defrauding creditors of the Issuers, any Parent Guarantor or others; and

(7) the Issuers or any Parent Guarantor must deliver to the trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding the foregoing, the opinion of counsel required by clause (2) above with respect to a Legal Defeasance need not be delivered and the conditions set forth in clause 4(b) shall not apply if all applicable Notes not theretofore delivered to the trustee for cancellation

(a) have become due and payable or

(b) will become due and payable on the maturity date or a redemption date within one year under arrangements satisfactory to the trustee for the giving of notice of redemption by the trustee in the name, and at the expense, of the Issuers.

Amendment, Supplement and Waiver

Except as provided below, the Indenture, the Notes or any Note Guarantee may be amended or supplemented with the consent of the holders of at least a majority in aggregate principal amount of the then outstanding Notes. This includes consents obtained in connection with a purchase of Notes, a tender offer for Notes or an exchange offer for Notes. Any existing Default or compliance with any provision of the Indenture, the Notes or any Note Guarantee (other than any provision relating to the right of any holder of a Note to bring suit for the enforcement of any payment of principal, premium, if any, and interest on the Note, on or after the scheduled due dates expressed in the Notes) may be waived with the consent of the holders of a majority in aggregate principal amount of the then outstanding Notes. This includes consents obtained in connection with a purchase of Notes, a tender offer for Notes or an exchange offer for Notes.

Without the consent of each holder affected thereby, an amendment or waiver may not (with respect to any Notes held by such holder):

(1) reduce the principal amount of such Notes;

(2) change the fixed maturity of such Notes or reduce the premium payable upon redemption of such Notes;

(3) reduce the rate of or extend the time for payment of interest on such Notes;

(4) waive a Default or an Event of Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);

(5) make such Notes payable in money other than that stated in such Notes;

(6) make any change in the provisions of the Indenture relating to waivers of past Defaults applicable to any Notes or the rights of holders thereof to receive payments of principal of, or premium, if any, or interest on such Notes;

(7) waive a redemption payment with respect to such Notes (other than a payment required by one of the covenants described above under the caption "— Repurchase at the Option of Holders"); or

(8) make any change in the preceding amendment and waiver provisions. Notwithstanding the preceding, without the consent of any holder of Notes, the Issuers, any Parent Guarantor and the trustee may amend or supplement the Indenture, the Notes or any Note Guarantee:

(a) to cure any ambiguity, defect or inconsistency;

- (b) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (c) to provide for or confirm the issuance of Additional Notes or any Exchange Notes;
- (d) to provide for the assumption of the Issuers' or any Parent Guarantor's obligations to holders of Notes in the case of a merger or consolidation or sale of all or substantially all of the Issuers' assets;
- (e) to add a Note Guarantee;
- (f) to release any Subsidiary Guarantee in accordance with the provisions of the Indenture;
- (g) to make any change that would provide any additional rights or benefits to the holders of Notes or that does not adversely affect the legal rights under the Indenture of any such holder;
- (h) add a guarantor; or
- (i) to comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act or otherwise as necessary to comply with applicable law.

Governing Law

The Indenture and the Notes will be governed by the laws of the State of New York.

Concerning the Trustee

If the trustee becomes a creditor of the Issuers, the Indenture will limit its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue or resign.

The holders of a majority in principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee, subject to certain exceptions. The Indenture will provide that in case an Event of Default shall occur and be continuing, the trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any holder of Notes, unless such holder shall have offered to the trustee indemnity satisfactory to it against any loss, liability or expense.

Anyone who receives this prospectus may obtain a copy of the Indenture without charge by writing to the Issuers at Charter Plaza, 12405 Powerscourt Drive, St. Louis, Missouri 63131, Attention: Corporate Secretary.

“Specified Fees and Expenses” has the meaning assigned to such term in the Plan of Reorganization.

“Specified Parent Indebtedness” means Indebtedness incurred by a Parent whose proceeds are contributed to CCH II (whether as an equity investment or in the form of an exchange for Indebtedness of CCH II) and used to benefit the business of CCH II and its Restricted Subsidiaries and not used directly or indirectly to pay a dividend from CCH II; provided that CCH II shall, within 5 business days of such incurrence, deliver to the trustee an officers’ certificate specifying such Indebtedness as “Specified Parent Indebtedness” and disclosing the use of proceeds therefrom.

“Stated Maturity” means, with respect to any installment of interest or principal on any series of Indebtedness, the date on which such payment of interest or principal was scheduled to be paid in the documentation governing such Indebtedness on the Issue Date, or, if none, the original documentation governing such Indebtedness, and shall not include any contingent obligations to repay, redeem or repurchase any such interest or principal prior to the date originally scheduled for the payment thereof.

“Subsidiary” means, with respect to any Person:

(1) any corporation, association or other business entity of which at least 50% of the total voting power of shares of Capital Stock entitled (without regard to the occurrence of any contingency) to vote in the election of directors, managers or trustees thereof is at the time owned or controlled, directly or indirectly, by such Person or one or more of the other Subsidiaries of that Person (or a combination thereof) and, in the case of any such entity of which 50% of the total voting power of shares of Capital Stock is so owned or controlled by such Person or one or more of the other Subsidiaries of such Person, such Person and its Subsidiaries also have the right to control the management of such entity pursuant to contract or otherwise; and

(2) any partnership

(a) the sole general partner or the managing general partner of which is such Person or a Subsidiary of such Person, or

(b) the only general partners of which are such Person or of one or more Subsidiaries of such Person (or any combination thereof).

“Treasury Rate” means, as of the applicable redemption date, the yield to maturity as of such redemption (or deposit) date of the United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two business days prior to such redemption (or deposit) date (or, if such Statistical Release is no longer published, any publicly available source of similar market date)) most nearly equal to the period from such redemption (or deposit) date to November 30, 2012; provided, however, that if the period from such redemption (or deposit) date to November 30, 2012, is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

“Unrestricted Subsidiary” means any Subsidiary of CCH II that is designated by the Board of Directors of CCH II as an Unrestricted Subsidiary pursuant to a board resolution, but only to the extent that such Subsidiary:

(1) has no Indebtedness other than Non-Recourse Debt;

(2) is not party to any agreement, contract, arrangement or understanding with CCH II or any Restricted Subsidiary of CCH II unless the terms of any such agreement, contract, arrangement or understanding are no less favorable to CCH II or such Restricted Subsidiary of CCH II than those that might be obtained at the time from Persons who are not Affiliates of CCH II unless such terms constitute Investments permitted by the covenant described above under the caption “— Certain Covenants — Investments,” Permitted Investments, Asset Sales

permitted under the covenant described above under the caption “— Repurchase at the Option of the Holders — Asset Sales” or sale-leaseback transactions permitted by the covenant described above under the caption “Certain Covenants — Sale and Leaseback Transactions”;

- (3) is a Person with respect to which neither CCH II nor any of its Restricted Subsidiaries has any direct or indirect obligation
- (a) to subscribe for additional Equity Interests or
- (b) to maintain or preserve such Person’s financial condition or to cause such Person to achieve any specified levels of operating results;
- (4) has not guaranteed or otherwise directly or indirectly provided credit support for any Indebtedness of CCH II or any of its Restricted Subsidiaries; and
- (5) does not own any Capital Stock of any Restricted Subsidiary of CCH II.

Any designation of a Subsidiary of CCH II as an Unrestricted Subsidiary shall be evidenced to the trustee by filing with the trustee a certified copy of the board resolution giving effect to such designation and an officers’ certificate certifying that such designation complied with the preceding conditions and was permitted by the covenant described above under the caption “— Certain Covenants — Investments.” If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it shall thereafter cease to be an Unrestricted Subsidiary for purposes of the Indenture and any Indebtedness of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary of CCH II as of such date and, if such Indebtedness is not permitted to be incurred as of such date under the covenant described under the caption “— Certain Covenants — Incurrence of Indebtedness and Issuance of Preferred Stock,” CCH II shall be in default of such covenant. The Board of Directors of CCH II may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; provided that such designation shall be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary and such designation shall only be permitted if:

- (1) such Indebtedness is permitted under the covenant described under the caption “— Certain Covenants — Incurrence of Indebtedness and Issuance of Preferred Stock,” calculated on a pro forma basis as if such designation had occurred at the beginning of the four-quarter reference period; and
- (2) no Default or Event of Default would be in existence immediately following such designation.

“**Voting Stock**” of any Person as of any date means the Capital Stock of such Person that is at the time entitled to vote in the election of the board of directors or comparable governing body of such Person.

“**Weighted Average Life to Maturity**” means, when applied to any Indebtedness at any date, the number of years obtained by dividing:

- (1) the sum of the products obtained by multiplying
 - (a) the amount of each then remaining installment, sinking fund, serial maturity or other required payments of principal, including payment at final maturity, in respect thereof, by
 - (b) the number of years (calculated to the nearest one-twelfth) that will elapse between such date and the making of such payment; by
- (2) the then outstanding principal amount of such Indebtedness.

“**Wholly Owned Restricted Subsidiary**” of any Person means a Restricted Subsidiary of such Person all of the outstanding common equity interests or other ownership interests of which (other than directors’ qualifying shares)

BOOK-ENTRY SETTLEMENT AND CLEARANCE

The Global Notes

The Notes are represented by global notes in definitive, fully registered form, without interest coupons (collectively, the “Global Notes”).

The Global Notes have been deposited with the Trustee as custodian for DTC and registered in the name of Cede & Co., as nominee of DTC.

Ownership of beneficial interests in each Global Note is limited to persons who have accounts with DTC (“DTC participants”) or persons who hold interests through DTC participants. We expect that under procedures established by DTC:

- upon deposit of each Global Note with DTC’s custodian, DTC will credit portions of the principal amount of the Global Note to the accounts of the DTC participants; and
- ownership of beneficial interests in each Global Note will be shown on, and transfer of ownership of those interests will be effected only through, records maintained by DTC (with respect to interests of DTC participants) and the records of DTC participants (with respect to other owners of beneficial interests in the Global Note).

Beneficial interests in the Global Notes may not be exchanged for notes in physical, certificated form except in the limited circumstances described below.

Book-entry procedures for the Global Notes

All interests in the Global Notes will be subject to the operations and procedures of DTC, Euroclear and Clearstream. We provide the following summaries of those operations and procedures solely for the convenience of investors. The operations and procedures of each settlement system are controlled by that settlement system and may be changed at any time. Neither we nor the initial purchasers are responsible for those operations or procedures.

DTC has advised us that it is:

- a limited purpose trust company organized under the laws of the State of New York;
- a “banking organization” within the meaning of the New York State Banking Law;
- a member of the Federal Reserve System;
- a “clearing corporation” within the meaning of the Uniform Commercial Code; and
- a “clearing agency” registered under Section 17A of the Exchange Act.

DTC was created to hold securities for its participants and to facilitate the clearance and settlement of securities transactions between its participants through electronic book-entry changes to the accounts of its participants. DTC’s participants include securities brokers and dealers; banks and trust companies; clearing corporations and other organizations. Indirect access to DTC’s system is also available to others such as banks, brokers, dealers and trust companies; these indirect participants clear through or maintain a custodial relationship with a DTC participant, either directly or indirectly. Investors who are not DTC participants may beneficially own securities held by or on behalf of DTC only through DTC participants or indirect participants in DTC.

So long as DTC’s nominee is the registered owner of a Global Note, that nominee will be considered the sole owner or holder of the notes represented by that Global Note for all purposes under the applicable indenture. Except as provided below, owners of beneficial interests in a Global Note:

- will not be entitled to have notes represented by the Global Note registered in their names;
- will not receive or be entitled to receive physical, certificated notes; and
- will not be considered the owners or holders of the notes under the applicable indenture for any purpose, including with respect to the giving of any direction, instruction or approval to the Trustee under the applicable indenture.

As a result, each investor who owns a beneficial interest in a Global Note must rely on the procedures of DTC to exercise any rights of a holder of notes under the applicable indenture (and, if the investor is not a participant or an indirect participant in DTC, on the procedures of the DTC participant through which the investor owns its interest).

Payments of principal, premium (if any) and interest with respect to the notes represented by a Global Note will be made by the Trustee to DTC's nominee as the registered holder of the Global Note. Neither we nor the Trustee will have any responsibility or liability for the payment of amounts to owners of beneficial interests in a Global Note, for any aspect of the records relating to or payments made on account of those interests by DTC, or for maintaining, supervising or reviewing any records of DTC relating to those interests.

Payments by participants and indirect participants in DTC to the owners of beneficial interests in a Global Note will be governed by standing instructions and customary industry practice and will be the responsibility of those participants or indirect participants and DTC.

Transfers between participants in DTC will be effected under DTC's procedures and will be settled in same-day funds. Transfers between participants in Euroclear or Clearstream will be effected in the ordinary way under the rules and operating procedures of those systems.

Cross-market transfers between DTC participants, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected within DTC through the DTC participants that are acting as depositaries for Euroclear and Clearstream. To deliver or receive an interest in a Global Note held in a Euroclear or Clearstream account, an investor must send transfer instructions to Euroclear or Clearstream, as the case may be, under the rules and procedures of that system and within the established deadlines of that system. If the transaction meets its settlement requirements, Euroclear or Clearstream, as the case may be, will send instructions to its DTC depository to take action to effect final settlement by delivering or receiving interests in the relevant Global Notes in DTC, and making or receiving payment under normal procedures for same-day funds settlement applicable to DTC. Euroclear and Clearstream participants may not deliver instructions directly to the DTC depositaries that are acting for Euroclear or Clearstream.

Because of time zone differences, the securities account of a Euroclear or Clearstream participant that purchases an interest in a Global Note from a DTC participant will be credited on the business day for Euroclear or Clearstream immediately following the DTC settlement date. Cash received in Euroclear or Clearstream from the sale of an interest in a Global Note to a DTC participant will be received with value on the DTC settlement date but will be available in the relevant Euroclear or Clearstream cash account as of the business day for Euroclear or Clearstream following the DTC settlement date.

DTC, Euroclear and Clearstream have agreed to the above procedures to facilitate transfers of interests in the Global Notes among participants in those settlement systems. However, the settlement systems are not obligated to perform these procedures and may discontinue or change these procedures at any time. Neither we nor the Trustee will have any responsibility for the performance by DTC, Euroclear or Clearstream or their participants or indirect participants of their obligations under the rules and procedures governing their operations.

Certificated notes

Notes in physical, certificated form will be issued and delivered to each person that DTC identifies as a beneficial owner of the related notes only if:

- DTC notifies us at any time that it is unwilling or unable to continue as depositary for the Global Notes and a successor depositary is not appointed within 90 days;
- DTC ceases to be registered as a clearing agency under the Exchange Act and a successor depositary is not appointed within 90 days;
- we, at our option, notify the Trustee that we elect to cause the issuance of certificated notes; or
- certain other events provided in the applicable indenture should occur.

CIRCULAR 230 DISCLOSURE

TO ENSURE COMPLIANCE WITH REQUIREMENTS IMPOSED BY THE INTERNAL REVENUE

SERVICE, WE INFORM YOU THAT (A) ANY UNITED STATES FEDERAL TAX ADVICE CONTAINED HEREIN (INCLUDING ANY ATTACHMENTS OR ENCLOSURES) WAS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED, FOR THE PURPOSE OF AVOIDING UNITED STATES FEDERAL TAX PENALTIES, (B) ANY SUCH ADVICE WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN AND (C) ANY TAXPAYER TO WHOM THE TRANSACTIONS OR MATTERS ARE BEING PROMOTED, MARKETED OR RECOMMENDED SHOULD SEEK ADVICE BASED ON ITS PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

The following is a summary of certain U.S. federal income and, in the case of non-U.S. holders (as defined below), U.S. federal income and estate tax consequences of the purchase, ownership and disposition of the Notes as of the date hereof. Except where noted, this summary deals only with Notes that are held as capital assets.

As used herein, a "U.S. holder" means a beneficial owner of the Notes that is for U.S. federal income tax purposes any of the following:

- an individual citizen or resident of the United States;
- a corporation (or any other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust if it (1) is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust or (2) has a valid election in effect under applicable United States Treasury regulations to be treated as a United States person.

The term "non-U.S. holder" means a beneficial owner of the Notes (other than a partnership or any other entity treated as a partnership for U.S. federal income tax purposes) that is not a U.S. holder.

This summary does not represent a detailed description of the U.S. federal income tax consequences applicable to a person who is subject to special tax treatment under the U.S. federal income tax laws, including, without limitation:

- a dealer in securities or currencies;
- a financial institution;
- a regulated investment company;
- a real estate investment trust;
- a tax-exempt organization;
- an insurance company;
- a person holding the Notes as part of a hedging, integrated, conversion or constructive sale transaction or a straddle;
- a trader in securities that has elected the mark-to-market method of accounting for its securities;
- a person liable for alternative minimum tax;
- a partnership or other pass-through entity for U.S. federal income tax purposes, or a person who is an investor in such a pass-through entity;
- a U.S. holder whose "functional currency" is not the U.S. dollar;
- a controlled foreign corporation;
- a passive foreign investment company; or
- a U.S. expatriate.

This summary is based on the Internal Revenue Code of 1986, as amended (the "Code"), United States Treasury regulations, administrative rulings and judicial decisions as of the date hereof. Those authorities may be changed,

possibly on a retroactive basis, so as to result in U.S. federal income and estate tax consequences different from those summarized below.

This section does not discuss the U.S. federal income tax consequences that may be relevant to a partnership or other pass-through entity or to the partners or members of such an entity. If a partnership (including any entity classified as a partnership for U.S. federal income tax purposes) holds Notes, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. If you are a partnership (or a partner in a partnership) holding Notes, you should consult your own tax advisors regarding the U.S. federal income tax consequences of the acquisition, ownership, and disposition of the Notes.

If the amount or timing of any additional payments on a Note is contingent, the Note could be subject to special rules that apply to contingent payment debt instruments. These rules generally require a U.S. holder to treat as ordinary income, rather than capital gain, any gain recognized on a sale, exchange, redemption, repurchase, conversion, retirement or other disposition of a Note before the resolution of the contingencies and may require a U.S. holder to accrue interest income at a different rate than would otherwise be required. We may be required to make additional payments on the Notes under certain circumstances, as described in "Description of the Notes -- Optional Redemption." We intend to take the position for U.S. federal income tax purposes that the possibility of such additional payments should not cause the notes to be subject to the special rules applicable to contingent payment debt instruments. This position is based in part on our determinations, as of the date of issuance of the notes, regarding the likelihood that certain contingencies will occur. Our position is binding on a U.S. holder unless the U.S. holder discloses a contrary position to the IRS. However, our position is not binding on the IRS and the IRS may take a contrary position from that described above, which could affect the timing and character of income from the notes. The remainder of this discussion assumes that the notes will not be treated as contingent payment debt instruments.

This summary does not represent a detailed description of the U.S. federal income and estate tax consequences to you in light of your particular circumstances and does not address the effects of any state, local or non-U.S. tax laws. It is not intended to be, and should not be construed to be, legal or tax advice to any particular purchaser of notes. **If you are considering the purchase of Notes, you should consult your own tax advisors concerning the particular U.S. federal income and estate tax consequences to you of the ownership of the Notes, as well as the consequences to you arising under the laws of any other taxing jurisdiction.**

Certain Tax Consequences to U.S. Holders

The following is a summary of certain U.S. federal income tax consequences that may apply to U.S. holders of the Notes.

Payments of Interest on Notes

Stated interest on a Note will generally be taxable to a U.S. holder as ordinary income at the time it is paid or accrued in accordance with the U.S. holder's method of accounting for U.S. federal income tax purposes.

The Notes were not initially offered at a discount, and thus the notes should not be treated as issued with original issue discount for U.S. federal income tax purposes.

Market Discount

If a U.S. holder purchases a Note for an amount that is less than its principal amount, the amount of the difference will be treated as "market discount" for U.S. federal income tax purposes, unless that difference is less than a specified de minimis amount. Under the market discount rules, a U.S. holder will be required to treat any principal payment on, or any gain on the sale, exchange, retirement or other disposition of, a Note as ordinary income to the extent of the market discount that the U.S. holder has not previously included in income and is treated as having accrued on the Note at the time of its payment or disposition.

In addition, a U.S. holder may be required to defer, until the maturity of the Note or its earlier disposition in a taxable transaction, the deduction of all or a portion of the interest expense on any indebtedness attributable to the

Note. The U.S. holder may elect, on a Note-by-Note basis, to deduct the deferred interest expense in a tax year prior to the year of disposition. If you are a U.S. holder, you should consult your own tax advisors before making this election.

Any market discount will be considered to accrue ratably during the period from the date of acquisition to the maturity date of the Note, unless a U.S. holder elects to accrue the discount on a constant interest method. The U.S. holder may elect to include market discount in income currently as it accrues, on either a ratable or constant interest method, in which case the rule described above regarding deferral of interest deductions will not apply.

Amortizable Bond Premium

If a U.S. holder purchases a Note for an amount in excess of its principal amount, the U.S. holder will be considered to have purchased the Note at a "premium." A U.S. holder generally may elect to amortize the premium over the remaining term of the Note on a constant yield method as an offset to interest when includible in income under the U.S. holder's regular accounting method. If a U.S. holder has elected to amortize the premium, the amortizable bond premium will reduce interest income. If a U.S. holder does not elect to amortize bond premium, that premium will decrease the gain or increase the loss the U.S. holder would otherwise recognize on disposition of the Note.

Sale, Exchange, Retirement, or Other Taxable Disposition of Notes

Upon the sale, exchange, retirement, or other taxable disposition of a Note, a U.S. holder generally will recognize gain or loss equal to the difference between the amount realized upon the sale, exchange, retirement or other disposition (less an amount equal to any accrued but unpaid interest, which will be taxable as interest income as discussed above to the extent not previously included in income by the U.S. holder) and the adjusted tax basis of the Note. A U.S. holder's adjusted tax basis in a Note will, in general, be the U.S. holder's cost for that Note increased by market discount previously included in income and reduced by any amortized premium or cash payments on the Note.

A U.S. holder's gain or loss on the sale, exchange, retirement, or other taxable disposition of a Note will generally be capital gain or loss. Capital gains of non-corporate U.S. holders (including individuals) derived in respect of capital assets held for more than one year are eligible for reduced rates of taxation. The deductibility of capital losses is subject to certain limitations.

Certain Tax Consequences to Non-U.S. Holders

The following is a summary of certain U.S. federal income and estate tax consequences that may apply to non-U.S. holders of the Notes.

U.S. Federal Withholding Tax

As a general rule, there is a 30% (or a lower rate, if reduced by a U.S. income tax treaty) nonrefundable withholding tax imposed upon payments of interest from a U.S. source to a non-U.S. person. This 30% U.S. federal withholding tax should likely not apply to payments of interest on the Notes to a non-U.S. holder under the "portfolio interest" exemption, provided that:

- interest paid on the Notes is not effectively connected with the non-U.S. holder's conduct of a trade or business in the United States;
- the non-U.S. holder does not actually (or constructively) own 10% or more of the total combined voting power of all classes of the Issuers' voting stock within the meaning of the Code and applicable United States Treasury regulations;
- the non-U.S. holder is not a controlled foreign corporation that is related to the Issuers actually or constructively through stock ownership;
- the non-U.S. holder is not a bank whose receipt of interest on the notes is described in Section 881(c)(3)(A) of the Code; and
- either (a) the non-U.S. holder provides its name and address on an IRS Form W-8BEN (or other applicable form), and certifies, under penalties of perjury, that it is not a United States person as defined under the

Code or (b) the non-U.S. holder holds its Notes through certain foreign intermediaries and satisfies the certification requirements of applicable United States Treasury regulations. Special certification rules apply to non-U.S. holders that are pass-through entities rather than corporations or individuals.

If a non-U.S. holder cannot satisfy the requirements for the "portfolio interest" exemption described above, payments of interest made to the non-U.S. holder will be subject to the 30% U.S. federal withholding tax, unless the non-U.S. holder provides the Issuers (or the paying agent) with a properly executed:

- IRS Form W-8BEN (or other applicable form) certifying an exemption from or reduction in withholding under the benefit of an applicable income tax treaty; or
- IRS Form W-8ECI (or other applicable form) certifying that interest paid on the notes is not subject to withholding tax because it is effectively connected with the non-U.S. holder's conduct of a trade or business in the United States (as discussed below under "U.S. Federal Income Tax").

Alternative documentation may be acceptable in certain situations. The 30% U.S. federal withholding tax generally will not apply to any payment of principal or gain that a non-U.S. holder realizes on the sale, exchange, retirement or other disposition of a Note.

U.S. Federal Income Tax

Any gain realized on the disposition of a Note generally will not be subject to U.S. federal income tax unless:

- the gain is effectively connected with a non-U.S. holder's conduct of a trade or business in the United States (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment); or
- a non-U.S. holder is an individual who is present in the United States for 183 days or more in the taxable year of that disposition, and certain other conditions are met.

If a non-U.S. holder is described in the first bullet point above, then the non-U.S. Holder will be subject to U.S. federal income tax on that gain or interest on a net income basis (although the non-U.S. holder will be exempt from the 30% U.S. federal withholding tax, provided the certification requirements discussed above in "U.S. Federal Withholding Tax" are satisfied) in generally the same manner as if the non-U.S. holder was a United States person as defined under the Code. In addition, if a non-U.S. holder is a foreign corporation and is described in the first bullet point above, the non-U.S. holder may be subject to a branch profits tax equal to 30% (or lower applicable income tax treaty rate) of such gain or interest, subject to adjustments. If a non-U.S. holder is an individual described in the second bullet point above, such holder will be subject to a flat 30% tax on the gain derived from the sale, redemption, conversion or other taxable disposition of the Notes, which may be offset by U.S. source capital losses, even though such holder is not considered a resident of the United States.

U.S. Federal Estate Tax

A non-U.S. holder's estate will not be subject to U.S. federal estate tax on Notes beneficially owned by the non-U.S. holder at the time of the non-U.S. holder's death, provided that any payment to the non-U.S. holder on the Notes would be eligible for exemption from the 30% U.S. federal withholding tax under the "portfolio interest" rule described above under "U.S. Federal Withholding Tax" without regard to the statement requirement described in the fifth bullet point of that section.

Information Reporting and Backup Withholding

U.S. Holders

In general, information reporting requirements will apply to certain payments of principal and interest paid on the Notes and to the proceeds of the sale or other disposition of a Note paid to a U.S. holder (unless the U.S. holder is an exempt recipient such as a corporation). Backup withholding may apply to such payments if a U.S. holder fails to provide a taxpayer identification number or a certification that the U.S. holder is not subject to backup withholding.

Backup withholding is not an additional tax and any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against the U.S. holder's U.S. federal income tax liability provided the required information is timely furnished to the IRS.

Non-U.S. Holders

Generally, the Issuers must report to the IRS and to a non-U.S. holder the amount of interest paid to the non-U.S. holder and the amount of tax, if any, withheld with respect to those payments. Copies of the information returns reporting such interest payments and any withholding may also be made available to the tax authorities in the country in which a non-U.S. holder resides under the provisions of an applicable income tax treaty.

In general, a non-U.S. holder will not be subject to backup withholding with respect to payments of interest on the Notes that the Issuers make to the non-U.S. holder provided that the Issuers do not have actual knowledge or reason to know that the non-U.S. holder is a United States person as defined under the Code, and the Issuers have received from the non-U.S. holder the required certification that the non-U.S. holder is a non-U.S. Person described above in the fifth bullet point under "Certain Tax Consequences to Non-U.S. Holders—*U.S. Federal Withholding Tax.*"

Information reporting and, depending on the circumstances, backup withholding will apply to the proceeds of a sale or other disposition (including a redemption) of Notes within the United States or conducted through certain United States-related financial intermediaries, unless a non-U.S. holder certifies to the purchaser under penalties of perjury that the non-U.S. holder is a non-U.S. holder (and the purchaser does not have actual knowledge or reason to know that the non-U.S. holder is a United States person as defined under the Code), or the non-U.S. holder otherwise establishes an exemption.

Backup withholding is not an additional tax and any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against a non-U.S. holder's U.S. federal income tax liability provided the required information is timely furnished to the IRS.

PLAN OF DISTRIBUTION

We are registering the Notes to permit public secondary trading of the Notes by the holders from time to time after the date of this prospectus. We will not receive any of the proceeds from the offering or sale by the selling securityholders of the Notes covered by this prospectus. The selling securityholder may sell all or a portion of the Notes beneficially owned by it and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the Notes are sold through underwriters or broker-dealers, the selling securityholder will be responsible for underwriting discounts or commissions or agent's commissions. The Notes may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions,

- on any national securities exchange or quotation service on which the Notes may be listed or quoted at the time of sale;
- in the over-the-counter market;
- in transactions otherwise than on these exchanges or systems or in the over-the-counter market;
- through the writing of options, whether such options are listed on an options exchange or otherwise;
- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the Notes as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales;
- sales pursuant to Rule 144 or Rule 144A;
- broker-dealers may agree with the selling securityholder to sell a specified amount of such Notes at a stipulated price;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

If the selling securityholders effect such transactions by selling Notes to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling securityholders or commissions from purchasers of the Notes for whom they may act as agent or to whom they may sell as principal (which discounts, concessions or commissions as to particular underwriters, broker-dealers or agents may be in excess of those customary in the types of transactions involved). In connection with sales of the Notes, the selling securityholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the Notes in the course of hedging in positions they assume. The selling securityholder may also sell Notes short and deliver Notes covered by this prospectus to close out short positions and to return borrowed Notes in connection with such short sales. The selling securityholder may also loan or pledge Notes to broker-dealers that in turn may sell such Notes.

The selling securityholders and any broker-dealer participating in the distribution of the Notes may be deemed to be "underwriters" within the meaning of the Securities Act of 1933, and any commission paid, or any discounts or concessions allowed to, any such broker-dealer may be deemed to be underwriting commissions or discounts under the Securities Act of 1933. At the time a particular offering of the Notes is made, a prospectus supplement, if required, will be distributed which will set forth the aggregate amount of Notes being offered and the terms of the offering, including the name or names of any broker-dealers or agents, any discounts, commissions and other terms constituting compensation from the selling securityholders and any discounts, commissions or concessions allowed or reallowed or paid to broker-dealers.

There can be no assurance that the selling securityholders will sell any or all of the Notes pursuant to the shelf registration statement, of which this prospectus forms a part.

We will pay all expenses of the registration of the Notes pursuant to the registration rights agreement, including, without limitation, Securities and Exchange Commission filing fees; provided, however, that the selling securityholders will pay all underwriting discounts and selling commissions, if any. INFORMATION NOT REQUIRED IN THE PROSPECTUS

Item 20. Indemnification of Directors and Officers***Indemnification Under the Limited Liability Company Agreement of CCH II***

The limited liability company agreement of CCH II provides that the members, the manager, the directors, their affiliates or any person who at any time serves or has served as a director, officer, employee or other agent of any member or any such affiliate, and who, in such capacity, engages or has engaged in activities on behalf of CCH II, shall be indemnified and held harmless by CCH II to the fullest extent permitted by law from and against any losses, damages, expenses, including attorneys' fees, judgments and amounts paid in settlement actually and reasonably incurred by or in connection with any claim, action, suit or proceeding arising out of or incidental to such indemnifiable person's acts or omissions on behalf of CCH II. Notwithstanding the foregoing, no indemnification is available under the limited liability company agreement in respect of any such claim adjudged to be primarily the result of bad faith, willful misconduct or fraud of an indemnifiable person. Payment of these indemnification obligations shall be made from the assets of CCH II and the members shall not be personally liable to an indemnifiable person for payment of indemnification.

Indemnification Under the Delaware Limited Liability Company Act

Section 18-108 of the Delaware Limited Liability Company Act authorizes a limited liability company to indemnify and hold harmless any member or manager or other person from and against any and all claims and demands whatsoever, subject to such standards and restrictions, if any, as are set forth in its limited liability company agreement.

Indemnification Under the By-Laws of CCH II Capital

The bylaws of CCH II Capital require CCH II Capital, to the fullest extent authorized by the Delaware General Corporation Law, to indemnify any person who was or is made a party or is threatened to be made a party or is otherwise involved in any action, suit or proceeding by reason of the fact that he is or was a director or officer of CCH II Capital or is or was serving at the request of CCH II Capital as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other entity or enterprise, in each case, against all expense, liability and loss (including attorneys' fees, judgments, amounts paid in settlement, fines, ERISA excise taxes or penalties) reasonably incurred or suffered by such person in connection therewith.

Indemnification Under the Delaware General Corporation Law

Section 145 of the Delaware General Corporation Law, authorizes a corporation to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. In addition, the Delaware General Corporation Law does not permit indemnification in any threatened, pending or completed action or suit by or in the right of the corporation in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses, which such court shall deem proper. To the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to

above, or in defense of any claim, issue or matter, such person shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by such person. Indemnity is mandatory to the extent a claim, issue or matter has been successfully defended. The Delaware General Corporation Law also allows a corporation to provide for the elimination or limit of the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director

- (i) for any breach of the director's duty of loyalty to the corporation or its stockholders,
- (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law,
- (iii) for unlawful payments of dividends or unlawful stock purchases or redemptions, or
- (iv) for any transaction from which the director derived an improper personal benefit. These provisions will not limit the liability of directors or officers under the federal securities laws of the United States.

Indemnification Under Charter Indemnification Agreements

Charter has entered into indemnification agreements that require us to indemnify each of our directors and officers to the fullest extent permitted by law for any claims made against each of these persons because he or she is, was or may be deemed to be a stockholder, director, officer, employee, controlling person, agent or fiduciary of Charter or any of our subsidiaries. We are obligated to pay the expenses of these persons in connection with any claims that are subject to the agreement.

Item 21. Exhibits and Financial Schedules.

Exhibits

Reference is made to the Exhibit Index filed as part of this Registration Statement.

Financial Statement Schedules

Schedules not listed above are omitted because of the absence of the conditions under which they are required or because the information required by such omitted schedules is set forth in the financial statements or the notes thereto.

Item 22. Undertakings.

The undersigned registrants hereby undertake that:

- (1) Prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to the reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.
- (2) Every prospectus: (i) that is filed pursuant to the immediately preceding paragraph or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned registrants hereby undertake to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11 or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrants hereby undertake to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities, other than the payment by the registrants of expenses incurred or paid by a director, officer, or controlling person of the registrants in the successful defense of any action, suit or proceeding, is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by them is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Pursuant to the requirements of the Securities Act of 1933, the registrants have duly caused this registration statement to be signed on their behalf by the undersigned, thereunto duly authorized, in the County of Saint Louis, State of Missouri, on June 29, 2010.

Re: Registration Statement on Form S-1

Ladies and Gentlemen:

We are issuing this opinion letter in our capacity as legal counsel to CCH II, LLC, a Delaware limited liability company, CCH II Capital Corp., a Delaware corporation (collectively, the "Issuers") and Charter Communications, Inc., a Delaware corporation (the "Guarantor"), in connection with the proposed registration by the Issuers of \$261,607,749 in aggregate principal amount of the Issuers' 13.50% Senior Notes due 2016 (the "Notes") pursuant to a Registration Statement on Form S-1 filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"). Such Registration Statement, as amended or supplemented, is hereinafter referred to as the "Registration Statement." The Notes were issued pursuant to the Indenture, dated as of November 30, 2009 (the "Indenture") by and between the Issuers and The Bank of New York, as trustee. The obligations of the Issuers with respect to the Notes were guaranteed by the Guarantor (the "Guarantee").

In that connection, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such documents, corporate records and other instruments as we have deemed necessary for the purposes of this opinion, including (i) the articles of incorporation, articles of organization, bylaws and operating agreement of the Issuers and the Guarantor, as applicable, (ii) minutes and records of the corporate proceedings of the Issuers and Guarantor with respect to the issuance of the Notes, (iii) the Indenture, (iv) the Registration Statement and (v) forms of the Notes.

For purposes of this opinion, we have assumed the authenticity of all documents submitted to us as originals, the conformity to the originals of all documents submitted to us as copies and the authenticity of the originals of all documents submitted to us as copies. We have also assumed the genuineness of the signatures of persons signing all documents in connection with which this opinion is rendered, the authority of such persons signing on behalf of the parties thereto other than the Issuers and the Guarantor, and the due authorization, execution and delivery of all documents by the parties thereto other than the Issuers and the Guarantor. As to any facts material to the opinions expressed herein that we have not independently established or verified, we have relied upon statements and representations of officers and other representatives of the Issuers and the Guarantor.

Our opinion expressed below is subject to the qualifications that we express no opinion as to the applicability of, compliance with, or effect of (i) any bankruptcy, insolvency, reorganization, fraudulent transfer, fraudulent conveyance, moratorium or other similar law affecting the enforcement of creditors' rights generally, (ii) general principals of equity (regardless of whether enforcement is considered in a proceeding in equity or at law) and (iii) public policy considerations that may limit the rights of parties to obtain certain remedies.

Based upon and subject to the foregoing qualifications, assumptions and limitations and the further limitations set forth below, when the Registration Statement becomes effective under the Securities Act, we advise you that (i) the Notes have been duly executed and authenticated in accordance with the provisions of the Indenture and the Notes will be validly issued and binding obligations of the Issuers, and (ii) the Guarantee will be a binding obligation of the Guarantor.

We hereby consent to the filing of this opinion as Exhibit 5.1 to the Registration Statement. We also consent to the reference to our firm under the heading "Legal Matters" in the Registration Statement. In giving this consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act of the rules and regulations of the Commission.

Our advice on every legal issue addressed in this letter is based exclusively on the internal law of the State of New York and the General Corporation Law of the State of Delaware.

This opinion is limited to the specific issues addressed herein, and no opinion may be inferred or implied beyond that expressly stated herein. This opinion speaks only as of the date hereof and we assume no obligation to revise or supplement this opinion.

We have also assumed that the execution and delivery of the Indenture and the Notes and the performance by the Issuers and Guarantor of its obligations thereunder do not and will not violate, conflict with or constitute a default under any agreement or instrument to which any Registrant is bound, except those agreements and instruments that have been identified by the Issuers and the Guarantor as being material to them and that have been filed as exhibits to the Registration Statement.

This opinion is furnished to you in connection with the filing of the Registration Statement and in accordance with the requirements of Item 601(b)(5) of Regulation S-K promulgated under the Securities Act, and is not to be used, circulated, quoted or otherwise relied upon for any other purposes.

Yours very truly,

The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

Section 2.06 Transfer and Exchange.

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. All Global Notes shall be exchanged by the Issuers for Definitive Notes if:

- (i) the Issuers deliver to the Trustee notice from the Depository that it is unwilling or unable to continue to act as Depository or that it is no longer a clearing agency

registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Issuers within 120 days after the date of such notice from the Depositary;

- (ii) the Issuers in their sole discretion determine that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and deliver a written notice to such effect to the Trustee; or
- (iii) there shall have occurred and be continuing a Default or Event of Default with respect to the Notes.

Upon the occurrence of any of the preceding events in (i), (ii) or (iii) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a); however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c) or (f).

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Prior to the expiration of the 40-day distribution compliance period set forth in Regulation S, beneficial interests in any Regulation S Global Notes may be held only through Euroclear or Clearstream unless transferred in accordance with Section 2.06(b)(iii)

(a). Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(i).

(ii) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(i) above, the transferor of such beneficial interest must deliver to the Registrar either:

- (A) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global

Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(B) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(C) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(D) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (A) above.

Upon consummation of an Exchange Offer with respect to a Series of Notes by the Issuers in accordance with Section 2.06(f), the requirements of this Section 2.06(b)(ii) shall be deemed to have been satisfied with respect to such Series of Notes upon receipt by the Registrar of the instructions contained in the Letter of Transmittal delivered by the Holder of such beneficial interests in the Restricted Global Notes. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(h).

(iii) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(ii) above and the Registrar receives the following:

(xi) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depositary.

(xii) Notwithstanding anything contained herein, any transfers, replacements or exchanges of Notes, including as contemplated in this Article 2, shall not be deemed to be an incurrence of Indebtedness.

Section 2.07 Replacement Notes.

If any mutilated Note is surrendered to the Trustee or the Issuers and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuers, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge for their expenses in replacing a Note.

Every replacement Note is an additional legally binding obligation of the Issuers and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions of this Indenture, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than an Issuer, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the required principal amount of the Notes of a Series have concurred in any direction, waiver or consent, Notes of such Series owned by an

Issuer, or by any Person directly or indirectly controlled by or under direct or indirect common control with an Issuer or, if the TIA is applicable to this Indenture, to the extent required by the TIA, any person controlling an Issuer, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes of such Series that a Responsible Officer of the Trustee knows are so owned shall be so disregarded.

Section 2.10 Temporary Notes.

Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuers considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers shall prepare and the Trustee shall authenticate Definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Indenture.

Section 2.11 Cancellation.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in its customary manner. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

If the Issuers default in a payment of interest on the Notes, they shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, which interest on defaulted interest shall accrue until the defaulted interest is deemed paid hereunder, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Issuers shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 CUSIP Numbers.

The Issuers in issuing the Notes may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a conveni-

ence to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE 3

REDEMPTION AND PREPAYMENT

Section 3.01 Notices to Trustee.

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07, they shall furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth (i) the clause of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price.

Section 3.02 Selection of Notes to Be Redeemed.

If less than all of the Notes of a Series are to be redeemed at any time, the Trustee shall select the Notes of such Series as follows:

- (1) if any Notes of such Series are listed, in compliance with the requirements of the principal national securities exchange on which the Notes are listed;
- (2) if the Notes of such Series are not so listed, on a *pro rata* basis, by lot or in accordance with any other method as the Trustee shall deem fair and appropriate.

In the event of partial redemption by lot, the particular Notes of such Series to be redeemed shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption date by the Trustee from the outstanding Notes of such Series not previously called for redemption.

The Trustee shall promptly notify the Issuers in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of a Holder's Notes of a Series are to be redeemed, the entire outstanding amount of Notes of such Series held by such Holder, even if not a multiple of \$1,000, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 Notice of Redemption.

Subject to the provisions of Section 3.09, at least 30 days but not more than 60 days before a redemption date, the Issuers shall mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address.

The notice shall identify the Notes to be redeemed and shall state:

- (a) the redemption date;
- (b) the redemption price;
- (c) if any Note is being redeemed in part only, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note;
- (d) the name and address of the Paying Agent;
- (e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (f) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (g) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (h) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee shall give the notice of redemption in the Issuers' name and at their expense; *provided, however*, that each of the Issuers shall have delivered to the Trustee, at least 45 days prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is mailed in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 Deposit of Redemption Price.

At or prior to 10:00 a.m., New York City time, on the redemption date, the Issuers shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest on all Notes to be redeemed on that date. The Trustee or the Paying

Agent shall promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 Notes Redeemed in Part.

No Notes of \$2,000 principal amount or less shall be redeemed in part. Upon surrender of a Note that is redeemed in part, the Issuers shall issue and, upon the Issuers' written request, the Trustee shall authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

Section 3.07 Optional Redemption.

(i) at least 65% of the original aggregate principal amount of 2018 Notes (including the principal amount of any Additional 2018 Notes) issued under this Indenture remains outstanding immediately after the occurrence of such redemption (excluding 2018 Notes held by the Issuers and their Subsidiaries); and

Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Section 3.01 through 3.06.

Section 3.08 Mandatory Redemption.

Except as otherwise provided in Section 4.11 or Section 4.16 below, the Issuers shall not be required to make mandatory redemption payments with respect to the Notes.

Section 3.09 Offer to Purchase by Application of Excess Proceeds

In the event that the Issuers shall be required to commence an offer to all Holders to purchase Notes pursuant to Section 4.11 (an "Asset Sale Offer"), they shall follow the procedures specified below.

The Asset Sale Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than five Business Days after the termination of the Offer Period (the "Purchase Date"), the Issuers shall purchase the principal amount of Notes required to be purchased pursuant to Section 4.11 (the "Offer Amount") or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Asset Sale Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made. Unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest after the Purchase Date.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such record date, and no Special Interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer the Issuers shall send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The Asset Sale Offer shall be made to all Holders. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

- (a) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.11 and the length of time the Asset Sale Offer shall remain open;
- (b) the Offer Amount, the purchase price and the Purchase Date;
- (c) that any Note not tendered or accepted for payment shall continue to accrue interest;
- (d) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest after the Purchase Date;
- (e) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in minimum denominations of \$2,000 and in multiple integrals of \$1,000 in excess thereof

only;

(f) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, or transfer the Note by book-entry transfer, to the Issuers, the Depository or the Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(g) that Holders shall be entitled to withdraw their election if the Issuers, the Depository or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(h) that, if the aggregate principal amount of Notes surrendered by Holders exceeds the Offer Amount, the Issuers shall select the Notes to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in minimum denominations of \$2,000 or integral multiples of \$1,000 in excess thereof, shall be purchased); and

(i) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Issuers shall, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer or if less than the Offer Amount has been tendered, all Notes tendered, and shall deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuers in accordance with the terms of this Section 3.09. The Issuers, the Depository or the Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuers for purchase, and the Issuers shall promptly issue a new Note, and the Trustee, upon written request from the Issuers, shall authenticate and mail or deliver such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuers to the Holder thereof. The Issuers shall publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

ARTICLE 4

COVENANTS

Section 4.01 Payment of Notes.

The Issuers shall pay or cause to be paid the principal, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuers or a Subsidiary thereof, holds as of 10:00 a.m. New York City time on the due date money deposited by the Issuers in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. The Issuers shall pay all Special Interest, if any, in the same manner on the dates and in the amounts set forth in any Registration Rights Agreement.

The Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to 2.00% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; they shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency.

The Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuers in respect of the Notes and this Indenture may be served. The Issuers shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuers of their obligation to maintain an office or agency in the Borough of Manhattan, The City of New York for such purposes. The Issuers shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuers hereby designate The Bank of New York Mellon, at 101 Barclay Street, Floor 8W, New York, New York 10286, as one such office or agency of the Issuers in accordance with Section 2.03.

Section 4.03 Reports.

Whether or not required by the Commission, so long as any Notes are outstanding, the Issuers shall furnish to Holders and the Trustee, within the time periods specified in the Commission's rules and regulations:

- (1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Issuers were required to file such forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" section and, with respect to the annual information only, a report on the annual consolidated financial statements of the Company by its independent public accountants; and
- (2) all current reports that would be required to be filed with the Commission on Form 8-K if the Issuers were required to file such reports.

If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by the preceding paragraph shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in Management's Discussion and Analysis of Financial Condition and Results of Operations, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

In addition, after the consummation of an Exchange Offer, whether or not required by the Commission, the Issuers shall file a copy of all of the information and reports referred to in clauses (1) and (2) above with the Commission for public availability within the time periods specified in the Commission's rules and regulations, unless the Commission will not accept such a filing, and make such information available to securities analysts and prospective investors upon request.

Notwithstanding anything to the contrary set forth above, for so long as the Issuers are direct or indirect wholly-owned subsidiaries of CCI, if CCI has furnished Holders and filed electronically with the Securities and Exchange Commission, the reports described in the preceding paragraphs with respect to CCI (including any consolidating financial information required by Regulation S-X relating to the Issuers), the Issuers shall be deemed to be in compliance with the provisions of this Section 4.03.

Section 4.04 Compliance Certificate.

(a) The Issuers shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of the Issuers and their Subsidiaries during the preceding fiscal year have been made under the supervision of the signing Officers with a view to determining whether the Issuers have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Issuers have kept, observed, performed and fulfilled each and every covenant contained in this Indenture and are not in default in

the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuers are taking or propose to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Issuers are taking or propose to take with respect thereto.

(b) The Issuers shall, so long as any of the Notes are outstanding, deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

Section 4.05 Taxes.

The Company shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to Holders.

Section 4.06 Stay, Extension and Usury Laws.

Each of the Issuers covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and each of the Issuers (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 Restricted Payments.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(a) declare or pay any dividend or make any other payment or distribution on account of its or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Company's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable (x) solely in Equity Interests (other than Disqualified Stock) of the Company or (y) in the case of the Company and its Restricted Subsidiaries, to the Company or a Restricted Subsidiary thereof);

(b) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company or

any of its Restricted Subsidiaries) any Equity Interests of the Company or any direct or indirect Parent of the Company or any Restricted Subsidiary of the Company (other than, in the case of the Company and its Restricted Subsidiaries, any such Equity Interests owned by the Company or any of its Restricted Subsidiaries); or

(c) make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value, any Indebtedness of the Company that is subordinated to the Notes, except a payment of interest or principal at the Stated Maturity thereof

(all such payments and other actions set forth in clauses (a) through (c) above being collectively referred to as "Restricted Payments"), unless, at the time of and after giving effect to such Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof; and

(2) the Company would, at the time of such Restricted Payment and after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of Section 4.10; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries from and after the Issue Date (excluding Restricted Payments permitted by clauses (2), (3), (4), (5), (6), (7), (8), (9) and (12) of the next succeeding paragraph), shall not exceed, at the date of determination, the sum of:

(a) an amount equal to 100% of the Consolidated EBITDA of the Company for the period beginning on the first day of the fiscal quarter commencing April 1, 2010 to the end of the Company's most recently ended full fiscal quarter for which internal financial statements are available, taken as a single accounting period, *less* the product of 1.3 times the Consolidated Interest Expense of the Company for such period, *plus*

(b) an amount equal to 100% of Capital Stock Sale Proceeds (reduced for purpose of this clause (b) by (A) any amount of such Capital Stock Sale Proceeds (i) used in connection with an Investment made on or after the Issue Date pursuant to clause (5) of the definition of "Permitted Investments," (ii) applied to make a Restricted Payment pursuant to clause (2) or sub-clause (y)(2) of clause (9) below, or (iii) relied upon for purposes of incurring Contribution Indebtedness and (B) the amount of Restricted Payments made pursuant to (x) sub-clause (A)(i), (B) or (C) of clause (8) and sub-clause (y)(1) of clause (9) below, in each case, by an amount not to exceed the amount of Capital Stock Sale Proceeds from any Charter Subsidiary Refinancing Indebtedness or Charter Parent Refinancing Indebtedness), *plus*

(c) \$2,000.0 million.

So long as no Default has occurred and is continuing or would be caused thereby, the preceding provisions shall not prohibit:

- (1) the payment of any dividend within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of this Indenture;
- (2) the redemption, repurchase, retirement, defeasance or other acquisition of any subordinated Indebtedness of the Company in exchange for, or out of the net proceeds of, the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than Disqualified Stock);
- (3) the defeasance, redemption, repurchase or other acquisition of subordinated Indebtedness of the Company or any of its Restricted Subsidiaries with the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness;
- (4) the payment of any dividend or distribution to the extent necessary to permit direct or indirect beneficial owners of shares of Capital Stock of the Company to pay federal, state or local income tax liabilities that would arise solely from income of the Company or any of its Restricted Subsidiaries, as the case may be, for the relevant taxable period and attributable to them solely as a result of the Company (and any intermediate entity through which the holder owns such shares) or any of its Restricted Subsidiaries being a limited liability company, partnership or similar entity for federal income tax purposes;
- (5) payment of any dividend by a Restricted Subsidiary of the Company to the holders of its Equity Interests on a *pro rata* basis;
- (6) the repurchase, redemption or other acquisition or retirement for value, or the payment of any dividend or distribution to the extent necessary to permit the repurchase, redemption or other acquisition or retirement for value, of any Equity Interests of the Company or a Parent of the Company held by any member of the Company's or such Parent's management pursuant to any management equity subscription agreement or stock option agreement entered into in accordance with the policies of the Company or any Parent; *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests shall not exceed \$10.0 million in any fiscal year of the Issuers;
- (7) payment of fees in connection with any acquisition, merger or similar transaction in an amount that does not exceed an amount equal to 1.25% of the transaction value of such acquisition, merger or similar transaction; and
- (8) (A) additional Restricted Payments directly or indirectly to CCH II or any Parent (i) for the purpose of enabling CCH II and/or any Charter Refinancing Subsidiary to pay interest when due on Indebtedness under the CCH II Indentures and/or any Charter Parent Refinancing Indebtedness or (ii) so long as no Default has occurred and is continuing and the Company would have been permitted, at the time of such Restricted Payment

and after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable quarter period, to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of Section 4.10, consisting of dividends or distributions to the extent required to enable CCH II or any Charter Parent Refinancing Subsidiary to defease, redeem, repurchase, prepay, repay, discharge or otherwise acquire or retire for value Indebtedness under the CCH II Indentures or any Charter Parent Refinancing Indebtedness (including any expenses and fees incurred by any Parent in connection therewith); (B) so long as no Default has occurred and is continuing, Restricted Payments used to defease, redeem, repurchase, prepay, repay, discharge or otherwise acquire or retire for value Indebtedness under CCH II Indentures or any Charter Parent Refinancing Indebtedness or consisting of purchases, redemptions or other acquisitions by the Company or its Restricted Subsidiaries of Indebtedness under the CCH II Indentures or any Charter Parent Refinancing Indebtedness (including any expenses and fees incurred by the Company and its Restricted Subsidiaries in connection therewith) and the distribution, loan or investment to any Parent of Indebtedness so purchased, redeemed or acquired, or (C) Restricted Payments for the purpose of enabling any Charter Refinancing Subsidiary to (i) pay interest when due on Indebtedness under any Charter Subsidiary Refinancing Indebtedness or (ii) to defease, redeem, repurchase, prepay, repay, discharge or otherwise acquire or retire for value Indebtedness under any Charter Subsidiary Refinancing Indebtedness (including any expenses and fees incurred by the Company and its Restricted Subsidiaries in connection therewith);

(9) Restricted Payments directly or indirectly to CCH II or any other Parent regardless of whether a Default exists (other than an Event of Default under paragraphs (1), (2), (7) or (8) of Section 6.01), for the purpose of enabling such Person (A) to pay interest on and (B) so long as the Company would, at the time of such Restricted Payment and after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of Section 4.10 to defease, redeem, repurchase, prepay, repay, discharge or otherwise acquire or retire, in each case, Indebtedness of such Parent (x) which is not held by another Parent and (y) to the extent that the net cash proceeds of such Indebtedness are or were used for the (1) payment of interest or principal (or premium) on any Indebtedness of a Parent (including (A) by way of a tender, redemption or prepayment of such Indebtedness and (B) amounts set aside to prefund any such payment), (2) direct or indirect (including by way of a contribution of property and/or assets purchased with such net cash proceeds) Investment in the Company or any of its Restricted Subsidiaries or (3) payment of amounts that would be permitted to be paid by way of a Restricted Payment under clause (10) immediately below (including the expenses of any exchange transaction);

(10) Restricted Payments directly or indirectly to CCH II or any other Parent of (A) attorneys' fees, investment banking fees, accountants' fees, underwriting discounts and commissions and other customary fees and expenses (including any commitment and other fees payable in connection with Credit Facilities) actually incurred in connection with any issuance, sale or incurrence by CCH II or such Parent of Equity Interests or In-

debtedness, or any exchange of securities or tender for outstanding debt securities, or (B) the costs and expenses of any offer to exchange privately placed securities in respect of the foregoing for publicly registered securities or any similar concept having a comparable purpose;

(11) the redemption, repurchase, retirement or other acquisition of any Equity Interests of the Company or Indebtedness of the Issuers or any Equity Interests of any direct or indirect parent of the Company, in exchange for, or out of the proceeds of the substantially concurrent sale (other than to an Issuer or a Restricted Subsidiary) of, Equity Interests of the Company or any direct or indirect parent of the Company (in each case, other than any Disqualified Stock);

(12) the declaration and payment of dividends to holders of any class or series of Disqualified Stock of the Issuers or any Restricted Subsidiary issued in accordance with Section 4.10; and

(13) so long as no Default has occurred and is continuing, other Restricted Payments in an aggregate amount taken together with all other Restricted Payments made pursuant to this clause (13) not to exceed \$50.0 million.

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or any of its Restricted Subsidiaries pursuant to the Restricted Payment. The fair market value of any assets or securities that are required to be valued by this covenant shall be determined by the Board of Directors of the Company, whose resolution with respect thereto shall be delivered to the Trustee. Such Board of Directors' determination must be based upon an opinion or appraisal issued by an accounting, appraisal or investment banking firm of national standing if the fair market value exceeds \$100.0 million.

Not later than the date of making any Restricted Payment other than in the form of cash having a fair market value in excess of \$10.0 million, the Issuers shall deliver to the Trustee an Officers' Certificate stating that such Restricted Payment is permitted and setting forth the basis upon which the calculations required by this Section 4.07 were computed, together with a copy of any fairness opinion or appraisal required by this Indenture.

Section 4.08 Investments.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

- (1) make any Restricted Investment; or
- (2) allow any of its Restricted Subsidiaries to become an Unrestricted Subsidiary,

unless, in each case:

- (a) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof; and
- (b) the Company would, at the time of, and after giving effect to, such Restricted Investment or such designation of a Restricted Subsidiary as an Unrestricted Subsidiary, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of Section 4.10.

An Unrestricted Subsidiary may be redesignated as a Restricted Subsidiary if such redesignation would not cause a Default.

Section 4.09 Dividend and Other Payment Restrictions Affecting Subsidiaries.

The Company shall not, directly or indirectly, create or permit to exist or become effective any encumbrance or restriction on the ability of any of its Restricted Subsidiaries to:

- (a) pay dividends or make any other distributions on its Capital Stock to the Company or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Company or any of its Restricted Subsidiaries;
- (b) make loans or advances to the Company or any of its Restricted Subsidiaries; or
- (c) transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries.

However, the preceding restrictions shall not apply to encumbrances or restrictions existing under or by reason of:

- (1) Existing Indebtedness as in effect on the Issue Date (including, without limitation, Indebtedness under any of the Credit Facilities) and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings thereof, *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are no more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in the most restrictive Existing Indebtedness, as in effect on the Issue Date;
- (2) this Indenture, the Notes and any Exchange Notes;
- (3) applicable law, rule, regulation or order;
- (4) any instrument governing Indebtedness or Capital Stock of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the

property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

- (5) customary non-assignment provisions in leases, franchise agreements and other commercial agreements entered into in the ordinary course of business and consistent with past practices;
- (6) purchase money obligations for property acquired in the ordinary course of business that impose restrictions on the property so acquired of the nature described in clause (c) of the preceding paragraph;
- (7) any agreement for the sale or other disposition of a Restricted Subsidiary of the Company that restricts distributions by such Restricted Subsidiary pending its sale or other disposition;
- (8) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are no more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;
- (9) Liens securing Indebtedness or other obligations otherwise permitted to be incurred under Section 4.14 that limit the right of the Company or any of its Restricted Subsidiaries to dispose of the assets subject to such Lien;
- (10) provisions with respect to the disposition or distribution of assets or property in joint venture agreements and other similar agreements;
- (11) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (12) restrictions contained in the terms of Indebtedness permitted to be incurred under Section 4.10; *provided* that such restrictions are no more restrictive, taken as a whole, than the terms contained in the most restrictive, together or individually of the Credit Facilities as in effect on the Issue Date; and
- (13) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (14) restrictions that are not materially more restrictive, taken as a whole, than customary provisions in comparable financings and that the management of the Company determines, at the time of such financing, will not materially impair the Issuers' ability to make payments as required under the Notes; and
- (15) any encumbrances or restrictions imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (14) above; *provided* that such amendments, modifications, restatements, renewals, in-

creases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuers, not materially more restrictive taken as a whole with respect to such encumbrance and other restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

Section 4.10 Incurrence of Indebtedness and Issuance of Preferred Stock.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt) and the Company shall not issue any Disqualified Stock and shall not permit any of its Restricted Subsidiaries to issue any shares of Disqualified Stock or Preferred Stock, *provided* that the Company or any of its Restricted Subsidiaries may incur Indebtedness or the Company may issue Disqualified Stock and Restricted Subsidiaries may issue Preferred Stock if the Leverage Ratio of the Company and its Restricted Subsidiaries would have been not greater than 6.0 to 1.0 and in each case, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, at the beginning of the most recently ended fiscal quarter.

The first paragraph of this Section 4.10 shall not prohibit the incurrence of any of the following items of Indebtedness (collectively, "Permitted Debt"):

- (1) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness under Credit Facilities; *provided* that the aggregate principal amount of all Indebtedness of the Company and its Restricted Subsidiaries outstanding under this clause (1) for all Credit Facilities of the Company and its Restricted Subsidiaries after giving effect to such incurrence does not exceed an amount equal to \$1,500.0 million;
- (2) the incurrence by the Company and its Restricted Subsidiaries of Existing Indebtedness (including Indebtedness outstanding under Credit Facilities on the Issue Date);
- (3) the incurrence on the Issue Date by the Company and its Restricted Subsidiaries of Indebtedness represented by the Notes (other than any Additional Notes);
- (4) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of construction or improvement (including, without limitation, the cost of design, development, construction, acquisition, transportation, installation, improvement, and migration) of Productive Assets of the Company or any of its Restricted Subsidiaries, in an aggregate principal amount not to exceed the greater of (i) \$300.0 million and (ii) 5.0% of Consolidated Net Tangible Assets at any time outstanding pursuant to this clause (4);

- (5) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace, in whole or in part, Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under this clause (5), the first paragraph of this Section 4.10 or clauses (2), (3), (9) or (12) of this second paragraph;
- (6) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries; *provided that*:
- (a) if the Company is the obligor on such Indebtedness, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes; and
- (b) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary thereof and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Company or a Restricted Subsidiary thereof, shall be deemed, in each case, to constitute an incurrence of such Indebtedness that was not permitted by this clause (6);
- (7) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations that are incurred for the purpose of fixing or hedging interest rate risk with respect to any floating rate Indebtedness that is permitted by the terms of this Indenture to be outstanding;
- (8) the guarantee by the Company or any of its Restricted Subsidiaries of Indebtedness of a Restricted Subsidiary of the Company that was permitted to be incurred by another provision of this Section 4.10;
- (9) Acquired Debt or Disqualified Stock of a Person that becomes, or is merged into, a Restricted Subsidiary or any Issuer; *provided, however*, that after giving *pro forma* effect thereto as if such acquisition or merger had been made at the beginning of the applicable quarter period, the Leverage Ratio of the Company and its Restricted Subsidiaries is equal to or less than immediately prior to such transaction;
- (10) the incurrence by the Company or any of its Restricted Subsidiaries of additional Indebtedness, Disqualified Stock or Preferred Stock in an aggregate principal amount at any time outstanding under this clause (10), not to exceed the greater of (i) \$300.0 million and (ii) 5.0% of Consolidated Net Tangible Assets;
- (11) the accretion or amortization of original issue discount and the write up of Indebtedness in accordance with purchase accounting;
- (12) Contribution Indebtedness;

(13) Indebtedness arising from agreements of any Issuer or a Restricted Subsidiary providing for and to the extent of indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition or acquisition of any business, assets or a Subsidiary, other than Guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or a Subsidiary for the purpose of financing such acquisition; and

(14) Indebtedness from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided* that such Indebtedness is extinguished within 10 business days of its incurrence.

For purposes of determining compliance with this Section 4.10, any Indebtedness under Credit Facilities outstanding on the Issue Date shall be deemed to have been incurred pursuant to clause (2) above and, in the event that an item of proposed Indebtedness (other than any Indebtedness initially deemed on the Issue Date to be incurred under clause (2) above) (a) meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (14) above or (b) is entitled to be incurred pursuant to the first paragraph of this Section 4.10, the Company shall be permitted to classify and from time to time to reclassify such item of Indebtedness in any manner that complies with this covenant. Once any item of Indebtedness is so reclassified, it shall no longer be deemed outstanding under the category of Permitted Debt, where initially incurred or previously reclassified. For avoidance of doubt, Indebtedness incurred pursuant to a single agreement, instrument, program, facility or line of credit may be classified as Indebtedness arising in part under one of the clauses listed above or under the first paragraph of this Section 4.10, and in part under any one or more of the clauses listed above, to the extent that such Indebtedness satisfies the criteria for such classification.

Section 4.11 Limitation on Asset Sales.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) the Company or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets or Equity Interests issued or sold or otherwise disposed of;
- (2) such fair market value is determined by the Board of Directors of the Company; and
- (3) at least 75.0% of the consideration therefor received by the Company or such Restricted Subsidiary is in the form of cash, Cash Equivalents or readily marketable securities.

For purposes of this Section 4.11, each of the following shall be deemed to be cash:

(a) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet) of the Company or any Restricted Subsidiary thereof (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases the Company or such Restricted Subsidiary from further liability;

(b) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the recipient thereof into cash, Cash Equivalents or readily marketable securities within 180 days after receipt thereof (to the extent of the cash, Cash Equivalents or readily marketable securities received in that conversion);

(c) Productive Assets; and

(d) any Designated Noncash Consideration received by the Issuers or any Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Noncash Consideration received pursuant to this clause (d) that is at that time outstanding, not to exceed the greater of \$500.0 million and 3.0% of Total Assets, with the fair market value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value.

Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Company or a Restricted Subsidiary thereof may apply such Net Proceeds at its option:

(1) to repay or otherwise retire debt under the Credit Facilities or any other Indebtedness of the Restricted Subsidiaries of the Company (other than Indebtedness represented by a guarantee of a Restricted Subsidiary of the Company); or

(2) to invest in Productive Assets; *provided* that any such amount of Net Proceeds which the Company or a Restricted Subsidiary thereof has committed to invest in Productive Assets within 365 days of the applicable Asset Sale may be invested in Productive Assets within two years of such Asset Sale.

The amount of any Net Proceeds received from Asset Sales that are not applied or invested as provided in the preceding paragraph shall constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$25.0 million, the Company shall make an Asset Sale Offer to all Holders and all holders of other Indebtedness that is of equal priority with the Notes containing provisions requiring offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other Indebtedness of equal priority that may be purchased out of the Excess Proceeds, which amount includes the entire amount of the Net Proceeds. The offer price in any Asset Sale Offer shall be payable in cash and equal to 100.0% of the principal amount of the subject Notes plus accrued and unpaid interest, if any, to the date of purchase. If the aggregate principal amount of Notes and such other Indebtedness of equal priority tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and such other Indebtedness of equal priority to be purchased on a *pro rata* basis.

If any Excess Proceeds remain after consummation of an Asset Sale Offer, then the Company or any Restricted Subsidiary thereof may use such remaining Excess Proceeds for any purpose not otherwise prohibited by this Indenture. Upon completion of any Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

In the event that the Company shall be required to commence an offer to Holders to purchase Notes pursuant to this Section 4.11, it shall follow the procedures specified in Sections 3.01 through 3.09.

Section 4.12 [Reserved].

Section 4.13 Transactions with Affiliates.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each, an "Affiliate Transaction"), unless:

- (1) such Affiliate Transaction is on terms, taken as a whole, that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and
- (2) the Company delivers to the Trustee:
 - (a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration given or received by the Company or any such Restricted Subsidiary in excess of \$25.0 million, a resolution of the Board of Directors of the Company or CCI set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with this Section 4.13 and that such Affiliate Transaction has been approved by a majority of the members of such Board of Directors; and
 - (b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration given or received by the Company or any Restricted Subsidiary in excess of \$100.0 million, an opinion to Holders as to the fairness of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

The following items shall not be deemed to be Affiliate Transactions and, therefore, shall not be subject to the provisions of the prior paragraph:

- (1) any existing employment agreement entered into by the Company or any of its Subsidiaries and any employment agreement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business;

- (2) transactions between or among the Company and/or its Restricted Subsidiaries;
- (3) payment of reasonable directors fees to Persons who are not otherwise Affiliates of the Company and customary indemnification and insurance arrangements in favor of directors and officers, regardless of affiliation with the Company or any of its Restricted Subsidiaries;
- (4) payment of Management Fees;
- (5) Restricted Payments that are permitted by Section 4.07 and Restricted Investments that are permitted by Section 4.08;
- (6) Permitted Investments;
- (7) transactions pursuant to, and the performance of, agreements existing on the Issue Date, as in effect on the Issue Date, or as subsequently modified, supplemented, or amended, to the extent that any such modifications, supplements or amendments complied with the applicable provisions of the first paragraph of this Section 4.13;
- (8) the assignment and assumption of contracts (which contracts are entered into prior to the Issue Date on an arms-length basis in the ordinary course of business of the relevant Parent), reasonably related to the business of the Company and the assignment and assumption of which would not result in the incurrence of any Indebtedness by the Company or any Restricted Subsidiary to a Restricted Subsidiary by a Parent;
- (9) transactions with a Person that is an Affiliate solely as a result of the fact that the Company or a Restricted Subsidiary owns Equity Interests of such Person; and
- (10) contributions to the equity capital or the issuance and sale of Equity Interests in the Company.

Section 4.14 Liens.

The Company shall not, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind securing Indebtedness, Attributable Debt or trade payables on any asset of the Company, whether owned on the Issue Date or thereafter acquired, except Permitted Liens.

Section 4.15 Existence.

Subject to, and as permitted under, Article 5, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its limited liability company existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary and (ii) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however*, that the Compa-

ny shall not be required to preserve or keep any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries (other than Capital Corp if the other Issuer is not then a corporation), if the Company shall determine that the preservation or keeping thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Company and its Restricted Subsidiaries, taken as a whole.

Section 4.16 Repurchase at the Option of Holders upon a Change of Control.

If a Change of Control occurs, each Holder shall have the right to require the Issuers to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes pursuant to a "Change of Control Offer." In the Change of Control Offer, the Issuers shall offer a "Change of Control Payment" in cash equal to 101% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest thereon, if any, to the date of purchase.

Within ten days following any Change of Control, the Issuers shall mail a notice to each Holder (with a copy to the Trustee) describing the transaction or transactions that constitute the Change of Control and stating:

- (1) the purchase price and the purchase date, which shall not exceed 30 Business Days from the date such notice is mailed (the "*Change of Control Payment Date*");
- (2) that any Note not tendered shall continue to accrue interest;
- (3) that, unless the Issuers default in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;
- (4) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Notes completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (5) that Holders shall be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and
- (6) that Holders whose Notes are being purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act (or any successor rules) and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.16, the Issuers' compliance with such laws and regulations shall not in and of itself cause a breach of their obligations under this Section 4.16.

On the Change of Control Payment Date, the Issuers shall, to the extent lawful:

- (1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof so tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Issuers.

The Paying Agent shall promptly pay to each Holder of Notes so tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Issuers shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require the Issuers to make a Change of Control Offer following a Change of Control shall be applicable regardless of whether or not any other provisions in this Indenture are applicable. Except as described above with respect to a Change of Control, this Indenture does not contain provisions that permit Holders to require that the Issuers repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

Notwithstanding any other provision of this Section 4.16, the Issuers shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Section 4.17 Limitations on Issuances of Guarantees of Indebtedness.

The Company shall not permit any of its Restricted Subsidiaries, directly or indirectly, to Guarantee any other Indebtedness of the Company except in respect of the Credit Facilities of the Company (the "*Guaranteed Indebtedness*") unless:

(1) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture providing for the Guarantee (a “*Subsidiary Guarantee*”) of the payment of the Notes by such Restricted Subsidiary and

(2) until one year after all the Notes have been paid in full in cash, such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary thereof as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee; *provided* that this paragraph shall not be applicable to any Guarantee or any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

If the Guaranteed Indebtedness is subordinated to the Notes, then the Guarantee of such Guaranteed Indebtedness shall be subordinated to the Subsidiary Guarantee at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes.

If any Guarantor is released from its obligations on Guaranteed Indebtedness it shall be automatically released from its obligation with respect to its Guarantee of the Notes hereunder.

Section 4.18 [Reserved].

Section 4.19 Suspension of Covenants.

During any period of time that (a) any Notes have Investment Grade Ratings from both Rating Agencies and (b) no Default or Event of Default has occurred and is continuing, the Company and its Restricted Subsidiaries shall not be subject to the provisions of Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.13 and clause (D) of the first paragraph of Section 5.01 (collectively, the “*Suspended Covenants*”).

If the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the previous sentence and, subsequently, one or both of the Rating Agencies withdraw their ratings or downgrades the ratings assigned to the applicable Series of Notes below the required Investment Grade Ratings or a Default or Event of Default occurs and is continuing, then the Company and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenants. The ability of the Company and its Restricted Subsidiaries to make Restricted Payments after the time of such withdrawal, downgrade, Default or Event of Default shall be calculated in accordance with the terms of Section 4.07 as though such covenant had been in effect during the entire period of time from the Issue Date.

SUCCESSORS

Section 5.01 Merger, Consolidation or Sale of Assets.

Neither Issuer may, directly or indirectly: (1) consolidate or merge with or into another Person or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to another Person; unless:

(A) either:

(i) such Issuer is the surviving Person; or

(ii) the Person formed by or surviving any such consolidation or merger (if other than such Issuer) or to which such sale, assignment, transfer, conveyance or other disposition shall have been made is a Person organized or existing under the laws of the United States, any state thereof or the District of Columbia, *provided* that if the Person formed by or surviving any such consolidation or merger with such Issuer is a limited liability company or a Person other than a corporation, a corporate co-issuer shall also be an obligor with respect to the Notes;

(B) the Person formed by or surviving any such consolidation or merger (if other than such Issuer) or the Person to which such sale, assignment, transfer, conveyance or other disposition shall have been made assumes all the obligations of such Issuer under the Notes and this Indenture pursuant to agreements reasonably satisfactory to the Trustee;

(C) immediately after such transaction no Default or Event of Default exists; and

(D) such Issuer or the Person formed by or surviving any such consolidation or merger (if other than such Issuer) will, on the date of such transaction after giving *pro forma* effect thereto and any related financing transactions as if the same had occurred at the beginning of the most recently ended fiscal quarter,

(x) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of Section 4.10; or

(y) have a Leverage Ratio immediately after giving effect to such consolidation or merger no greater than the Leverage Ratio immediately prior to such consolidation or merger.

In addition, the Company may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person. The foregoing clause (D) of this Section 5.01 shall not apply to a sale, assignment, transfer, conveyance

or other disposition of assets between or among the Company and any of its Wholly Owned Restricted Subsidiaries.

Section 5.02 Successor Corporation Substituted.

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of either Issuer in accordance with Section 5.01, the successor Person formed by such consolidation or into which either Issuer is merged or to which such transfer is made shall succeed to and (except in the case of a lease) be substituted for, and may exercise every right and power of, such Issuer under this Indenture with the same effect as if such successor Person had been named therein as such Issuer, and (except in the case of a lease) such Issuer shall be released from the obligations under the Notes and this Indenture, except with respect to any obligations that arise from, or are related to, such transaction.

ARTICLE 6

DEFAULTS AND REMEDIES

Section Events of Default.
6.01

Each of the following is an "Event of Default" with respect to the Notes of a Series:

- (1) default for 30 consecutive days in the payment when due of interest on the Notes of such Series;
- (2) default in payment when due of the principal of or premium, if any, on the Notes of such Series;
- (3) failure by the Company or any of its Restricted Subsidiaries to comply with the provisions of Section 4.16 or 5.01;
- (4) failure by the Company or any of its Restricted Subsidiaries for 30 consecutive days after written notice thereof has been given to the Issuers by the Trustee or to the Issuers and the Trustee by Holders of at least 25% of the aggregate principal amount of the Notes of such Series outstanding to comply with any of their other covenants or agreements in this Indenture;
- (5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Subsidiaries) whether such Indebtedness or guarantee now exists or is created after the Issue Date, if that default:

(a) is caused by a failure to pay at final stated maturity the principal amount on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "Payment Default") or

(b) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$100.0 million or more;

(6) failure by the Company or any of its Restricted Subsidiaries to pay final judgments which are non-appealable aggregating in excess of \$100.0 million, net of applicable insurance which has not been denied in writing by the insurer, which judgments are not paid, discharged or stayed for a period of 60 days;

(7) the Company or any of its Significant Subsidiaries pursuant to or within the meaning of Bankruptcy Law:

(a) commences a voluntary case,

(b) consents to the entry of an order for relief against it in an involuntary case,

(c) consents to the appointment of a custodian of it or for all or substantially all of its property, or

(d) makes a general assignment for the benefit of its creditors; or

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(a) is for relief against the Company or any of its Significant Subsidiaries in an involuntary case;

(b) appoints a custodian of the Company or any of its Significant Subsidiaries or for all or substantially all of the property of the Company or any of its Significant Subsidiaries; or

(c) orders the liquidation of the Company or any of its Significant Subsidiaries;

and the order or decree remains unstayed and in effect for 60 consecutive days.

Section 6.02 Acceleration.

In the case of an Event of Default arising from clause (7) or (8) of Section 6.01 with respect to the Company, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trus-

tee by notice to the Issuers or the Holders of at least 25% in principal amount of the then outstanding Notes of a Series by notice to the Issuers and the Trustee may declare all the Notes of such Series to be due and payable immediately. The Holders of a majority in aggregate principal amount of the Notes of such Series then outstanding by written notice to the Trustee may on behalf of all of the Holders of the Notes of such Series rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except non-payment of principal, interest or premium that has become due solely because of the acceleration) with respect to the Notes of such Series have been cured or waived.

Section Other Remedies.
6.03

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section Waiver of Existing Defaults.
6.04

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes of a Series by notice to the Trustee may on behalf of the Holders of all of the Notes of such Series waive any existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes (including in connection with an offer to purchase) of such Series (*provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 Control by Majority.

Holders of a majority in principal amount of the then outstanding Notes of a Series may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it, in each case, with respect to such Notes. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be prejudicial to the rights of other Holders or that may involve the Trustee in personal liability. The Trustee may take any other action which it deems proper that is not inconsistent with any such directive.

SectionLimitation on Suits.
6.06

A Holder may pursue a remedy with respect to this Indenture or the Notes of a Series only if:

- (a) the Holder gives to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in principal amount of the then outstanding Notes of such Series make a written request to the Trustee to pursue the remedy;
- (c) such Holder or Holders of Notes of such Series offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and
- (e) during such 60-day period the Holders of a majority in principal amount of the then outstanding Notes of such Series do not give the Trustee a direction inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

SectionRights of Holders of Notes to Receive Payment.
6.07

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, if any, and interest on any Note, on or after the respective due dates expressed in such Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1) or (2) occurs and is continuing with respect to any Notes of a Series, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes of such Series and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its

agents and counsel) and Holders allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes), their creditors or their property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 Priorities.

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

Third: to the Issuers or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section Undertaking for Costs.
6.11

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply

to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes of a Series.

ARTICLE 7

TRUSTEE

Section Duties of Trustee. 7.01

- (1) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.
- (2) Except during the continuance of an Event of Default:
 - (a) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
 - (b) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions required to be furnished to the Trustee hereunder and conforming to the requirements of this Indenture. However, in the case of certificates or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).
- (3) The Trustee may not be relieved from liabilities for its own gross negligent action, its own gross negligent failure to act, or its own willful misconduct, except that:
 - (a) this paragraph (3) does not limit the effect of paragraph (2) of this Section 7.01;
 - (b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and
 - (c) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.
- (4) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (1), (2), and (3) of this Section 7.01.

(5) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability, claim, damage or expense.

(6) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(7) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or documents.

Section 7.02 Rights of Trustee.

(1) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(2) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its own selection and the written advice or opinion of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(3) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(4) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(5) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from either of the Issuers shall be sufficient if signed by an Officer of such Issuer.

(6) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of Holder unless such Holder shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(7) The Trustee shall not be charged with knowledge of any Default or Event of Default unless either (a) a Responsible Officer of the Trustee shall have actual knowledge of

such Default or Event of Default or (b) written notice of such Default or Event of Default shall have been given to and received at the Corporate Trust Office of the Trustee by the Issuers or any Holder and such notice references the Notes and this Indenture.

(8) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney at the sole cost of the Issuers and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(9) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(10) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(11) The Trustee may request that the Issuers deliver certificates setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of any Series of Notes and may otherwise deal with the Issuers or any Affiliate of the Issuers with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest, it must eliminate such conflict within 90 days and apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults.

If a Default or Event of Default occurs and is continuing and if it is known to a Responsible Officer of the Trustee, the Trustee shall mail to Holders of such Series of Notes a notice of the Default or Event of Default within 90 days after the Trustee acquires knowledge thereof. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on the applicable Series of Notes, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of such Holders.

Section Reports by Trustee to Holders.
7.06

By March 15th of each year, and for so long as any Notes remain outstanding, the Trustee shall mail to Holders a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b)(2). The Trustee shall also transmit by mail all reports as required by TIA § 313(c).

A copy of each report at the time of its mailing to Holders shall be mailed to the Company and filed with the SEC and each stock exchange on which the Notes are listed in accordance with TIA § 313(d). The Issuers shall promptly notify the Trustee when the Notes are listed or delisted on any stock exchange.

Section 7.07 Compensation and Indemnity.

The Issuers shall pay to the Trustee from time to time reasonable compensation as agreed upon in writing for its acceptance of this Indenture and services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee promptly upon request for all disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuers and the Parent Guarantor shall, jointly and severally, indemnify the Trustee and any predecessor trustee against any and all losses, liabilities, claims, damages or expenses (including reasonable legal fees and expenses) including taxes (other than taxes based upon, measured by or determined by the income of the Trustee) incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Issuers (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, damage, claim, liability or expense determined to have been caused by its own gross negligence or willful misconduct. The Trustee shall notify the Issuers promptly of any claim for which it may seek indemnity of which a Responsible Officer has received written notice. Failure by the Trustee to so notify the Issuers shall not relieve the Issuers of their obligations hereunder. The Issuers shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Issuers shall pay

the reasonable fees and expenses of such counsel. The Issuers need not pay for any settlement made without their consent, which consent shall not be unreasonably withheld.

The obligations of the Issuers in this Section 7.07 shall survive resignation or removal of the Trustee and the satisfaction, discharge or termination of this Indenture.

To secure the Issuers' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except such money or property held in trust by the Trustee to pay the principal of and interest on any Notes. Such Lien shall survive the resignation or removal of the Trustee and the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(7) or (8) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

The Trustee shall comply with the provisions of TIA § 313(b)(2) to the extent applicable.

Section 7.08 Replacement of the Trustee.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged as bankrupt or as insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuers or the Holders of at least 10% in principal

amount of the then outstanding Notes may petition at the expense of the Issuers any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 7.10 Eligibility; Disqualification.

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA §§ 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Section 7.11 Preferential Collection of Claims Against the Issuers.

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Issuers may, at the option of their respective boards of directors or the Board of Directors of CCI evidenced by a resolution set forth in an Officers' Certificate of each of the Issuers, at any time, elect to have either Section 8.02 or 8.03 applied to all outstanding Notes of a Series upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

Upon the Issuers' exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuers shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations with respect to all outstanding Notes of a Series on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuers shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes of such Series, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all their other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- below;
- (a) the rights of Holders of outstanding Notes of such Series to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due from the trust referred to below;
 - (b) the Issuers' obligations with respect to the Notes of such Series concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
 - (c) the rights, powers, trusts, duties and immunities of the Trustee and the Issuers' obligations in connection therewith; and
 - (d) the Legal Defeasance provisions of this Indenture;
 - (e) Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03.

Section 8.03 Covenant Defeasance.

Upon the Issuers' exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuers shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from their obligations under the covenants contained in Article 5 and Sections 4.03,

4.07, 4.08, 4.09, 4.10, 4.11, 4.13, 4.14, 4.16, 4.17 and 4.19 with respect to the outstanding Notes of a Series on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "Covenant Defeasance"), and the Notes of such Series shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders of such Notes (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuers may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(3) through 6.01(6) shall not constitute Events of Default with respect to the Notes of such Series.

Section 8.04 Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance pursuant to Section 8.02 or Covenant Defeasance pursuant to Section 8.03 with respect to a Series of Notes, the following conditions must be met:

- (1) the Issuers must irrevocably deposit or cause to be deposited with the Trustee, in trust, for the benefit of the Holders of Notes of a Series, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as are expected to be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the outstanding Notes of such Series on the stated maturity or on the applicable redemption date, as the case may be, and the Issuers must specify whether the Notes of such Series are being defeased to maturity or to a particular redemption date;
- (2) in the case of Legal Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that
 - (a) the Issuers have received from, or there has been published by, the Internal Revenue Service a ruling or
 - (b) since the Issue Date, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes of such Series will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes of such Series will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing (on the date of such deposit (other than resulting from the borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowing)):

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which the Company or any of its Restricted Subsidiaries is a party or by which the Company or any of its Restricted Subsidiaries is bound;

(6) the Issuers must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuers with the intent of preferring the Holders of the Notes of such Series over the other creditors of the Issuers with the intent of defeating, hindering, delaying or defrauding creditors of the Issuers or others; and

(7) the Issuers must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding the foregoing, the Opinion of Counsel required by clause (2) above with respect to a Legal Defeasance need not be delivered if all Notes of the applicable Series not theretofore delivered to the Trustee for cancellation,

(a) have become due and payable or

(b) will become due and payable on the maturity date within one year, by their terms or under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers.

Section 8.05 Deposited Money and Government Securities
to Be Held in Trust; Other Miscellaneous Provisions

Subject to Section 8.06, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Notes of a Series shall be held in trust and applied by the Trustee, in accordance with the provisions of the Notes of such Series and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers acting as Paying Agent) as the Trustee may determine, to the Holders of the Notes of such Series of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuers from time to time upon the request of the Issuers any money or non-callable Government Securities held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to Issuers.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuers on their request or (if then held by the Issuers) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuers cause to be published once, in *The New York Times* and *The Wall Street Journal* (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Issuers.

Section 8.07
Reinstatement.

If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' obligations under this Indenture and the Notes of the applicable Series, shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium, if any, or interest on any Note of such Series following the reinstatement of their obligations, the Issuers shall be subrogated to the rights of the Holders of the Notes of such Series to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders of Notes.

Notwithstanding Section 9.02 of this Indenture, the Issuers and the Trustee may amend or supplement this Indenture or the Notes without the consent of any Holder of a Note:

- (1) to cure any ambiguity, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for or confirm the issuance of Additional Notes or the Exchange Notes;
- (4) to provide for the assumption of the Issuers' and any Parent's obligations to Holders in the case of a merger or consolidation or sale of all or substantially all of the assets of the Issuers pursuant to Article 5;
- (5) to make any change that would provide any additional rights or benefits to Holders or that does not adversely affect the legal rights under this Indenture of any such Holder;
- (6) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA or otherwise as necessary to comply with applicable law; or
- (7) to conform this Indenture or the Notes to the "Description of Notes" section of the Offering Circular.

Upon the request of the Issuers accompanied by a resolution of their respective boards of directors or the Board of Directors of CCI authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee an Officers' Certificate and an Opinion of Counsel, the Trustee shall join with the issuers in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 With Consent of Holders of Notes.

Except as provided below in this Section 9.02, this Indenture (including Sections 4.11 and 4.16) or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes of each Series (including, without limitation, consents obtained in connection with a purchase of, or a tender

offer or exchange offer for, Notes) and, subject to Sections 6.04 and 6.07, any existing Default or compliance with any provision of this Indenture or the Notes may be waived, including by way of amendment, as to any Series of Notes with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes of such Series (including, without limitation, consents obtained in connection with a purchase of, or a tender offer or exchange offer for, Notes); *provided, however*, that if any such amendment or waiver, by its terms, directly and disproportionately affects one Series of Notes then outstanding, such amendment or waiver shall require the consent of the Holders of a majority in aggregate principal amount of such Series of Notes, and if any such amendment only affects one Series of Notes, the Holders of the other Series of Notes shall not be required to consent thereto (including, without limitation, consents obtained in connection with a purchase of, or a tender offer or exchange offer for, Notes). Section 2.08 shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

Upon the request of the Issuers accompanied by a resolution of their respective boards of directors or the Board of Directors of CCI authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes of a Series as aforesaid, and upon receipt by the Trustee of an Officers' Certificate and an Opinion of Counsel pursuant to Section 9.06, the Trustee shall join with the Issuers in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes of a Series under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers shall mail to the Holders of Notes of a Series affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07, the Holders of a majority in aggregate principal amount of the then outstanding Notes of a Series may waive compliance in a particular instance by the Issuers with any provision of this Indenture or the Notes of such Series. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Note or alter the payment provisions with respect to the redemption of the Notes (other than provisions relating to Sections 4.11 and 4.16);
- (3) reduce the rate of or extend the time for payment of interest on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of, or premium, if any, or interest on the Notes;

(7) waive a redemption payment with respect to any Note (other than a payment required by Section 4.11 or 4.16); or

(8) make any change in this Section 9.02.

Section 9.03 Compliance with Trust Indenture Act.

Every amendment or supplement to this Indenture or the Notes shall be set forth in a amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 Revocation and Effect of Consents.

Until an amendment, supplement or waiver becomes effective, a consent thereto by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 Notation on or Exchange of Notes.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, etc.

The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers may not sign an amendment or supplemental Indenture until their respective boards of directors approve it. In executing any amended or supplemental indenture, the Trustee shall be provided with and (subject to Section 7.01) shall

be fully protected in relying upon, in addition to the documents required by Section 11.04, an Officers' Certificate and an Opinion of Counsel, in each case from each of the Issuers, stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10

GUARANTEE

Section 10.01 Guarantee.

(a) To the extent applicable, each Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety, to each Holder and to the Trustee (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Issuers under this Indenture (including obligations to the Trustee) and the Notes, whether for payment of principal of, premium, if any, or interest on in respect of the Notes and all other monetary obligations of the Issuers under this Indenture and the Notes and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuers whether for fees, expenses, indemnification or otherwise under this Indenture and the Notes (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from any Guarantor, and that each Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) To the extent applicable, each Guarantor waives presentation to, demand of payment from and protest to the Issuers of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuers or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Notes or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (iv) the failure of any Holder or Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (v) any change in the ownership of each Guarantor, except as provided in Section 10.02(b) or Section 10.02(c). Each Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed.

(c) Each Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuers first be used and depleted as payment of the Issuers' or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder. Each Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Guarantor.

(d) Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) The Note Guarantee of each Guarantor is, to the extent and in the manner set forth in Article 10, equal in right of payment to all existing and future *pari passu* Indebtedness, senior in right of payment to all existing and future subordinated Indebtedness of the Issuers and subordinated and subject in right of payment to the prior payment in full of the principal of and premium, if any, and interest on all secured Indebtedness of the relevant Guarantor and is made subject to such provisions of this Indenture.

(f) Except as expressly set forth in Sections 8.02, 10.02 and 10.06, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

(g) Each Guarantor agrees that its Note Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any holder or the Trustee upon the bankruptcy or reorganization of the Issuers or otherwise.

(h) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuers to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuers to Holders and the Trustee.

(i) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between it,

on the one hand, and Holders and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of the Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Parent Guarantor for the purposes of this Section 10.01.

(j) Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any holder in enforcing any rights under this Section 10.01.

(k) Upon request of the Trustee, each Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 10.02 Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by each Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) A Subsidiary Guarantee by any Subsidiary that executes a supplemental indenture in accordance with Section 4.17 and provides a guarantee shall terminate and be of no further force or effect and such Guarantor shall be deemed to be released from all obligations under this Article 10 upon:

(i) the sale, disposition, exchange or other transfer (including through merger, consolidation, amalgamation or otherwise) of the Capital Stock (including any sale, disposition or other transfer following which the applicable Guarantor is no longer a Wholly Owned Restricted Subsidiary), of the applicable Guarantor if such sale, disposition, exchange or other transfer is made in a manner not in violation of this Indenture;

(ii) the designation by the Company or CCI of such Guarantor to be an Unrestricted Subsidiary in accordance with the provisions of Section 4.08 and the definition of "Unrestricted Subsidiary";

(iii) the release or discharge of the guarantee of any other Indebtedness which resulted in the obligation to guarantee the Notes; and

(iv) the Issuers' exercise of their legal defeasance option or covenant defeasance option under Article 8 or if the Issuers' obligations under this Indenture are discharged in accordance with the terms of this Indenture.

A Subsidiary Guarantor also will be automatically released upon the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing any Credit Facility or other exercise of remedies in respect thereof.

(c) The Parent Guarantor shall terminate and be of no further force or effect and the Parent Guarantor shall be deemed to be released from all obligations under this Article 10 upon:

(i) the Issuers ceasing to be Wholly Owned Subsidiaries of CCI;

(ii) the Issuers' transfer of all or substantially all of their assets to, or merger with, an entity that is not a Wholly Owned Subsidiary of CCI in accordance with Section 5.01 and such transferee entity assumes the Issuers' obligations under this Indenture; and

(iii) the Issuers' exercise of their Legal Defeasance option or Covenant Defeasance option under Article 8 or if the Issuers' obligations under this Indenture are discharged in accordance with the terms of this Indenture.

Section 10.03
Successors and Assigns.

This Article 10 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 10.04
No Waiver.

Neither a failure nor a delay on the part of either the Trustee or Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

Section 10.05
Modification.

No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle any Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 10.06 Execution of Supplemental Indenture for Future Guarantors.

Each Subsidiary and other Person which is required to become a Guarantor of the Notes pursuant to Section 4.17 shall promptly execute and deliver to the Trustee a supplemental indenture in the form of Exhibit E hereto pursuant to which such Subsidiary or other Person shall become a Guarantor under this Article 10 and shall guarantee the Notes. Concurrently with the execution and delivery of such supplemental indenture, the Issuers shall deliver to the Trustee an Opinion of Counsel and an Officers' Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary or other Person and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Guarantee of such Guarantor is a valid and binding obligation of such guarantor, enforceable against such Guarantor in accordance with its terms and/or to such other matters as the Trustee may reasonably request.

Section 10.07 Non-Impairment.

The failure to endorse a Guarantee on any Note shall not affect or impair the validity thereof.

THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A.,
as Trustee

By: _____
Authorized Signatory

Capitalized terms used herein shall have the meanings assigned to them in the In-denture referred to below unless otherwise indicated.

1. INTEREST. CCO Holdings, LLC, a Delaware limited liability company (the “Company”), and CCO Holdings Capital Corp., a Delaware corporation (“Capital Corp” and, together with the Company, the “Issuers”), promise to pay interest on the principal amount of this Note at the rate of 7.875% per annum from the Issue Date until maturity. The interest rate on the Notes is subject to increase pursuant to the provisions of the Registration Rights Agreement. The Issuers will pay interest semi-annually in arrears on April 30 and October 30 of each year (each an “Interest Payment Date”), or if any such day is not a Business Day, on the next succeeding Business Day. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; provided that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; provided, further, that the first Interest Payment Date shall be October 30, 2010. The Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; they shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

2. METHOD OF PAYMENT. The Issuers shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on the April 1 or October 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and provided that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. PAYING AGENT AND REGISTRAR. Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. INDENTURE. The Issuers issued the Notes under an Indenture dated as of April 28, 2010 (the "Indenture") between the Issuers and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. OPTIONAL REDEMPTION.

(a) On or after April 30, 2013, the Issuers shall have the option to redeem the Notes, in whole or in part, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest thereon, if any, to the applicable redemption date, if redeemed during the twelve month period beginning on April 30 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2013	105.906%
2014	103.938%
2015	101.969%
2016 and thereafter	100.000%

(b) At any time prior to April 30, 2013, the Issuers may on any one or more occasions redeem up to 35% of the original aggregate principal amount of the Notes (including the principal amount of any Additional Notes), at a redemption price of 107.875% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided that*:

(1) at least 65% of the original aggregate principal amount of Notes (including the principal amount of any Additional Notes) issued under the Indenture remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Issuers and their Subsidiaries); and

(2) the redemption must occur within 180 days of the date of the closing of such Equity Offering.

(c) At any time and from time to time prior to April 30, 2013, the Issuers may redeem outstanding Notes, in whole or in part, at a redemption price equal to 100% of the principal amount thereof *plus* accrued and unpaid interest, if any, on such Notes to the redemption date *plus* the Make-Whole Premium.

6. OPTIONAL REDEMPTION. Except as otherwise provided in Paragraph 7 below, the Issuers shall not be required to make mandatory redemption payments with respect to the Notes.

7. REPURCHASE AT OPTION OF HOLDER.

(a) If there is a Change of Control, the Issuers shall make an offer to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of each Holder's Notes at a purchase price equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of purchase. Within 10 days following any Change of Control, the Issuers shall mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control Payment Date specified in such notice, pursuant to the procedures required by the Indenture and described in such notice.

(b) If the Company or a Restricted Subsidiary thereof consummates any Asset Sale, when the aggregate amount of Excess Proceeds exceeds \$25.0 million, the Company shall commence an offer (an "Asset Sale Offer") pursuant to Section 4.11 of the Indenture to all Holders and all holders of other Indebtedness that is of equal priority with the Notes containing provisions requiring offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other Indebtedness of equal priority that may be purchased out of the Excess Proceeds, which amount includes the entire amount of the Net Proceeds. The offer price in any Asset Sale Offer will be payable in cash and equal to 100% of principal amount of the subject Notes plus accrued and unpaid interest, if any, to the date of purchase. If the aggregate principal amount of Notes and such other Indebtedness of equal priority tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and such other Indebtedness of equal priority to be purchased on a *pro rata* basis.

If any Excess Proceeds remain after consummation of an Asset Sale Offer, then the Company or any Restricted Subsidiary thereof may use such remaining Excess Proceeds for any purpose not otherwise prohibited by the Indenture. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "Option of Holder to Elect Purchase" on the reverse side of the Notes.

8. DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents, and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for

redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

9. PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as its owner for all purposes.

10. AMENDMENT, SUPPLEMENT AND WAIVER. Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Any existing Default or compliance with any provision of the Indenture or the Notes (other than any provision relating to the right of any Holder to bring suit for the enforcement of any payment of principal, premium, if any, any interest on the Note, on or after the scheduled due dates expressed herein) may be waived, including by way of amendment, with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Without the consent of any Holder of a Note, the Issuers and the Trustee may amend or supplement the Indenture or the Notes (i) to cure any ambiguity, mistake, defect or inconsistency, (ii) to provide for uncertificated Notes in addition to or in place of certificated Notes, (iii) to provide for or confirm the issuance of Additional Notes, (iv) to provide for the assumption of the Issuers' obligations to Holders in the case of a merger or consolidation or sale of all or substantially all of the Issuers' assets, (v) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder, (vi) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA or otherwise as necessary to comply with applicable law or (vii) to conform the Indenture or the Notes to the "Description of Notes" section of the Offering Circular.

11. DEFAULTS AND REMEDIES. Each of the following is an Event of Default: (i) default for 30 consecutive days in the payment when due of interest on the Notes, (ii) default in payment when due of the principal or premium, if any, on the Notes, (iii) failure by the Company or any of its Restricted Subsidiaries to comply with Sections 4.16 and 5.01 of the Indenture, (iv) failure by the Company or any of its Restricted Subsidiaries for 30 consecutive days after written notice thereof has been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% of the principal amount of the Notes outstanding to comply with any of their other covenants or agreements in the Indenture, (v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists or is created after the date of the Indenture, if that default: (a) is caused by a failure to

pay at final stated maturity the principal amount of such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "Payment Default"); or (b) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$100.0 million or more, (vi) failure by the Company or any of its Restricted Subsidiaries to pay final judgments which are non-appealable aggregating in excess of \$100.0 million, net of applicable insurance which has not been denied in writing by the insurer, which judgments are not paid, discharged or stayed for a period of 60 days or (vii) certain events of bankruptcy or insolvency with respect to the Company or any of its Significant Subsidiaries.

In the case of an Event of Default arising from certain events of bankruptcy or in-solvency with respect to the Company, all outstanding Notes will become due and payable with-out further action or notice. If any other Event of Default occurs and is continuing, the Trustee by notice to the Issuers or the Holders of at least 25% in principal amount of the then outstanding Notes by notice to the Issuers and the Trustee may declare all the Notes to be due and payable.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power with respect to matters relating to the Notes. The Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest.

The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes.

The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture. Upon becoming aware of any Default or Event of Default, the Issuers are required to deliver to the Trustee a statement specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

12. TRUSTEE DEALINGS WITH ISSUERS. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuers or their Affiliates, and may otherwise deal with the Issuers or their Affiliates, as if it were not the Trustee.

13. NO RECOURSE AGAINST OTHERS. A director, officer, employee, incorporator, member or stockholder of either of the Issuers, as such, shall not have any liabil-

ity for any obligations of the Issuers under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

14. GOVERNING LAW. THE INTERNAL LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS NOTE AND THE INDENTURE WITHOUT GIVING EFFECT TO THE APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY. EACH OF THE PARTIES HERETO AND THE HOLDERS AGREE TO SUBMIT TO THE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS NOTE.

15. AUTHENTICATION. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

16. ABBREVIATIONS. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

17. ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED GLOBAL NOTES AND RESTRICTED DEFINITIVE NOTES. In addition to the rights provided to Holders of Notes under the Indenture, Holders of Restricted Global Notes and Restricted Definitive Notes shall have all the rights set forth in any Registration Rights Agreement.

18. CUSIP NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture and/or the Registration Rights Agreement. Requests may be made to:

8.125% Senior Note due 2020

Capitalized terms used herein shall have the meanings assigned to them in the In-denture referred to below unless otherwise indicated.

1. INTEREST. CCO Holdings, LLC, a Delaware limited liability company (the “Company”), and CCO Holdings Capital Corp., a Delaware corporation (“Capital Corp” and, together with the Company, the “Issuers”), promise to pay interest on the principal amount of this Note at the rate of 8.125% per annum from the Issue Date until maturity. The interest rate on the Notes is subject to increase pursuant to the provisions of the Registration Rights Agreement. The Issuers will pay interest semi-annually in arrears on April 30 and October 30 of each year (each an “Interest Payment Date”), or if any such day is not a Business Day, on the next succeeding Business Day. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; provided that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; provided, further, that the first Interest Payment Date shall be October 30, 2010. The Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; they shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

2. METHOD OF PAYMENT. The Issuers shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on the April 1 or October 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and provided that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. PAYING AGENT AND REGISTRAR. Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. INDENTURE. The Issuers issued the Notes under an Indenture dated as of April 28, 2010 (the "Indenture") between the Issuers and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. OPTIONAL REDEMPTION.

(a) On or after April 30, 2013, the Issuers shall have the option to redeem the Notes, in whole or in part, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest thereon, if any, to the applicable redemption date, if redeemed during the twelve month period beginning on April 30 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2015	104.063%
2016	102.708%
2017	101.354%
2018 and thereafter	100.000%

(b) At any time prior to April 30, 2013, the Issuers may on any one or more occasions redeem up to 35% of the original aggregate principal amount of the Notes (including the principal amount of any Additional Notes), at a redemption price of 108.125% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided that*:

(1) at least 65% of the original aggregate principal amount of Notes (including the principal amount of any Additional Notes) issued under the Indenture remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Issuers and their Subsidiaries); and

(2) the redemption must occur within 180 days of the date of the closing of such Equity Offering.

(c) At any time and from time to time prior to April 30, 2015, the Issuers may redeem outstanding Notes, in whole or in part, at a redemption price equal to 100% of the principal amount thereof *plus* accrued and unpaid interest, if any, on such Notes to the redemption date *plus* the Make-Whole Premium.

6. OPTIONAL REDEMPTION. Except as otherwise provided in Paragraph 7 below, the Issuers shall not be required to make mandatory redemption payments with respect to the Notes.

7. REPURCHASE AT OPTION OF HOLDER.

(a) If there is a Change of Control, the Issuers shall make an offer to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of each Holder's Notes at a purchase price equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of purchase. Within 10 days following any Change of Control, the Issuers shall mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control Payment Date specified in such notice, pursuant to the procedures required by the Indenture and described in such notice.

(b) If the Company or a Restricted Subsidiary thereof consummates any Asset Sale, when the aggregate amount of Excess Proceeds exceeds \$25.0 million, the Company shall commence an offer (an "Asset Sale Offer") pursuant to Section 4.11 of the Indenture to all Holders and all holders of other Indebtedness that is of equal priority with the Notes containing provisions requiring offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other Indebtedness of equal priority that may be purchased out of the Excess Proceeds, which amount includes the entire amount of the Net Proceeds. The offer price in any Asset Sale Offer will be payable in cash and equal to 100% of principal amount of the subject Notes plus accrued and unpaid interest, if any, to the date of purchase. If the aggregate principal amount of Notes and such other Indebtedness of equal priority tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and such other Indebtedness of equal priority to be purchased on a *pro rata* basis.

If any Excess Proceeds remain after consummation of an Asset Sale Offer, then the Company or any Restricted Subsidiary thereof may use such remaining Excess Proceeds for any purpose not otherwise prohibited by the Indenture. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "Option of Holder to Elect Purchase" on the reverse side of the Notes.

8. DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents, and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for

redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

9. PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as its owner for all purposes.

10. AMENDMENT, SUPPLEMENT AND WAIVER. Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Any existing Default or compliance with any provision of the Indenture or the Notes (other than any provision relating to the right of any Holder to bring suit for the enforcement of any payment of principal, premium, if any, any interest on the Note, on or after the scheduled due dates expressed herein) may be waived, including by way of amendment, with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Without the consent of any Holder of a Note, the Issuers and the Trustee may amend or supplement the Indenture or the Notes (i) to cure any ambiguity, mistake, defect or inconsistency, (ii) to provide for uncertificated Notes in addition to or in place of certificated Notes, (iii) to provide for or confirm the issuance of Additional Notes, (iv) to provide for the assumption of the Issuers' obligations to Holders in the case of a merger or consolidation or sale of all or substantially all of the Issuers' assets, (v) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder, (vi) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA or otherwise as necessary to comply with applicable law or (vii) to conform the Indenture or the Notes to the "Description of Notes" section of the Offering Circular.

11. DEFAULTS AND REMEDIES. Each of the following is an Event of Default: (i) default for 30 consecutive days in the payment when due of interest on the Notes, (ii) default in payment when due of the principal of or premium, if any, on the Notes, (iii) failure by the Company or any of its Restricted Subsidiaries to comply with Sections 4.16 and 5.01 of the Indenture, (iv) failure by the Company or any of its Restricted Subsidiaries for 30 consecutive days after written notice thereof has been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% of the principal amount of the Notes outstanding to comply with any of their other covenants or agreements in the Indenture, (v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), whether such Indebtedness or guarantee now exists or is created after the date of the Indenture, if that default: (a) is caused by a failure to

pay at final stated maturity the principal amount of such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "Payment Default"); or (b) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$100 million or more, (vi) failure by the Company or any of its Restricted Subsidiaries to pay final judgments which are non-appealable aggregating in excess of \$100 million, net of applicable insurance which has not been denied in writing by the insurer, which judgments are not paid, discharged or stayed for a period of 60 days or (vii) certain events of bankruptcy or insolvency with respect to the Company or any of its Significant Subsidiaries.

In the case of an Event of Default arising from certain events of bankruptcy or in-solvency with respect to the Company, all outstanding Notes will become due and payable with-out further action or notice. If any other Event of Default occurs and is continuing, the Trustee by notice to the Issuers or the Holders of at least 25% in principal amount of the then outstanding Notes by notice to the Issuers and the Trustee may declare all the Notes to be due and payable.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power with respect to matters relating to the Notes. The Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest.

The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes.

The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture. Upon becoming aware of any Default or Event of Default, the Issuers are required to deliver to the Trustee a statement specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

12. TRUSTEE DEALINGS WITH ISSUERS. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuers or their Affiliates, and may otherwise deal with the Issuers or their Affiliates, as if it were not the Trustee.

13. NO RECOURSE AGAINST OTHERS. A director, officer, employee, incorporator, member or stockholder of either of the Issuers, as such, shall not have any liabil-

ity for any obligations of the Issuers under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

14. GOVERNING LAW. THE INTERNAL LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS NOTE AND THE INDENTURE WITHOUT GIVING EFFECT TO THE APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY. EACH OF THE PARTIES HERETO AND THE HOLDERS AGREE TO SUBMIT TO THE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS NOTE.

15. AUTHENTICATION. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

16. ABBREVIATIONS. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

17. ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED GLOBAL NOTES AND RESTRICTED DEFINITIVE NOTES. In addition to the rights provided to Holders of Notes under the Indenture, Holders of Restricted Global Notes and Restricted Definitive Notes shall have all the rights set forth in any Registration Rights Agreement.

18. CUSIP NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers and the Guarantor agree to use their reasonable best efforts to cause the Exchange Offer Registration Statement to become or be declared effective under the Securities Act as soon as practicable after the Closing Date. The Exchange Offer will be registered under the Securities Act on the appropriate form and will comply with the Exchange Act. The Issuers and the Guarantor further agree to use their reasonable best efforts to complete the Exchange Offer not later than 365 days following the Closing Date (or if such 365th day is not a business day, the next succeeding business day) (the “Exchange Date”) and to exchange Exchange Notes for all Registrable Securities that have been properly tendered and not withdrawn on or prior to the expiration of the Exchange Offer. The Issuers and the Guarantor shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable United States federal and state securities laws to complete the Exchange Offer; provided, however, that in no event shall such period be less than 20 business days after the date notice of the Exchange Offer is mailed to holders. The Exchange Offer will be deemed to have been completed only if the Exchange Notes received by holders, other than Restricted Holders, in the Exchange Offer in exchange for Registrable Securities are, upon receipt, transferable by each such holder without restriction under the Securities Act and the Exchange Act and without material restrictions under the blue sky or securities laws of a substantial majority of the States of the United States of America. The Exchange Offer shall be deemed to have been completed upon the earlier to occur of (i) the Issuers

having exchanged the Exchange Notes for all outstanding Registrable Securities pursuant to the Exchange Offer and (ii) the Issuers having exchanged, pursuant to the Exchange Offer, Exchange Notes for all Registrable Securities that have been properly tendered and not withdrawn before the expiration of the Exchange Offer. The Issuers and the Guarantor agree (x) to include in the Exchange Offer Registration Statement a prospectus for use in any resales by any holder of Exchange Notes that is a broker-dealer and identifies itself as such by written notice to the Issuers and (y) to keep such Exchange Offer Registration Statement effective for a period (the "Resale Period") beginning when Exchange Notes are first issued in the Exchange Offer and ending upon the earlier of the expiration of the 180th day after the Exchange Offer has been completed or such time as such broker-dealers no longer own any Registrable Securities. With respect to such Exchange Offer Registration Statement, such holders shall have the benefit of the rights of indemnification and contribution set forth in Sections 6(a), (c), (d) and (e) hereof.

(b) If (i) on or prior to the time the Exchange Offer is completed existing law or Commission policy or interpretations are changed such that the Exchange Notes received by holders, other than Restricted Holders, in the Exchange Offer in exchange for Registrable Securities are not or would not be, upon receipt, transferable by each such holder without restriction under the Securities Act, (ii) the Exchange Offer has not been completed by the Exchange Date, (iii) any Purchaser so requests with respect to Registrable Securities that are not eligible to be exchanged for Exchange Notes in the Exchange Offer and that are held by it following the consummation of the Exchange Offer, or (iv) the Exchange Offer is not available to any holder (other than a Purchaser) which notifies the Issuers in writing, then, in each case, the Issuers and the Guarantor shall, in lieu of (or, in the case of clause (iii) or (iv), in addition to) conducting the Exchange Offer contemplated by Section 2(a), file a "shelf" registration statement in accordance with the remainder of this Section 2(b) below, under the Securities Act with respect to Notes that could not be exchanged for any reason set forth in clauses (i) through (iv) above. The Issuers and the Guarantor shall, on or prior to 30 business days after the time such obligation to file arises, file a "shelf" registration statement providing for the registration of, and the sale on a continuous or delayed basis by the holders of, all the Registrable Securities, pursuant to Rule 415 or any similar rule that may be adopted by the Commission (such filing, the "Shelf Registration" and such registration statement, the "Shelf Registration Statement"). & #160;The Issuers and the Guarantor agree to use their reasonable best efforts (x) to cause the Shelf Registration Statement to become or be declared effective by the Commission on or prior to the later of 365 days (or if such 365th day is not a business day, the next succeeding business day) following the Closing Date and the 90th day (or if such 90th day is not a business day, the next succeeding business day) after the date such filing obligations arises (the "Shelf Filing Deadline") and to keep such Shelf Registration Statement continuously effective for a period ending on the earlier of (i) the second anniversary of the Effective Time or (ii) such time as there are no longer any Registrable Securities outstanding; provided, however, that no holder (other than a Purchaser) shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the prospectus forming a part thereof for resales of Registrable Securities unless such holder is an Electing Holder, and (y) after the Effective Time of the Shelf Registration Statement, promptly upon the request of any holder of Registrable Securities that is not then an Electing Holder, to take any action reasonably necessary to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities, including, without limitation, any action necessary to identify such holder as a selling securityholder in the Shelf Registration Statement, provided,

however, that nothing in this clause (y) shall relieve any such holder of the obligation to return a completed and signed Notice and Questionnaire to the Issuers in accordance with Section 3(e)(iii) hereof. The Issuers and the Guarantor further agree to supplement or make amendments to the Shelf Registration Statement, as and when required by the rules, regulations or instructions applicable to the registration form used by the Issuers and the Guarantor for such Shelf Registration Statement or by the Securities Act for shelf registration, and the Issuers and the Guarantor agree to furnish to each Electing Holder copies of any such supplement or amendment prior to its being used or promptly following its filing with the Commission.

(c) In the event that (i) the Shelf Registration Statement has not become effective or been declared effective by the Commission on or prior to the Shelf Filing Deadline, (ii) the Exchange Offer has not been completed on or prior to the Exchange Date, (iii) the Exchange Offer Registration Statement required by Section 2(a) hereof is filed and becomes or is declared effective but thereafter shall either be withdrawn by the Issuers and the Guarantor or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein) without being succeeded immediately by an additional registration statement filed and declared effective, in each case prior to the completion of the Exchange Offer and (iv) the Shelf Registration Statement required by Section 2(b) hereof is filed and becomes or is declared effective but shall thereafter either be withdrawn by the Issuers and the Guarantor or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein) without being succeeded immediately by an additional registration statement filed and declared effective (each such event referred to in clauses (i) through (iv), a "Registration Default" and each period during which a Registration Default has occurred and is continuing, a "Registration Default Period"), then, as liquidated damages for such Registration Default, subject to the provisions of Section 9(b), special interest ("Special Interest"), in addition to the Base Interest, shall accrue on the aggregate principal amount of the outstanding Transfer Restricted Notes (as defined below) affected by such Registration Default at a per annum rate of 0.25% for the first 90 days of the Registration Default Period and at a per annum rate of 0.50% thereafter for the remaining portion of the Registration Default Period, commencing on (A) the 90th day after the filing of such Shelf Registration Statement was required, in the case of clause (i) above (but in no event prior to the 365th day after the original issue date of the Notes), (B) the 365th day after the original issue date of the Notes, in the case of clause (ii) above, (C) the day such Exchange Offer Registration Statement ceases to be effective, in the case of clause (iii) above and (D) the day such Shelf Registration Statement ceases to be effective, in the case of clause (iv) above. Following the cure of all Registration Defaults relating to particular Transfer Restricted Notes (which shall be the Effective Time of the Shelf Registration Statement in the case of clause (i) above, the date of the completion of the Exchange Offer, in the case of clause (ii) above, the date that the Exchange Offer Registration Statement again becomes effective, in the case of clause (iii) above, and the date that the Shelf Registration Statement again becomes effective, in the case of clause (iv) above), the interest rate borne by the relevant Transfer Restricted Notes will be reduced to the original interest rate borne by such Transfer Restricted Notes; *provided, however*, that, if after any such reduction in interest rate, a different Registration Default occurs, the interest rate borne by the relevant Transfer Restricted Notes shall again be increased pursuant to the foregoing provisions. All accrued Special Interest shall be paid in cash by the Issuers and the Guarantor on

each Interest Payment Date (as defined in the Indenture). For purposes of this Agreement, "Transfer Restricted Notes" shall mean, with respect to any Registration Default, any Notes or Exchange Notes which have not ceased being Registrable Securities pursuant to the definition thereof in Section 1 of this Agreement. Notwithstanding anything contained herein, Special Interest shall be the sole and exclusive remedy with respect to a Registration Default.

(d) If any Purchaser determines that it is not eligible to participate in the Exchange Offer with respect to the exchange of Registrable Securities constituting any portion of an unsold allotment, at the request of such Purchaser, then, subject to any prohibitions or restrictions imposed by any applicable law or regulations, the Issuers and the Guarantor shall use their commercially reasonable efforts to issue and deliver to such Purchaser, in exchange for such Registrable Securities, a like principal amount of Exchange Notes. Such issuance shall not be deemed to be part of the Exchange Offer. The Issuers and the Guarantor shall use their commercially reasonable efforts to cause the CUSIP Service Bureau to issue the same CUSIP number for Exchange Notes described in this Section 2(d) as for Exchange Notes issued pursuant to the Exchange Offer. Any such Exchange Notes shall, at the time of issuance, and subject to the limitations set forth in Section 1 hereof, constitute Registrable Securities for purposes of this Agreement (other than Section 2(a) hereof).

(e) The Issuers and the Guarantor shall use their reasonable best efforts to take all actions necessary or advisable to be taken by them to ensure that the transactions contemplated herein are effected as so contemplated in Section 2(a) or 2(b) hereof.

(f) Any reference herein to a registration statement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time and any reference herein to any post-effective amendment to a registration statement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time.

- (xiii) provide the Representatives, in advance of filing thereof with the Commission, a draft of such Exchange Offer Registration Statement substantially in the form to be filed with the Commission, each prospectus included therein or filed with the Commission and each amendment or supplement thereto (including

(f) In the event that the Issuers or the Guarantor would be required, pursuant to Section 3(e)(viii)(F) hereof, to notify the Electing Holders, the placement or sales agent, if any, therefor and the managing underwriters, if any, thereof, the Issuers or the Guarantor shall prepare and furnish to each of the Electing Holders, to each placement or sales agent, if any, and to each such underwriter, if any, a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of Registrable Securities, such prospectus conforms in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act, and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing. Each Electing Holder agrees that upon receipt of any notice from the Issuers or the Guarantor pursuant to Section 3(e)(viii)(F) hereof, such Electing Holder shall forthwith discontinue the disposition of Registrable Securities pursuant to the Shelf Registration Statement applicable to such Registrable Securities until such Electing Holder shall have received copies of such amended or supplemented prospectus, and if so directed by the Issuers or the Guarantor, such Electing Holder shall deliver to the Issuers or the Guarantor (at the Issuers' or the Guarantor's expense) all copies, other than permanent file copies, then in such Electing Holder's possession of the prospectus covering such Registrable Securities at the time of receipt of such notice.

to the Issuers any additional information required to correct and update any previously furnished information or required so that such prospectus shall not contain, with respect to such Electing Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

SECTION 4. Registration Expenses. The Issuers and the Guarantor agree, subject to the last sentence of this Section 4, to bear and to pay or cause to be paid promptly all expenses incident to the Issuers' and the Guarantor's performance of or compliance with this Agreement, including, without limitation, (a) all Commission and any FINRA registration, filing and review fees and expenses including, without limitation, fees and disbursements of counsel for the placement or sales agent or underwriters in connection with such registration, filing and review, (b) all fees and expenses in connection with the qualification of the Notes for offering and sale under the securities laws and blue sky laws referred to in Section 3(e)(xii) hereof and determination of their eligibility for investment under the laws of such jurisdictions as any managing underwriters or the Electing Holders may designate, including, without limitation, any fees and disbursements of counsel for the Electing Holders or underwriters in connection with such qualification and determination, (c) all expenses relating to the preparation, printing, production, distribution and reproduction of each registration statement required to be filed hereunder, each prospectus included therein or prepared for distribution pursuant hereto, each amendment or supplement to the foregoing, the expenses of preparing the Notes for delivery and the expenses of printing or producing any underwriting agreements, agreements among underwriters, selling agreements and blue sky or legal investment memoranda and all other documents in connection with the offering, sale or delivery of Notes to be disposed of (including, without limitation, certificates representing the Notes), (d) messenger, telephone and delivery expenses relating to the offering, sale or delivery of Notes and the preparation of documents referred in clause (c) above, (e) fees and expenses of the Trustee under the Indenture, any agent of the Trustee and any reasonable fees and expenses for counsel for the Trustee and of any collateral agent or custodian, (f) internal expenses (including, without limitation, all salaries and expenses of the Issuers' and the Guarantor's officers and employees performing legal or accounting duties), (g) fees, disbursements and expenses of counsel and independent certified public accountants of the Issuers and the Guarantor (including, without limitation, the expenses of any opinions or "cold comfort" letters required by or incident to such performance and compliance), (h) reasonable fees, disbursements and expenses of one counsel for the Electing Holders retained in connection with a Shelf Registration, as selected by the Electing Holders of at least a majority in aggregate principal amount of the Registrable Securities held by Electing Holders (which counsel shall be reasonably satisfactory to the Issuers and the Guarantor), (i) any fees charged by securities rating services engaged by the Issuers for rating the Notes, and (j) reasonable fees, expenses and disbursements of any other persons, including, without limitation, special experts, retained by the Issuers and the Guarantor in connection with such registration (collectively, the "Registration Expenses"). To the extent that any Registration Expenses are incurred, assumed or paid by any holder of Registrable Securities or any placement or sales agent therefor or underwriter thereof, the Issuers and the Guarantor shall reimburse such person for the full amount of the Registration Expenses so incurred, assumed or paid promptly after receipt of a request therefor. Notwithstanding the foregoing, the holders of the Registrable Securities being registered shall pay all

agency fees and commissions and underwriting discounts and commissions attributable to the sale of such Registrable Securities and the fees and disbursements of any counsel or other advisors or experts retained by such holders (severally or jointly), other than the counsel and experts specifically referred to above.

SECTION 5. Representations, Warranties and Covenants. Except with respect to clauses (a) and (b) below, the Issuers and the Guarantor represent and warrant to, and agree with, each Purchaser and each of the holders from time to time of Registrable Securities the information set forth in this Section 5.

With respect to clauses (a) and (b) below, the Issuers and the Guarantor covenant that:

(a) Each registration statement covering Registrable Securities and each prospectus (including, without limitation, any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(e) or Section 3(c) hereof and any further amendments or supplements to any such registration statement or prospectus, when it becomes effective or is filed with the Commission, as the case may be, and, in the case of an underwritten offering of Registrable Securities, at the time of the closing under the underwriting agreement relating thereto, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and at all times subsequent to the Effective Time when a prospectus would be required to be delivered under the Securities Act, other than from (i) such time as a notice has been given to holders of Registrable Securities pursuant to Section 3(e)(viii)(F) or Section 3(c)(iii)(F) hereof until (ii) such time as the Issuers and the Guarantor furnish an amended or supplemented prospectus pursuant to Section 3(f) or Section 3(c)(iii) hereof, each such registration statement, and each prospectus (including, without limitation, any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(e) or Section 3(c) hereof, as then amended or supplemented, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; provided, however, that this covenant shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Issuers and the Guarantor by a holder of Registrable Securities expressly for use therein.

(b) Any documents incorporated by reference in any prospectus referred to in Section 5(a) hereof, when they become or became effective or are or were filed with the Commission, as the case may be, will conform or conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and none of such documents will contain or contained an untrue statement of a material fact or will omit or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this covenant shall not apply to any statements or omissions made in reliance upon and in conformity with infor-

mation furnished in writing to the Issuers and the Guarantor by a holder of Registrable Securities expressly for use therein.

(c) This Agreement has been duly authorized, executed and delivered by the Issuers and the Guarantor.

SECTION 6. Indemnification.

(a) The Issuers and the Guarantor, jointly and severally, agree to indemnify and hold harmless each holder of Registrable Securities or Exchange Notes, as the case may be, covered by any Exchange Offer Registration Statement or Shelf Registration Statement (including each Purchaser and, with respect to any prospectus delivery as contemplated in Section 3(c)(ii) or (iii) hereof, each holder (which may include any Purchaser) that is a broker-dealer and elects to exchange for Exchange Notes any Registrable Securities that it acquired for its own account as a result of market-making activities or other trading activities (but not directly from the Issuers, the Guarantor or any affiliate of the Issuers) for Exchange Notes) (each an "Exchanging Dealer"), the affiliates, directors, officers, employees and agents of each such holder and each person who controls any such holder within the meaning of either the Securities Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Exchange Offer Registration Statement or Shelf Registration Statement as originally filed or in any amendment thereof, or in any preliminary prospectus or the prospectus included in any registration statement, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Issuers and the Guarantor will not be liable in any case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Issuers and the Guarantor by or on behalf of any such holder specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Issuers and the Guarantor may otherwise have.

The Issuers and the Guarantor, jointly and severally, also agree to indemnify or contribute as provided in Section 6(d) to Losses of any underwriter of Registrable Securities or Exchange Notes, as the case may be, registered under a Shelf Registration Statement, their directors, officers, employees or agents and each person who controls such underwriter within the meaning of either the Securities Act or the Exchange Act, on substantially the same basis as that of the indemnification of the Purchasers and the selling Holders provided in this Section 6(a) and shall, if requested by any holder, enter into an underwriting agreement reflecting such agreement, as provided in Section 3(e) (xvi) hereof.

(b) Each holder of Registrable Securities or Exchange Notes covered by an Exchange Offer Registration Statement or Shelf Registration Statement (including each Purchaser and, with respect to any prospectus delivery as contemplated in Section 3(c)(ii) or Section 3(f)(iv) hereof, each Exchanging Dealer) severally agrees to indemnify and hold harmless the Issuers, the Guarantor and each of their affiliates, directors, employees, members, managers and agents and each Person who controls the Issuers and the Guarantor within the meaning of either the Securities Act or the Exchange Act, to the same extent as the foregoing indemnity from the Issuers and the Guarantor to each such holder, but only with reference to written information relating to such holder furnished to the Issuers and the Guarantor by or on behalf of such holder specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any such holder may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 6 or notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 6, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, except as provided in the next sentence, after notice from the indemnifying party to such indemnified party of its election to so assume the defense thereof, the indemnifying party shall not be liable to such indemnified party for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. Notwithstanding the indemnifying party's rights in the prior sentence, the indemnified party shall have the right to employ its own counsel (and one local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. No indemnifying party shall, in connection with any one action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general circumstances or allegations, be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all indemnified parties. An indemnifying party shall not be liable under this Section 6 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit

or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to by such indemnifying party, which consent shall not be unreasonably withheld.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 6 is unavailable to or insufficient to hold harmless an indemnified party for any reason, then each applicable indemnifying party agrees to contribute to the aggregate losses, claims, damages and liabilities (including, without limitation, legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "Losses") to which such indemnifying party may be subject in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party on the one hand and by the indemnified party on the other from the offering of the Notes. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the indemnifying party on the one hand and the indemnified party on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. Benefits received by the Issuers shall be deemed to be equal to the sum of (x) the total net proceeds from the initial placement of the Notes (before deducting expenses) reflected in the Purchase Agreement and (y) the total amount of Special Interest which the Issuers were not required to pay as a result of registering the securities covered by the Exchange Offer Registration Statement or Shelf Registration Statement which resulted in such Losses. Benefits received by the Purchasers shall be deemed to be equal to the total purchase discounts and commissions as reflected in the Purchase Agreement, and benefits received by any other holders shall be deemed to be equal to the proceeds received from the sale of the Registrable Securities or Exchange Notes, as applicable. Benefits received by any underwriter shall be deemed to be equal to the total underwriting discounts and commissions, as set forth in the prospectus forming a part of the Exchange Offer Registration Statement or Shelf Registration Statement which resulted in such Losses. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party on the one hand or the indemnified party on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the holders or any agents or underwriters or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no holder shall be required to contribute any amount in excess of the amount by which the dollar amount of the proceeds received by such holder from the sale of Registrable Securities (after deducting any fees, discounts and commissions applic-

able thereto) exceeds the amount of any damages which such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission, and no underwriter shall be required to contribute any amount in excess of the amount by which the total price of the Registrable Securities underwritten by it and distributed to the public exceeds the amount of any damages which such underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The holders' and any underwriters' obligations in this subsection (d) to contribute are several in proportion to the principal amount of Registrable Securities registered or underwritten, as the case may be, by them, and not joint. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 6, each person who controls any holder, agent or underwriter within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of a holder, agent or underwriter shall have the same rights to contribution as such holder, agent or underwriter, and each person who controls the Issuers or the Guarantor within the meaning of either the Securities Act or the Exchange Act and each officer and director of the Issuers or the Guarantor shall have the same rights to contribution as the Issuers or the Guarantor, subject in each case to the applicable terms and conditions of this paragraph (d).

(e) The provisions of this Section will remain in full force and effect, regardless of any investigation made by or on behalf of any holder or the Issuers or the Guarantor or any of the officers, directors or controlling persons referred to in this Section hereof, and will survive the sale by a holder of securities covered by an Exchange Offer Registration Statement or Shelf Registration Statement.

SECTION 7. Underwritten Offerings.

(a) Selection of Underwriters. If any of the Registrable Securities covered by the Shelf Registration are to be sold pursuant to an underwritten offering, the managing underwriter or underwriters thereof shall be designated by Electing Holders holding at least a majority in aggregate principal amount of the Registrable Securities to be included in such offering, provided that such designated managing underwriter or underwriters is or are reasonably acceptable to the Issuers and the Guarantor.

(b) Participation by Holders. Each holder of Registrable Securities hereby agrees with each other such holder that no such holder may participate in any underwritten offering hereunder unless such holder (i) agrees to sell such holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

(c) Minimum Requirements. The Guarantor and the Issuers shall not have any obligations with respect to any underwriters or underwritten offering except a single underwritten offering of \$400 million or more of Registrable Securities.

SECTION 8. Rule 144. Each of the Issuers and the Guarantor covenants to the holders of Registrable Securities that to the extent it shall be required to do so under the Exchange Act, it shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including, without limitation, the reports under Section 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144), and shall take such further action as any holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144, or any similar or successor rule or regulation hereafter adopted by the Commission. Upon the request of any holder of Registrable Securities in connection with that holder's sale pursuant to Rule 144, the Issuers and the Guarantor shall deliver to such holder a written statement as to whether it has complied with such requirements.

SECTION 9. Miscellaneous.

(a) No Inconsistent Agreements. The Issuers and the Guarantor represent, warrant, covenant and agree that they have not granted, and shall not grant, registration rights with respect to Registrable Securities or any other Notes which would be inconsistent with the terms contained in this Agreement.

(b) Specific Performance. Except with respect to a Registration Default, the parties hereto acknowledge that there would be no adequate remedy at law if the Issuers or the Guarantor fail to perform any of their obligations hereunder and that the Purchasers and the holders from time to time of the Registrable Securities may be irreparably harmed by any such failure, and accordingly agree that the Purchasers and such holders, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to compel specific performance of the obligations of the Issuers or the Guarantor under this Agreement in accordance with the terms and conditions of this Agreement, in any court of the United States or any State thereof having jurisdiction.

(c) Notices. All notices, requests, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been duly given (i) when delivered by hand, if delivered personally or by courier, (ii) when sent by facsimile (with written confirmation of receipt), provided that a copy is mailed by registered or certified mail, return receipt requested or (iii) three days after being deposited in the mail (registered or certified mail, postage prepaid, return receipt requested) as follows: If to the Issuers, c/o CCO Holdings, LLC, 12405 Powerscourt Drive, St. Louis, Missouri, 63131, Attention: Secretary, and if to a holder, to the address of such holder set forth in the security register or other records of the Issuers, or to such other address as the Issuers or any such holder may have furnished to the other in writing in accordance herewith, with a copy in like manner c/o Credit Suisse Securities (USA) LLC, Attn: LCD-IBD, 11 Madison Avenue, New York, New York 10010. Notices of change of address shall be effective only upon receipt.

(d) Parties in Interest. All the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto and the holders from time to time of the Registrable Securities and the respective successors and assigns

of the parties hereto and such holders. In the event that any person shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be deemed a beneficiary hereof for all purposes and such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such transferee shall be entitled to receive the benefits, and be conclusively deemed to have agreed to be bound by all the applicable terms and provisions, of this Agreement. If the Issuers or the Guarantor shall so request, any such successor, assign or transferee shall agree in writing to acquire and hold the Registrable Securities subject to all the applicable terms hereof.

(e) Survival. The respective indemnities, agreements, representations, warranties and each other provision set forth in this Agreement or made pursuant hereto shall remain in full force and effect regardless of any investigation (or statement as to the results thereof) made by or on behalf of any holder of Registrable Securities, any director, officer or partner of such holder, any agent or underwriter or any director, officer or partner thereof, or any controlling person of any of the foregoing, and shall survive delivery of and payment for the Registrable Securities pursuant to the Purchase Agreement and the transfer and registration of Registrable Securities by such holder and the consummation of an Exchange Offer.

(f) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(g) Headings. The descriptive headings of the several Sections and paragraphs of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

(h) Entire Agreement; Amendments. This Agreement and the other writings referred to herein (including, without limitation, the Indenture and the form of Notes) or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to its subject matter. This Agreement supersedes all prior agreements and understandings between the parties with respect to its subject matter. This Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a written instrument duly executed by the Issuers, the Guarantor and the holders of at least a majority in aggregate principal amount of the Registrable Securities at the time outstanding. Each holder of any Registrable Securities at the time or thereafter outstanding shall be bound by any amendment or waiver effected pursuant to this Section 9(h), whether or not any notice, writing or marking indicating such amendment or waiver appears on such Registrable Securities or is delivered to such holder.

(i) Inspection. For so long as this Agreement shall be in effect, this Agreement and a complete list of the names and addresses of all the holders of Registrable Securities shall be made available for inspection and copying, upon reasonable prior notice, on any business day during normal business hours by any holder of Registrable Securities for proper purposes only (which shall include any purpose related to the rights of the holders of Registrable Securities).

ities under the Notes, the Indenture and this Agreement) at the offices of the Issuers at the address thereof set forth in Section 9(c) above and at the office of the Trustee under the Indenture.

(j) Counterparts. This agreement may be executed by the parties in counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

(k) Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by law.

(l) Securities Held by the Issuers, etc. Whenever the consent or approval of holders of a specified percentage of principal amount of Registrable Securities or Exchange Notes is required hereunder, Registrable Securities or Exchange Notes, as applicable, held by the Issuers or their affiliates (other than subsequent holders of Registrable Securities or Exchange Notes if such subsequent holders are deemed to be affiliates solely by reason of their holdings of such Registrable Securities or Exchange Notes) shall not be counted in determining whether such consent or approval was given by the holders of such required percentage.

SECTION 2. Registration Under the Securities Act.

(a) Except as set forth in Section 2(b) below, the Issuers and the Guarantor agree to file under the Securities Act, as soon as practicable a registration statement relating to an offer to exchange (such registration statement, the “Exchange Offer Registration Statement”, and such offer, the “Exchange Offer”) any and all of the Notes for a like aggregate principal amount of notes issued by the Issuers, which notes are substantially identical in all material respects to the Notes (and are entitled to the benefits of the Indenture which shall be qualified under the Trust Indenture Act), except that they have been registered pursuant to an effective registration statement under the Securities Act and do not contain provisions for the additional interest contemplated in Section 2(c) below (such notes hereinafter called “Exchange Notes”). The Issuers and the Guarantor agree to use their reasonable best efforts to cause the Exchange Offer Registration Statement to become or be declared effective under the Securities Act as soon as practicable after the Closing Date. The Exchange Offer will be registered under the Securities Act on the appropriate form and will comply with the Exchange Act. The Issuers and the Guarantor further agree to use their reasonable best efforts to complete the Exchange Offer not later than 365 days following the Closing Date (or if such 365th day is not a business day, the next succeeding business day) (the “Exchange Date”) and to exchange Exchange Notes for all Registrable Securities that have been properly tendered and not withdrawn on or prior to the expiration of the Exchange Offer. The Issuers and the Guarantor shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable United States federal and state securities laws to complete the Exchange Offer; provided, however, that in no event shall such period be less than 20 business days after the date notice of the Exchange Offer is mailed to holders. The Exchange Offer will be deemed to have been completed only if the Exchange Notes received by holders, other than Restricted Holders, in the Exchange Offer in exchange for Registrable Securities are, upon receipt, transferable by each such holder without restriction under the Securities Act and the Exchange Act and without material restrictions under the blue sky or securities laws of a substantial majority of the States of the United States of America. The Exchange Offer shall be deemed to have been completed upon the earlier to occur of (i) the Issuers

having exchanged the Exchange Notes for all outstanding Registrable Securities pursuant to the Exchange Offer and (ii) the Issuers having exchanged, pursuant to the Exchange Offer, Exchange Notes for all Registrable Securities that have been properly tendered and not withdrawn before the expiration of the Exchange Offer. The Issuers and the Guarantor agree (x) to include in the Exchange Offer Registration Statement a prospectus for use in any resales by any holder of Exchange Notes that is a broker-dealer and identifies itself as such by written notice to the Issuers and (y) to keep such Exchange Offer Registration Statement effective for a period (the "Resale Period") beginning when Exchange Notes are first issued in the Exchange Offer and ending upon the earlier of the expiration of the 180th day after the Exchange Offer has been completed or such time as such broker-dealers no longer own any Registrable Securities. With respect to such Exchange Offer Registration Statement, such holders shall have the benefit of the rights of indemnification and contribution set forth in Sections 6(a), (c), (d) and (e) hereof.

(b) If (i) on or prior to the time the Exchange Offer is completed existing law or Commission policy or interpretations are changed such that the Exchange Notes received by holders, other than Restricted Holders, in the Exchange Offer in exchange for Registrable Securities are not or would not be, upon receipt, transferable by each such holder without restriction under the Securities Act, (ii) the Exchange Offer has not been completed by the Exchange Date, (iii) any Purchaser so requests with respect to Registrable Securities that are not eligible to be exchanged for Exchange Notes in the Exchange Offer and that are held by it following the consummation of the Exchange Offer, or (iv) the Exchange Offer is not available to any holder (other than a Purchaser) which notifies the Issuers in writing, then, in each case, the Issuers and the Guarantor shall, in lieu of (or, in the case of clause (iii) or (iv), in addition to) conducting the Exchange Offer contemplated by Section 2(a), file a "shelf" registration statement in accordance with the remainder of this Section 2(b) below, under the Securities Act with respect to Notes that could not be exchanged for any reason set forth in clauses (i) through (iv) above. The Issuers and the Guarantor shall, on or prior to 30 business days after the time such obligation to file arises, file a "shelf" registration statement providing for the registration of, and the sale on a continuous or delayed basis by the holders of, all the Registrable Securities, pursuant to Rule 415 or any similar rule that may be adopted by the Commission (such filing, the "Shelf Registration" and such registration statement, the "Shelf Registration Statement"). & #160;The Issuers and the Guarantor agree to use their reasonable best efforts (x) to cause the Shelf Registration Statement to become or be declared effective by the Commission on or prior to the later of 365 days (or if such 365th day is not a business day, the next succeeding business day) following the Closing Date and the 90th day (or if such 90th day is not a business day, the next succeeding business day) after the date such filing obligations arises (the "Shelf Filing Deadline") and to keep such Shelf Registration Statement continuously effective for a period ending on the earlier of (i) the second anniversary of the Effective Time or (ii) such time as there are no longer any Registrable Securities outstanding; provided, however, that no holder (other than a Purchaser) shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the prospectus forming a part thereof for resales of Registrable Securities unless such holder is an Electing Holder, and (y) after the Effective Time of the Shelf Registration Statement, promptly upon the request of any holder of Registrable Securities that is not then an Electing Holder, to take any action reasonably necessary to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities, including, without limitation, any action necessary to identify such holder as a selling securityholder in the Shelf Registration Statement, provided,

however, that nothing in this clause (y) shall relieve any such holder of the obligation to return a completed and signed Notice and Questionnaire to the Issuers in accordance with Section 3(e)(iii) hereof. The Issuers and the Guarantor further agree to supplement or make amendments to the Shelf Registration Statement, as and when required by the rules, regulations or instructions applicable to the registration form used by the Issuers and the Guarantor for such Shelf Registration Statement or by the Securities Act for shelf registration, and the Issuers and the Guarantor agree to furnish to each Electing Holder copies of any such supplement or amendment prior to its being used or promptly following its filing with the Commission.

(c) In the event that (i) the Shelf Registration Statement has not become effective or been declared effective by the Commission on or prior to the Shelf Filing Deadline, (ii) the Exchange Offer has not been completed on or prior to the Exchange Date, (iii) the Exchange Offer Registration Statement required by Section 2(a) hereof is filed and becomes or is declared effective but thereafter shall either be withdrawn by the Issuers and the Guarantor or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein) without being succeeded immediately by an additional registration statement filed and declared effective, in each case prior to the completion of the Exchange Offer and (iv) the Shelf Registration Statement required by Section 2(b) hereof is filed and becomes or is declared effective but shall thereafter either be withdrawn by the Issuers and the Guarantor or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein) without being succeeded immediately by an additional registration statement filed and declared effective (each such event referred to in clauses (i) through (iv), a "Registration Default" and each period during which a Registration Default has occurred and is continuing, a "Registration Default Period"), then, as liquidated damages for such Registration Default, subject to the provisions of Section 9(b), special interest ("Special Interest"), in addition to the Base Interest, shall accrue on the aggregate principal amount of the outstanding Transfer Restricted Notes (as defined below) affected by such Registration Default at a per annum rate of 0.25% for the first 90 days of the Registration Default Period and at a per annum rate of 0.50% thereafter for the remaining portion of the Registration Default Period, commencing on (A) the 90th day after the filing of such Shelf Registration Statement was required, in the case of clause (i) above (but in no event prior to the 365th day after the original issue date of the Notes), (B) the 365th day after the original issue date of the Notes, in the case of clause (ii) above, (C) the day such Exchange Offer Registration Statement ceases to be effective, in the case of clause (iii) above and (D) the day such Shelf Registration Statement ceases to be effective, in the case of clause (iv) above. Following the cure of all Registration Defaults relating to particular Transfer Restricted Notes (which shall be the Effective Time of the Shelf Registration Statement in the case of clause (i) above, the date of the completion of the Exchange Offer, in the case of clause (ii) above, the date that the Exchange Offer Registration Statement again becomes effective, in the case of clause (iii) above, and the date that the Shelf Registration Statement again becomes effective, in the case of clause (iv) above), the interest rate borne by the relevant Transfer Restricted Notes will be reduced to the original interest rate borne by such Transfer Restricted Notes; *provided, however*, that, if after any such reduction in interest rate, a different Registration Default occurs, the interest rate borne by the relevant Transfer Restricted Notes shall again be increased pursuant to the foregoing provisions. All accrued Special Interest shall be paid in cash by the Issuers and the Guarantor on

each Interest Payment Date (as defined in the Indenture). For purposes of this Agreement, "Transfer Restricted Notes" shall mean, with respect to any Registration Default, any Notes or Exchange Notes which have not ceased being Registrable Securities pursuant to the definition thereof in Section 1 of this Agreement. Notwithstanding anything contained herein, Special Interest shall be the sole and exclusive remedy with respect to a Registration Default.

(d) If any Purchaser determines that it is not eligible to participate in the Exchange Offer with respect to the exchange of Registrable Securities constituting any portion of an unsold allotment, at the request of such Purchaser, then, subject to any prohibitions or restrictions imposed by any applicable law or regulations, the Issuers and the Guarantor shall use their commercially reasonable efforts to issue and deliver to such Purchaser, in exchange for such Registrable Securities, a like principal amount of Exchange Notes. Such issuance shall not be deemed to be part of the Exchange Offer. The Issuers and the Guarantor shall use their commercially reasonable efforts to cause the CUSIP Service Bureau to issue the same CUSIP number for Exchange Notes described in this Section 2(d) as for Exchange Notes issued pursuant to the Exchange Offer. Any such Exchange Notes shall, at the time of issuance, and subject to the limitations set forth in Section 1 hereof, constitute Registrable Securities for purposes of this Agreement (other than Section 2(a) hereof).

(e) The Issuers and the Guarantor shall use their reasonable best efforts to take all actions necessary or advisable to be taken by them to ensure that the transactions contemplated herein are effected as so contemplated in Section 2(a) or 2(b) hereof.

(f) Any reference herein to a registration statement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time and any reference herein to any post-effective amendment to a registration statement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time.

SECTION 3. Registration Procedures. If the Issuers and the Guarantor file a registration statement pursuant to Section 2(a) or Section 2(b), the following provisions shall apply:

(a) At or before the Effective Time of the Exchange Offer or the Shelf Registration, as the case may be, the Issuers and the Guarantor shall cause the Indenture to be qualified under the Trust Indenture Act of 1939.

(b) In the event that such qualification would require the appointment of a new trustee under the Indenture, the Issuers and the Guarantor shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(c) In connection with the Issuers' and the Guarantor's obligations with respect to the registration of Exchange Notes as contemplated by Section 2(a) (the "Exchange Offer Registration"), if applicable, the Issuers and the Guarantor shall, as soon as practicable (or as otherwise specified):

(ii) as soon as practicable prepare and file with the Commission such amendments and supplements to such Exchange Offer Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Exchange Offer Registration Statement for the periods and purposes contemplated in Section 2(a) hereof and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Exchange Offer Registration Statement, and promptly provide each broker-dealer holding Exchange Notes with such number of copies of the prospectus included therein (as then amended or supplemented), in conformity in all material respects with the requirements of the Securities Act and the Trust Indenture Act, as such broker-dealer reasonably may request prior to the expiration of the Resale Period, for use in connection with resales of Exchange Notes;

(iii) prepare and furnish to each such holder a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of such Exchange Notes during the Resale Period, such prospectus conforms in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(iv) use their reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of such Exchange Offer Registration Statement or any post-effective amendment thereto as soon as practicable;

(v) use their reasonable best efforts to (A) register or qualify the Exchange Notes under the securities laws or blue sky laws of such jurisdictions as are contemplated by Section 2(a) no later than the commencement of the Exchange Offer, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions until the expiration of the Resale Period and (C) take any and all other actions as may be reasonably necessary or advisable to enable each broker-dealer holding Exchange Notes to consummate the disposition thereof in such jurisdictions; provided, however, that neither of the Issuers or the Guarantor shall be required for any such purpose to (1) qualify as a foreign corporation or limited liability company, as the case may be, in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(c)(v), (2) consent to general service of process in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws (or other organiza-

tional document) or any agreement between it and holders of its ownership interests;

- (vii) provide a CUSIP number for all Exchange Notes, not later than the applicable Effective Time;

(ii) not less than 30 calendar days prior to the Effective Time of the Shelf Registration Statement, mail the Notice and Questionnaire to the holders of Registrable Securities; no holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement as of the Effective Time, and no holder shall be entitled to use the prospectus forming a part thereof for resales of Registrable Securities at any time, unless such holder has returned a completed and signed Notice and Questionnaire to the Issuers by the deadline for response set forth therein; provided, however, holders of Registrable Securities shall have at least 28 calendar days from the date on which the Notice and Questionnaire is first mailed to such holders to return a completed and signed Notice and Questionnaire to the Issuers;

(iii) after the Effective Time of the Shelf Registration Statement, upon the request of any holder of Registrable Securities that is not then an Electing Holder, promptly send a Notice and Questionnaire to such holder; provided that the Issuers shall not be required to take any action to name such holder as a selling securityholder in the Shelf Registration Statement or to enable such holder to

use the prospectus forming a part thereof for resales of Registrable Securities until such holder has returned a completed and signed Notice and Questionnaire to the Issuers;

(iv) as soon as practicable prepare and file with the Commission such amendments and supplements to such Shelf Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Shelf Registration Statement for the period specified in Section 2(b) and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Shelf Registration Statement, and furnish to the Electing Holders copies of any such supplement or amendment simultaneously with or prior to its being used or filed with the Commission;

(v) comply with the provisions of the Securities Act with respect to the disposition of all the Registrable Securities covered by such Shelf Registration Statement in accordance with the intended methods of disposition by the Electing Holders provided for in such Shelf Registration Statement;

(vi) provide (A) the Electing Holders, (B) the underwriters (which term, for purposes of this Agreement, shall include a person deemed to be an underwriter within the meaning of Section 2(a)(11) of the Securities Act), if any, thereof, (C) any sales or placement agent therefor, (D) counsel for any such underwriter or agent, (E) not more than one counsel for all the Electing Holders and (F) the Representatives, in advance of filing thereof with the Commission, a draft of such Shelf Registration Statement, each prospectus included therein or filed with the Commission and each amendment or supplement thereto (including any documents incorporated by reference therein after the initial filing), in each case in substantially the form to be filed with the Commission, and shall use their commercially reasonable efforts to reflect in each such document, when so filed with the Commission, such comments as are reasonably proposed;

(vii) for a reasonable period prior to the filing of such Shelf Registration Statement, and throughout the period specified in Section 2(b), make available at reasonable times at the Issuers' or the Guarantor's principal place of business, or such other reasonable place for inspection by the persons referred to in Section 3(e)(vi) who shall certify to the Issuers or the Guarantor that they have a current intention to sell the Registrable Securities pursuant to the Shelf Registration such financial and other relevant information and books and records of the Issuers or the Guarantor, each of their subsidiaries and, as relevant, Parent Companies, and cause each of their officers, employees, counsel and independent certified public accountants to supply all relevant information and to respond to such inquiries, as shall be reasonably necessary, in the judgment of the respective counsel referred to in such Section, to conduct a reasonable investigation within the meaning of Section 11 of the Securities Act; provided, however, that each such party shall be required to maintain in confidence and not to disclose to any other person any information or records reasonably designated by the Issuers or the Guarantor as be-

ing confidential, until such time as (A) such information becomes a matter of public record (whether by virtue of its inclusion in such registration statement or otherwise, except as a result of a breach of this or any other obligation of confidentiality to the Issuers), or (B) such person shall be required so to disclose such information pursuant to a subpoena or order of any court or other governmental agency or body having jurisdiction over the matter (subject to the requirements of such order, and only after such person shall have given the Issuers prompt prior written notice of such requirement), or (C) such information is required to be set forth in such Shelf Registration Statement or the prospectus included therein or in an amendment to such Shelf Registration Statement or an amendment or supplement to such prospectus in order that such Shelf Registration Statement, prospectus, amendment or supplement, as the case may be, complies with applicable requirements of the federal securities laws and the rules and regulations of the Commission and does not contain an untrue statement of a material fact or omit to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, provided further, however, that notwithstanding anything to the contrary in this clause (vii), any such person (and each employee, representative, or other agent of such person) may disclose to any and all persons, without limitation, the U.S. tax treatment and any facts that may be relevant to the tax structure of the matters covered by and relating to this Agreement (including opinions or other tax analysis that are provided to such party relating to such tax treatment and tax structure); provided, however, that no person (and no employee, representative, or other agent of any person) shall disclose any other information that is not relevant to understanding the tax treatment and tax structure of the matters covered by and relating to this Agreement (including the identity of any party and any information that could lead another to determine the identity of any party), or any other information to the extent that such non-disclosure is reasonably necessary in order to comply with applicable securities law;

(viii) promptly notify each of the Purchasers, the Electing Holders, any sales or placement agent therefor and any underwriter thereof (which notification may be made through any managing underwriter that is a representative of such underwriter for such purpose) and confirm such advice in writing, (A) when such Shelf Registration Statement or the prospectus included therein or any prospectus amendment or supplement or post-effective amendment has been filed, and, with respect to such Shelf Registration Statement or any post-effective amendment, when the same has become effective, (B) of any comments by the Commission and by the blue sky or securities commissioner or regulator of any state with respect thereto, or any request by the Commission for amendments or supplements to such Shelf Registration Statement or prospectus or for additional information, (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Shelf Registration Statement or the initiation or, to the knowledge of the Issuers and the Guarantor, threatening of any proceedings for that purpose, (D) if at any time the representations and warranties of the Issuers and the Guarantor contemplated by Section 3(e)(xvii) or Section 5 hereof cease to be

true and correct in all material respects, (E) of the receipt by the Issuers of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or, to the knowledge of the Issuers, threatening of any proceeding for such purpose, or (F) if at any time when a prospectus is required to be delivered under the Securities Act, that such Shelf Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act, or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(ix) use their reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of such Shelf Registration Statement or any post-effective amendment thereto as soon as practicable;

(x) if requested by any managing underwriter or underwriters, any placement or sales agent or any Electing Holder, promptly incorporate in a prospectus supplement or post-effective amendment such information as is required by the applicable rules and regulations of the Commission, and as such managing underwriter or underwriters, such agent or such Electing Holder specifies should be included therein relating to the terms of the sale of such Registrable Securities, including, without limitation, information (i) with respect to the principal amount of Registrable Securities being sold by such Electing Holder or agent or to any underwriters, the name and description of such Electing Holder, agent or underwriter, the offering price of such Registrable Securities, and any discount, commission or other compensation payable in respect thereof and the purchase price being paid therefor by such underwriters and (ii) with respect to any other material terms of the offering of the Registrable Securities to be sold by such Electing Holder or agent or to such underwriters; and make all required filings of such prospectus supplement or post-effective amendment upon notification of the matters to be incorporated in such prospectus supplement or post-effective amendment;

(xi) furnish to each Electing Holder, each placement or sales agent, if any, therefor, each underwriter, if any, thereof and the respective counsel referred to in Section 3(e)(vi) hereof an executed copy (or, in the case of an Electing Holder, a conformed copy) of such Shelf Registration Statement, each such amendment and supplement thereto (in each case including all exhibits thereto (in the case of an Electing Holder of Registrable Securities, upon request) and documents incorporated by reference therein) and such number of copies of such Shelf Registration Statement (excluding exhibits thereto and documents incorporated by reference therein unless specifically so requested by such Electing Holder, agent or underwriter, as the case may be) and of the prospectus included in such Shelf Registration Statement (including, without limitation, each preliminary prospectus and any summary prospectus), in conformity in all material respects with the ap-

plicable requirements of the Securities Act and the Trust Indenture Act, and such other documents, as such Electing Holder, agent, if any, and underwriter, if any, may reasonably request in order to facilitate the offering and disposition of the Registrable Securities owned by such Electing Holder, offered or sold by such agent or underwritten by such underwriter and to permit such Electing Holder, agent and underwriter to satisfy the prospectus delivery requirements of the Securities Act; and the Issuers and the Guarantors hereby consent to the use of such prospectus (including, without limitation, such preliminary and summary prospectus) and any amendment or supplement thereto by each such Electing Holder and by any such agent and underwriter, in each case in the form most recently provided to such person by the Issuers and the Guarantors, in connection with the offering and sale of the Registrable Securities covered by the prospectus (including, without limitation, such preliminary and summary prospectus) or any supplement or amendment thereto;

(xii) use their reasonable best efforts to (A) register or qualify the Registrable Securities to be included in such Shelf Registration Statement under such securities laws or blue sky laws of such jurisdictions as any Electing Holder and each placement or sales agent, if any, therefor and underwriter, if any, thereof shall reasonably request, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions during the period the Shelf Registration is required to remain effective under Section 2(b) above and for so long as may be necessary to enable any such Electing Holder, agent or underwriter to complete its distribution of Notes pursuant to such Shelf Registration Statement and (C) take any and all other actions as may be reasonably necessary or advisable to enable each such Electing Holder, agent, if any, and underwriter, if any, to consummate the disposition in such jurisdictions of such Registrable Securities; provided, however, that none of the Issuers or the Guarantor shall be required for any such purpose to (1) qualify as a foreign corporation or limited liability company, as the case may be, in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(d)(xii), (2) consent to general service of process in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws (or other organizational document) or any agreement between it and holders of its ownership interests;

(xiii) use their reasonable best efforts to obtain the consent or approval of each governmental agency or authority, whether federal, state or local, which may be required to effect the Shelf Registration or the offering or sale in connection therewith or to enable the selling holder or holders to offer, or to consummate the disposition of, their Registrable Securities;

(xiv) unless any Registrable Securities shall be in book-entry only form, cooperate with the Electing Holders and the managing underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold, which certificates, if so required by any securities exchange

upon which any Registrable Securities are listed, shall be panned, lithographed or engraved, or produced by any combination of such methods, on steel engraved borders, and which certificates shall not bear any restrictive legends; and, in the case of an underwritten offering, enable such Registrable Securities to be in such denominations and registered in such names as the managing underwriters may request at least two business days prior to any sale of the Registrable Securities;

(xv) provide a CUSIP number for all Registrable Securities, not later than the applicable Effective Time;

(xvi) enter into one or more underwriting agreements, engagement letters, agency agreements, "best efforts" underwriting agreements or similar agreements, as appropriate, including customary provisions relating to indemnification and contribution (but no less favorable than those set forth in Section 6 with respect to all parties indemnified under Section 6), unless such provisions are acceptable to Electing Holders of at least 50% in aggregate principal amount and any managing underwriters, and take such other actions in connection therewith as any Electing Holders of at least 20% in aggregate principal amount of the Registrable Securities at the time outstanding shall request in order to expedite or facilitate the disposition of such Registrable Securities;

(xvii) whether or not an agreement of the type referred to in Section 3(e)(xvi) hereof is entered into, and whether or not any portion of the offering contemplated by the Shelf Registration is an underwritten offering or is made through a placement or sales agent or any other entity, (A) make such representations and warranties to the Electing Holders and the placement or sales agent, if any, therefor and the underwriters, if any, thereof in form, substance and scope as are customarily made in connection with an offering of debt securities pursuant to any appropriate agreement or to a registration statement filed on the form applicable to the Shelf Registration; (B) obtain an opinion of counsel to the Issuers and the Guarantor in customary form, subject to customary limitations, assumptions and exclusions, and covering such matters, of the type customarily covered by such an opinion, as the managing underwriters, if any, or as any Electing Holders of at least 20% in aggregate principal amount of the Registrable Securities at the time outstanding may reasonably request, addressed to such Electing Holder or Electing Holders and the placement or sales agent, if any, therefor and the underwriters, if any, thereof and dated the date of the Effective Time of such Shelf Registration Statement (and if such Shelf Registration Statement contemplates an underwritten offering of a part or all of the Registrable Securities, dated the date of the closing under the underwriting agreement relating thereto) (it being agreed that the matters to be covered by such opinion shall include the matters set forth in paragraphs (b), (c) and (d) of Section 7 of the Purchase Agreement to the extent applicable to an offering of this type); (C) obtain a "cold comfort" letter or letters from the independent certified public accountants of the Issuers and the Guarantor addressed to the selling Electing Holders, the placement or sales agent, if any, therefor or the underwriters, if any, thereof, dated (i) the effective date of such Shelf

Registration Statement and (ii) the effective date of any prospectus supplement to the prospectus included in such Shelf Registration Statement or post-effective amendment to such Shelf Registration Statement which includes unaudited or audited financial statements as of a date or for a period subsequent to that of the latest such statements included in such prospectus (and, if such Shelf Registration Statement contemplates an underwritten offering pursuant to any prospectus supplement to the prospectus included in such Shelf Registration Statement or post-effective amendment to such Shelf Registration Statement which includes unaudited or audited financial statements as of a date or for a period subsequent to that of the latest such statements included in such prospectus, dated the date of the closing under the underwriting agreement relating thereto), such letter or letters to be in customary form and covering such matters of the type customarily covered by letters of such type; (D) deliver such documents and certificates, including, without limitation, officers' certificates, as may be reasonably requested by any Electing Holders of at least 20% in aggregate principal amount of the Registrable Securities at the time outstanding or the placement or sales agent, if any, therefor and the managing underwriters, if any, thereof to evidence the accuracy of the representations and warranties made pursuant to clause (A) above or those contained in Section 5(a) hereof and the compliance with or satisfaction of any agreements or conditions contained in the underwriting agreement or other similar agreement entered into by the Issuers and the Guarantor pursuant to Section 3(e)(xvi); and (E) undertake such obligations relating to expense reimbursement, indemnification and contribution as are provided in Section 6 hereof;

(xviii) notify in writing each holder of Registrable Securities of any proposal by the Issuers and the Guarantor to amend or waive any provision of this Agreement pursuant to Section 9(h) hereof and of any amendment or waiver effected pursuant thereto, each of which notices shall contain the substance of the amendment or waiver proposed or effected, as the case may be;

(xix) in the event that any broker-dealer registered under the Exchange Act shall underwrite any Registrable Securities or participate as a member of an underwriting syndicate or selling group or "assist in the distribution" (within the meaning of the Conduct Rules (the "Conduct Rules") of the Financial Industry Regulatory Authority, Inc. ("FINRA") or any successor thereto, as amended from time to time) thereof, whether as a holder of such Registrable Securities or as an underwriter, a placement or sales agent or a broker or dealer in respect thereof, or otherwise, assist such broker-dealer in complying with the requirements of such Conduct Rules, including, without limitation, by (A) if such Conduct Rules shall so require, engaging a "qualified independent underwriter" (as defined in such Conduct Rules) to participate in the preparation of the Shelf Registration Statement relating to such Registrable Securities, to exercise usual standards of due diligence in respect thereto and, if any portion of the offering contemplated by such Shelf Registration Statement is an underwritten offering or is made through a placement or sales agent, to recommend the yield of such Registrable Securities, (B) indemnifying any such qualified independent underwriter to the extent of the

indemnification of underwriters provided in Section 6 hereof (or to such other customary extent as may be requested by such underwriter), and (C) providing such information to such broker-dealer as may be required in order for such broker-dealer to comply with the requirements of the Conduct Rules; and

(xx) comply with all applicable rules and regulations of the Commission, and make generally available to its securityholders as soon as practicable but in any event not later than eighteen months after the effective date of such Shelf Registration Statement, an earning statement of the Company and its subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of the Company, Rule 158 thereunder).

(f) In the event that the Issuers or the Guarantor would be required, pursuant to Section 3(e)(viii)(F) hereof, to notify the Electing Holders, the placement or sales agent, if any, therefor and the managing underwriters, if any, thereof, the Issuers or the Guarantor shall prepare and furnish to each of the Electing Holders, to each placement or sales agent, if any, and to each such underwriter, if any, a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of Registrable Securities, such prospectus conforms in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act, and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing. Each Electing Holder agrees that upon receipt of any notice from the Issuers or the Guarantor pursuant to Section 3(e)(viii)(F) hereof, such Electing Holder shall forthwith discontinue the disposition of Registrable Securities pursuant to the Shelf Registration Statement applicable to such Registrable Securities until such Electing Holder shall have received copies of such amended or supplemented prospectus, and if so directed by the Issuers or the Guarantor, such Electing Holder shall deliver to the Issuers or the Guarantor (at the Issuers' or the Guarantor's expense) all copies, other than permanent file copies, then in such Electing Holder's possession of the prospectus covering such Registrable Securities at the time of receipt of such notice.

(g) In the event of a Shelf Registration, in addition to the information required to be provided by each Electing Holder in its Notice and Questionnaire, the Issuers may require such Electing Holder to furnish to the Issuers such additional information regarding such Electing Holder and such Electing Holder's intended method of distribution of Registrable Securities as may be required in order to comply with the Securities Act. Each such Electing Holder agrees to notify the Issuers as promptly as practicable of any inaccuracy or change in information previously furnished by such Electing Holder to the Issuers or of the occurrence of any event in either case as a result of which any prospectus relating to such Shelf Registration contains or would contain an untrue statement of a material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities or omits to state any material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and promptly to furnish

to the Issuers any additional information required to correct and update any previously furnished information or required so that such prospectus shall not contain, with respect to such Electing Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

SECTION 4. Registration Expenses. The Issuers and the Guarantor agree, subject to the last sentence of this Section 4, to bear and to pay or cause to be paid promptly all expenses incident to the Issuers' and the Guarantor's performance of or compliance with this Agreement, including, without limitation, (a) all Commission and any FINRA registration, filing and review fees and expenses including, without limitation, fees and disbursements of counsel for the placement or sales agent or underwriters in connection with such registration, filing and review, (b) all fees and expenses in connection with the qualification of the Notes for offering and sale under the securities laws and blue sky laws referred to in Section 3(e)(xii) hereof and determination of their eligibility for investment under the laws of such jurisdictions as any managing underwriters or the Electing Holders may designate, including, without limitation, any fees and disbursements of counsel for the Electing Holders or underwriters in connection with such qualification and determination, (c) all expenses relating to the preparation, printing, production, distribution and reproduction of each registration statement required to be filed hereunder, each prospectus included therein or prepared for distribution pursuant hereto, each amendment or supplement to the foregoing, the expenses of preparing the Notes for delivery and the expenses of printing or producing any underwriting agreements, agreements among underwriters, selling agreements and blue sky or legal investment memoranda and all other documents in connection with the offering, sale or delivery of Notes to be disposed of (including, without limitation, certificates representing the Notes), (d) messenger, telephone and delivery expenses relating to the offering, sale or delivery of Notes and the preparation of documents referred in clause (c) above, (e) fees and expenses of the Trustee under the Indenture, any agent of the Trustee and any reasonable fees and expenses for counsel for the Trustee and of any collateral agent or custodian, (f) internal expenses (including, without limitation, all salaries and expenses of the Issuers' and the Guarantor's officers and employees performing legal or accounting duties), (g) fees, disbursements and expenses of counsel and independent certified public accountants of the Issuers and the Guarantor (including, without limitation, the expenses of any opinions or "cold comfort" letters required by or incident to such performance and compliance), (h) reasonable fees, disbursements and expenses of one counsel for the Electing Holders retained in connection with a Shelf Registration, as selected by the Electing Holders of at least a majority in aggregate principal amount of the Registrable Securities held by Electing Holders (which counsel shall be reasonably satisfactory to the Issuers and the Guarantor), (i) any fees charged by securities rating services engaged by the Issuers for rating the Notes, and (j) reasonable fees, expenses and disbursements of any other persons, including, without limitation, special experts, retained by the Issuers and the Guarantor in connection with such registration (collectively, the "Registration Expenses"). To the extent that any Registration Expenses are incurred, assumed or paid by any holder of Registrable Securities or any placement or sales agent therefor or underwriter thereof, the Issuers and the Guarantor shall reimburse such person for the full amount of the Registration Expenses so incurred, assumed or paid promptly after receipt of a request therefor. Notwithstanding the foregoing, the holders of the Registrable Securities being registered shall pay all

agency fees and commissions and underwriting discounts and commissions attributable to the sale of such Registrable Securities and the fees and disbursements of any counsel or other advisors or experts retained by such holders (severally or jointly), other than the counsel and experts specifically referred to above.

SECTION 5. Representations, Warranties and Covenants. Except with respect to clauses (a) and (b) below, the Issuers and the Guarantor represent and warrant to, and agree with, each Purchaser and each of the holders from time to time of Registrable Securities the information set forth in this Section 5.

With respect to clauses (a) and (b) below, the Issuers and the Guarantor covenant that:

(a) Each registration statement covering Registrable Securities and each prospectus (including, without limitation, any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(e) or Section 3(c) hereof and any further amendments or supplements to any such registration statement or prospectus, when it becomes effective or is filed with the Commission, as the case may be, and, in the case of an underwritten offering of Registrable Securities, at the time of the closing under the underwriting agreement relating thereto, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and at all times subsequent to the Effective Time when a prospectus would be required to be delivered under the Securities Act, other than from (i) such time as a notice has been given to holders of Registrable Securities pursuant to Section 3(e)(viii)(F) or Section 3(c)(iii)(F) hereof until (ii) such time as the Issuers and the Guarantor furnish an amended or supplemented prospectus pursuant to Section 3(f) or Section 3(c)(iii) hereof, each such registration statement, and each prospectus (including, without limitation, any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(e) or Section 3(c) hereof, as then amended or supplemented, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; provided, however, that this covenant shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Issuers and the Guarantor by a holder of Registrable Securities expressly for use therein.

(b) Any documents incorporated by reference in any prospectus referred to in Section 5(a) hereof, when they become or became effective or are or were filed with the Commission, as the case may be, will conform or conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and none of such documents will contain or contained an untrue statement of a material fact or will omit or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this covenant shall not apply to any statements or omissions made in reliance upon and in conformity with infor-

mation furnished in writing to the Issuers and the Guarantor by a holder of Registrable Securities expressly for use therein.

(c) This Agreement has been duly authorized, executed and delivered by the Issuers and the Guarantor.

SECTION 6. Indemnification.

(a) The Issuers and the Guarantor, jointly and severally, agree to indemnify and hold harmless each holder of Registrable Securities or Exchange Notes, as the case may be, covered by any Exchange Offer Registration Statement or Shelf Registration Statement (including each Purchaser and, with respect to any prospectus delivery as contemplated in Section 3(c)(ii) or (iii) hereof, each holder (which may include any Purchaser) that is a broker-dealer and elects to exchange for Exchange Notes any Registrable Securities that it acquired for its own account as a result of market-making activities or other trading activities (but not directly from the Issuers, the Guarantor or any affiliate of the Issuers) for Exchange Notes) (each an "Exchanging Dealer"), the affiliates, directors, officers, employees and agents of each such holder and each person who controls any such holder within the meaning of either the Securities Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Exchange Offer Registration Statement or Shelf Registration Statement as originally filed or in any amendment thereof, or in any preliminary prospectus or the prospectus included in any registration statement, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Issuers and the Guarantor will not be liable in any case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Issuers and the Guarantor by or on behalf of any such holder specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Issuers and the Guarantor may otherwise have.

The Issuers and the Guarantor, jointly and severally, also agree to indemnify or contribute as provided in Section 6(d) to Losses of any underwriter of Registrable Securities or Exchange Notes, as the case may be, registered under a Shelf Registration Statement, their directors, officers, employees or agents and each person who controls such underwriter within the meaning of either the Securities Act or the Exchange Act, on substantially the same basis as that of the indemnification of the Purchasers and the selling Holders provided in this Section 6(a) and shall, if requested by any holder, enter into an underwriting agreement reflecting such agreement, as provided in Section 3(e) (xvi) hereof.

(b) Each holder of Registrable Securities or Exchange Notes covered by an Exchange Offer Registration Statement or Shelf Registration Statement (including each Purchaser and, with respect to any prospectus delivery as contemplated in Section 3(c)(ii) or Section 3(f)(iv) hereof, each Exchanging Dealer) severally agrees to indemnify and hold harmless the Issuers, the Guarantor and each of their affiliates, directors, employees, members, managers and agents and each Person who controls the Issuers and the Guarantor within the meaning of either the Securities Act or the Exchange Act, to the same extent as the foregoing indemnity from the Issuers and the Guarantor to each such holder, but only with reference to written information relating to such holder furnished to the Issuers and the Guarantor by or on behalf of such holder specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any such holder may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 6 or notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 6, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, except as provided in the next sentence, after notice from the indemnifying party to such indemnified party of its election to so assume the defense thereof, the indemnifying party shall not be liable to such indemnified party for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. Notwithstanding the indemnifying party's rights in the prior sentence, the indemnified party shall have the right to employ its own counsel (and one local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. No indemnifying party shall, in connection with any one action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general circumstances or allegations, be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all indemnified parties. An indemnifying party shall not be liable under this Section 6 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit

or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to by such indemnifying party, which consent shall not be unreasonably withheld.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 6 is unavailable to or insufficient to hold harmless an indemnified party for any reason, then each applicable indemnifying party agrees to contribute to the aggregate losses, claims, damages and liabilities (including, without limitation, legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "Losses") to which such indemnifying party may be subject in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party on the one hand and by the indemnified party on the other from the offering of the Notes. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the indemnifying party on the one hand and the indemnified party on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. Benefits received by the Issuers shall be deemed to be equal to the sum of (x) the total net proceeds from the initial placement of the Notes (before deducting expenses) reflected in the Purchase Agreement and (y) the total amount of Special Interest which the Issuers were not required to pay as a result of registering the securities covered by the Exchange Offer Registration Statement or Shelf Registration Statement which resulted in such Losses. Benefits received by the Purchasers shall be deemed to be equal to the total purchase discounts and commissions as reflected in the Purchase Agreement, and benefits received by any other holders shall be deemed to be equal to the proceeds received from the sale of the Registrable Securities or Exchange Notes, as applicable. Benefits received by any underwriter shall be deemed to be equal to the total underwriting discounts and commissions, as set forth in the prospectus forming a part of the Exchange Offer Registration Statement or Shelf Registration Statement which resulted in such Losses. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party on the one hand or the indemnified party on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the holders or any agents or underwriters or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no holder shall be required to contribute any amount in excess of the amount by which the dollar amount of the proceeds received by such holder from the sale of Registrable Securities (after deducting any fees, discounts and commissions applica-

ble thereto) exceeds the amount of any damages which such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission, and no underwriter shall be required to contribute any amount in excess of the amount by which the total price of the Registrable Securities underwritten by it and distributed to the public exceeds the amount of any damages which such underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The holders' and any underwriters' obligations in this subsection (d) to contribute are several in proportion to the principal amount of Registrable Securities registered or underwritten, as the case may be, by them, and not joint. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 6, each person who controls any holder, agent or underwriter within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of a holder, agent or underwriter shall have the same rights to contribution as such holder, agent or underwriter, and each person who controls the Issuers or the Guarantor within the meaning of either the Securities Act or the Exchange Act and each officer and director of the Issuers or the Guarantor shall have the same rights to contribution as the Issuers or the Guarantor, subject in each case to the applicable terms and conditions of this paragraph (d).

(e) The provisions of this Section will remain in full force and effect, regardless of any investigation made by or on behalf of any holder or the Issuers or the Guarantor or any of the officers, directors or controlling persons referred to in this Section hereof, and will survive the sale by a holder of securities covered by an Exchange Offer Registration Statement or Shelf Registration Statement.

SECTION 7. Underwritten Offerings.

(a) Selection of Underwriters. If any of the Registrable Securities covered by the Shelf Registration are to be sold pursuant to an underwritten offering, the managing underwriter or underwriters thereof shall be designated by Electing Holders holding at least a majority in aggregate principal amount of the Registrable Securities to be included in such offering, provided that such designated managing underwriter or underwriters is or are reasonably acceptable to the Issuers and the Guarantor.

(b) Participation by Holders. Each holder of Registrable Securities hereby agrees with each other such holder that no such holder may participate in any underwritten offering hereunder unless such holder (i) agrees to sell such holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

(c) Minimum Requirements. The Guarantor and the Issuers shall not have any obligations with respect to any underwriters or underwritten offering except a single underwritten offering of \$400 million or more of Registrable Securities.

SECTION 8. Rule 144. Each of the Issuers and the Guarantor covenants to the holders of Registrable Securities that to the extent it shall be required to do so under the Exchange Act, it shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including, without limitation, the reports under Section 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144), and shall take such further action as any holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144, or any similar or successor rule or regulation hereafter adopted by the Commission. Upon the request of any holder of Registrable Securities in connection with that holder's sale pursuant to Rule 144, the Issuers and the Guarantor shall deliver to such holder a written statement as to whether it has complied with such requirements.

SECTION 9. Miscellaneous.

(a) No Inconsistent Agreements. The Issuers and the Guarantor represent, warrant, covenant and agree that they have not granted, and shall not grant, registration rights with respect to Registrable Securities or any other Notes which would be inconsistent with the terms contained in this Agreement.

(b) Specific Performance. Except with respect to a Registration Default, the parties hereto acknowledge that there would be no adequate remedy at law if the Issuers or the Guarantor fail to perform any of their obligations hereunder and that the Purchasers and the holders from time to time of the Registrable Securities may be irreparably harmed by any such failure, and accordingly agree that the Purchasers and such holders, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to compel specific performance of the obligations of the Issuers or the Guarantor under this Agreement in accordance with the terms and conditions of this Agreement, in any court of the United States or any State thereof having jurisdiction.

(c) Notices. All notices, requests, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been duly given (i) when delivered by hand, if delivered personally or by courier, (ii) when sent by facsimile (with written confirmation of receipt), provided that a copy is mailed by registered or certified mail, return receipt requested or (iii) three days after being deposited in the mail (registered or certified mail, postage prepaid, return receipt requested) as follows: If to the Issuers, c/o CCO Holdings, LLC, 12405 Powerscourt Drive, St. Louis, Missouri, 63131, Attention: Secretary, and if to a holder, to the address of such holder set forth in the security register or other records of the Issuers, or to such other address as the Issuers or any such holder may have furnished to the other in writing in accordance herewith, with a copy in like manner c/o Credit Suisse Securities (USA) LLC, Attn: LCD-IBD, 11 Madison Avenue, New York, New York 10010. Notices of change of address shall be effective only upon receipt.

(d) Parties in Interest. All the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto and the holders from time to time of the Registrable Securities and the respective successors and assigns

of the parties hereto and such holders. In the event that any person shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be deemed a beneficiary hereof for all purposes and such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such transferee shall be entitled to receive the benefits, and be conclusively deemed to have agreed to be bound by all the applicable terms and provisions, of this Agreement. If the Issuers or the Guarantor shall so request, any such successor, assign or transferee shall agree in writing to acquire and hold the Registrable Securities subject to all the applicable terms hereof.

(e) Survival. The respective indemnities, agreements, representations, warranties and each other provision set forth in this Agreement or made pursuant hereto shall remain in full force and effect regardless of any investigation (or statement as to the results thereof) made by or on behalf of any holder of Registrable Securities, any director, officer or partner of such holder, any agent or underwriter or any director, officer or partner thereof, or any controlling person of any of the foregoing, and shall survive delivery of and payment for the Registrable Securities pursuant to the Purchase Agreement and the transfer and registration of Registrable Securities by such holder and the consummation of an Exchange Offer.

(f) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(g) Headings. The descriptive headings of the several Sections and paragraphs of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

(h) Entire Agreement; Amendments. This Agreement and the other writings referred to herein (including, without limitation, the Indenture and the form of Notes) or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to its subject matter. This Agreement supersedes all prior agreements and understandings between the parties with respect to its subject matter. Each holder of any Registrable Securities at the time or thereafter outstanding shall be bound by any amendment or waiver effected pursuant to this Section 9(h), whether or not any notice, writing or marking indicating such amendment or waiver appears on such Registrable Securities or is delivered to such holder.

(i) Inspection. For so long as this Agreement shall be in effect, this Agreement and a complete list of the names and addresses of all the holders of Registrable Securities shall be made available for inspection and copying, upon reasonable prior notice, on any business day during normal business hours by any holder of Registrable Securities for proper purposes only (which shall include any purpose related to the rights of the holders of Registrable Securities).

(j) Counterparts. This agreement may be executed by the parties in counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

(k) Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by law.

(l) Securities Held by the Issuers, etc. Whenever the consent or approval of holders of a specified percentage of principal amount of Registrable Securities or Exchange Notes is required hereunder, Registrable Securities or Exchange Notes, as applicable, held by the Issuers or their affiliates (other than subsequent holders of Registrable Securities or Exchange Notes if such subsequent holders are deemed to be affiliates solely by reason of their holdings of such Registrable Securities or Exchange Notes) shall not be counted in determining whether such consent or approval was given by the holders of such required percentage.
