ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

As previously announced, pursuant to that certain Agreement and Plan of Mergers, dated as of May 23, 2015 (the “Merger Agreement”), by and among Time Warner Cable Inc. (“TWC”), Charter Communications, Inc. (“Legacy Charter”), CCH I, LLC (“New Charter”), then a wholly owned subsidiary of Charter, Nina Corporation I, Inc. (“Merger Subsidiary One”), Nina Company II, LLC (“Merger Subsidiary Two”), a wholly owned subsidiary of New Charter, and Nina Company III, LLC (“Merger Subsidiary Three”), a wholly owned subsidiary of New Charter, on May 18, 2016 (the “Closing Date”), the parties completed a series of transactions pursuant to which, among other things, (i) Merger Subsidiary One merged with and into TWC, with TWC continuing as the surviving corporation, (ii) immediately thereafter, TWC merged with and into Merger Subsidiary Two, with Merger Subsidiary Two continuing as the surviving entity, and (iii) immediately thereafter, Legacy Charter merged with and into Merger Subsidiary Three, with Merger Subsidiary Three continuing as the surviving entity and a wholly owned subsidiary of New Charter (collectively, the “Mergers”), which resulted in Legacy Charter and TWC becoming wholly owned subsidiaries of New Charter.

Following the consummation of the Mergers, New Charter became the new public company parent that holds the operations of the combined companies. New Charter is now named “Charter Communications, Inc.” and trades under the same ticker symbol “CHTR” on NASDAQ. In addition, Merger Subsidiary Two became a subsidiary of CCO Holdings, LLC. As a result of the Mergers and by operation of Rule 12g-3(c) promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), Merger Subsidiary Two, now known as Spectrum Management Holding Company, LLC, is the successor issuer to TWC and succeeds to the attributes of TWC as the registrant, and Merger Subsidiary Two is subject to the Exchange Act to the same extent as TWC.

Supplemental Indentures

In connection with the Mergers, TWC, before its merger with and into Merger Subsidiary Two, transferred all of its assets to TWC NewCo LLC (“NewCo”). Pursuant to that certain indenture, dated as of April 30, 1992 (as amended, supplemented or otherwise modified prior to the Closing Date, the “TWCE Indenture”), by and among Time Warner Inc., Time Warner Entertainment Company, L.P., and The Bank of New York Mellon (formerly known as The Bank of New York), as trustee (the “TWC Trustee”), NewCo entered into the thirteenth supplemental indenture to the TWCE Indenture, dated as of the Closing Date (the “TWCE Thirteenth Supplemental Indenture”), by and among Time Warner Cable Enterprises LLC, the guarantors party thereto, and the TWC Trustee, providing for the assumption by NewCo of TWC’s obligations as guarantor relating to the securities issued under the TWCE Indenture (the “TWCE Securities”) and the release and discharge of all of TWC’s obligations under the TWCE Indenture. The Thirteenth Supplemental Indenture also provides for the guarantee of the TWCE Securities by CCO Holdings, LLC (“CCOH”), Charter Communications Operating, LLC and certain subsidiaries of Charter Communications Operating, LLC (“CCO”) (including subsidiaries of TWC) that are guarantors of CCO’s Amended and Restated Credit Agreement described below (the “Subsidiary Guarantors”). In addition, pursuant to that certain indenture, dated as of April 9, 2007 (as amended, supplemented or otherwise modified prior to the Closing Date, the “TWC Indenture”), by and among TWC, the guarantors party thereto and the TWC Trustee, NewCo entered into the third supplemental indenture to the TWC Indenture, dated as of the Closing Date (the “TWC Third Supplemental Indenture”), by and among TWC, NewCo and the TWC Trustee, providing for the assumption by NewCo of TWC’s obligations under the TWC Indenture and the securities issued thereunder (the “TWC Securities”), including the due and punctual payment of the principal (and premium, if any) and interest on the TWC Securities and the release and discharge of all of TWC’s obligations under the TWC Indenture and the TWC Securities. NewCo also entered into the fourth supplemental indenture to the TWC Indenture (the “TWC Fourth Supplemental Indenture”), dated as of the Closing Date, by and among NewCo, the guarantors party thereto and the TWC Trustee, providing for guarantee of the TWC Securities under the TWC Indenture by CCOH, CCO and the Subsidiary Guarantors.

In connection with the consummation of the Mergers, on the Closing Date, CCOH and the Subsidiary Guarantors entered into the third supplemental indenture, dated as of the Closing Date (the “CCO Third Supplemental Indenture”), by and among CCOH, the Subsidiary Guarantors and The Bank of New York Mellon Trust Company, N.A., as trustee (in such capacity, the “Trustee”) and as collateral agent (in such capacity, the “Collateral Agent”), providing for the guarantee of. The CCO Third Supplemental Indenture supplements that certain indenture, dated as of July 23, 2015, by and among CCO Safari II, LLC (“CCO Safari II”), CCO, Charter Communications Operating Capital Corp. (“CCO Capital Corp”), the Trustee and the Collateral Agent, as supplemented by the first supplemental indenture, dated as of July 23, 2015, by and among CCO Safari II, CCH II, LLC, as limited guarantor, the Trustee and the Collateral Agent, and the second supplemental indenture, dated as of the Closing Date, by and among CCO, CCO Capital Corp, CCO Safari II, the Trustee and the Collateral Agent, and provides for the guarantee of the notes issued thereunder (the “CCO Notes”) by the Subsidiary Guarantors.

Each of the supplemental indentures with respect to the provision of guarantees includes provisions by which the guarantees are released, including, without limitation, releases effective upon the release of collateral and/or guarantees under other indebtedness.

Registration Rights Agreement Joinder

In connection with the Escrow Release, CCO, CCOH and the Subsidiary Guarantors joined that certain Exchange and Registration Rights Agreement with respect to the CCO Notes, dated July 23, 2015 (the “CCO Registration Rights Agreement”), by and among CCO Safari II and Goldman, Sachs & Co., Credit Suisse Securities (USA) LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Deutsche Bank Securities Inc. and UBS Securities LLC, as representatives of the several Purchasers (as defined in the CCO Registration Rights Agreement) pursuant to a joinder agreement, dated the Closing Date (the “CCO Registration Rights Joinder”), by and among CCO Safari II, CCH II, LLC, CCO, CCOH and the Subsidiary Guarantors. Under the CCO Registration Rights Agreement, as joined pursuant to the CCO Registration Rights Joinder, CCO, CCOH and the Subsidiary Guarantors have agreed, with respect to each series of the CCO Notes, to file a registration statement with respect to an offer to exchange such series of the CCO Notes for a new issue of substantially identical notes registered under the Securities Act of 1933, as amended (the “Securities Act”), to cause the exchange offer registration statement to be declared effective and to consummate the exchange offer no later than 365 days after the Closing Date. CCO, CCOH and the Subsidiary Guarantors may be required to provide a shelf registration statement to cover resales of one or more series of the CCO Notes under certain circumstances. If the foregoing obligations are not satisfied with respect to any series of the CCO Notes, CCO, CCOH and the Subsidiary Guarantors may be required to pay holders of the CCO Notes of such series additional interest at a rate of 0.25% per annum of the principal amount thereof for 90 days immediately following the occurrence of any registration default. Thereafter, the amount of additional interest will increase by an additional 0.25% per annum of the principal amount thereof to 0.50% per annum of the principal amount thereof until all registration defaults have been cured.

Restatement Agreement

On the Closing Date, CCO and the Subsidiary Guarantors entered into a Restatement Agreement (the “Restatement Agreement”), dated as of May 18, 2016, by and among CCO, CCOH, the subsidiary guarantors party thereto, Bank of America, N.A., as administrative agent (the “Administrative Agent”) and the lenders party thereto, to (i) amend and restate the Existing Credit Agreement, dated as of April 11, 2012, as further amended, restated, supplemented or otherwise modified from time to time, by and among CCO, CCOH, the subsidiary guarantors from time to time party thereto and the Administrative Agent (and as amended by the Restatement Agreement on the Closing Date, the “Amended and Restated Credit Agreement”) and (ii) to amend and restate the existing Guarantee and Collateral Agreement, by and among CCO, CCOH, the subsidiary guarantors from time to time party thereto and the Administrative Agent (as amended by the Restatement Agreement on the Closing Date, the “Amended and Restated Guarantee and Collateral Agreement”). The changes to the existing Guarantee and Collateral Agreement include, among other things, amendments to permit the grant of a security interest in the collateral to secure the obligations in respect of the TWCE Securities and the TWC Securities (collectively, the “Equally and Ratably Secured Notes Obligations”) on a *pari passu* basis with the obligations under the Amended and Restated Credit Agreement, and excluding from the collateral certain intellectual property that is jointly owned by TWC or any of its subsidiaries, on one hand, and a third party, on the other hand. For a full description of the terms and conditions of the Amended and Restated Credit Agreement and the Amended and Restated Guarantee and Collateral Agreement see Exhibit “A” and Exhibit “B” to the Restatement Agreement attached as Exhibit 10.2 hereto and incorporated by reference.

(14) materially change any of the tax reporting positions or elections of the Company;

(15) make or commit to any expenditures which, individually or in the aggregate, exceed or are reasonably expected to exceed the Company's total budget (as approved by the Manager) by the greater of 5% of such budget or Five Million Dollars (\$5,000,000); or

(16) make or incur any secured or unsecured indebtedness which, individually or in the aggregate, exceeds Five Million Dollars (\$5,000,000), *provided* that this restriction shall not apply to (i) any refinancing of or amendment to existing indebtedness which does not increase total borrowing, (ii) any indebtedness to (or guarantee of indebtedness of) any company controlled by or under common control with the Company ("**Intercompany Indebtedness**"), (iii) the pledge of any assets to support any otherwise permissible indebtedness of the Company or any Intercompany Indebtedness or (iv) indebtedness necessary to finance a transaction or purchase approved by the Manager.

SECTION 5. *Officers.*

(a) *Officers.* The Company shall have such officers as may be necessary or desirable for the business of the Company. The officers may include a Chairman of the Board, a President, a Treasurer and a Secretary, and such other additional officers, including one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Manager, the Board, the Chairman of the Board, or the President may from time to time elect. Any two or more offices may be held by the same individual. The prior officers of the Company are hereby removed and the officers of the Company shall be as set forth on Exhibit A hereto (as such Exhibit may be amended by the written consent of the Manager).

(b) *Election and Term.* The President, Treasurer and Secretary shall, and the Chairman of the Board may, be appointed by and shall hold office at the pleasure of the Manager or the Board. The Manager, the Board, or the President may each appoint such other officers and agents as such person shall deem desirable, who shall hold office at the pleasure of the Manager, the Board, or the President, and who shall have such authority and shall perform such duties as from time to time shall, subject to the provisions of Section 5(d) hereof, be prescribed by the Manager, the Board, or the President.

(c) *Removal.* Any officer may be removed by the action of the Manager or the action of at least a majority of the directors then in office, with or without cause, for any reason or for no reason. Any officer other than the Chairman of the Board, the President, the Treasurer or the Secretary may also be removed by the Chairman of the Board or the President, with or without cause, for any reason or for no reason.

(d) Duties and Authority of Officers.

i) *President.* The President shall be the chief executive officer and (if no other person has been appointed as such) the chief operating officer of the Company; shall (unless the Chairman of the Board elects otherwise) preside at all meetings of the Members and Board; shall have general supervision and active management of the business and finances of the Company; and shall see that all orders and resolutions of the Board or the Manager are carried into effect; subject, however, to the right of the directors to delegate any specific powers to any other officer or officers. In the absence of direction by the Manager, Board, or the Chairman of the Board to the contrary, the President shall have the power to vote all securities held by the Company and to issue proxies therefor. In the absence or disability of the President, the Chairman of the Board (if any) or, if there is no Chairman of the Board, the most senior available officer appointed by the Manager or the Board shall perform the duties and exercise the powers of the President with the same force and effect as if performed by the President, and shall be subject to all restrictions imposed upon him.

ii) *Vice President.* Each Vice President, if any, shall perform such duties as shall be assigned to such person and shall exercise such powers as may be granted to such person by the Manager, the Board or by the President of the Company. In the absence of direction by the Manager, the Board or the President to the contrary, any Vice President shall have the power to vote all securities held by the Company and to issue proxies therefor.

iii) *Secretary.* The Secretary shall give, or cause to be given, a notice as required of all meetings of the Members and of the Board. The Secretary shall keep or cause to be kept, at the principal executive office of the Company or such other place as the Board may direct, a book of minutes of all meetings and actions of directors and Members. The minutes shall show the time and place of each meeting, whether regular or special (and, if special, how authorized and the notice given), the names of those present at Board meetings, the number of Votes present or represented at Members' meetings, and the proceedings thereof. The Secretary shall perform such other duties as may be prescribed from time to time by the Manager or the Board and may be assisted in his or her duties by any Assistant Secretary who shall have the same powers of the Secretary in absence of the Secretary.

iv) *Treasurer.* The Treasurer shall have custody of the Company funds and securities and shall keep or cause to be kept full and accurate accounts of receipts and

disbursements in books of the Company to be maintained for such purpose; shall deposit all moneys and other valuable effects of the Company in the name and to the credit of the Company in depositories designated by the Manager or the Board; and shall disburse the funds of the Company as may be ordered by the Manager or the Board.

v) Chairman of the Board. The Chairman of the Board, if any, shall perform such duties as shall be assigned, and shall exercise such powers as may be granted to him or her by the Manager or the Board.

vi) Authority of Officers. The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Manager or the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the officers taken in accordance with such powers shall bind the Company.

SECTION 6. *Members.*

(a) *Members.* The Members of the Company shall be set forth on Exhibit B hereto as amended from time to time. The Members are not required to make any capital contribution to the Company; however, the Members may make capital contributions to the Company at any time in their sole discretion (for which its capital account balance shall be appropriately increased). Each Member shall have a capital account in the Company, the balance of which is to be determined in accordance with the principles of Treasury Regulation Section 1.704- 1(b)(2)(iv). The provisions of this Agreement, including this Section 6, are intended to benefit the Members and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Company. Notwithstanding anything to the contrary in this Agreement, the Members shall not have any duty or obligation to any creditor of the Company to make any contribution to the Company.

(b) *Admission of Members.* Other persons may be admitted as Members from time to time pursuant to the provisions of this Agreement.

(c) *Limited Liability.* Except as required by the Act, no Member shall be liable for the debts, liabilities and obligations of the Company, including without limitation any debts, liabilities and obligations of the Company under a judgment, decree or order of a court, solely by reason of being a member of the Company.

(d) *Competing Activities.* Notwithstanding any duty otherwise existing at law or in equity, (i) neither a Member nor a Manager of the Company, or any of their respective affiliates, partners, members, shareholders, directors, managers, officers or employees, shall be expressly or impliedly restricted or prohibited solely by virtue of this Agreement or the relationships created hereby from engaging in other activities or business ventures of any kind or character whatsoever and (ii) except as otherwise agreed in writing or by written Company policy, each Member and Manager of the Company, and their respective affiliates, partners, members, shareholders, directors, managers, officers and employees, shall have the right to conduct, or to possess a direct or indirect ownership interest in, activities and business ventures of every type and description, including activities and business ventures in direct competition with the Company.

(e) *Bankruptcy*. Notwithstanding any other provision of this Agreement, the bankruptcy (as defined in the Act) of a Member shall not cause the Member to cease to be a member of the Company and, upon the occurrence of such an event, the Company shall continue without dissolution.

SECTION 7. *Percentage Interests*. The membership interests held by each Member will be divided into and represented by percentage interests (“**Percentage Interests**”), and there will initially be one class of Percentage Interests. The holders of Percentage Interests will have the voting and economic rights set forth in this Agreement. References in this Agreement to “Percentage Interests” will include all Percentage Interests outstanding as of the relevant date and the Percentage Interests for each Member (expressed as a percentage) shall be set forth on Exhibit B.

SECTION 8. *Distributions*. The Company may from time to time distribute to the Members such amounts in cash and other assets as shall be determined by the Members acting by simple majority of the Votes. Each such distribution (other than liquidating distributions) shall be divided among the Members in accordance with their respective Economic Interests. Liquidating distributions shall be made to the Members in accordance with their respective positive capital account balances as adjusted for the allocation of profits and losses as of the record date of any such distribution (“**Adjusted Capital Account Balance**”). Each Member shall be entitled to look solely to the assets of the Company for the return of such Member’s Adjusted Capital Account Balance. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the capital contributions or share of the Company’s profits reflected in such Member’s Adjusted Capital Account Balance, a Member shall have no recourse against the Company or any other Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Members on account of their interest in the Company if such distribution would violate the Act or any other applicable law.

SECTION 9. *Allocations*. The profits and losses of the Company shall be allocated to the Members in accordance with their Percentage Interests.

SECTION 10. *Dissolution; Winding Up*.

(a) *Dissolution*. The Company shall be dissolved upon (i) the adoption of a plan of dissolution by the Members acting by unanimity of the Votes and the approval of the Manager or (ii) the occurrence of any other event required to cause the dissolution of the Company under the Act.

(b) *Effective Date of Dissolution*. Any dissolution of the Company shall be effective as of the date on which the event occurs giving rise to such dissolution, but the Company shall not terminate unless and until all its affairs have been wound up and its assets distributed in accordance with the provisions of the Act and the Certificate is cancelled.

(c) *Winding Up*. Upon dissolution of the Company, the Company shall continue solely for the purposes of winding up its business and affairs as soon as reasonably practicable. Promptly after the dissolution of the Company, the Manager shall immediately commence to wind up the affairs of the Company in accordance with the provisions of this Agreement and the

Act. In winding up the business and affairs of the Company, the Manager may, to the fullest extent permitted by law, take any and all actions that it determines in its sole discretion to be in the best interests of the Members, including, but not limited to, any actions relating to (i) causing written notice by registered or certified mail of the Company's intention to dissolve to be mailed to each known creditor of and claimant against the Company, (ii) the payment, settlement or compromise of existing claims against the Company, (iii) the making of reasonable provisions for payment of contingent claims against the Company and (iv) the sale or disposition of the properties and assets of the Company. It is expressly understood and agreed that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of claims against the Company so as to enable the Manager to minimize the losses that may result from a liquidation.

SECTION 11. *Transfer.* At such time as the Company has more than one Member, no Member shall transfer (whether by sale, assignment, gift, pledge, hypothecation, mortgage, exchange or otherwise) all or any part of his, her or its limited liability company interest in the Company to any other person without the prior written consent of each of the other Members; *provided, however*, that this Section 11 shall not restrict the ability of any Member to transfer (at any time) all or a portion of its limited liability company interest in the Company to another Member. Upon the transfer of a Member's limited liability company interest, the Manager shall provide notice of such transfer to each of the other Members and shall amend Exhibit B hereto to reflect the transfer.

SECTION 12. *Admission of Additional Members.* The admission of additional or substitute Members to the Company shall be accomplished by the amendment of this Agreement, including Exhibit B, in accordance with the provisions of Section 15(b), pursuant to which amendment each additional or substitute Member shall agree to become bound by this Agreement.

SECTION 13. *Tax Matters.* As of the date of this Agreement, the Company is a disregarded entity for U.S. federal income tax purposes. So long as the Company is a single-owner entity for U.S. federal income tax purposes, it is intended that for U.S. federal income tax purposes the Company be disregarded as an entity separate from its owner and its activities be treated as a division of such owner. In the event that the Company has two or more Members for U.S. federal income tax purposes, it is intended that (i) the Company shall be treated as a partnership for U.S. federal income tax purposes, and the Members shall not take any position or make any election, in a tax return or otherwise, inconsistent therewith and (ii) this Agreement will be amended to provide for appropriate book and tax allocations pursuant to subchapter K of the Internal Revenue Code of 1986, as amended.

SECTION 14. *Exculpation and Indemnification.*

(a) *Exculpation.* Neither the Members, the Manager, the directors of the Company, the officers of the Company, their respective affiliates, nor any person who at any time shall serve, or shall have served, as a director, officer, employee or other agent of any such Members, Manager, directors, officers, or affiliates and who, in such capacity, shall engage, or shall have engaged, in activities on behalf of the Company (a "**Specified Agent**") shall be liable, in damages or otherwise, to the Company or to any Member for, and neither the Company nor any Member shall take any action against such Members, Manager, directors, officers, affiliates or

Specified Agent, in respect of any loss which arises out of any acts or omissions performed or omitted by such person pursuant to the authority granted by this Agreement, or otherwise performed on behalf of the Company, if such Member, Manager, director, officer, affiliate, or Specified Agent, as applicable, in good faith, determined that such course of conduct was in the best interests of the Company and within the scope of authority conferred on such person by this Agreement or approved by the Manager. Each Member shall look solely to the assets of the Company for return of such Member's investment, and if the property of the Company remaining after the discharge of the debts and liabilities of the Company is insufficient to return such investment, each Member shall have no recourse against the Company, the other Members or their affiliates, except as expressly provided herein; *provided, however*, that the foregoing shall not relieve any Member or the Manager of any fiduciary duty, duty of care or duty of fair dealing to the Members that it may have hereunder or under applicable law.

(b) *Indemnification.* In any threatened, pending or completed claim, action, suit or proceeding to which a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent was or is a party or is threatened to be made a party by reason of the fact that such person is or was engaged in activities on behalf of the Company, including without limitation any action or proceeding brought under the Securities Act of 1933, as amended, against a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates, or any Specified Agent relating to the Company, the Company shall to the fullest extent permitted by law indemnify and hold harmless the Members, Manager, directors of the Company, officers of the Company, their respective affiliates, and any such Specified Agents against losses, damages, expenses (including attorneys' fees), judgments and amounts paid in settlement actually and reasonably incurred by or in connection with such claim, action, suit or proceeding; *provided, however*, that none of the Members, Managers, directors of the Company, officers of the Company, their respective affiliates or any Specified Agent shall be indemnified for actions constituting bad faith, willful misconduct, or fraud. Any act or omission by any such Member, Manager, director, officer, or any such affiliate or Specified Agent, if done in reliance upon the opinion of independent legal counsel or public accountants selected with reasonable care by such Member, Manager, director, officer, or any such affiliate or Specified Agent, as applicable, shall not constitute bad faith, willful misconduct, or fraud on the part of such Member, Manager, director, officer, or any such affiliate or Specified Agent.

(c) *No Presumption.* The termination of any claim, action, suit or proceeding by judgment, order or settlement shall not, of itself, create a presumption that any act or failure to act by a Member, a Manager, a director of the Company, any officer of the Company, their respective affiliates or any Specified Agent constituted bad faith, willful misconduct or fraud under this Agreement.

(d) *Limitation on Indemnification.* Any indemnification provided under this Section 14 shall be recoverable only out of the assets of the Company and not from the Members.

(e) *Reliance on the Agreement.* To the extent that, at law or in equity, a Member, Manager, director of the Company, officer of the Company or any Specified Agent has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any Member or other person bound by this Agreement, such Member, Manager, director, officer or any Specified

Agent acting under this Agreement shall not be liable to the Company or to any Member or other person bound by this Agreement for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Member, Manager, director of the Company, officer of the Company or any Specified Agent otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of such Member, Manager, director or officer or any Specified Agent.

SECTION 15. *Miscellaneous.*

(a) *Certificate of Limited Liability Company Interest.* A Member's limited liability company interest may be evidenced by a certificate of limited liability company interest executed by the Manager or an officer in such form as the Manager may approve; *provided* that such certificate of limited liability company interest shall not bear a legend that causes such limited liability company interest to constitute a security under Article 8 (including Section 8-103) of the Uniform Commercial Code as enacted and in effect in the State of Delaware, or the corresponding statute of any other applicable jurisdiction.

(b) *Amendment.* The terms and provisions set forth in this Agreement may be amended, and compliance with any term or provision set forth herein may be waived, only by a written instrument executed by each Member. No failure or delay on the part of any Member in exercising any right, power or privilege granted hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege granted hereunder.

(c) *Binding Effect.* This Agreement shall be binding upon and inure to the benefit of the Members and their respective successors and assigns.

(d) *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to any conflicts of law principles that would require the application of the laws of any other jurisdiction.

(e) *Severability.* In the event that any provision contained in this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the invalidity, illegality or unenforceability thereof shall not affect any other provision hereof.

(f) *Multiple Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(g) *Entire Agreement.* This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes and replaces any prior or contemporaneous understandings.

(h) *Relationship between the Agreement and the Act.* Regardless of whether any provision of this Agreement specifically refers to particular Default Rules (as defined below), (i) if any provision of this Agreement conflicts with a Default Rule, the provision of this Agreement controls and the Default Rule is modified or negated accordingly, and (ii) if it is necessary to construe a Default Rule as modified or negated in order to effectuate any provision of this Agreement, the Default Rule is modified or negated accordingly. For purposes of this

Section 15(h), “**Default Rule**” shall mean a rule stated in the Act which applies except to the extent it may be negated or modified through the provisions of a limited liability company’s Limited Liability Company Agreement.

For the purposes of this paragraph, pro forma calculations regarding the amount of income or earnings relating to any Material Disposition or Material Acquisition shall in each case be determined in good faith by a Responsible Officer of the Borrower. As used in this Section 1.2(f), “Material Acquisition” means any acquisition of property or series of related acquisitions of property that (i) constitutes assets comprising all or substantially all of an operating unit of a business or constitutes all or substantially all of the Equity Interests of a Person and (ii) involves the payment of Consideration by the Borrower and its Subsidiaries in excess of \$50,000,000; and “Material Disposition” means any Disposition of property or series of related Dispositions of property that yields gross proceeds to the Borrower or any of its Subsidiaries in excess of \$50,000,000.

For the avoidance of doubt, (x) if any of such ratios are exceeded as a result of fluctuations in such ratio (including due to fluctuations in Annualized Operating Cash Flow of the Borrower) at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Acquisition is permitted hereunder and (y) such ratios and other provisions shall not be tested at the time of consummation of such Limited Condition Acquisition or related transactions. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio (excluding, for the avoidance of doubt, any ratio contained in Section 7.1) or basket availability with respect to any other incurrence of Indebtedness or Liens or the making of any Investments, Restricted Payments, or Dispositions on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Acquisition and other transactions in connection therewith have been consummated until such time as such Limited Condition Acquisition is consummated or the Borrower gives the Administrative Agent notice that such Limited Condition Acquisition will not be consummated.

Incremental Term Loans, (iv) the amortization schedule for such Incremental Term Loans; provided that, except as permitted by the proviso to clause (iii) above, in no event will any Incremental Term Loans have a Weighted Average Life to Maturity that is shorter than the then remaining Weighted Average Life to Maturity of the Term I Loans, (v) the Applicable Margin for such Incremental Term Loans and any prepayment premiums or call protection applicable thereto, (vi) the proposed original issue discount applicable to such Incremental Term Loans, if any, (vii) whether, if applicable, such Incremental Term Loans constitute Refinancing Term Loans or Escrow Incremental Term Loans, (viii) whether any provision of this Agreement that requires a minimum final maturity or Weighted Average Life to Maturity for any other Indebtedness by reference to any previously established Term Loans is following the Incremental Closing Date amended to provide a similar benefit to such Incremental Term Loans, and (ix) any other terms and conditions that will apply to such Incremental Term Loans; provided that, except as provided above, (x) such other terms and conditions shall be the same as or less favorable to the Lenders providing such Incremental Term Loans than the terms and conditions of any then outstanding Class of Term Loans, (y) such other terms and conditions shall not apply until all then outstanding Loans and Commitments (other than such Incremental Term Loans) have been repaid and terminated, as applicable, or until approved by the Required Lenders or (z) such other terms and conditions shall apply to Escrow Incremental Term Loans solely until the Escrow Assumption with respect thereto occurs. Notwithstanding the foregoing, without the consent of the Required Lenders, (A) no Incremental Term Loans (other than Escrow Incremental Term Loans) may be borrowed after the Restatement Effective Date if after giving effect to the borrowing of such Incremental Term Loans and the application of proceeds therefrom on the date such Incremental Term Loans are borrowed the aggregate principal amount of all Classes of Term Loans, First Lien Notes and Pre-Existing Debt would exceed the First Lien Term Cap, (B) no Net Cash Proceeds of any Incremental Term Loans that are not Refinancing Term Loans shall be directly applied to prepay outstanding Term Loans, (C) each increase effected pursuant to this paragraph shall be in a minimum amount of at least \$100,000,000, (D) subject to Section 1.2(j), no Incremental Term Loans (other than Escrow Incremental Term Loans) may be borrowed if a Default or Event of Default is in existence after giving pro forma effect thereto, (E) Escrow Incremental Term Loans shall not be deemed to be outstanding under this Agreement or any other Loan Document for any purposes hereof (including, without limitation, for purposes of any financial calculation, the definition of "Obligations", the definition of "Required Lenders" or Section 8 or Section 10.1 hereof) and the obligations with respect thereto shall not be recourse to the Borrower or any Subsidiary Guarantor, in each case, unless and until the Escrow Assumption with respect thereto has occurred and (F) the Escrow Assumption with respect to any Escrow Incremental Term Loans shall not be permitted unless on the date thereof (and after giving effect thereto) the conditions set forth in clauses (A) and (D) above would be satisfied if the Borrower was borrowing such Incremental Term Loans on the date of such Escrow Assumption. With the consent of the Borrower and each of the Lenders with any Class of then outstanding Incremental Term Loans and pursuant to an assumption agreement reasonably satisfactory to the Administrative Agent, an Escrow Borrower may assume all obligations of the Borrower with respect to such Class of Term Loans (including with respect to the full principal amount thereof and all accrued and unpaid interest and other amounts owing with respect thereto, in which case, such Class of Incremental Term Loans shall thereafter be deemed to not be outstanding for purposes of this Agreement or any other Loan Document and shall be Escrow Term Loans until such time, if any, as an Escrow Assumption with respect thereto has occurred, at which time any such Escrow Term Loans that accrued interest at a rate based on the Eurodollar Rate immediately prior to such Escrow Assumption shall constitute a Eurodollar Tranche with an initial Interest Period equal to the then unexpired interest period applicable thereto immediately prior to such Escrow Assumption. No Lender shall have any obligation to participate in any increase described in this paragraph unless it agrees to do so in its sole discretion. The consent of the Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any Person to provide an Incremental Term Loan unless such Person, or an Affiliate thereof, was previously a Lender. Notwithstanding the foregoing, with the consent of the

holders of any Pre-Existing Debt, the Borrower and the Administrative Agent (to the extent the consent of the Administrative Agent would be required for an assignment to any such holder, such consent not to be unreasonably withheld), such Pre-Existing Debt may, pursuant to an Incremental Activation Notice, be deemed to have been issued as Incremental Term Loans under this Agreement on the date of effectiveness of such Incremental Activation Notice so long as the Incremental Term Loans resulting therefrom comply with the requirements set forth above (other than clause (C)) that are applicable to Incremental Term Loans and thereafter, the terms of such Pre-Existing Debt shall be governed by the terms of this Agreement (as modified by the applicable Incremental Activation Notice).

(h) The Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (an "Existing Class") be converted to extend the scheduled maturity date(s) of any payment or payments of principal (including at final maturity) with respect to such Term Loans (any such Term Loans which have been so converted, "Extended Term Loans") and to provide for other terms consistent with this Section 2.1(h). In order to establish a Series of Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Class) (an "Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall be identical in all material respects to the Term Loans under the Existing Class from which such Extended Term Loans are to be converted except that (i) all or any of the scheduled amortization payments of principal and payment at maturity of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal and payment at maturity of the Term Loans of such Existing Class to the extent provided in the applicable Incremental Activation Notice, (ii) the Applicable Margins with respect to the Extended Term Loans may be different than the Applicable Margins for the Term Loans of such Existing Class and upfront fees may be paid to the Extending Term Lenders, in each case, to the extent provided in the applicable Incremental Activation Notice, (iii) [Reserved] and (iv) the Incremental Activation Notice may provide for other covenants and terms (x) that apply solely to any period after the latest final maturity of the Term Loans and Commitments in effect on the effective date of the Incremental Activation Notice immediately prior to the establishment of such Extended Term Loans, or after approval thereof by the Required Lenders or (y) that are less favorable to the holders of the Extended Term Loans than the covenants and terms applicable to the Existing Class. The Borrowers shall provide the applicable Extension Request at least five (5) Business Days prior to the date on which Lenders are requested to respond. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Class converted into Extended Term Loans pursuant to any Extension Request. Any Lender (an "Extending Term Lender") wishing to have all or a portion of its Term Loans of the applicable Existing Class subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent in writing (an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Term Loans of the applicable Existing Class which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements reasonably imposed by the Administrative Agent). In the event that the aggregate amount of Term Loans of the applicable Existing Class subject to Extension Elections exceeds the amount of Extended Term Loans requested pursuant to the Extension Request, Term Loans of the applicable Existing Class subject to Extension Elections shall be converted to Extended Term Loans on a pro rata basis based on the amount of Term Loans of the applicable Existing Class included in each such Extension Election. The final terms of the Extended Term Loans (which shall be consistent with the Extension Request) and the allocations of the Extended Term Loans among the Extending Term Lenders shall be as set forth in the applicable Incremental Activation Notice entered into by the Borrower and the Administrative Agent. Each Extending Term Lender's Election Request shall be deemed to be an authorization for the Administrative Agent and the Borrower to enter into such Incremental Activation Notice in accordance with the requirements set forth above in this Section 2.1(h) and to bind such Extending Term Lender thereby.

(i) The Borrower and any one or more Lenders (including Persons that become Lenders in connection therewith) may from time to time agree that such Lenders will establish Revolving Commitments through (A) the provision of a new Revolving Commitment by any such Lender or (B) the conversion of a previously established Revolving Commitment of any such Lender to such Extended Revolving Commitment of such Lender (any Revolving Commitments being established pursuant to clause (A) or (B) above and in accordance with this Section 2.1(i), an “Extended Revolving Commitment”, which for the avoidance of doubt, shall also be a “Revolving Commitment”), in each case, by executing and delivering to the Administrative Agent an Incremental Activation Notice specifying (i) the amount of Extended Revolving Commitments established thereby and whether such Extended Revolving Commitments are being established pursuant to clause (A) or (B) of the foregoing sentence, (ii) the Revolving Termination Date for such Extended Revolving Commitments; provided that the Revolving Termination Date for any Extended Revolving Commitments shall in no event be earlier than the Revolving Termination Date for the Revolving Commitments established on the Restatement Effective Date and there shall not be more than three (3) Revolving Termination Dates in effect at any time, (iii) the Applicable Margin for Revolving Loans and fees in respect of participations in Letters of Credit pursuant to such Extended Revolving Commitments and the Commitment Fee Rate for commitment fees payable with respect to such Extended Revolving Commitments; provided that (x) in no event shall there be more than three (3) Applicable Margins in effect in the aggregate for all Revolving Commitments at any time and (y) either (A) the Applicable Margins for Revolving Loans, fees in respect of participations in Letters of Credit and the Commitment Fee Rate for all Revolving Commitments that have the same Revolving Termination Date shall be the same (although different upfront fees may be paid by the Borrower) or (B) the maximum number of Revolving Termination Dates permitted to be in effect at any time shall be reduced by the number of such different Applicable Margins and fees in excess of one applicable to Revolving Commitments with the same Revolving Termination Date and (iv) whether clause (ii) above shall be amended to provide that future Extended Revolving Commitments may not have a Revolving Termination Date prior to the Revolving Termination Date for such Extended Revolving Commitments. Except as set forth above, the terms of the Extended Revolving Commitments shall be identical in all material respects to the Revolving Commitments established on the Restatement Effective Date. Notwithstanding the foregoing, without the consent of the Required Lenders, no Extended Revolving Commitments may be established following the Restatement Effective Date if after giving effect to the establishment of such Extended Revolving Commitments (and any concurrent reduction in the amount of any other Revolving Commitments) the aggregate amount of Revolving Commitments then in effect would exceed the Revolving Commitment Cap. No Lender shall have any obligation to participate in any increase described in this paragraph unless it agrees to do so in its sole discretion. The consent of the Administrative Agent and each Issuing Lender (such consents not to be unreasonably withheld, conditioned or delayed) shall be required with respect to each Lender providing an Extended Revolving Commitment to the extent such Lender is not already a Revolving Lender that is not a Defaulting Lender. On each date on which Extended Revolving Commitments are established, each Revolving Lender shall purchase at par from and/or sell at par to each of the other Revolving Lenders such portions of the outstanding Revolving Loans, if any, as may be specified by the Administrative Agent so that, immediately following such purchases, all Eurodollar Tranches of Revolving Loans and all ABR Loans that are Revolving Loans shall be held by the Revolving Lenders on a pro rata basis in accordance with their respective Revolving Percentages. Notwithstanding the foregoing, with the consent of the holders of any revolving commitments under which Pre-Existing Debt may be borrowed, the Borrower, the Administrative Agent, the Swingline Lender and each Issuing Lender (to the extent the consent of the Administrative Agent, Swingline Lender and Issuing Lender would be required for an assignment to any such holder, each such consent not to be unreasonably withheld), such revolving commitments may, pursuant to an Incremental Activation Notice, be deemed to have been issued as Extended Revolving Commitments under this Agreement on the date of effectiveness of such Incremental Activation Notice so long as the Extended Revolving Commitments resulting therefrom comply with the

requirements set forth above that are applicable to Extended Revolving Commitments and thereafter, the terms of such Pre-Existing Debt shall be governed by the terms of this Agreement (as modified by the applicable Incremental Activation Notice).

(j) The Borrower and any one or more Lenders (including Persons that become Lenders in connection therewith) may from time to time agree that such Lenders shall make Replacement Term Loans (which Replacement Term Loans may, at the election of the Borrower and the applicable Lenders, be made in the form of a conversion of Term Loans of an existing Class into such Replacement Term Loans) in order to replace in full or in part any Class of then outstanding Term Loans by executing and delivering to the Administrative Agent an Incremental Activation Notice specifying (i) the amount of such Replacement Term Loans (which may be up to an amount equal to the original aggregate principal amount of the Class of Term Loans being replaced plus, so long as the Borrower would be in pro forma compliance with Section 7.1, the amount of any upfront fees or original issue discount thereon), (ii) the date on which such Replacement Loans will be made, (iii) the applicable Replacement Term Maturity Date (which shall not be earlier than the Term Maturity Date of the Class of Term Loans being replaced), (iv) the amortization schedule for such Replacement Term Loans; provided that in no event shall any Replacement Term Loans have a Weighted Average Life to Maturity that is shorter than the then remaining Weighted Average Life to Maturity of the Term Loans of the Class being replaced, (v) the Applicable Margin for such Replacement Term Loans and any prepayment premiums or call protection applicable thereto, if any, (vi) the proposed original issue discount applicable to such Replacement Term Loans, if any, (vii) whether any provision of this Agreement that requires a minimum final maturity or Weighted Average Life to Maturity for any other Indebtedness by reference to any previously established Term Loans is following the date such Replacement Term Loans are established amended to provide a similar benefit to such Replacement Term Loans, (viii) any other terms and conditions that will apply to such Replacement Term Loans; provided that, except as provided above, either (x) such other terms and conditions shall be the same as or less favorable to the Lenders providing such Replacement Term Loans than the terms and conditions of the Class of Term Loans being replaced or (y) such other terms and conditions shall not apply until all then outstanding Loans and Commitments (other than such Replacement Term Loans) have been repaid and terminated, as applicable, or until approved by the Required Lenders. No Lender shall have any obligation to participate in any Replacement Term Loans unless it agrees to do so in its sole discretion. The consent of the Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any Person to provide a Replacement Term Loan unless such Person, or an Affiliate thereof, was previously a Lender.

2.2. Procedure for Borrowing. In order to effect a borrowing hereunder, the Borrower shall give notice to the Administrative Agent, which may be given by: (A) telephone or (B) a Notice of Borrowing (which notice must be received by the Administrative Agent prior to 1:00 P.M., New York City time, (a) three Business Days prior to the requested Borrowing Date, in the case of Eurodollar Loans, or (b) one Business Day prior to the requested Borrowing Date, in the case of ABR Loans) (provided that any such Notice of Borrowing of ABR Loans under the Revolving Facility to finance payments required by Section 3.5 may be given not later than 1:00 P.M. New York City time, on the date of the proposed borrowing and, provided, further, that any telephonic notice must be confirmed immediately by delivery to the Administrative Agent of a Notice of Borrowing), specifying (i) the Class of Loan to be borrowed, (ii) the amount and Type of Loans to be borrowed, (iii) the requested Borrowing Date and (iv) in the case of Eurodollar Loans, the respective amounts of each such Type of Loan and the respective lengths of the initial Interest Period therefor. Each borrowing shall be in an aggregate amount equal to (x) in the case of ABR Loans, \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof (or, if the then aggregate relevant Available Revolving Commitments are less than \$5,000,000, such lesser amount) and (y) in the case of Eurodollar Loans, \$10,000,000 or a whole multiple of \$1,000,000 in excess thereof; provided, that the Swingline Lender may request, on behalf of the Borrower, borrowings under the Revolving

Upon receipt of any Notice of Borrowing from the Borrower, the Administrative Agent shall promptly notify each relevant Lender thereof. Each relevant Lender will make the amount of its pro rata share of each borrowing available to the Administrative Agent (in the case of any Revolving Loan, based on respective Revolving Percentages of the Revolving Lenders) for the account of the Borrower at the Funding Office prior to 10:00 A.M., New York City time (or 2:00 P.M., New York City time in respect of ABR Loans under the Revolving Facility to finance payments required by Section 3.5), on the Borrowing Date requested by the Borrower in funds immediately available to the Administrative Agent; provided that, in the event that any Revolving Lender fails to make available to the Administrative Agent any portion of such amount prior to 10:30 A.M. New York City time (or 2:30 P.M., New York City time in respect of ABR Loans under the Revolving Facility to finance payments required by Section 3.5) on the relevant Borrowing Date, the Borrower shall be deemed to have provided notice to the Swingline Lender in accordance with Section 2.5 requesting a Swingline Loan in an amount equal to the aggregate amount of any such shortfall, rounded up to the applicable whole multiple of \$500,000 (but in no event exceeding, together with all outstanding Swingline Loans, the Swingline Commitment). Such borrowing (including any such Swingline Loan) will then be made available not later than 11:00 A.M., New York City time (or 3:00 P.M., New York City time in respect of ABR Loans under the Revolving Facility to finance payments required by Section 3.5), to the Borrower by the Administrative Agent crediting the account of the Borrower on the books of such office with the aggregate of the amounts made available to the Administrative Agent by the relevant Lenders and in like funds as received by the Administrative Agent.

The Borrower shall repay all Swingline Loans on the first date on which the Revolving Termination Date has occurred with respect to all Revolving Commitments.

2.4. Swingline Commitment. Subject to the terms and conditions hereof, the Swingline Lender agrees, in reliance upon the agreements of the other Lenders set forth in Section 2.5, to make a portion of the credit otherwise available to the Borrower under the Revolving Commitments from time to time during the Revolving Commitment Period for any Revolving Commitments by making swingline loans ("Swingline Loans") to the Borrower; provided that (a) the aggregate principal amount of Swingline Loans outstanding at any time shall not exceed the Swingline Commitment then in effect (notwithstanding that the Swingline Loans outstanding at any time, when aggregated with the Swingline Lender's other outstanding Revolving Loans hereunder, may exceed the Swingline Commitment then in effect) and the aggregate amount of Swingline Loans made by Bank of America, N.A. shall not exceed the Revolving Commitment of Bank of America, N.A. unless otherwise agreed by Bank of America, N.A. in its sole discretion), (b) the Borrower shall not request, and the Swingline Lender shall not make, any Swingline Loan if, after giving effect to the making of such Swingline Loan, the aggregate amount of the Available Revolving Commitments would be less than zero and (c) the Swingline Lender shall be under no obligation to make any Swingline Loan at any time that any Revolving Lender is a Defaulting Lender unless the Swingline Lender has entered into arrangements, including, if requested, the delivery of Cash Collateral, satisfactory to the Swingline Lender (in its sole discretion) with the Borrower or such Lender to eliminate such Swingline Lender's actual or potential Fronting Exposure (after giving effect to Section 2.21(a)(iii)) with respect to the Defaulting Lender arising from either the Swingline Loan to be made and all other Swingline Loans as to which such Swingline Lender has actual or potential Fronting Exposure, as it may elect in its sole discretion. During the Revolving Commitment Period for any Revolving Commitments, the Borrower may use the Swingline Commitment by borrowing, repaying and reborrowing, all in accordance with the terms and conditions hereof. Swingline Loans shall be ABR Loans only.

2.5. Procedure for Swingline Borrowing; Refunding of Swingline Loans.

(a) Whenever the Borrower desires that the Swingline Lender make Swingline Loans it shall give the Swingline Lender irrevocable telephonic notice confirmed promptly in writing or such other form as approved by the Administrative Agent (including any form on an electronic platform or electronic

transmission system as shall be approved by the Administrative Agent pursuant), appropriately completed and signed by a Responsible Officer of the Borrower (which notice must be received by the Swingline Lender not later than 1:00 P.M., New York City time, on the proposed Borrowing Date), specifying (i) the amount to be borrowed and (ii) the requested Borrowing Date (which shall be a Business Day during the Revolving Commitment Period for any Revolving Commitments). Each borrowing under the Swingline Commitment shall be in an amount equal to \$1,000,000 or a whole multiple of \$500,000 in excess thereof. Not later than 3:00 P.M., New York City time, on the Borrowing Date specified in a notice in respect of Swingline Loans, the Swingline Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the amount of the Swingline Loan to be made by the Swingline Lender. The Administrative Agent shall make the proceeds of such Swingline Loan available to the Borrower on such Borrowing Date by depositing such proceeds in the account of the Borrower with the Administrative Agent on such Borrowing Date in immediately available funds.

(b) The Swingline Lender, at any time and from time to time in its sole and absolute discretion and in consultation with the Borrower (provided that the failure to so consult shall not affect the ability of the Swingline Lender to make the following request) may, on behalf of the Borrower (which hereby irrevocably directs the Swingline Lender to act on its behalf), on one Business Day's notice given by the Swingline Lender no later than 1:00 P.M., New York City time, request each Revolving Lender to make, and each Revolving Lender hereby agrees to make, a Revolving Loan, in an amount equal to such Revolving Lender's Revolving Percentage of the aggregate amount of the Swingline Loans (the "Refunded Swingline Loans") outstanding on the date of such notice, to repay the Swingline Lender. Each Revolving Lender shall make the amount of such Revolving Loan available to the Administrative Agent at the Funding Office in immediately available funds, not later than 12:00 Noon, New York City time, one Business Day after the date of such notice. The proceeds of such Revolving Loans shall be immediately made available by the Administrative Agent to the Swingline Lender for application by the Swingline Lender to the repayment of the Refunded Swingline Loans. The Borrower irrevocably authorizes the Swingline Lender to charge the Borrower's accounts with the Administrative Agent (up to the amount available in each such account) in order to immediately pay the amount of such Refunded Swingline Loans to the extent amounts received from the Revolving Lenders are not sufficient to repay in full such Refunded Swingline Loans.

(c) If prior to the time a Revolving Loan would have otherwise been made pursuant to Section 2.5(b), one of the events described in Section 8.1(g) shall have occurred and be continuing with respect to the Borrower or if for any other reason, as determined by the Swingline Lender in its sole discretion, Revolving Loans may not be made as contemplated by Section 2.5(b), each Revolving Lender shall, on the date such Revolving Loan was to have been made pursuant to the notice referred to in Section 2.5(b), purchase for cash an undivided participating interest in the then outstanding Swingline Loans by paying to the Swingline Lender an amount (the "Swingline Participation Amount") equal to (i) such Revolving Lender's Revolving Percentage times (ii) the sum of the aggregate principal amount of Swingline Loans then outstanding that were to have been repaid with such Revolving Loans.

(d) Whenever, at any time after the Swingline Lender has received from any Revolving Lender such Lender's Swingline Participation Amount, the Swingline Lender receives any payment on account of the Swingline Loans, the Swingline Lender will distribute to such Lender its Swingline Participation Amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded and, in the case of principal and interest payments, to reflect such Lender's pro rata portion of such payment if such payment is not sufficient to pay the principal of and interest on all Swingline Loans then due); provided, however, that in the event that such payment received by the Swingline Lender is required to be returned, such Revolving Lender will return to the Swingline Lender any portion thereof previously distributed to it by the Swingline Lender.

(e) Each Revolving Lender's obligation to make the Loans referred to in Section 2.5(b) and to purchase participating interests pursuant to Section 2.5(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such Revolving Lender or the Borrower may have against the Swingline Lender, the Borrower or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5; (iii) any adverse change in the condition (financial or otherwise) of the Borrower; (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other Revolving Lender; or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

2.6. Fees, Etc.

(a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a nonrefundable commitment fee through the last day of the Revolving Commitment Period for such Revolving Lender's Revolving Commitment computed at the Commitment Fee Rate for such Revolving Commitment on the average daily amount of the Available Revolving Commitment, payable quarterly in arrears on the last day of each March, June, September and December and on the Revolving Termination Date.

(b) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates previously agreed to in writing by the Borrower and the Administrative Agent.

2.7. Termination or Reduction of Commitments.

(a) The Borrower shall have the right, upon notice delivered to the Administrative Agent no later than 1:00 P.M., New York City time, at least three Business Days prior to the proposed date of termination or reduction, to terminate the Revolving Commitments or, from time to time, to reduce the amount of the Revolving Commitments; provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans or Swingline Loans made on the effective date thereof, the Revolving Extensions of Credit of any Revolving Lender would exceed such Revolving Lender's Revolving Commitment. Any such reduction shall be in an amount equal to \$10,000,000, or a whole multiple of \$1,000,000 in excess thereof, shall reduce permanently the Revolving Commitments then in effect and shall be applied to reduce the Revolving Commitments of the Revolving Lenders as the Borrower may designate, but in any event, in the case of Revolving Commitments with the same Revolving Termination Date, on a pro rata basis among such Revolving Commitments based on the respective amount of such Revolving Commitments of each Revolving Lender. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable, provided that such notice may state that it is conditioned upon the effectiveness of other credit facilities (including under this Agreement) or incurrence of other Indebtedness, the consummation of a particular Disposition, the occurrence of a change of control or other event), in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) [Reserved].

2.8. Optional Prepayments.

(a) The Borrower may at any time and from time to time prepay the Loans of any Class, in whole or in part, without premium or penalty, upon notice in such form as may be approved by the

Administrative Agent (including any form on an electronic platform or electronic transmission system as shall be approved by the Administrative Agent), appropriately completed and signed by a Responsible Officer, delivered to the Administrative Agent no later than 1:00 P.M., New York City time, at least three Business Days prior thereto in the case of Eurodollar Loans and no later than 1:00 P.M., New York City time, at least one Business Day prior thereto in the case of ABR Loans, which notice shall specify the date and amount of prepayment, the Class of Loans being prepaid and whether the prepayment is of Eurodollar Loans or ABR Loans; provided, that if a Eurodollar Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.18. Upon receipt of any such notice, the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Revolving Loans that are ABR Loans and Swingline Loans) accrued interest to such date on the amount prepaid. Partial prepayments of Term Loans and Revolving Loans pursuant to this Section 2.8(a) shall be in an aggregate principal amount of \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof. Partial prepayments of Swingline Loans shall be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable, provided that such notice may state that it is conditioned upon the effectiveness of other credit facilities (including under this Agreement) or incurrence of other Indebtedness, the consummation of a particular Disposition, the occurrence of a change of control or other event), in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified prepayment date) if such condition is not satisfied. Any prepayment of Loans of any Class pursuant to this Section 2.8(a) shall be applied to the Loans of such Class of each Lender on a pro rata basis in accordance with the respective amounts of such Loans held by each such Lender.

(b) (i) Notwithstanding anything to the contrary in Section 2.8(a), the Borrower shall have the right at any time and from time to time to prepay Term Loans of any Class, to the Lenders at a prepayment price which is less than, equal to or greater than the principal amount of such Term Loans and on a non pro rata basis (each, an “Offered Voluntary Prepayment”) pursuant to the procedures described in this Section 2.8(b); provided that (A) no Offered Voluntary Prepayment may be made if a Default or Event of Default has occurred and is continuing or if, after giving effect to such Offered Voluntary Prepayment, Available Liquidity would be less than \$250,000,000, (B) any Offered Voluntary Prepayment shall be offered to all Lenders with Term Loans of the Class selected by the Borrower on a pro rata basis and (C) the Borrower shall deliver to the Administrative Agent a certificate of a Responsible Officer of the Borrower stating that (1) no Default or Event of Default has occurred and is continuing or would result from such Offered Voluntary Prepayment and (2) each of the conditions to such Offered Voluntary Prepayment contained in this Section 2.8(b) has been satisfied.

(ii) To the extent the Borrower seeks to make an Offered Voluntary Prepayment, the Borrower will provide written notice from a Responsible Officer of the Borrower to the Administrative Agent (each, an “Offered Prepayment Option Notice”) that the Borrower desires to prepay Term Loans of a specified Class in an aggregate principal amount specified therein by the Borrower (each, a “Proposed Offered Prepayment Amount”). The Proposed Offered Prepayment Amount shall not be less than \$25,000,000 (or such lesser amount if the Term Loans of such specified Class have a lower aggregate amount outstanding at such time). The Offered Prepayment Option Notice shall further specify with respect to the proposed Offered Voluntary Prepayment: (A) the Proposed Offered Prepayment Amount for Term Loans and the Class of Term Loans with respect to such offer is being made, (B) an offered prepayment price range (which may be a single percentage) selected by the Borrower with respect to such proposed Offered Voluntary Prepayment equal to a percentage of par of the principal amount of Term Loans of the applicable Class (the “Offered Range”) and (C) the date by which Lenders are required to indicate their election to participate in such proposed Offered Voluntary Prepayment (the “Acceptance Date”) which shall be at least five Business Days following the date of such Offered Prepayment Option Notice is delivered.

(iii) Upon receipt of an Offered Prepayment Option Notice, the Administrative Agent shall promptly notify each applicable Lender thereof. On or prior to the Acceptance Date, each such Lender may specify by written notice in form reasonably satisfactory to the Administrative Agent (each, a "Lender Participation Notice"; it being understood that a Lender may deliver more than one Lender Participation Notice, and that each such Lender Participation Notice of such Lender shall constitute an independent and unconditional offer, and no such Lender Participation Notice may be contingent on the making of any prepayment with respect to the Offered Loans in respect of any other Lender Participation Notice, or otherwise be contingent or conditional in any way) to the Administrative Agent (A) a minimum price (the "Acceptable Price") within the Offered Range at which such Lender is willing to accept a prepayment of a portion of its Term Loans of the applicable Class and (B) a maximum principal amount (subject to rounding requirements specified by the Administrative Agent) of Term Loans of such Class held by such Lender with respect to which such Lender is willing to permit an Offered Voluntary Prepayment at the Acceptable Price ("Offered Loans"). Based on the Acceptable Prices and principal amounts of Term Loans of the applicable Class specified by the Lenders in the applicable Lender Participation Notice, the Administrative Agent, in consultation with the Borrower, shall determine the applicable prepayment price for Term Loans pursuant to such Offered Voluntary Prepayment (the "Applicable Price"), which Applicable Price shall be (A) the percentage specified by the Borrower if the Borrower has selected a single percentage pursuant to Section 2.8(b)(ii) for the Offered Voluntary Prepayment or (B) otherwise, the lowest Acceptable Price at which the Borrower can pay the Proposed Offered Prepayment Amount in full (determined by adding the principal amounts of Offered Loans commencing with the Offered Loans with the lowest Acceptable Price); provided, however, that in the event that such Proposed Offered Prepayment Amount cannot be repaid in full at any Acceptable Price, the Applicable Price shall be the highest Acceptable Price specified by the Lenders that is within the Offered Range. The Applicable Price shall be applicable for all Lenders who have offered to participate in the Offered Voluntary Prepayment and have Qualifying Loans (as defined below). Any Lender with outstanding Loans whose Lender Participation Notice is not received by the Administrative Agent by the Acceptance Date shall be deemed to have declined to accept an Offered Voluntary Prepayment of any of its Loans at the Applicable Price.

(iv) The Borrower shall make an Offered Voluntary Prepayment by prepaying those Term Loans (or the respective portions thereof) of the applicable Class offered by the Lenders ("Qualifying Lenders") that specify an Acceptable Price that is equal to or less than the Applicable Price ("Qualifying Loans") at the Applicable Price; provided that if the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would exceed the amount of aggregate proceeds required to prepay the Proposed Offered Prepayment Amount, such amounts in each case calculated by applying the Applicable Price, the Borrower shall prepay such Qualifying Loans ratably among the Qualifying Lenders based on their respective principal amounts of such Qualifying Loans (subject to rounding requirements specified by the Administrative Agent). If the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would be less than the amount of aggregate proceeds required to prepay the Proposed Offered Prepayment Amount, such amounts in each case calculated by applying the Applicable Price, the Borrower shall prepay all Qualifying Loans.

(v) Each Offered Voluntary Prepayment shall be made within five Business Days of the Acceptance Date (or such later date as the Administrative Agent shall reasonably agree, given the time required to calculate the Applicable Price and determine the amount and holders of Qualifying Loans), without premium or penalty (and not subject to Section 2.18), upon irrevocable notice (each an "Offered

Voluntary Prepayment Notice”), delivered to the Administrative Agent no later than 1:00 P.M., New York City time, three Business Days prior to the date of such Offered Voluntary Prepayment, which notice shall specify the date and amount of the Offered Voluntary Prepayment and the Applicable Price determined by the Administrative Agent. Upon receipt of any Offered Voluntary Prepayment Notice, the Administrative Agent shall promptly notify each relevant Lender thereof. If any Offered Voluntary Prepayment Notice is given, the amount specified in such notice shall be due and payable to the applicable Lenders, subject to the Applicable Price on the applicable Term Loans, on the date specified therein together with accrued interest (on the par principal amount) to but not including such date on the amount prepaid.

(vi) Prior to the delivery of an Offered Voluntary Prepayment Notice, upon written notice to the Administrative Agent, (A) the Borrower may withdraw its offer to make an Offered Voluntary Prepayment pursuant to any Offered Prepayment Option Notice and (B) any Lender may withdraw its offer to participate in any Offered Voluntary Prepayment pursuant to any Lender Participation Notice.

(vii) To the extent not expressly provided for herein, each Offered Voluntary Prepayment shall be consummated pursuant to reasonable procedures (including as to timing, rounding, minimum amounts, Type and Interest Periods and calculation of Applicable Price in accordance with Section 2.8(b)(iii) above) established by the Administrative Agent in consultation with the Borrower. It is understood and agreed that the Borrower may employ a financial institution or other advisor (whether or not an affiliate of the Administrative Agent) to act as an arranger in connection with any Offered Voluntary Prepayment and, in such event, the Administrative Agent agrees, subject to its internal agency policies, to provide such reasonable cooperation as may be requested by the Borrower in order to facilitate communications from such arranger to the Lenders and otherwise to provide access to Lender Participation Notices.

(viii) Each of the Borrower and the Lenders acknowledges and agrees that Administrative Agent may perform any and all of its duties under this Section 2.8(b) by itself or through any Affiliate of the Administrative Agent and expressly consents to any such delegation of duties by the Administrative Agent such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Administrative Agent and its respective activities in connection with any Offered Voluntary Prepayment provided for in this Section 2.8 as well as activities of the Administrative Agent. Notwithstanding anything set forth herein, the Administrative Agent shall not be required to serve as the auction agent for, or have any other obligations to participate in (other than mechanical administrative duties), or facilitate, any Offered Voluntary Prepayment unless it is reasonably satisfied with the terms and restrictions of such auction.

2.9. Mandatory Prepayments.

(a) If on any date the Borrower or any of its Subsidiaries shall receive Net Cash Proceeds from any Asset Sale or Recovery Event then, with respect to an amount equal to 75% of such Net Cash Proceeds (“Allocated Proceeds”; provided that the Borrower or such Subsidiary may instead deem a portion of such Net Cash Proceeds equal to the first 75% of the Total Net Proceeds to the Borrower or such Subsidiary from such Asset Sale or Recovery Event, when and as received, to be the Allocated Proceeds of such Asset Sale or Recovery Event), (i) if such Allocated Proceeds are not Reinvestment Proceeds, such Allocated Proceeds shall be applied on the fifth Business Day after the date such proceeds are received toward the prepayment of the Term Loans or (ii) if such Allocated Proceeds are Reinvestment Proceeds, on each Reinvestment Prepayment Date, an amount equal to the relevant Reinvestment Prepayment Amount shall be applied toward the prepayment of the Term Loans in the manner specified in Section 2.9(c); provided that, notwithstanding clauses (i) and (ii) above, to the extent

that the terms of the documentation for any First Lien Notes or Pre-Existing Debt that is secured on a pari passu basis with the Obligations under this Agreement require that a portion of such Allocated Proceeds be applied to purchase First Lien Notes or Pre-Existing Debt pursuant to a mandatory offer to purchase such First Lien Notes or Pre-Existing Debt, such Allocated Proceeds may be applied to prepay Term Loans in accordance with Section 2.9(c) and purchase First Lien Notes and/or Pre-Existing Debt on a pro rata basis based on the respective amounts of Term Loans and First Lien Notes and/or Pre-Existing Debt then outstanding.

(b) If on any date the Borrower or any of its Subsidiaries shall receive Net Cash Proceeds from any Debt Incurrence Prepayment Event then with respect to an amount equal to 100% of such Net Cash Proceeds shall be applied toward the prepayment of the Term Loans in the manner specified in Section 2.9(c).

(c) The application of any amounts required to be applied to a prepayment of Term Loans pursuant to Section 2.9(a) shall be made on a pro rata basis to each Class of Term Loans then outstanding (except to the extent that any Incremental Activation Notice for any Class of Incremental Term Loans or Extended Term Loans provide that such Incremental Term Loans or Extended Term Loans shall participate on a lesser basis or not participate at all). The application of any amounts required to be applied to a prepayment of Term Loans pursuant to Section 2.9(b) shall be made, at the Borrower's option (by notice to the Administrative Agent), either (i) on a pro rata basis to each Class of Term Loans then outstanding or (ii) to the Term Loans of each Class in direct order of maturity (based on the respective Term Maturity Dates for such Classes) and, if more than one Class of Term Loans has the same Term Maturity Date, on a pro rata basis between such Classes of Term Loans based on the respective principal amount of such Classes of Term Loans then outstanding. Amounts required to be applied to the prepayment of Term Loans of any Class shall be applied first, to ABR Loans of such Class and, second, to Eurodollar Loans of such Class. Each prepayment of the Term Loans under this Section 2.9 shall be accompanied by accrued interest to the date of such prepayment on the amount prepaid.

2.10. Conversion and Continuation Options.

(a) The Borrower may elect from time to time to convert Eurodollar Loans of any Class to ABR Loans of such Class by giving the Administrative Agent at least two Business Days' prior irrevocable notice of such election, provided that any such conversion of Eurodollar Loans may only be made on the last day of an Interest Period with respect thereto. The Borrower may elect from time to time to convert ABR Loans of any Class to Eurodollar Loans of such Class by giving the Administrative Agent irrevocable notice of such election no later than 1:00 P.M. New York City time, on the third Business Day prior to the proposed conversion date (which notice shall specify the length of the initial Interest Period therefor), provided that no ABR Loan may be converted into a Eurodollar Loan when any Event of Default has occurred and is continuing. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any Eurodollar Loan may be continued as such by the Borrower giving irrevocable notice to the Administrative Agent at least three Business Days prior to the expiration of the then current Interest Period, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans, provided that (i) if so required by the Administrative Agent, no Eurodollar Loan may be continued as such when any Event of Default has occurred and is continuing and (ii) if the Borrower shall fail to give any required notice as described above in this paragraph, the relevant Eurodollar Loans shall be automatically converted to Eurodollar Loans having a one-month Interest Period on the last day of the then expiring Interest Period. Upon receipt of any such notice, the Administrative Agent shall promptly notify each relevant Lender thereof.

2.11. Limitations on Eurodollar Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Eurodollar Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Eurodollar Tranche shall be equal to \$10,000,000 or a whole multiple of \$1,000,000 in excess thereof and (b) no more than fifteen Eurodollar Tranches shall be outstanding at any one time.

2.12. Interest Rates and Payment Dates.

(a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurodollar Rate determined for such day plus the Applicable Margin.

(b) Each ABR Loan shall bear interest at a rate per annum equal to the ABR plus the Applicable Margin.

(c) (i) If all or a portion of the principal amount of any Loan or Reimbursement Obligation shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), all outstanding Loans and Reimbursement Obligations (whether or not overdue) shall bear interest at a rate per annum equal to (x) in the case of the Loans, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2% or (y) in the case of Reimbursement Obligations, the Applicable Margins (based on the Revolving Percentages of the Revolving Lenders in such Reimbursement Obligations) for ABR Loans under the Revolving Facility plus 2%, and (ii) if all or a portion of any interest payable on any Loan or Reimbursement Obligation or any commitment fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to ABR Loans of the relevant Class (and, in the case of the amount payable to any Revolving Lender, based on the Applicable Margins then in effect for such Revolving Lender's Revolving Commitments) plus 2% (or, in the case of any such other amounts that do not relate to a particular Class, the rate then applicable to ABR Loans under the Revolving Facility (based on the highest Applicable Margins then in effect for any Revolving Commitments) plus 2%), in each case, with respect to clauses (i) and (ii) above, from the date of such non-payment until such amount is paid in full (as well after as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to paragraph (c) of this Section shall be payable from time to time on demand.

2.13. Computation of Interest and Fees.

(a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to ABR Loans the rate of interest on which is calculated on the basis of the Prime Rate, the interest thereon shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a Eurodollar Rate. Any change in the interest rate on a Loan resulting from a change in the ABR or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.12(a).

2.14. Inability to Determine Interest Rate. If prior to the first day of any Interest Period:

(a) the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Interest Period, or

(b) the Administrative Agent shall have received notice from the Majority Facility Lenders in respect of any Class of Loans that the Eurodollar Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as conclusively certified by such Lenders) of making or maintaining their affected Loans during such Interest Period,

the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given, (x) any Eurodollar Loans of the relevant Class requested to be made on the first day of such Interest Period shall be made as ABR Loans, (y) any Loans of the relevant Class that were to have been converted on the first day of such Interest Period to Eurodollar Loans shall be continued as ABR Loans and (z) any outstanding Eurodollar Loans of the relevant Class shall be converted, on the last day of the then-current Interest Period, to ABR Loans. Until such notice has been withdrawn by the Administrative Agent, no further Eurodollar Loans of the relevant Class shall be made or continued as such, nor shall the Borrower have the right to convert Loans of the relevant Class to Eurodollar Loans.

2.15. Pro Rata Treatment and Payments.

(a) Except for payments pursuant to Section 2.8(b) (which shall reduce only all installments of principal on the Term Loans prepaid), the amount of each principal prepayment of Term Loans of any Class shall be applied to reduce the then remaining installments of principal of such Class on a pro rata basis based upon the then remaining principal amount of such installments. Amounts repaid or prepaid on account of the Term Loans may not be reborrowed.

(b) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 1:00 P.M., New York City time, on the due date thereof to the Administrative Agent, for the account of the applicable Lenders, at the Funding Office, in Dollars and in immediately available funds. The Administrative Agent shall distribute such payments to the Lenders entitled thereto promptly upon receipt in like funds as received. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, Reimbursement Obligations, interest, fees and other amounts then due and payable by the Borrower hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and Reimbursement Obligations then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and Reimbursement Obligations then due to such parties, and (iii) third, towards the payment of all other amounts then due hereunder, ratably among the parties entitled thereto in accordance with the amount of such amounts then due to such parties. If any

payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(c) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon at a rate equal to the greater of (i) the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Administrative Agent and (ii) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days of such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to ABR Loans of the relevant Class, on demand, from the Borrower. Nothing in this paragraph shall be deemed to limit the rights of the Administrative Agent or the Borrower against any Lender.

(d) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment being made hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days of such required date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

(e) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Section 2, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Loan set forth in Section 5.2 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

2.16. Requirements of Law.

(a) If any Change in Law:

(i) shall subject any Lender (including any Issuing Lender) to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any Application or any Eurodollar Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes covered by Section 2.17 and changes in the rate of tax on the overall net income of such Lender);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender that is not otherwise included in the determination of the Eurodollar Rate hereunder; or

(iii) shall impose on such Lender or Issuing Lender any other condition;

and the result of any of the foregoing is to increase the cost to such Lender or Issuing Lender, by an amount that such Lender or Issuing Lender deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans or issuing or participating in Letters of Credit, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender or Issuing Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable. If any Lender or Issuing Lender becomes entitled to claim any additional amounts pursuant to this paragraph, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender or Issuing Lender shall have determined that any Change in Law regarding capital adequacy or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender therewith shall have the effect of reducing the rate of return on such Lender's or Issuing Lender's or such corporation's capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or Issuing Lender or such corporation could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Lender's or such corporation's policies with respect to capital adequacy) by an amount deemed by such Lender or Issuing Lender to be material, then from time to time, after submission by such Lender or Issuing Lender to the Borrower (with a copy to the Administrative Agent) of a written request therefor, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or Issuing Lender for such reduction; provided that the Borrower shall not be required to compensate a Lender or Issuing Lender pursuant to this paragraph for any amounts incurred more than six months prior to the date that such Lender or Issuing Lender notifies the Borrower of such Lender's or Issuing Lender's intention to claim compensation therefor; and provided further that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(c) A certificate as to any additional amounts payable pursuant to this Section submitted by any Lender or Issuing Lender to the Borrower (with a copy to the Administrative Agent) shall be conclusive in the absence of manifest error. The obligations of the Borrower pursuant to this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.17. Taxes.

(a) All payments made by the Borrower under this Agreement shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed,

levied, collected, withheld or assessed by any Governmental Authority, excluding net income taxes and franchise taxes (imposed in lieu of net income taxes) imposed on the Administrative Agent or any Lender as a result of a present or former connection between the Administrative Agent or such Lender and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising solely from the Administrative Agent or such Lender having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any other Loan Document), and excluding any U.S. federal withholding Taxes under FATCA imposed on the Administrative Agent or any Lender. If any such non-excluded taxes, levies, imposts, duties, charges, fees, deductions or withholdings (“Non-Excluded Taxes”) or Other Taxes are required to be withheld from any amounts payable to the Administrative Agent or any Lender hereunder, the amounts so payable to the Administrative Agent or such Lender shall be increased to the extent necessary to yield to the Administrative Agent or such Lender (after payment of all Non-Excluded Taxes and Other Taxes) interest or any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement, provided, however, that the Borrower shall not be required to increase any such amounts payable to any Lender with respect to any Non-Excluded Taxes (i) that are attributable to such Lender’s failure to comply with the requirements of paragraph (d) or (e) of this Section or (ii) that are United States withholding taxes imposed on amounts payable to such Lender at the time the Lender becomes a party to this Agreement, except to the extent that such Lender’s assignor (if any) was entitled, at the time of assignment, to receive additional amounts from the Borrower with respect to such Non-Excluded Taxes pursuant to this paragraph.

(b) In addition, the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Whenever any Non-Excluded Taxes or Other Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for its own account or for the account of the relevant Lender, as the case may be, a certified copy of an original official receipt received by the Borrower showing payment thereof. If the Borrower fails to pay any Non-Excluded Taxes or Other Taxes when due to the appropriate taxing authority or fails to remit to the Administrative Agent the required receipts or other required documentary evidence, the Borrower shall indemnify the Administrative Agent and the Lenders for any incremental taxes, interest or penalties that may become payable by the Administrative Agent or any Lender as a result of any such failure.

(d) Each Lender (or Transferee) that is not a “U.S. Person” as defined in Section 7701(a)(30) of the Code (a “Non-U.S. Lender”) shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) two copies of either U.S. Internal Revenue Service Form W-8BEN or Form W-8ECI, or, in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of “portfolio interest”, a statement substantially in the form of Exhibit F and a Form W-8BEN, or any subsequent versions thereof or successors thereto, properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from U.S. federal withholding tax on all payments by the Borrower under this Agreement and the other Loan Documents. Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation). In addition, each Non-U.S. Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Non-U.S. Lender. Each Non-U.S. Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the U.S. taxing authorities for such purpose). The inability of a Non-U.S. Lender (or a Transferee) to deliver any form pursuant to this Section 2.17(d) as a result of a change in law after the date such Lender (or a Transferee)

becomes a Lender (or a Transferee) hereunder or as a result of a change in circumstances of the Borrower or the use of proceeds of such Lender's (or Transferee's) Loans shall not constitute a failure to comply with this Section 2.17(d) and accordingly the indemnities to which such Person is entitled pursuant to this Section 2.17 shall not be affected as a result of such inability. If a Lender (or Transferee) as to which the preceding sentence does not apply is unable to deliver any form pursuant to this Section 2.17(d), the sole consequence of such failure to deliver as a result of such inability shall be that the indemnity described in Section 2.17(a) hereof for any Non-Excluded Taxes shall not be available to such Lender or Transferee with respect to the period that would otherwise be covered by such form.

(e) A Lender that is entitled to an exemption from non-U.S. withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding, provided that such Lender is legally entitled to complete, execute and deliver such documentation and in such Lender's judgment such completion, execution or submission would not materially prejudice the legal position of such Lender.

(f) Any Lender (or Transferee) claiming any indemnity payment or additional amounts payable pursuant to Section 2.17(a) shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document reasonably requested in writing by the Borrower if the making of such a filing would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue.

(g) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(h) The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.18. Indemnity. The Borrower agrees to indemnify each Lender and to hold each Lender harmless from any loss or expense that such Lender may sustain or incur as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment of or conversion from Eurodollar Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment of Eurodollar Loans on a day that is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or

continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market; provided that such calculation may not take into account any Eurodollar "floor". A certificate as to any amounts payable pursuant to this Section submitted to the Borrower by any Lender shall be conclusive in the absence of manifest error. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.19. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.16 or 2.17(a) with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; provided, that such designation is made on terms that, in the sole judgment of such Lender, cause such Lender and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of any Borrower or the rights of any Lender pursuant to Section 2.16 or 2.17(a).

2.20. Replacement of Lenders. The Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.16 or 2.17(a) or (b) becomes a Defaulting Lender, with a replacement financial institution; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) in the case of clause (a), prior to any such replacement, such Lender shall have taken no action under Section 2.19 which has eliminated the continued need for payment of amounts owing pursuant to Section 2.16 or 2.17(a), (iv) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement, (v) the Borrower shall be liable to such replaced Lender under Section 2.18 if any Eurodollar Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto, (vi) the replacement financial institution, if not already a Lender, shall be reasonably satisfactory to the Administrative Agent (and, if a Revolving Commitment is being assigned, such replacement financial institution, if not previously a Revolving Lender that is not a Defaulting Lender, shall be reasonably satisfactory to the Administrative Agent and each Issuing Lender), (vii) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein), (viii) until such time as such replacement shall be consummated, the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.16 or 2.17(a), as the case may be, and (ix) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Agents or any other Lender shall have against the replaced Lender.

In the event that any Lender (a "Non-Consenting Lender") fails to consent to any proposed amendment, modification, termination, waiver or consent with respect to any provision hereof or of any other Loan Document that requires the unanimous approval of all of the Lenders or the approval of all of the Lenders directly affected thereby, in each case in accordance with the terms of Section 10.1, the Borrower shall be permitted to replace such Non-Consenting Lender with a replacement financial institution satisfactory to the Administrative Agent (if such replacement financial institution was not already a Lender) and, if such replacement involves the assignment of a Revolving Commitment to a Person other than a Revolving Lender that is not a Defaulting Lender, the Administrative Agent and each Issuing Lender, so long as the consent of the Required Lenders shall have been obtained with respect to

such amendment, modification, termination, waiver or consent; provided that (i) such replacement does not conflict with any applicable law, treaty, rule or regulation or determination of an arbitrator or a court or other Governmental Authority, (ii) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to the Non-Consenting Lender pursuant to the Loan Documents on or prior to the date of replacement, (iii) the replacement financial institution shall approve the proposed amendment, modification, termination, waiver or consent, (iv) the Borrower shall be liable to the Non-Consenting Lender under Section 2.18 if any Eurodollar Loan owing to the Non-Consenting Lender shall be purchased other than on the last day of the Interest Period relating thereto, (v) the Non-Consenting Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6(c) (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein), (vi) until such time as such replacement shall be consummated, the Borrower shall pay to the Non-Consenting Lender all additional amounts (if any) required pursuant to Section 2.16, 2.17 or 2.18, as the case may be, (vii) the Borrower provides at least three Business Days' prior notice to the Non-Consenting Lender, and (viii) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the Non-Consenting Lender. In the event any Non-Consenting Lender fails to execute the agreements required under Section 10.6 in connection with an assignment pursuant to this Section 2.20, the Borrower may, upon two Business Days' prior notice to the Non-Consenting Lender, execute such agreements on behalf of the Non-Consenting Lender.

2.21. Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Revolving Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8.2 or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.7), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to each Issuing Lender and Swingline Lender hereunder; third, if so determined by the Administrative Agent or requested by an Issuing Lender or Swingline Lender, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Swingline Loan or Letter of Credit based upon the Fronting Exposure arising from that Defaulting Lender; fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Revolving Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Revolving Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders, the Issuing Lender or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Lender or Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, to that Defaulting

Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or any unreimbursed drawing under any Letter of Credit in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made or Letters of Credit were issued at a time when the conditions set forth in Section 5.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and unreimbursed drawings under Letters of Credit owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or unreimbursed drawings under Letters of Credit owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.21(a)(i) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(ii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive any commitment fee pursuant to Section 2.6(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender during such period) (and the Borrower shall (A) be required to pay to each applicable Issuing Lender and the Swingline Lender, as applicable, the amount of such fee allocable to its Fronting Exposure arising from that Defaulting Lender and (B) not be required to pay the remaining amount of such fee that otherwise would have been required to have been paid to that Defaulting Lender, in each case, during such period that such Lender is a Defaulting Lender) and (y) shall be limited in its right to receive fees in respect of Letters of Credit as provided in Section 3.3(a).

(iii) Reallocation of Revolving Percentages to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swingline Loans pursuant to Sections 2.5 and 3.4, the "Revolving Percentage" of each non-Defaulting Lender shall be computed without giving effect to the Revolving Commitment of that Defaulting Lender (but subject to the other limitations contained in the definition of Revolving Percentage relating to Later Expiring Letters of Credit); provided, that (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default exists; and (ii) the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swingline Loans shall not exceed the positive difference, if any, of (1) the Revolving Commitment of that non-Defaulting Lender minus (2) the aggregate outstanding amount of the Revolving Loans of that Lender.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, Swingline Lender and each Issuing Lender agree in writing in their sole discretion that a Defaulting Lender no longer falls under the definition of Defaulting Lender, the Administrative Agent will so notify the Revolving Lenders, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Revolving Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Revolving Lenders in accordance with their Revolving Percentages (without giving effect to Section 2.21(a)(iii) but giving effect to the other limitations set forth in the definition of Revolving Percentage relating to Later Expiring Letters of Credit), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued

or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties or except as provided in Section 10.19, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

2.22. Obligations of Lenders Several. The obligations of the Lenders hereunder to make Term Loans and Revolving Loans, to fund participations in Letters of Credit and Swingline Loans, as applicable, and to make payments pursuant to Section 9.7 are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.7 on any date required hereunder shall not relieve any other Lender of its corresponding obligation (if any) to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.7.

2.23. Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Borrower to all Lenders (other than, with respect to any Permitted Debt Exchange Offer that constitutes an offering of securities, any Lender that (A) if requested by the Borrower, is unable to certify that it is (i) a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act), (ii) an institutional "accredited investor" (as defined in Rule 501 under the Securities Act) or (iii) not a "U.S. person" (as defined in Rule 902 under the Securities Act) or (B) is not legally permitted to own or hold securities) with outstanding Term Loans of a particular Class, the Borrower may from time to time consummate one or more exchanges of such Term Loans for Indebtedness (in the form of senior secured, senior unsecured, senior subordinated, or subordinated notes or loans) (such Indebtedness, "Permitted Debt Exchange Notes" and each such exchange, a "Permitted Debt Exchange"), so long as the following conditions are satisfied:

(i) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Term Lenders (other than, with respect to any Permitted Debt Exchange Offer that constitutes an offering of securities, any Lender that (A) if requested by the Borrower, is unable to certify that it is (i) a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act), (ii) an institutional "accredited investor" (as defined in Rule 501 under the Securities Act) or (iii) not a "U.S. person" (as defined in Rule 902 under the Securities Act) or (B) is not legally permitted to own or hold securities) of each applicable Class based on their respective aggregate principal amounts of outstanding Term Loans under each such Class;

(ii) the aggregate principal amount (calculated on the face amount thereof) of such Permitted Debt Exchange Notes shall not exceed the aggregate principal amount (calculated on the face amount thereof) of Term Loans so refinanced, except by an amount equal to any fees, expenses, commissions, underwriting discounts and premiums payable in connection with such Permitted Debt Exchange;

(iii) the stated final maturity of such Permitted Debt Exchange Notes is not earlier than the Term Maturity Date for the Class or Classes of Term Loans being exchanged, and such stated final maturity is not subject to any conditions that could result in such stated final maturity occurring on a date that precedes such Term Maturity Date (it being understood that acceleration or mandatory repayment, prepayment, redemption or repurchase of such Permitted Debt Exchange Notes upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition shall not be deemed to constitute a change in the stated final maturity thereof);

(iv) such Permitted Debt Exchange Notes are not required to be repaid, prepaid, redeemed, repurchased or defeased, whether on one or more fixed dates, upon the occurrence of one or more events or at the option of any holder thereof (except, in each case, upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition) prior to the Term Maturity Date for the Class or Classes of Term Loans being exchanged, provided that, notwithstanding the foregoing, scheduled amortization payments (however denominated, including scheduled offers to repurchase) of such Permitted Debt Exchange Notes shall be permitted so long as the Weighted Average Life to Maturity of such Indebtedness shall be longer than the remaining Weighted Average Life to Maturity of the Class or Classes of Term Loans being exchanged;

(v) no Subsidiary is a borrower or guarantor with respect to such Indebtedness unless such Subsidiary is a Subsidiary Guarantor which shall have previously or substantially concurrently guaranteed the Obligations;

(vi) if such Permitted Debt Exchange Notes are secured (A) such Permitted Debt Exchange Notes are not secured by any assets not securing the Obligations under this Agreement unless such assets substantially concurrently secure the Obligations under this Agreement and (B) the beneficiaries thereof (or an agent on their behalf) shall have (1) become party to the First Lien Intercreditor Agreement pursuant to the terms thereof or (2) entered into a customary intercreditor agreement with the Administrative Agent that is reasonably satisfactory to the Administrative Agent and the Borrower;

(vii) the terms and conditions of such Permitted Debt Exchange Notes (excluding pricing and optional prepayment or redemption terms or covenants or other provisions applicable only to periods after the Term Maturity Date of the Class or Classes of Term Loans being exchanged) reflect market terms and conditions at the time of incurrence or issuance; provided that if such Permitted Debt Exchange Notes contain any financial maintenance covenants, such covenants shall not be tighter than (or in addition to) those contained in this Agreement (unless such covenants are also added for the benefit of the Lenders under this Agreement, in which case any requirement to so comply shall not require the consent of any Lender or Agent hereunder);

(viii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged under each applicable Class by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), and accrued and unpaid interest on such Term Loans shall be paid to the exchanging Lenders on the date of consummation of such Permitted Debt Exchange, or, if agreed to by the Borrower and the Administrative Agent, the next scheduled Interest Payment Date with respect to such Term Loans (with such interest accruing until the date of consummation of such Permitted Debt Exchange);

(ix) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of a given Class tendered by Lenders in respect of the relevant Permitted Debt

Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans under the relevant Class tendered by such Lenders ratably up to such maximum based on the respective principal amounts so tendered, or, if such Permitted Debt Exchange Offer shall have been made with respect to multiple Classes without specifying a maximum aggregate principal amount offered to be exchanged for each Class, and the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of all Classes tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of all relevant Classes offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans across all Classes subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered;

(x) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Administrative Agent; and

(xi) any applicable Minimum Tender Condition or Maximum Tender Condition, as the case may be, shall be satisfied or waived by the Borrower.

Notwithstanding anything to the contrary herein, no Lender shall have any obligation to agree to have any of its Loans or Commitments exchanged pursuant to any Permitted Debt Exchange Offer.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.17, such Permitted Debt Exchange Offer shall be made for not less than \$25,000,000 in aggregate principal amount of Term Loans, provided that subject to the foregoing the Borrower may at its election specify (A) as a condition (a "Minimum Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered and/or (B) as a condition (a "Maximum Tender Condition") to consummating any such Permitted Debt Exchange that no more than a maximum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes will be accepted for exchange. The Administrative Agent and the Lenders hereby acknowledge and agree that the provisions of Section 2.7, 2.8, 2.9 and 2.15 do not apply to the Permitted Debt Exchange and the other transactions contemplated by this Section 2.23 and hereby agree not to assert any Default or Event of Default in connection with the implementation of any such Permitted Debt Exchange or any other transaction contemplated by this Section 2.23 provided that such implementations or such other transactions are transactions are effectual in accordance with this Section 2.23.

(c) In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.23; provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to

participate in such Permitted Debt Exchange shall be not less than five (5) Business Days following the date on which the Permitted Debt Exchange Offer is made. The Borrower shall provide the final results of such Permitted Debt Exchange to the Administrative Agent no later than three (3) Business Days prior to the proposed date of effectiveness for such Permitted Debt Exchange (or such shorter period agreed to by the Administrative Agent in its sole discretion) and the Administrative Agent shall be entitled to conclusively rely on such results.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (i) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (ii) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Exchange Act.

SECTION 3 LETTERS OF CREDIT

3.1. L/C Commitment.

(a) Subject to the terms and conditions hereof, each Issuing Lender, in reliance on the agreements of the other Revolving Lenders set forth in Section 3.4(a), agrees to issue letters of credit ("Letters of Credit") for the account of the Borrower on any Business Day during a Revolving Commitment Period in such form as may be approved from time to time by such Issuing Lender (it being understood that any commercial Letter of Credit shall provide for sight drafts and not bankers acceptances); provided that no Issuing Lender shall issue any Letter of Credit if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment or (ii) the aggregate amount of the Available Revolving Commitments would be less than zero. Each Letter of Credit shall (i) be denominated in Dollars and (ii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date that is five Business Days prior to the then latest Revolving Termination Date, provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (y) above). Each Existing Letter of Credit shall be deemed to be issued pursuant to this Section 3.1(a) on the Restatement Effective Date. Notwithstanding the foregoing, the Borrower and any Issuing Lender may from time to time pursuant to a written agreement or any amendment thereto executed by the Borrower and such Issuing Lender and delivered to the Administrative Agent, agree that such Issuing Lender shall not be required to issue a particular type of Letter of Credit and/or that the amount of Letters of Credit to be issued by such Issuing Lender shall be less than the full amount of the L/C Commitment and/or different from the amount referenced in Section 3.1(b)(iii), in which case, such Issuing Lender shall not be required to issue any Letter of Credit to the extent such issuance would be inconsistent with such agreement between the Borrower and such Issuing Lender.

(b) No Issuing Lender shall be obligated to issue any Letter of Credit hereunder if:

(i) such issuance would conflict with, or cause such Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable Requirement of Law;

(ii) any Lender is at that time a Defaulting Lender, unless such Issuing Lender has entered into arrangements, including, if requested, the delivery of Cash Collateral, reasonably satisfactory to the Issuing Lender with the Borrower or such Lender to eliminate such Issuing Lender's actual or potential Fronting Exposure (after giving effect to Section 2.21(a)(iii)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such Issuing Lender has actual or potential Fronting Exposure, as it may elect in its sole discretion;

(iii) subject to the last sentence of Section 3.1(a), if the aggregate amount of the L/C Obligations in respect of Letters of Credit issued by such Issuing Bank would exceed one-third (1/3) of the L/C Commitment; or

(iv) the issuance thereof would otherwise conflict with any separate written agreement between the Borrower and such Issuing Lender.

3.2. Procedure for Issuance of Letter of Credit. The Borrower may from time to time request that any Issuing Lender issue a Letter of Credit by delivering to such Issuing Lender an Application therefor, completed to the satisfaction of such Issuing Lender, and such other certificates, documents and other papers and information as such Issuing Lender may request. Upon receipt of any Application, the relevant Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue the Letter of Credit requested thereby (but in no event shall such Issuing Lender be required to issue any Letter of Credit earlier than three (3) Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed to by such Issuing Lender and the Borrower. The relevant Issuing Lender shall furnish a copy of such Letter of Credit to the Borrower promptly following the issuance thereof. The relevant Issuing Lender shall promptly furnish to the Administrative Agent, which shall in turn promptly furnish to the Lenders, notice of the issuance of each Letter of Credit (including the amount thereof).

3.3. Fees and Other Charges.

(a) The Borrower will pay a fee for the benefit of each Revolving Lender on all outstanding Letters of Credit at a per annum rate equal to the product of (i) the Applicable Margin then in effect with respect to Eurodollar Loans made pursuant to the Revolving Commitment of such Revolving Lender and (ii) such Revolving Lender's daily Revolving Percentage of the undrawn and unexpired amount of each Letters of Credit, payable quarterly in arrears on each L/C Fee Payment Date after the issuance date; provided, however, for the avoidance of doubt, any such fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the Issuing Lender pursuant to this Section 3 shall be payable, to the maximum extent permitted by applicable Law, to the other Revolving Lenders in accordance with the upward adjustments in their respective Revolving Percentages allocable to such Letter of Credit pursuant to Section 2.21(a)(iii), with the balance of such fee, if any, payable to the Issuing Lender for its own account. In addition, the Borrower shall pay to the relevant Issuing Lender for its own account a fronting fee with respect to each Letter of Credit at a per annum rate of 0.125% or a lower rate separately agreed between the Borrower and such Issuing Lender on the undrawn and unexpired amount of each Letter of Credit issued by such Issuing Lender, payable quarterly in arrears on each L/C Fee Payment Date after the relevant issuance date.

(b) In addition to the foregoing fees, unless otherwise agreed by the relevant Issuing Lender, the Borrower shall pay or reimburse each Issuing Lender for such normal and customary costs and expenses as are incurred or charged by such Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit issued by it.

3.4. L/C Participations.

(a) Each Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce the Issuing Lenders to issue Letters of Credit hereunder, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from each Issuing Lender, on the terms and conditions hereinafter stated, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Revolving Percentage in each Issuing Lender's obligations and rights under each Letter of Credit issued by it hereunder and the amount of each draft paid by such Issuing Lender thereunder. Each L/C Participant unconditionally and irrevocably agrees with each Issuing Lender that, if a draft is paid under any Letter of Credit issued by such Issuing Lender for which such Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement, such L/C Participant shall pay to such Issuing Lender through the Administrative Agent upon demand an amount equal to such L/C Participant's Revolving Percentage of the amount of such draft, or any part thereof, that is not so reimbursed. Each L/C Participant's obligation to make such payment to such Issuing Lender as contemplated by this Section 3.4(a), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such Issuing Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or Event of Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing. No such payment by any L/C Participant shall relieve or otherwise impair the obligation of the Borrower to reimburse such Issuing Lender for the amount of any payment made by such Issuing Lender under any Letter of Credit, together with interest as provided herein.

(b) If any amount required to be paid by any L/C Participant to any Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by such Issuing Lender under any Letter of Credit is paid to such Issuing Lender within three (3) Business Days after the date such payment is due, such L/C Participant shall pay to such Issuing Lender on demand an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to such Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not made available to the relevant Issuing Lender by such L/C Participant within three (3) Business Days after the date such payment is due, such Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to ABR Loans under the Revolving Commitments of such Lender. A certificate of the relevant Issuing Lender submitted to any L/C Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after the relevant Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its pro rata share of such payment in accordance with Section 3.4(a), such Issuing Lender receives any payment through the Administrative Agent related to such Letter of Credit (whether directly from the Borrower or otherwise, including proceeds of collateral applied thereto by such Issuing Lender), or any payment of interest on account thereof, the Administrative Agent will distribute to each such Issuing Lender will distribute to each L/C Participant its pro rata share thereof; provided, however, that in the event that any such payment received by such Issuing Lender shall be required to be returned by such Issuing Lender, such L/C Participant shall return to the Administrative Agent the portion thereof previously distributed by such Issuing Lender to it.

3.5. Reimbursement Obligation of the Borrower. If any draft is paid under any Letter of Credit, the Borrower shall reimburse the relevant Issuing Lender for the amount of (a) the draft so paid and (b) any taxes, fees, charges or other costs or expenses incurred by such Issuing Lender in connection

with such payment, not later than 1:00 P.M., New York City time, on the day that the Borrower receives notice of payment of such draft. Each such payment shall be made to the relevant Issuing Lender in lawful money of the United States and in immediately available funds. Interest shall be payable on any and all amounts remaining unpaid by the Borrower under this Section from the date such amounts become payable (whether at stated maturity, by acceleration or otherwise) (or from the date the relevant draft is paid, if notice thereof is received by the Borrower prior to 10:00 A.M., New York City time, on such date) until payment in full at the rate set forth in (i) until the second Business Day following the date of the applicable drawing, Section 2.12(b) and (ii) thereafter, Section 2.12(c).

3.6. Obligations Absolute. The Borrower's obligations under this Section 3 shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Borrower may have or have had against any Issuing Lender, any beneficiary of a Letter of Credit or any other Person. The Borrower also agrees with each Issuing Lender and L/C Participant that no Issuing Lender or L/C Participant shall be responsible for, and the Borrower's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee. No Issuing Lender shall be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for errors or omissions found by a final non-appealable decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the relevant Issuing Lender. The Borrower agrees that any action taken or omitted by any Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence or willful misconduct and in accordance with the standards of care specified in the New York UCC, shall be binding on the Borrower and shall not result in any liability of any Issuing Lender to the Borrower.

3.7. Letter of Credit Payments. If any draft shall be presented for payment under any Letter of Credit, the relevant Issuing Lender shall promptly notify the Borrower of the date and amount thereof. The responsibility of each Issuing Lender to the Borrower in connection with any draft presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.

3.8. Cash Collateral.

(a) Certain Credit Support Events. Upon the request of the Administrative Agent or any Issuing Lender (i) if an Issuing Lender has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in a Reimbursement Obligation, or (ii) if, as of the date the Total Revolving Commitment has terminated, any Letter of Credit or Reimbursement Obligation for any reason remains outstanding, the Borrower shall, in each case, promptly but in any event within two Business Days of demand, Cash Collateralize the then outstanding amount of all Letters of Credit and Reimbursement Obligations. At any time that there shall exist a Defaulting Lender, forthwith upon the request of the Administrative Agent, any Issuing Lender or the Swingline Lender, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover all Fronting Exposure (after giving effect to Section 2.21(a)(iii) and any Cash Collateral provided by the Defaulting Lender). If at any time the Administrative Agent determines that any funds held as Cash Collateral are

subject to any right or claim of any Person other than the Administrative Agent or that the total amount of such funds is less than the aggregate outstanding of obligations required to be Cash Collateralized, the Borrower will, promptly but in any event within two Business Days of demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited as Cash Collateral, an amount equal to the excess of (x) such aggregate amount required to be Cash Collateralized over (y) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Laws, to reimburse the applicable Issuing Lender.

(b) Grant of Security Interest. All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, non-interest bearing deposit accounts at the Administrative Agent. The Borrower, and to the extent provided by any Lender, such Lender, hereby grant to (and subject to the control of) the Administrative Agent, for the benefit of the Administrative Agent, each Issuing Lender and the Swingline Lender, and agree to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to clause (c) below.

(c) Application. Notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, Cash Collateral provided in respect of Letters of Credit or Swingline Loans shall be held and upon the occurrence and continuation of an Event of Default applied to the satisfaction of the specific Letters of Credit, Reimbursement Obligations, Swingline Loans, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may be provided for in the Loan Documents.

(d) Release. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 10.6(b)) or (ii) the Administrative Agent's good faith determination that there exists excess Cash Collateral; provided, however, (x) that Cash Collateral furnished by or on behalf of the Borrower shall not be released during the continuance of a Default or Event of Default (and following application as provided in clause (c) above may be otherwise applied in accordance with the Loan Documents), and (y) the Person providing Cash Collateral and the Issuing Lender or Swingline Lender, as applicable, may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

3.9. Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Section 3, the provisions of this Section 3 shall apply.

3.10. Applicability of ISP and UCP. Unless otherwise expressly agreed by the relevant Issuing Lender and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance shall apply to each commercial Letter of Credit.

SECTION 4 REPRESENTATIONS AND WARRANTIES

To induce the Administrative Agent and the Lenders to enter into this Agreement and to make the Loans and issue or participate in the Letters of Credit, Holdings and the Borrower hereby jointly and severally represent and warrant to the Administrative Agent and each Lender that:

4.1. Financial Condition. The condensed consolidating balance sheet information for the Borrower and its Subsidiaries as at December 31, 2015 and the related condensed consolidating statement of operations and cash flows information for the Borrower and its Subsidiaries for the fiscal year ended on such date, as included in Footnote 26 to the audited consolidated financial statements of CCI as at, and for the year ended, December 31, 2015, have been prepared based on the best information available to the Borrower as of the date of delivery thereof, and present fairly the consolidated financial condition of the Borrower as at such date, and the consolidated results of its operations and its consolidated cash flows for the period then ended on the basis described therein. Such financial information has been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by KPMG and disclosed therein or as otherwise disclosed therein). As of the Restatement Effective Date, the Borrower and its Subsidiaries do not have any material Guarantee Obligations, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are not reflected in such financial statements of CCI.

4.2. No Change. Since December 31, 2015 there has been no event, development or circumstance that has had or could reasonably be expected to have a Material Adverse Effect.

4.3. Existence; Compliance with Law. Each of Holdings, the Borrower and its Subsidiaries (a) except in the case of any Shell Subsidiary and any former Shell Subsidiary until it becomes a Loan Party pursuant to Section 6.9, is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has the power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign entity and in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification and (d) is in compliance with all Requirements of Law, in each case with respect to clauses (b), (c) and (d), except as could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.4. Power; Authorization; Enforceable Obligations. Each Loan Party has the power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to borrow hereunder. Each Loan Party has taken all necessary action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the borrowings on the terms and conditions of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person is required in connection with the borrowings hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement or any of the Loan Documents, other than those that have been obtained or made and are in full force and effect. Each Loan Document has been duly executed and delivered on behalf of each Loan Party party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a valid and legally binding obligation of each Loan Party party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

4.5. No Legal Bar. The execution, delivery and performance of this Agreement and the other Loan Documents, the issuance of Letters of Credit, the borrowings hereunder and the use of the proceeds thereof, will not violate any material Requirement of Law or any material Contractual Obligation of any Designated Holding Company, the Borrower or any of its Subsidiaries and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than the Liens created by the Guarantee and Collateral Agreement or permitted by Section 7.3(o)).

4.6. Litigation. No litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of Holdings or the Borrower, threatened by or against Holdings, the Borrower or any of its Subsidiaries, or against any of their respective properties or revenues (a) with respect to any of the Loan Documents or any of the transactions contemplated hereby or thereby, or (b) that could reasonably be expected to have a Material Adverse Effect.

4.7. No Default. None of Holdings, the Borrower or any of its Subsidiaries is in default under or with respect to any of its Contractual Obligations in any respect that could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

4.8. Ownership of Property; Liens. Each of Holdings, the Borrower and its Subsidiaries has marketable title to, or a valid leasehold interest in, all its real property, and good title to, or a valid leasehold interest in, all its other property (in each case except as could not reasonably be expected to have a Material Adverse Effect), and none of such property is subject to any Lien except Liens not prohibited by Section 7.3.

4.9. Intellectual Property. Each of Holdings, the Borrower and each of its Subsidiaries owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted, except as could not reasonably be expected to have a Material Adverse Effect. No claim has been asserted and is pending by any Person challenging or questioning the use, validity or effectiveness of any Intellectual Property owned or licensed by Holdings, the Borrower or any of its Subsidiaries that could reasonably be expected to result in a breach of the representation and warranty set forth in the first sentence of this Section 4.9, nor does the Borrower know of any valid basis for any such claim. The use of all Intellectual Property necessary for the conduct of the business of the Borrower and its Subsidiaries, taken as a whole, does not infringe on the rights of any Person in such a manner that could reasonably be expected to result in a breach of the representation and warranty set forth in the first sentence of this Section 4.9.

4.10. Taxes. Except as could not reasonably be expected to have a Material Adverse Effect, each of Holdings, the Borrower and each of its Subsidiaries (other than Shell Subsidiaries) has filed or caused to be filed all federal, state and other material tax returns that are required to be filed and has paid all taxes shown to be due and payable on said returns or on any assessments made against it or any of its property and all other taxes, fees or other charges imposed on it or any of its property by any Governmental Authority (other than those with respect to which the amount or validity thereof are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of Holdings, the Borrower or its Subsidiaries, as the case may be).

4.11. Federal Regulations. No part of the proceeds of any Loans will be used (a) for "buying" or "carrying" any "margin stock" within the respective meanings of each of the quoted terms under Regulation U as now and from time to time hereafter in effect or for any purpose that violates the provisions of the Regulations of the Board. If requested by any Lender or the Administrative Agent, the

Borrower will furnish to the Administrative Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1, as applicable, referred to in Regulation U.

4.12. Labor Matters. Except as, in the aggregate, could not reasonably be expected to have a Material Adverse Effect: (a) there are no strikes or other labor disputes against Holdings, the Borrower or any of its Subsidiaries pending or, to the knowledge of Holdings or the Borrower, threatened; (b) hours worked by, and payment made to, employees of Holdings, the Borrower and its Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Requirement of Law dealing with such matters; and (c) all payments due from Holdings, the Borrower or any of its Subsidiaries on account of employee health and welfare insurance have been paid or accrued as a liability on the books of Holdings, the Borrower or the relevant Subsidiary.

4.13. ERISA. Neither a Reportable Event nor an “accumulated funding deficiency” (within the meaning of Section 412 of the Code or Section 302 of ERISA) has occurred during the five-year period prior to the date on which this representation is made or deemed made with respect to any Plan, and each Plan has complied in all material respects with the applicable provisions of ERISA and the Code. No termination of a Single Employer Plan has occurred, and no Lien in favor of the PBGC or a Plan has arisen, during such five-year period. The present value of all accrued benefits under each Single Employer Plan (based on those assumptions used to fund such Plans) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such Plan allocable to such accrued benefits by more than \$1,000,000. Neither any Loan Party nor any Commonly Controlled Entity has had a complete or partial withdrawal from any Multiemployer Plan that has resulted or could reasonably be expected to result in a material liability under ERISA, and neither any Loan Party nor, to any Loan Party’s knowledge, any Commonly Controlled Entity would become subject to any material liability under ERISA if any Loan Party or any Commonly Controlled Entity were to withdraw completely from all Multiemployer Plans as of the valuation date most closely preceding the date on which this representation is made or deemed made. No Multiemployer Plan of any Loan Party or any Commonly Controlled Entity is in Reorganization or Insolvent.

4.14. Investment Company Act; Other Regulations. No Loan Party is an “investment company”, or a company “controlled” by an “investment company”, within the meaning of the Investment Company Act of 1940, as amended. No Loan Party is subject to regulation under any Requirement of Law (other than Regulation X of the Board) that limits its ability to incur Indebtedness.

4.15. Subsidiaries. As of the Restatement Effective Date and, following the Restatement Effective Date, as of the date of the most recently delivered Compliance Certificate pursuant to Section 6.2(b), (a) Schedule 4.15 (as modified by such Compliance Certificate) sets forth the name and jurisdiction of organization of each Designated Holding Company, the Borrower and each of the Borrower’s Subsidiaries (except any Shell Subsidiary) and, as to each such Person, the percentage of each class of Equity Interests owned by Holdings, the Borrower and each of the Borrower’s Subsidiaries, and (b) except as set forth on Schedule 4.15 (as modified by such Compliance Certificate), there are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments of any nature relating to any Equity Interests of the Borrower or any of its Subsidiaries (except any Shell Subsidiary), except as created by the Loan Documents.

4.16. Use of Proceeds. The proceeds of the Revolving Loans and any Incremental Term Loans, and the Letters of Credit, shall be used for general purposes, including to finance permitted Investments and permitted distributions to redeem Indebtedness of parent companies of the Borrower.

4.17. Environmental Matters. Except as, in the aggregate, could not reasonably be expected to have a Material Adverse Effect:

(a) the facilities and properties owned, leased or operated by Holdings, the Borrower or any of its Subsidiaries (the "Properties") do not contain, and have not previously contained, any Materials of Environmental Concern in amounts or concentrations or under circumstances that constitute or constituted a violation of, or could give rise to liability under, any Environmental Law;

(b) neither Holdings, the Borrower nor any of its Subsidiaries has received or is aware of any notice of violation, alleged violation, non-compliance, liability or potential liability regarding environmental matters or compliance with Environmental Laws with regard to any of the Properties or the business operated by Holdings, the Borrower or any of its Subsidiaries (the "Business"), nor does Holdings or the Borrower have knowledge or reason to believe that any such notice will be received or is being threatened;

(c) Materials of Environmental Concern have not been transported or disposed of from the Properties in violation of, or in a manner or to a location that could give rise to liability under, any Environmental Law, nor have any Materials of Environmental Concern been generated, treated, stored or disposed of at, on or under any of the Properties in violation of, or in a manner that could give rise to liability under, any applicable Environmental Law;

(d) no judicial proceeding or governmental or administrative action is pending or, to the knowledge of Holdings and the Borrower, threatened, under any Environmental Law to which Holdings, the Borrower or any Subsidiary is or will be named as a party with respect to the Properties or the Business, nor are there any consent decrees or other decrees, consent orders, administrative orders or other orders, or other administrative or judicial requirements outstanding under any Environmental Law with respect to the Properties or the Business;

(e) there has been no release or threat of release of Materials of Environmental Concern at or from the Properties, or arising from or related to the operations of Holdings, the Borrower or any Subsidiary in connection with the Properties or otherwise in connection with the Business, in violation of or in amounts or in a manner that could give rise to liability under Environmental Laws;

(f) the Properties and all operations at the Properties are in compliance, and have in the last five years been in compliance, with all applicable Environmental Laws, and there is no contamination at, under or about the Properties or violation of any Environmental Law with respect to the Properties or the Business; and

(g) neither Holdings, the Borrower nor any of its respective Subsidiaries has assumed any liability of any other Person under Environmental Laws.

4.18. Certain Cable Television Matters. Except as, in the aggregate, could not reasonably be expected to result in a Material Adverse Effect:

(a) (i) Holdings, the Borrower and its Subsidiaries possess all Authorizations necessary to own, operate and construct the CATV Systems or otherwise for the operations of their businesses and are not in violation thereof and (ii) all such Authorizations are in full force and effect and no event has occurred that permits, or after notice or lapse of time could permit, the revocation, termination or material and adverse modification of any such Authorization;

(b) neither Holdings, the Borrower nor any of its Subsidiaries is in violation of any duty or obligation required by the Communications Act of 1934, as amended, or any FCC rule or regulation applicable to the operation of any portion of any of the CATV Systems;

(c) (i) there is not pending or, to the best knowledge of Holdings or the Borrower, threatened, any action by the FCC to revoke, cancel, suspend or refuse to renew any FCC License held by Holdings, the Borrower or any of its Subsidiaries and (ii) there is not pending or, to the best knowledge of the Borrower, threatened, any action by the FCC to modify adversely, revoke, cancel, suspend or refuse to renew any other Authorization; and

(d) there is not issued or outstanding or, to the best knowledge of Holdings and the Borrower, threatened, any notice of any hearing, violation or complaint against Holdings, the Borrower or any of its Subsidiaries with respect to the operation of any portion of the CATV Systems and neither Holdings nor the Borrower has any knowledge that any Person intends to contest renewal of any Authorization.

4.19. Accuracy of Information, Etc. No statement or information (other than projections and pro forma financial information) contained in this Agreement, any other Loan Document, or any other document, certificate or statement furnished by or on behalf of any Loan Party to the Agents or the Lenders, or any of them, for use in connection with the transactions contemplated by this Agreement or the other Loan Documents, as supplemented and updated from time to time (including through the filing of reports with the SEC) prior to the date this representation and warranty is made or deemed made and when taken as a whole with other such statements and information, contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained herein or therein not misleading. The projections and pro forma financial information contained in the materials referenced above are based upon good faith estimates and assumptions believed by management of the Borrower to be reasonable at the time made, it being recognized by the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information may differ from the projected results set forth therein by a material amount. There is no fact known to any Loan Party (other than information of a general economic or political nature) that could reasonably be expected to have a Material Adverse Effect that has not been expressly disclosed herein, in the other Loan Documents, in reports filed with the SEC or in any other documents, certificates and statements furnished to the Agents and the Lenders for use in connection with the transactions contemplated hereby and by the other Loan Documents.

4.20. Security Interests.

(a) The Guarantee and Collateral Agreement is effective to create or continue, as applicable, in favor of the Administrative Agent, for the benefit of the Secured Parties (as defined in the Guarantee and Collateral Agreement), a legal, valid and enforceable security interest in the Collateral described therein and proceeds thereof. In the case of certificated Pledged Stock (constituting securities within the meaning of Section 8-102(a)(15) of the New York UCC) described in the Guarantee and Collateral Agreement, when certificates representing such Pledged Stock are delivered to the Administrative Agent, and in the case of the other Collateral described in the Guarantee and Collateral Agreement, when financing statements in appropriate form are filed in the offices specified on Schedule 4.20(a), the Guarantee and Collateral Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the parties thereto in such Collateral and the proceeds thereof, as security for the Obligations, in each case prior and superior in right to any other Person, other than with respect to Liens not prohibited by Section 7.3.

(b) None of the Equity Interests of the Borrower and its Subsidiaries which are limited liability companies or partnerships constitutes a security under Section 8-103 of the New York UCC or the corresponding code or statute of any other applicable jurisdiction.

4.21. Solvency. The Borrower and its Subsidiaries, taken as a whole, are, and after giving effect to the financing transactions referred to herein will be and will continue to be, Solvent.

(b) Amend, modify, waive or otherwise change, or consent or agree to any amendment, modification, waiver or other change to any of the terms of any Specified Long-Term Indebtedness in a manner, taken as a whole, that would be materially adverse to the Lenders; provided that no such amendment, modification, waiver or other change will be materially adverse to the Lenders if, after giving effect to such amendment, modification, waiver or other change, such Specified Long-Term Indebtedness would have been permitted to be incurred hereunder on the effective date of such amendment, modification, waiver or other change.

7.9. Transactions with Affiliates. Enter into any transaction, including any purchase, sale, lease or exchange of property, the rendering of any service or the payment of any management, advisory or similar fees, with any Affiliate (other than transactions between or among Holdings, the Borrower or any Subsidiary) unless such transaction is (a) not prohibited under this Agreement and (b) upon fair and reasonable terms no less favorable to the Borrower or such Subsidiary, as the case may be, in any material respect than it would obtain in a comparable arm's length transaction with a Person that is not an Affiliate. 7.11. [Reserved].

7.12. Negative Pledge Clauses. (e) Holdings, the Borrower or any of its Subsidiaries shall (i) default in making any payment of any principal of any Indebtedness (including, without duplication, any Guarantee Obligation in respect of Indebtedness, but excluding the Loans) on the scheduled or original due date with respect thereto or (ii) default in making any payment of any interest on any such Indebtedness beyond the period of grace, if any, provided in the instrument or agreement under which such Indebtedness was created; or (iii) default in the observance or performance of any other agreement or condition relating to any such Indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event shall occur or condition exist, the effect of which default or other event or condition is to cause, or to permit the holder or beneficiary of such Indebtedness (or a trustee or agent on behalf of such holder or beneficiary) to cause, with the giving of notice if required, such Indebtedness to become due prior to its stated maturity or (in the case of any such Indebtedness constituting a Guarantee Obligation) to become payable; provided, that, (x) a default, event or condition described in clause (i), (ii) or (iii) of this paragraph (e) shall not at any time constitute an Event of Default unless, at such time, one or

(f) any Designated Holding Company other than Holdings shall (i) default in making any payment of any principal of any Indebtedness (including, without duplication, any Guarantee Obligation in respect of Indebtedness) on the scheduled or original due date with respect thereto or (ii) default in making any payment of any interest on any such Indebtedness or default in the observance or performance of any other agreement or condition relating to any such Indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event shall occur or condition exist, if such default or other event or condition, in each case with respect to this clause (ii), results in the acceleration of such Indebtedness prior to its stated maturity or (in the case of any such Indebtedness constituting a Guarantee Obligation) causes such Indebtedness to become payable; provided, that a default, event or condition described in clause (i) or (ii) of this paragraph (f) shall not at any time constitute an Event of Default unless, at such time, one or more defaults, events or conditions of the type described in clause (i) or (ii) of this paragraph (f) shall have occurred and be continuing with respect to such Indebtedness the outstanding aggregate principal amount of which exceeds \$300,000,000; or

(j) (i) the Guarantee and Collateral Agreement shall cease, for any reason (other than the gross negligence or willful misconduct of the Administrative Agent), to be in full force and effect with respect to any material portion of the Collateral, or any Loan Party or any Affiliate of any Loan Party shall so assert, or (ii) any Lien created by the Guarantee and Collateral Agreement shall cease to be enforceable and of the same effect and priority purported to be created thereby with respect to any material portion of the Collateral (other than in connection with releases in accordance with Section 10.14) or any Loan Party or any Affiliate of any Loan Party shall so assert; or

then, and in any such event, (A) if such event is an Event of Default specified in clause (i) or (ii) of paragraph (g) above with respect to the Borrower, automatically the Commitments shall immediately terminate and the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including all amounts of L/C Obligations, whether or not the

beneficiaries of the then outstanding Letters of Credit shall have presented the documents required thereunder) shall immediately become due and payable, and (B) if such event is any other Event of Default, either or both of the following actions may be taken: (i) with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrower declare the Commitments to be terminated forthwith, whereupon the Commitments shall immediately terminate; and (ii) with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrower, declare the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including all amounts of L/C Obligations, whether or not the beneficiaries of the then outstanding Letters of Credit shall have presented the documents required thereunder) to be due and payable forthwith, whereupon the same shall immediately become due and payable. With respect to all Letters of Credit with respect to which presentment for honor shall not have occurred at the time of an acceleration pursuant to this paragraph, the Borrower shall at such time comply with Section 3.8. Except as expressly provided above in this Section, presentment, demand, protest and all other notices of any kind are hereby expressly waived by the Borrower.

Notwithstanding anything to the contrary herein, solely for the purpose of determining whether a Default has occurred under clause (g) above, any reference in such clause to any Subsidiary shall be deemed not to include any Subsidiary that is an Immaterial Subsidiary or at such time could, upon designation by the Borrower, become an Immaterial Subsidiary affected by any event or circumstances referred to in such clause unless the gross revenues of such Subsidiary together with the gross revenues of all other Subsidiaries affected by such event or circumstance referred to in such clause for the period of four fiscal quarters ending on the date of the most recent balance sheet of the Borrower delivered pursuant to Section 6.1(a) or (b) shall exceed 5% of the gross revenues of the Borrower and its Subsidiaries for such period, in each case determined in accordance with GAAP.

8.2. Application of Funds. After the exercise of remedies provided for in Section 8.1 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.1), any amounts received on account of the Obligations (other than the Equally and Ratably Secured Notes Obligations) shall, subject to the Guarantee and Collateral Agreement and any First Lien Intercreditor Agreement, be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent and amounts payable under Section 2) payable to the Administrative Agent in its capacity as such;

Second, pro rata to (i) the payment of all other Obligations (other than the Equally and Ratably Secured Notes Obligations) due and owing to the Secured Parties, ratably among the Secured Parties in proportion to the respective amounts described in this subclause (i) of this clause Second held by them and (ii) the Cash Collateralization of all Letters of Credit; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 3.8, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Second above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations (other than the Equally and Ratably Secured Notes Obligations), if any, in the order set forth above.

Notwithstanding the foregoing, Obligations arising under Specified Cash Management Agreements, Specified Hedge Agreements and Non-Facility Letters of Credit shall be excluded from the application described above to occur on any date if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may request, from the applicable Secured Party providing such Obligations on or prior to such date.

SECTION 9 THE AGENTS

(a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a party to a Specified Hedge Agreement or Specified Cash Management Agreement) and the Issuing Lender hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender and the Issuing Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties pursuant to the Guarantee and Collateral Agreement, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.2 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Guarantee and Collateral Agreement, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Section 9 and Section 10 (including Section 9.7, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Guarantee and Collateral Agreement) as if set forth in full herein with respect thereto.

9.2. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

9.3. Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

- (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(d) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.1 and Section 8) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender or the Issuing Lender.

(e) The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Guarantee and Collateral Agreement, (v) the value or the sufficiency of any Collateral, or (v) the satisfaction of any condition set forth in Section 5 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

9.4. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, teletype, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability

and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

9.5. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

9.7. Indemnification. The Lenders agree to indemnify the Administrative Agent, Issuing Lender and Swingline Lender, each in its capacity as such (to the extent not reimbursed by Holdings or the Borrower and without limiting the obligation of Holdings or the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against the Administrative Agent, Issuing Lender or Swingline Lender in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any

documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Administrative Agent, Issuing Lender or Swingline Lender under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from such Person's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

9.8. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued or participated in by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9. Successor Administrative Agent. So long as no Event of Default has occurred and is continuing, the Administrative Agent, the Borrower and a successor agent who is a Revolving Lender may, in their sole discretion at any time, agree that such successor agent shall replace the outgoing administrative Agent as Administrative Agent hereunder and under the other Loan Documents. In addition, the Administrative Agent may in its sole discretion resign as Administrative Agent at any time upon 30 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8(a) or Section 8(g) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed). Any successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 30 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Lender under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed). After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

Any resignation by the Administrative Agent pursuant to this Section shall also constitute its resignation as Issuing Lender and Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Lender and Swingline Lender, (ii) the retiring Issuing Lender and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor Issuing Lender shall issue new letters of credit either (x) in substitution for the Letters of Credit issued by the retiring Issuing Lender or (y) to backstop such Letters of Credit, in each case, if any, outstanding at the time of such

succession or make other arrangements satisfactory to the retiring Issuing Lender to effectively assume the obligations of the retiring Issuing Lender with respect to such Letters of Credit. Any Issuing Lender that is not the Administrative Agent may resign as an Issuing Lender as separately agreed in writing between such Issuing Lender and the Borrower.

9.10. Agents. Each of the Agents (other than the Administrative Agent) shall have no duties or responsibilities hereunder in their capacity as such.

9.11. Collateral and Guaranty Matters. Each of the Lenders (including in its capacities as a party to a Specified Cash Management Agreement or a Specified Hedge Agreement) and the Issuing Lender irrevocably authorize the Administrative Agent to release Liens on the Collateral and/or Guarantors from their obligations under the Guarantee and Collateral Agreement under the circumstances described in Section 9.15 of the Guarantee and Collateral Agreement.

9.12. Specified Cash Management Agreements and Specified Hedge Agreements. Except as otherwise expressly set forth herein or in the Guarantee and Collateral Agreement, no party to a Specified Cash Management Agreement or Specified Hedge Agreement shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Section 9 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, obligations arising under Specified Cash Management Agreements and Specified Hedge Agreements unless the Administrative Agent has received written notice of such obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable party thereto.

SECTION 10 MISCELLANEOUS

10.1. Amendments and Waivers. Neither this Agreement, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and each Loan Party party to the relevant Loan Document may, or, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party party to the relevant Loan Document may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (i) forgive the principal amount or extend the final scheduled date of maturity of any Loan, extend the scheduled date of or reduce the amount of any amortization payment in respect of any Term Loan, reduce the stated rate of any interest or fee payable hereunder or extend the scheduled date of any payment thereof, or increase the amount or extend the expiration date of any Lender's Commitment, in each case without the consent of each Lender directly affected thereby; (ii) eliminate or reduce any voting rights under this Section 10.1 or reduce any percentage specified in the definition of Required Lenders, consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents, release all or substantially all of the Collateral or release all or substantially all of the Subsidiary Guarantors from their obligations under the Guarantee and Collateral Agreement (in each case except in connection with Dispositions consummated or approved in accordance with the other terms of this Agreement), in each case without the written

consent of all Lenders; (iii) reduce the percentage specified in the definition of Majority Facility Lenders with respect to the Revolving Facility or any Class of Term Loans without the written consent of all Lenders under the Revolving Facility or such Class of Term Loans, respectively; (iv) amend, modify or waive any provision of Section 9 without the written consent of the Administrative Agent; (v) amend, modify or waive any provision of Section 2.4 or 2.5 without the written consent of the Swingline Lender; or (vi) amend, modify or waive any provision of Section 3 without the written consent of each affected Issuing Lender. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Agents and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Agents shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

10.2. Notices.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, the Administrative Agent, an Issuing Lender or a Swingline Lender, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.2; and

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, such notices and other communications shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or any Issuing Lender pursuant to Section 2 or Section 3 if such Lender or Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Joint Lead Arrangers will make available to the Lenders and each Issuing Lender Borrower Materials by posting the Borrower Materials on the Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender, any Issuing Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to the Borrower, any Lender, any Issuing Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrower, the Administrative Agent, each Issuing Lender and the Swingline Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, each Issuing Lender and the Swingline Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Reliance by Administrative Agent, Issuing Lenders and Lenders. The Administrative Agent, the Issuing Lenders and the Lenders shall be entitled to rely and act upon any notices (including telephonic Notices of Borrowing and requests for Swingline Loans) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Issuing Lender, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

10.3. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.4. Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder.

10.5. Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Administrative Agent for all its reasonable out-of-pocket costs and expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, or waiver or forbearance of, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees and disbursements of one firm of counsel to the Administrative Agent and filing and recording fees and expenses, (b) to pay or reimburse each Lender and each Agent for all its costs and expenses incurred in connection with the enforcement or preservation of any rights, privileges, powers or remedies under this Agreement, the other Loan Documents and any such other documents, including the fees and disbursements of one firm of counsel selected by the Administrative Agent, together with any special or local counsel, to the Administrative Agent and, following the occurrence and during the continuance of an Event of Default, not more than one other firm of counsel to the Lenders (it being understood that the Borrower shall not be obligated to reimburse any Lender (other than the Administrative Agent as provided above) for its expenses pursuant to this clause (b) except to the extent that an Event of Default has occurred and is continuing at the time of any proposed amendment or waiver), (c) to pay, indemnify, and hold each Lender and each Agent harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes, if any, that may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, (d) if any Event of Default shall have occurred, to pay or reimburse all reasonable fees and expenses of a financial advisor engaged on behalf of, or for the benefit of, the Agents and the Lenders accruing from and after the occurrence of such Event of Default, (e) to pay, indemnify, and hold each Lender, each Agent, their advisors and affiliates and their respective officers, directors, trustees, employees, agents and controlling persons (each, an "Indemnitee") harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans or the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of Holdings, the Borrower any of its Subsidiaries or any of the Properties the reasonable fees and expenses of legal counsel in connection with claims, actions or proceedings by any Indemnitee against any Loan Party under any Loan Document, and (f) to pay, indemnify, and hold each Indemnitee harmless from and against any actual or prospective claim, litigation, investigation or proceeding relating

to any of the matters described in clauses (a) through (d) above, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding, and regardless of whether such claim, investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee, whether or not any Indemnitee is a party thereto and whether or not the Restatement Effective Date has occurred) and the reasonable fees and expenses of legal counsel in connection with any such claim, litigation, investigation or proceeding (all the foregoing in clauses (e) and (f), collectively, the “Indemnified Liabilities”), provided, that the Borrower shall have no obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities are found by a final non-appealable decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee. Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause its Subsidiaries not to assert, and hereby waives and agrees to cause its Subsidiaries to so waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee. All amounts due under this Section 10.5 shall be payable not later than 15 days after written demand therefor. Statements payable by the Borrower pursuant to this Section 10.5 shall be submitted to _____ at the address of the Borrower set forth in Section 10.2, or to such other Person or address as may be hereafter designated by the Borrower in a written notice to the Administrative Agent. The agreements in this Section 10.5 shall survive repayment of the Loans and all other amounts payable hereunder.

10.6. Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Lender that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (c) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Lender and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

For the purposes of this Section 10.6, "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Assumption the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.16, 2.17, 2.18 and 10.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent, the Issuing Lender and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Assignee, the Assignee's completed administrative questionnaire (unless the

Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (other than a natural person) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Issuing Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to the proviso to the second sentence of Section 10.1 and (2) directly affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.16, 2.17, 2.18 and 10.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.7(b) as though it were a Lender, provided such Participant shall be subject to Section 10.7(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. Any Participant that is a Non-U.S. Lender shall not be entitled to the benefits of Section 2.17 unless such Participant complies with Section 2.17(d).

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, at the Borrower's sole expense, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent and without regard to the limitations set forth in Section 10.6(b). Each of Holdings, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar

law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(g) Notwithstanding anything to the contrary herein, any Lender may assign all or any portion of its Term Loans (but not Commitments) to Holdings or any of its Subsidiaries, but only if:

(i) no Default has occurred and is continuing or would result therefrom and, immediately after giving effect to such Offered Voluntary Prepayment, Available Liquidity would not be less than \$250,000,000;

(ii) the assignment agreement relating to such Term Loans shall (i) identify Holdings or the applicable Subsidiary as an Affiliate of the Borrower and (ii) contain a customary “big boy” representation by the assignee and waiver by the assignee of any right to make any claim against the Administrative Agent in connection with such assignment; and

(iii) any such Term Loans shall be automatically and permanently cancelled immediately upon acquisition thereof by Holdings or any of its Subsidiaries.

10.7. Adjustments; Setoff.

(a) Except to the extent that this Agreement expressly provides for payments to be allocated to a particular Lender or to the Lenders of a particular Class, if any Lender (a “Benefited Lender”) shall receive any payment of all or part of the amounts owing to it hereunder, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 8(e), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of the amounts owing to such other Lender hereunder, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of the amounts owing to each such other Lender hereunder, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to Holdings or the Borrower, any such notice being expressly waived by Holdings and the Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by Holdings or the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of Holdings or the Borrower, as the case may be. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.8. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be

deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement or any other document executed in connection herewith by facsimile or electronic transmission shall be effective as physical delivery of an original executed counterpart hereof, including the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

10.9. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.10. Integration. This Agreement and the other Loan Documents represent the agreement of Holdings, the Borrower, the Agents and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by any Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

10.11. GOVERNING LAW. This Agreement and the rights and obligations of the parties under this Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

10.12. Submission to Jurisdiction; Waivers. Each of Holdings and the Borrower hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York located in the County of New York, the courts of the United States for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to Holdings or the Borrower, as the case may be at its address set forth in Section 10.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

10.13. Acknowledgments.

Each of Holdings and the Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither any Agent nor any Lender has any fiduciary relationship with or duty to Holdings or the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Agents and Lenders, on one hand, and Holdings and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Agents and the Lenders or among Holdings the Borrower and the Agents and the Lenders.

10.14. Release of Guarantees and Liens.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Administrative Agent is hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender except as expressly required by Section 10.1) and is hereby required to promptly take any action requested by the Borrower having the effect of releasing any Collateral or guarantee obligations (i) to the extent necessary to permit consummation of any transaction not prohibited by any Loan Document or that has been consented to in accordance with Section 10.1 or (ii) under the circumstances described in paragraph (b) below. Any such release of Collateral may be effected pursuant to a Release or such other documentation as shall be reasonably acceptable to the Administrative Agent.

(b) At the Discharge Date, the Collateral shall be released from the Liens created by the Guarantee and Collateral Agreement, and the Guarantee and Collateral Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent and each Loan Party under the Guarantee and Collateral Agreement shall terminate, all without delivery of any instrument or performance of any act by any Person.

10.15. Confidentiality. Each Agent and each Lender agrees to keep confidential all non-public information provided to it by any Loan Party pursuant to this Agreement that is designated by such Loan Party as confidential; provided that nothing herein shall prevent any Agent or any Lender from disclosing any such information (a) to any Agent, any Lender or any affiliate of any Lender or any Approved Fund, (b) to any Transferee or prospective Transferee that agrees to comply with the provisions of this Section, (c) to its employees, directors, agents, attorneys, accountants and other professional advisors or those of any of its affiliates who have a need to know, (d) upon the request or demand of any Governmental Authority, (e) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law, (f) if requested or required to do so in connection with any litigation or similar proceeding, (g) that has been publicly disclosed, (h) to any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender, (i) in connection with the exercise of any remedy hereunder or under any other Loan Document, (j) to any creditor or direct or indirect contractual counterparty in swap agreements or such creditor or contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 10.15), (k) to a Person that is an investor or prospective investor in a Securitization that agrees that its access to information regarding the Borrower and the Loans is solely for purposes of evaluating an investment in such Securitization (so long as such Person agrees to be bound by

the provisions of this Section 10.15), (l) to a Person that is a trustee, collateral manager, servicer, noteholder or secured party in a Securitization in connection with the administration, servicing and reporting on the assets serving as collateral for such Securitization (so long as such Person agrees to be bound by the provisions of this Section 10.15) or (m) with such Loan Party's prior written consent.

Each Lender acknowledges that information furnished to it pursuant to this Agreement or the other Loan Documents may include material non-public information concerning the Borrower and its Affiliates and their related parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and that it will handle such material non-public information in accordance with those procedures and applicable law, including Federal and state securities laws.

All information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to, or in the course of administering, this Agreement or the other Loan Documents will be syndicate-level information, which may contain material non-public information about the Borrower and its Affiliates and their related parties or their respective securities. Accordingly, each Lender represents to the Borrower and the Administrative Agent that it has identified in its administrative questionnaire a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law, including Federal and state securities laws.

10.16. WAIVERS OF JURY TRIAL. Holdings, the Borrower, the Agents and the Lenders hereby irrevocably and unconditionally waive trial by jury in any legal action or proceeding relating to this Agreement or any other Loan Document and for any counterclaim therein.

10.17. Electronic Execution of Assignments and Certain Other Documents. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based record keeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State, Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

10.18. USA Patriot Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Patriot Act.

10.19. EU Bail-In Provisions. Notwithstanding anything to the contrary in this Agreement or any other Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and
- (b) the effects of any Bail-in Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

10.20. Intercreditor Agreements.

(a) Each Lender (and, by its acceptance of the benefits of the Guarantee and Collateral Agreement, each other Secured Party) hereunder agrees that it will be bound by and will take no actions contrary to the provisions of the First Lien Intercreditor Agreement and any other intercreditor agreement specifically contemplated by this Agreement and (iii) authorizes and instructs the Administrative Agent to enter into the First Lien Intercreditor Agreement, in each case as Administrative Agent and on behalf of such Lender or other Secured Party.

(b) Each Lender authorizes the Administrative Agent to enter into any amendment or supplement to the First Lien Intercreditor Agreement and any other intercreditor agreement specifically contemplated by this Agreement (i) in order to include appropriately the holders of the secured Indebtedness secured by a Lien permitted by this Agreement on the basis described herein or (ii) that is otherwise consented to by the Required Lenders.

AMENDED AND RESTATED
GUARANTEE AND COLLATERAL AGREEMENT

AMENDED AND RESTATED GUARANTEE AND COLLATERAL AGREEMENT, dated as of March 18, 1999, as amended and restated as of March 31, 2010, and as further amended as of May 18, 2016 made by CHARTER COMMUNICATIONS OPERATING, LLC (the "Borrower"), CCO HOLDINGS, LLC ("Holdings") and certain subsidiaries of the Borrower listed on the signature pages to the Restatement Agreement (as defined below) (together with the Borrower and any other entity that may become a party hereto as provided herein, but excluding Holdings, the "Grantors"), in favor of BANK OF AMERICA, N.A., as Administrative Agent (in such capacity, the "Administrative Agent") for the banks and other financial institutions or entities (the "Lenders") from time to time parties to the Amended and Restated Credit Agreement, dated as of March 18, 1999, as amended and restated as of May 18, 2016 (as further amended, supplemented, restated or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, Holdings, the Lenders, the Administrative Agent and the other parties party thereto.

W I T N E S S E T H:

WHEREAS, certain of the Grantors and the Administrative Agent have entered into a Guarantee and Collateral Agreement dated as of March 18, 1999, as amended and restated as of March 6, 2007, as amended and restated as of March 31, 2010 (and as further amended, restated supplemented or otherwise modified from time to time prior to the date hereof, the "Existing Guarantee and Collateral Agreement"), in favor of the Administrative Agent;

WHEREAS, pursuant to Section 10.2 of the Credit Agreement the Required Lenders, the Administrative Agent, the Borrower, Holdings and the Grantors party hereto desire to amend and restate the Existing Guarantee and Collateral Agreement;

WHEREAS, the parties hereto have agreed to amend and restate the Existing Guarantee and Collateral Agreement as provided in this Agreement; and

WHEREAS, it is the intent of the parties hereto that this Agreement not constitute a novation of the obligations and liabilities existing under the Existing Guarantee and Collateral Agreement or evidence satisfaction of any of such obligations and that this Agreement amend and restate in its entirety the Existing Guarantee and Collateral Agreement and re-evidence the obligations of the Grantors party thereto outstanding thereunder;

NOW, THEREFORE, in consideration of the above premises, the parties hereto hereby agree that the Existing Guarantee and Collateral Agreement shall be amended and restated in its entirety as follows:

SECTION 1. DEFINED TERMS

1.1. Definitions.

(a) Unless otherwise defined herein, terms defined in the Credit Agreement and used herein shall have the meanings given to them in the Credit Agreement, and the

following terms are used herein as defined in the Applicable UCC: Accounts, Certificated Security, Chattel Paper, Documents, Equipment, Fixtures, General Intangibles, Instruments, Inventory, Letter-of-Credit Rights and Supporting Obligations.

(b) The following terms shall have the following meanings:

“Additional Collateral”: all of the following property of the Borrower or any Subsidiary Guarantor, to the extent that a security interest in such property can be perfected by the filing of a Uniform Commercial Code financing statement: all Accounts, all Chattel Paper, all Documents, all Equipment, all Fixtures, all General Intangibles, all Instruments, all Intellectual Property, all Inventory, all Investment Property and all other property not otherwise described in this definition.

“Agreement”: this Amended and Restated Guarantee and Collateral Agreement, as the same may be amended, supplemented, restated or otherwise modified from time to time.

“Applicable UCC”: the Uniform Commercial Code as from time to time in effect in the State of New York; provided, however, that, at any time, if by reason of mandatory provisions of law, any or all of the perfection or priority of the Administrative Agent’s, the Secured Parties’ and the holders of Equally and Ratably Secured Notes Obligations security interest in any item or portion of the Collateral is governed by the Uniform Commercial Code as in effect in a jurisdiction other than the State of New York, the term “Applicable UCC” shall mean the Uniform Commercial Code as in effect, at such time, in such other jurisdiction for purposes of the provisions hereof relating to such perfection or priority and for purposes of definitions relating to such provisions.

“Borrower Obligations”: the collective reference to the unpaid principal of and interest on the Loans and Reimbursement Obligations and all other obligations and liabilities of the Borrower or, in the case of Specified Hedge Agreements or Specified Cash Agreements, of any Subsidiary of the Borrower (including, without limitation, any increase in the amounts of the Loans and/or Reimbursement Obligations together with any and all interest accruing at the then applicable rate provided in the Credit Agreement after the maturity of the Loans and Reimbursement Obligations and interest accruing at the then applicable rate provided in the Credit Agreement after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Borrower, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding) to the Administrative Agent or any Lender (or, in the case of any Specified Hedge Agreement, any Qualified Counterparty, or, in the case of any Specified Hedge Agreement or Specified Cash Management Agreement, any Affiliate of any Lender and any former Lender or former Affiliate of Lender to the extent provided in the definition of “Specified Hedge Agreement” or “Specified Cash Management Agreement” in the Credit Agreement), whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred, which may arise under, out of, or in connection with, the Credit Agreement, this Agreement, the other Loan Documents, any Letter of Credit, any Non-Facility Letter of Credit, any Specified Hedge Agreement, any Specified Cash Management Agreement or any other document made, delivered or given in connection with any of the foregoing, in each case whether on account of principal, interest, reimbursement obligations, fees, indemnities, costs, expenses or otherwise (including, without

limitation, all fees and disbursements of counsel that are required to be paid by the Borrower pursuant to the terms of any of the foregoing agreements); provided that, for the avoidance of doubt, Borrower Obligations shall not include any Obligations of the Borrower in respect of the Equally and Ratably Secured Notes Obligations.

“Collateral”: as defined in Section 3.

“Collateral Account”: any collateral account established by the Administrative Agent as provided in Section 7.2.

“Commodity Exchange Act”: The Commodity Exchange Act (7 U.S.C. §1 et seq.), as amended from time to time, and any successor statute.

“Co-Owned TWC IP” means any Patent or Trademark that is jointly owned on the Restatement Effective Date by TWC and or one or more other Grantors, on the one hand, and by a Person that is not a member of the Charter Group, on the other hand; provided that in the event any such Patent or Trademark ceases to be jointly owned by a Person that is not a member of the Charter Group, such Patent or Trademark shall cease to constitute “Co-Owned TWC IP.”

“Discharge Date”: as defined in Section 6.

“Equally and Ratably Secured Notes”: the TWC Notes and the TWCE Notes.

“Equally and Ratably Secured Notes Obligations”: the collective reference to the unpaid principal of and interest on the Equally and Ratably Secured Notes and all other obligations and liabilities of TWC and TWCE (including, without limitation, any and all interest accruing at the then applicable rate provided in the indentures governing the Equally and Ratably Secured Notes after the maturity of the Equally and Ratably Secured Notes and interest accruing at the then applicable rate provided in such indentures after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to TWC or TWCE, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding) to any holder of the Equally and Ratably Secured Notes, whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred, which may arise under, out of, or in connection with, any indenture governing the Equally and Ratably Secured Notes or any other document made, delivered or given in connection with any of the foregoing, in each case whether on account of principal, interest, fees, indemnities, costs, expenses or otherwise.

“Excluded Swap Obligation”: with respect to any Guarantor, any Swap Obligation if, and to the extent that, all or a portion of the Guarantee of such Guarantor, or the grant by such Guarantor of a security interest to secure, such Swap Obligation (or any Guarantee thereof) is or becomes illegal or unlawful under the Commodity Exchange Act or any rule, regulation or order of the Commodity Futures Trading Commission (or the application or official interpretation of any thereof) by virtue of such Guarantor’s failure for any reason to constitute an “eligible contract participant” as defined in the Commodity Exchange Act (determined after giving effect to Section 2.8 hereof, any other keepwell, support or other agreement for the benefit of such Guarantor and any and all guarantees of such Guarantor’s Swap Obligations by other

Loan Parties) at the time the Guarantee of such Guarantor, or a grant by such Guarantor of a security interest would otherwise become effective with respect to such Swap Obligation but for such Guarantor's failure to constitute an "eligible contact participant" at such time.

It is understood that, with respect to each Guarantor party to this Agreement immediately prior to the date hereof, such Guarantor's guarantee constitutes a continuation of its guarantee under the Existing Guarantee and Collateral Agreement.

(b) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 2.2).

(c) The Borrower and each Guarantor agrees that the Guaranteed Obligations may at any time and from time to time exceed the amount of the liability of the Borrower or such Guarantor hereunder without impairing the guarantee contained in this Section 2 or affecting the rights and remedies of the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured Notes Obligations hereunder.

(d) The guarantee contained in this Section 2 shall remain in full force and effect until all Guaranteed Obligations (other than Guaranteed Obligations in respect of Equally and Ratably Secured Notes Obligations) are paid in full, no Letter of Credit shall be outstanding and the Commitments are terminated, notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Borrower Obligations.

If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations (other than Guaranteed Obligations in respect of the Equally and Ratably Secured Notes Obligations) shall not have been paid in full, such amount shall be held by such Guarantor in trust for the other Secured Parties and the holders of the Equally and Ratably Secured Notes Obligations, segregated from other funds of the Borrower or such Guarantor, and shall, forthwith upon receipt by the Borrower or such Guarantor, be turned over to the Administrative Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Administrative Agent, if required), to be applied against the Guaranteed Obligations, whether matured or unmatured, in the order specified in Section 7.3.

The Borrower and each Guarantor understands and agrees that the guarantee contained in this Section 2 shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, the TWC Notes Documents, the TWCE Notes Documents, any of the Guaranteed Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured Notes Obligations, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrower, TWC, TWCE or any other Person against the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured Notes Obligations, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower, TWC or TWCE for the Guaranteed Obligations, or of the Borrower or such Guarantor under the guarantee contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against the Borrower or any Guarantor, the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured Notes Obligations may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Guaranteed Obligations or any right of offset with respect thereto, and any failure by the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured

Notes Obligations to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured Notes Obligations against the Borrower or any Guarantor. For the purposes hereof “demand” shall include the commencement and continuance of any legal proceedings.

The obligations and undertakings of each Qualified ECP Guarantor under this Section shall remain in full force and effect until the Obligations have been paid and performed in full. Each Qualified ECP Guarantor intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Loan Party for all purposes of the Commodity Exchange Act.

Notwithstanding any of the other provisions set forth in any subsection of this Section 3 or any other provision of this Agreement, (i) this Agreement shall not constitute a grant of a security interest in, and the Collateral shall not include, (v) any Co-Owned TWC IP, (w) any intent-to-use trademark application to the extent and for so long as creation by a Grantor of a security interest therein would result in the loss by such Grantor of any material rights therein, until such time, if any, as a statement of use is filed and accepted, (x) any property to the extent that such grant of a security interest is prohibited by any Requirements of Law of a Governmental Authority, requires a consent not obtained of any Governmental Authority pursuant to such Requirement of Law or is prohibited by, or constitutes a breach or default under or results in the termination of or requires any consent not obtained under, any contract, license, agreement (including any joint venture, partnership or limited liability company operating agreement, unless the same relates to a Wholly Owned Subsidiary), instrument or other document evidencing or giving rise to such property (including, without limitation, any contractual restriction applicable to any Patent or Trademark that is jointly owned by one or more Grantors, on the one hand, and any Person that is not a member of the Charter Group, on the other hand) except to the extent that such Requirement of Law or the term in such contract, license, agreement, instrument or other document providing for such prohibition, breach, default or termination or requiring such consent is ineffective under applicable law (it being understood that, subject to the limitations set forth in this paragraph, it is the intent of the parties that the Collateral include all FCC Licenses, CATV Franchises, the economic value thereof and all Proceeds thereof), (y) any property that is subject to a purchase money security interest permitted by the Credit Agreement for so long as it is subject to such security interest or (z) any Equity Interests or other securities of any Subsidiary of the Borrower in excess of the maximum amount of such Equity Interests or securities that could be included in the Collateral without creating a requirement pursuant to Rule 3-16 of Regulation S-X under the Securities Act of 1933, as amended, for separate financial statements of such Subsidiary to be included in filings by any member of the Charter Group with the SEC (or any other governmental agency) and (ii) in no event shall more than 66% of the total outstanding Foreign Subsidiary Voting Equity Interest of any Foreign Subsidiary constitute Collateral or be required to be pledged hereunder.

For the avoidance of doubt, it is understood and agreed that any Grantor may, as part of its business, grant licenses to third parties to use Intellectual Property owned or developed by a Grantor. For purposes of this Agreement and the other Loan Documents, such licensing activity shall not constitute a “Lien” on such Intellectual Property. Each of the Administrative Agent, each other Secured Party and each holder of Equally and Ratably Secured Notes Obligations understands that any such licenses may be exclusive to the applicable licensees, and such exclusivity provisions may limit the ability of the Administrative Agent to utilize, sell, lease or transfer the related Intellectual Property or otherwise realize value from such Intellectual Property pursuant hereto.

The security interests granted pursuant to this Agreement (a) constitute valid perfected security interests in all of the Collateral in favor of the Administrative Agent, for the ratable benefit of the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations), as collateral security for such Grantor’s Obligations, enforceable in accordance with the terms hereof against all creditors of such Grantor and any Persons purporting to purchase any Collateral from such Grantor and (b) are prior to all other Liens on the Collateral in existence on the date hereof except for Liens not prohibited by the Credit Agreement.

(b) Except with respect to Pledged Stock from time to time constituting an immaterial portion of the Collateral, all the shares of the Pledged Stock have been duly and validly issued and are fully paid and nonassessable.

(c) None of the Pledged LLC Interests or Pledged Partnership Interests constitutes a security under Section 8-103 of the Applicable UCC or the corresponding code or statute of any other applicable jurisdiction.

(d) Except with respect to Pledged Notes from time to time constituting an immaterial portion of the Collateral, each of the Pledged Notes constitutes the legal, valid and binding obligation of the obligor with respect thereto, enforceable in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and the implied covenant of good faith and fair dealing.

(e) Such Grantor is the record and beneficial owner of, and has good and marketable title to, the Pledged Securities pledged by it hereunder, free of any and all Liens or options in favor of, or claims of, any other Person, except the security interest created by this Agreement and any Liens not prohibited by Section 7.3 of the Credit Agreement.

SECTION 6. COVENANTS

Each Grantor covenants and agrees that, from and after the date of this Agreement until all Obligations owing under the Credit Agreement (other than contingent amounts not yet due) shall have been paid in full, no Letter of Credit shall be outstanding and the Commitments shall have terminated (the "Discharge Date"):

6.1. Delivery of Instruments, Certificated Securities and Chattel Paper. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any Instrument, Certificated Security or Chattel Paper with a face value of \$5,000,000 or more, such Instrument, Certificated Security or Chattel Paper shall be promptly delivered to the Administrative Agent, duly indorsed in a manner reasonably satisfactory to the Administrative Agent, to be held as Collateral pursuant to this Agreement.

6.2. Insurance. All insurance maintained by any Grantor with respect to the Collateral shall (a) provide that no cancellation, material reduction in amount or material change in coverage thereof shall be effective until at least 30 days after receipt by the Administrative Agent of written notice thereof and (b) name the Administrative Agent as insured party or loss payee, as applicable and customary.

6.3. Maintenance of Perfected Security Interest; Further Documentation.

(a) Such Grantor shall, at the request of the Administrative Agent, take all reasonable and necessary actions to maintain the security interest created by this Agreement as a perfected security interest having at least the priority described in Section 5.2 and shall defend such security interest against the claims and demands of all Persons whomsoever.

(b) Such Grantor will furnish to the Administrative Agent and the Lenders from time to time statements and schedules further identifying and describing the assets and property of such Grantor constituting, or intended to constitute, Collateral and such other reports in connection therewith as the Administrative Agent may reasonably request, all in reasonable detail.

(c) At any time and from time to time, upon the written request of the Administrative Agent, and at the sole expense of such Grantor, such Grantor will promptly and duly execute and deliver, and have recorded, such further instruments and documents and take such further actions as the Administrative Agent may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, (i) filing any financing or continuation statements under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interests created hereby and (ii) in the case of Pledged Securities, Investment Property, Letter-of-Credit Rights and any other relevant Collateral, taking any actions necessary to enable the Administrative Agent to obtain "control" (within the meaning of the applicable Uniform Commercial Code) with respect thereto; provided, that no account control agreements will be required unless an Event of Default is in existence.

6.4. Changes in Locations, Name, etc. Such Grantor will not, except upon prior written notice to the Administrative Agent:

(a) change its jurisdiction of organization; or

(b) change its name to such an extent that any financing statement filed by the Administrative Agent in connection with this Agreement would become seriously misleading;

unless, within 30 days of the taking of any such actions, such Grantor delivers to the Administrative Agent notice of such change and all documents reasonably requested by the Administrative Agent to maintain the validity, perfection and priority of the security interests provided for herein.

6.5. Pledged Securities.

(a) If such Grantor shall become entitled to receive or shall receive any certificate (including, without limitation, any certificate representing a dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), option or rights in respect of the Equity Interests of any Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares of the Pledged Stock, or otherwise in respect thereof, such Grantor shall accept the same

as the agent of the Administrative Agent and the Lenders, hold the same in trust for the Administrative Agent and the Lenders and, with respect to Pledged Stock constituting securities under and as defined in Section 8-103 of the Applicable UCC, deliver the same forthwith to the Administrative Agent in the exact form received, duly indorsed by such Grantor to the Administrative Agent, if required, together with an undated power covering such certificate duly executed in blank by such Grantor, to be held by the Administrative Agent, subject to the terms hereof, as additional collateral security for the Obligations. During the continuance of an Event of Default, after written notice from the Administrative Agent, any sums paid upon or in respect of the Pledged Securities upon the liquidation or dissolution of any Issuer shall be paid over to the Administrative Agent to be held by it hereunder as additional collateral security for the Obligations, and in case any distribution of capital shall be made on or in respect of the Pledged Securities or any property shall be distributed upon or with respect to the Pledged Securities pursuant to the recapitalization or reclassification of the capital of any Issuer or pursuant to the reorganization thereof, the property so distributed shall be delivered to the Administrative Agent to be held by it hereunder as additional collateral security for the Obligations. If any sums of money or property so paid or distributed in respect of the Pledged Securities shall be received by such Grantor during the continuance of an Event of Default, after notice from the Administrative Agent, such Grantor shall, until such money or property is paid or delivered to the Administrative Agent, hold such money or property in trust for the Lenders, segregated from other funds of such Grantor, as additional collateral security for the Obligations.

(b) Without the prior written consent of the Administrative Agent, such Grantor will not (i) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, the Pledged Securities or Proceeds thereof (except pursuant to a transaction not prohibited by the Credit Agreement), (ii) create, incur or permit to exist any Lien, or any claim of any Person with respect to, any of the Pledged Securities or Proceeds thereof, or any interest therein, except for the security interests created by this Agreement or Liens not prohibited under Section 7.3 of the Credit Agreement, (iii) enter into any agreement or undertaking restricting the right or ability of such Grantor to sell, assign or transfer any of the Pledged Stock hereunder or Proceeds thereof, or (iv) enter into any agreement or undertaking restricting, directly or indirectly, the right or ability of the Administrative Agent to sell, assign or transfer any of the Pledged Securities hereunder or Proceeds thereof (except pursuant to a transaction not prohibited by the Credit Agreement).

(c) Without the prior written consent of the Administrative Agent, such Grantor will not, and will not permit any Issuer that is a limited liability company or partnership, to amend such Issuer's certificate of formation, certificate of limited partnership, statement of partnership existence, limited liability company agreement, partnership agreement or operating agreement to provide that any Equity Interests in any Issuer constitute a security under Section 8-103 of the Applicable UCC or the corresponding code or statute of any other applicable jurisdiction.

(d) In the case of each Grantor which is an Issuer, such Issuer agrees that (i) it will be bound by the terms of this Agreement relating to the Pledged Securities issued by it and will comply with such terms insofar as such terms are applicable to it, (ii) it will notify the Administrative Agent promptly in writing of the occurrence of any of the events described in Section 6.5(a) with respect to the Pledged Securities issued by it and (iii) the terms of Sections 7.1(c) and 7.5 shall apply to it, mutatis mutandis, with respect to all actions that may be required of it pursuant to Section 7.1(c) or 7.5 with respect to the Pledged Securities issued by it.

7.1. Investment Property.

(a) Unless an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given written notice to the relevant Grantor of the Administrative Agent's intent to exercise its corresponding rights pursuant to Section 7.1(b), each Grantor shall be permitted to receive all cash dividends paid in respect of the Pledged Stock and all payments made in respect of the Pledged Notes, to the extent not prohibited by the Credit Agreement, and to exercise all voting and organizational rights with respect to the Pledged Securities; provided, however, that no vote shall be cast or right exercised or other action taken which, in the Administrative Agent's reasonable judgment, would impair the Collateral or which would be inconsistent with or result in any violation of any provision of the Credit Agreement, this Agreement or any other Loan Document.

(b) If an Event of Default shall occur and be continuing and the Administrative Agent shall give written notice of its intent to exercise such rights to the relevant Grantor or Grantors, (i) the Administrative Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Pledged Securities and make application thereof to the Obligations in the order specified in Section 7.3, and (ii) any or all of the Pledged Securities shall be registered in the name of the Administrative Agent or its nominee, and the Administrative Agent or its nominee may thereafter exercise (x) all voting, organizational and other rights pertaining to such Pledged Securities at any meeting of shareholders of the relevant Issuer or Issuers or otherwise and (y) any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Pledged Securities as if it were the absolute owner thereof (including, without limitation, the right to exchange at its discretion any and all of the Pledged Securities upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the organizational structure of any Issuer, or upon the exercise by any Grantor or the Administrative Agent of any right, privilege or option pertaining to such Pledged Securities, and in connection therewith, the right to deposit and deliver any and all of the Pledged Securities with any committee, depository, transfer agent, registrar or other designated agency upon such terms and conditions as the Administrative Agent may determine), all without liability except to account for property actually received by it, but the Administrative Agent shall have no duty to any Grantor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

(c) Each Grantor hereby authorizes and instructs each Issuer of any Pledged Securities pledged by such Grantor hereunder to (i) comply with any instruction received by it from the Administrative Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, pay any dividends or other payments with respect to the Pledged Securities directly to the Administrative Agent.

7.2. Proceeds to be Turned Over to Administrative Agent. In addition to the rights of the Administrative Agent and the Lenders specified in Section 7.7 with respect to payments of Pledged Receivables, if an Event of Default shall occur and be continuing, following written notice from the Administrative Agent, all Proceeds received by any Grantor consisting of cash, checks and other near-cash items shall be held by such Grantor in trust for the Administrative Agent and the Lenders, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Administrative Agent in the exact form received by such Grantor (duly indorsed by such Grantor to the Administrative Agent, if required). All Proceeds received by the Administrative Agent hereunder shall be held by the Administrative Agent in a Collateral Account maintained under its sole dominion and control. All Proceeds while held by the Administrative Agent in a Collateral Account (or by such Grantor in trust for the Administrative Agent and the Lenders) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 7.3.

7.3. Application of Proceeds.

(a) At such intervals as may be agreed upon by the Borrower and the Administrative Agent, or, if an Event of Default shall have occurred and be continuing, at any time at the Administrative Agent's election, the Administrative Agent shall apply all or any part of Proceeds constituting Collateral or any amount received from any Guarantor pursuant to Section 2 hereof, whether or not held in any Collateral Account in payment of the Obligations in the following order:

First, to payment of amounts owing to the Administrative Agent in its capacity as such in accordance with the terms of the Credit Agreement;

Second, pro rata (based on the respective amount of the Obligations described in clauses (i), (ii) and (iii) below) to (i) the payment of all other Obligations (other than Equally and Ratably Secured Notes Obligations) due and owing to the Secured Parties for application in accordance with the terms of Section 8.2 of the Credit Agreement, (ii) the TWC Notes Trustee for application to the Equally and Ratably Secured Notes Obligations in respect of the TWC Notes in accordance with the TWC Indenture and (iii) to the TWCE Notes Trustee for application to the Equally and Ratably Secured Notes Obligations in respect of the TWCE Notes in accordance with the TWCE Indenture; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as a court of competent jurisdiction shall direct.

(b) In making the determination and allocations required by this Section 7.3, the Administrative Agent may conclusively rely upon information supplied by the TWC Notes Trustee as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Equally and Ratably Secured Notes Obligations in respect of the TWC Notes and upon information supplied by the TWCE Notes Trustee as to the amounts of unpaid principal

and interest and other amounts outstanding with respect to the Equally and Ratably Secured Notes Obligations in respect of the TWCE Notes and the Administrative Agent shall have no liability to any of the Secured Parties or any of the holders of Equally and Ratably Secured Notes Obligations for actions taken in reliance on such information; provided that nothing in this sentence shall prevent any Grantor from contesting any amounts claimed by any Secured Party or any holder of Equally and Ratably Secured Notes Obligations in any information so supplied. All distributions made by the Administrative Agent pursuant to this Section 7.3 shall be (subject to any decree of any court of competent jurisdiction) final (absent manifest error), and the Administrative Agent shall have no duty to inquire as to the application by the TWC Notes Trustee or the TWCE Notes Trustee of any amounts distributed to the TWC Notes Trustee or the TWCE Notes Trustee by the Administrative Agent.

(c) If, despite the provisions of this Agreement, any Secured Party or any holder of Equally and Ratably Secured Notes Obligations shall receive any payment or other recovery in excess of its portion of payments on account of the Obligations to which it is then entitled in accordance with this Agreement, such Secured Party or holder of Equally and Ratably Secured Notes Obligations shall hold such payment or other recovery in trust for the benefit of all Secured Parties and holders of Equally and Ratably Secured Notes Obligations hereunder for distribution in accordance with this Section 7.3.

7.4. Code and Other Remedies. If an Event of Default shall occur and be continuing, the Administrative Agent, on behalf of the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Applicable UCC or any other applicable law. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or, to the extent permitted by law, private sale or sales, at any exchange, broker's board or office of the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured Notes Obligations or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Administrative Agent, any other Secured Party and any holder of Equally and Ratably Secured Notes Obligations shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each Grantor further agrees, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Section 7.4, after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including, without

limitation, Section 9-615(a)(3) of the Applicable UCC, in accordance with Section 7.3 and only then need the Administrative Agent account for the surplus, if any, to any Grantor. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured Notes Obligations arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

7.5. Registration Rights.

(a) If the Administrative Agent shall determine to exercise its right to sell any or all of the Pledged Stock pursuant to Section 7.4, and if in the opinion of the Administrative Agent it is necessary or advisable to have the Pledged Stock, or that portion thereof to be sold, registered under the provisions of the Securities Act, the relevant Grantor will cause the Issuer thereof to (i) execute and deliver, and cause the directors and officers of such Issuer to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts as may be, in the opinion of the Administrative Agent, necessary or advisable to register the Pledged Stock, or that portion thereof to be sold, under the provisions of the Securities Act, (ii) use its reasonable best efforts to cause the registration statement relating thereto to become effective and to remain effective for a period of one year from the date of the first public offering of the Pledged Stock, or that portion thereof to be sold, and (iii) make all amendments thereto and/or to the related prospectus which, in the opinion of the Administrative Agent, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the Securities and Exchange Commission applicable thereto. Each Grantor agrees to cause such Issuer to comply with the provisions of the securities or "Blue Sky" laws of any and all jurisdictions which the Administrative Agent shall designate and to make available to its security holders, as soon as practicable, an earnings statement (which need not be audited) which will satisfy the provisions of Section 11(a) of the Securities Act.

(b) Each Grantor recognizes that the Administrative Agent may be unable to effect a public sale of any or all the Pledged Stock, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may by reason of such prohibitions be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Stock for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(c) Each Grantor agrees to use its reasonable best efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Stock pursuant to this Section 7.5 valid and binding and in compliance with any and

all other applicable Requirements of Law. Each Grantor further agrees that a breach of any of the covenants contained in this Section 7.5 will cause irreparable injury to the Administrative Agent and the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations, that the Administrative Agent and the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 7.5 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred under the Credit Agreement.

7.6. Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the fees and disbursements of any attorneys employed by the Administrative Agent, any Secured Party or any holder of Equally and Ratably Secured Notes Obligations to collect such deficiency.

7.7. Certain Matters Relating to Pledged Receivables. The Administrative Agent hereby authorizes each Grantor pledging Receivables hereunder to collect such Grantor's Pledged Receivables, provided that the Administrative Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. At any time after the occurrence and during the continuance of an Event of Default, after written notice to such Grantor from the Administrative Agent, any payments of Pledged Receivables, when collected by any Grantor, (i) shall be forthwith (and, in any event, within two Business Days) deposited by such Grantor in the exact form received, duly indorsed by such Grantor to the Administrative Agent if required, in a Collateral Account maintained under the sole dominion and control of the Administrative Agent, subject to withdrawal by the Administrative Agent for application as provided in Section 7.3, and (ii) until so turned over, shall be held by such Grantor in trust for the Administrative Agent, the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations, segregated from other funds of such Grantor. Each such deposit of Proceeds of Pledged Receivables shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

7.8. Communications with Obligors; Grantors Remain Liable.

(a) The Administrative Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default communicate with obligors under the Pledged Receivables to verify with them to the Administrative Agent's satisfaction the existence, amount and terms of any Receivables.

(b) Upon the written request of the Administrative Agent at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify obligors on the Pledged Receivables that the Pledged Receivables have been assigned to the Administrative Agent for the ratable benefit of the Secured Parties and holders of Equally and Ratably Secured Notes Obligations and that payments in respect thereof shall be made directly to the Administrative Agent.

(c) Anything herein to the contrary notwithstanding, each Grantor pledging Receivables shall remain liable under each of the Pledged Receivables to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Administrative Agent, any Secured Party nor any holder of Equally and Ratably Secured Notes Obligations shall have any obligation or liability under any Receivable (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Administrative Agent, any Secured Party nor any holder of Equally and Ratably Secured Notes Obligations of any payment relating thereto, nor shall the Administrative Agent, any Secured Party nor any holder of Equally and Ratably Secured Notes Obligations be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Receivable (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

SECTION 8. THE ADMINISTRATIVE AGENT

8.1. Administrative Agent's Appointment as Attorney-in-Fact, etc.

(a) Each Grantor hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Administrative Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Pledged Receivable or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due under any Pledged Receivable or with respect to any other Collateral when-ever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Administrative Agent's security interest (for the benefit of the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations) in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 7.4 or 7.5, any indorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral;

(v) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Administrative Agent may deem appropriate; (7) assign any Patent or Trademark (along with the goodwill of the business to which any such Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Administrative Agent shall in its sole discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and do, at the Administrative Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems necessary to protect, preserve or realize upon the Collateral and the Administrative Agent's security interest (for the benefit of the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations) therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do; and

(vi) exercise any of the Administrative Agent's rights pursuant to Section 7.9.

Anything in this Section 8.1(a) to the contrary notwithstanding, the Administrative Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 8.1(a) unless an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given written notice of its intent to exercise its rights under this Section 8.1(a).

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, after prior notice to such Grantor, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Administrative Agent incurred in connection with actions undertaken as provided in this Section 8.1, together with interest thereon at a rate per annum equal to the highest rate per annum at which interest would then be payable on any Class of past due ABR Loans under the Credit Agreement, from the date of payment by the Administrative Agent to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Administrative Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

(e) By accepting the benefits of this Agreement, each holder of Equally and Ratably Secured Notes Obligations hereby appoints the Administrative Agent to serve as collateral agent for the holders of Equally and Ratably Secured Notes Obligations hereunder and to enter into any intercreditor agreement from time to time permitted by the Credit Agreement.

8.2. Duty of Administrative Agent. The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the Applicable UCC or otherwise, shall be to deal with it in the same manner as the Administrative Agent deals with similar property for its own account. Neither the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured Notes Obligations nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Administrative Agent, the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations hereunder are solely to protect the Administrative Agent's and the Lenders' interests in the Collateral and shall not impose any duty upon the Administrative Agent or any Lender to exercise any such powers. The Administrative Agent, the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

8.3. Financing Statements. Pursuant to any applicable law, each Grantor authorizes the Administrative Agent to file or record financing statements and other filing or recording documents or instruments with respect to the Collateral without the signature of such Grantor in such form and in such offices as the Administrative Agent determines appropriate to perfect the security interests of the Administrative Agent under this Agreement. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction. The Borrower and each Guarantor authorizes the Administrative Agent to use the collateral description "all personal property" in any such financing statements.

8.4. Authority of Administrative Agent. Each Grantor acknowledges that the rights and responsibilities of the Administrative Agent under this Agreement with respect to any action taken by the Administrative Agent or the exercise or non-exercise by the Administrative Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Administrative Agent and the Lenders, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Administrative Agent and each Grantor, the Administrative Agent shall be conclusively presumed to be acting as agent for the Lenders with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

SECTION 9. MISCELLANEOUS

9.1. Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 10.1 of the Credit Agreement.

9.2. Notices. All notices, requests and demands to or upon the Administrative Agent or any Grantor hereunder shall be effected in the manner provided for in Section 10.2 of the Credit Agreement; provided that any such notice, request or demand to or upon any Subsidiary Guarantor shall be addressed to such Guarantor at its notice address set forth on Schedule 1.

9.3. No Waiver by Course of Conduct; Cumulative Remedies. Neither the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured Notes Obligations shall by any act (except by a written instrument pursuant to Section 9.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of the Administrative Agent or any Lender, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Administrative Agent or any Lender of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Administrative Agent or such Lender would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

9.4. Enforcement Expenses; Indemnification.

(a) Each Guarantor agrees to pay or reimburse each Lender and the Administrative Agent for all its costs and expenses incurred in collecting against such Guarantor under the guarantee contained in Section 2 or otherwise enforcing or preserving any rights under this Agreement and the other Loan Documents to which such Guarantor is a party, including, without limitation, the reasonable and documented fees and disbursements of one firm of counsel (together with any special and local counsel) to the Administrative Agent to the extent the Borrower would be required to do so pursuant to Section 10.5 of the Credit Agreement.

(b) Each Grantor agrees to pay, and to save the Administrative Agent and the Lenders harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral to the extent the Borrower would be required to do so pursuant to Section 10.5 of the Credit Agreement.

(c) Each Guarantor agrees, jointly and severally, to pay, and to save the Administrative Agent and the Lenders harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Borrower would be required to do so pursuant to Section 10.5 of the Credit Agreement.

(d) The agreements in this Section 9.4 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Loan Documents.

9.5. Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Grantor and Guarantor and shall inure to the benefit of the Administrative Agent and the Lenders and their successors and assigns; provided that no Grantor or Guarantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent.

9.6. Set-Off. Each Grantor hereby irrevocably authorizes the Administrative Agent, each other Secured Party and each holder of Equally and Ratably Secured Notes Obligations at any time and from time to time while an Event of Default pursuant to Section 8(a) or 8(g) (in the latter case with respect to the Borrower) of the Credit Agreement shall have occurred and be continuing, without notice to such Grantor or any other Grantor, any such notice being expressly waived by each Grantor, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by the Administrative Agent, any other Secured Party or any holder of Equally and Ratably Secured Notes Obligations to or for the credit or the account of such Grantor, or any part thereof in such amounts as the Administrative Agent, Secured Party or holder of Equally and Ratably Secured Notes Obligations may elect, against and on account of the obligations and liabilities of the Borrower or such Grantor to the Administrative Agent, Secured Party or holder of Equally and Ratably Secured Notes Obligations hereunder and claims of every nature and description of the Administrative Agent, Secured Party or holder of Equally and Ratably Secured Notes Obligations against any Grantor, in any currency, whether arising hereunder, under the Credit Agreement, any other Loan Document or otherwise, as the Administrative Agent, such Secured Party or holder of Equally and Ratably Secured Notes Obligations may elect, whether or not the Administrative Agent, any Secured Party or any holder of Equally and Ratably Secured Notes Obligations has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. The Administrative Agent, each Secured Party and each holder of Equally and Ratably Secured Notes Obligations shall notify such Grantor promptly of any such set-off and the application made by the Administrative Agent or such

Lender of the proceeds thereof, provided that the failure to give such notice shall not affect the validity of such set-off and application and any amount so set off shall be subject to distribution in accordance with Section 7.3. The rights of the Administrative Agent, each other Secured Party and each holder of Equally and Ratably Secured Notes Obligations under this Section 9.6 are in addition to other rights and remedies (including, without limitation, other rights of set-off) which such Person may have.

9.7. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

9.8. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9.9. Governmental Approvals.

(a) Notwithstanding anything herein to the contrary, this Agreement, the other Loan Documents and the transactions contemplated hereby and thereby, prior to the exercise of any rights and remedies provided in this Agreement or the other Loan Documents, including, without limitation, voting the Pledged Securities or a foreclosure of the security interest granted under this Agreement, except to the extent not prohibited by applicable Requirements of Law, (i) do not and will not constitute, create, or have the effect of constituting or creating, directly or indirectly, actual or practical ownership of the Borrower or any Subsidiary of the Borrower by the Administrative Agent, any Secured Party or any holder of Equally and Ratably Secured Notes Obligations, or control, affirmative or negative, direct or indirect, by the Administrative Agent, any Secured Party or any holder of Equally and Ratably Secured Notes Obligations over the management or any other aspect of the operation of the Borrower or any Subsidiary of the Borrower, which ownership and control remains exclusively and at all times in the Borrower and such Subsidiary, and (ii) do not and will not constitute the transfer, assignment, or disposition in any manner, voluntarily or involuntarily, directly or indirectly, of any License at any time issued to the Borrower or any Subsidiary of the Borrower, or the transfer of control of the Borrower or any Subsidiary of the Borrower, including, without limitation, within the meaning of Section 310(d) of the Communications Act of 1934, as amended.

(b) Notwithstanding any other provision of this Agreement, any foreclosure on, sale, transfer or other disposition of, or the exercise of any right to vote or consent with respect to, any of the Pledged Securities, as provided herein, or any other action taken or proposed to be taken by the Administrative Agent hereunder which would affect the operational, voting or other control of the Borrower or any Subsidiary of the Borrower, shall be in accordance with applicable Requirements of Law.

(c) Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations shall not, without first obtaining the approval of the FCC or any other applicable Governmental Authority, take any action pursuant to this Agreement which would constitute or result in, or be deemed to constitute or result in, any assignment of a License, including, without limitation, any CATV Franchise of the Borrower or any Subsidiary of the Borrower, or any change of control of the Borrower or any Subsidiary of the Borrower, if such assignment or change in control would require, under then existing Requirements of Law (including the written rules and regulations promulgated by the FCC), the prior approval of the FCC or such other Governmental Authority.

(d) If counsel to the Administrative Agent reasonably determines that the consent of the FCC or any other Governmental Authority is required in connection with any of the actions which may be taken by the Administrative Agent in the exercise of its rights under this Agreement or any of the other Loan Documents during the continuance of an Event of Default, then the Borrower, at its sole cost and expense, shall use its reasonable best efforts to secure such consent and to cooperate fully with the Administrative Agent in any action commenced by the Administrative Agent to secure such consent. Upon the exercise by the Administrative Agent of any power, right, privilege or remedy pursuant to this Agreement during the continuance of an Event of Default which requires any consent, approval, recording, qualification or authorization of the FCC or any other Governmental Authority or instrumentality, the Borrower will promptly prepare, execute, deliver and file, or will promptly cause the preparation, execution, delivery and filing of, all applications, certificates, instruments and other documents and papers that the Administrative Agent reasonably deems necessary or advisable to obtain such governmental consent, approval, recording, qualification or authorization including, without limitation, the assignor's or transferor's portion of any application or applications for consent to the assignment of license necessary or appropriate under the rules and regulations of the FCC or any other Governmental Authority for approval of any sale, transfer or assignment to the Administrative Agent or any other Person of the Pledged Securities. Subject to the provisions of applicable law, if the Borrower fails or refuses to execute, or fails or refuses to cause another Person to execute, such documents, the Administrative Agent, as attorney-in-fact for the Borrower appointed pursuant to Section 8.1, or the clerk of any court of competent jurisdiction, may execute and file the same on behalf of the Borrower. In addition to the foregoing, during the continuance of an Event of Default, the Borrower agrees to take, or cause to be taken, any action which the Administrative Agent may reasonably request in order to obtain and enjoy the full rights and benefits granted to the Administrative Agent, the other Secured Parties and the holders of Equally and Ratably Secured Notes Obligations by this Agreement and any other instruments or agreements executed pursuant hereto, including, without limitation, at the Borrower's cost and expense, the exercise of the Borrower's best efforts to cooperate in obtaining FCC or other governmental approval of any action or transaction contemplated by this Agreement or any other instrument or agreement executed pursuant hereto which is then required by law.

(e) The Borrower recognizes that the authorizations, permits and licenses held by the Borrower or any of its Subsidiaries are unique assets which may have to be assigned or transferred in order for the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations to realize the value of the security interests granted to the Administrative Agent.

The Borrower further recognizes that a violation of the provisions of Section 9.9 would result in irreparable harm to the Administrative Agent, the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations for which monetary damages are not readily ascertainable. Therefore, in addition to any other remedy which may be available to the Administrative Agent, the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations at law or in equity, the Administrative Agent shall have the remedy of specific performance of the provisions of this Section 9.9. To enforce the provisions of this Section 9.9, the Administrative Agent is authorized to request the consent or approval of the FCC or other Governmental Authority to a voluntary or an involuntary assignment or transfer of control of any authorization, permit or license. In connection with the exercise of its remedies under this Agreement or under any of the other Loan Documents, the Administrative Agent may obtain the appointment of a trustee or receiver to assume, upon receipt of all necessary judicial, FCC or other Governmental Authority consents or approvals, the control of any Person, subject to compliance with applicable Requirements of Law. Such trustee or receiver shall have all rights and powers provided to it by law or by court order or provided to the Administrative Agent under this Agreement.

9.10. Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

9.11. Integration. This Agreement and the other Loan Documents represent the agreement of each Grantor, the Administrative Agent and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Administrative Agent or any Lender relative to subject matter hereof and thereof not expressly set forth or referred to herein or in the other Loan Documents.

9.12. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

9.13. Submission To Jurisdiction; Waivers. Each Grantor hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Grantor at its address referred to in Section 9.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

9.14. Acknowledgments. Each Grantor hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party;

(b) neither the Administrative Agent nor any other Secured Party nor any holder of Equally and Ratably Secured Notes Obligations has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Grantors, on the one hand, and the Administrative Agent, the other Secured Parties and the holders of Equally and Ratably Secured Notes Obligations, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations or among the Grantors and the Secured Parties and the holders of Equally and Ratably Secured Notes Obligations.

9.15. Additional Grantors; Release.

(a) Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to Section 6.9 of the Credit Agreement shall become a Grantor and Guarantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex 1 hereto.

(b) The Liens securing the Obligations will be released, in whole or in part, as provided in Section 10.14 of the Credit Agreement. Upon any release of any Liens on any asset securing the Obligations in respect of Loans, Letters of Credit, interest, fees, expenses and other amounts due under the Credit Agreement, the Liens hereunder securing the Equally and Ratably Secured Notes Obligations shall be automatically released on such assets. On the Discharge Date, the Collateral securing all Obligations shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent, CCOH and each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Administrative Agent shall deliver to such Grantor any Collateral held by the Administrative Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(c) If any of the Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a transaction not prohibited by the Credit Agreement or consented to in accordance with Section 10.1 of the Credit Agreement, then the Administrative Agent, at the request and sole expense of such Grantor, shall promptly execute and deliver to such Grantor all releases (which may be effected pursuant to a Release) or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral. At the request and sole expense of the Borrower, a Subsidiary Guarantor shall be released from its obligations hereunder in the event that all the Equity Interests of such Subsidiary Guarantor shall be sold, transferred or otherwise disposed of in a transaction not prohibited by the Credit Agreement.

9.16. Successor Administrative Agent. Upon the appointment of any successor to the Administrative Agent pursuant to Section 9.9 of the Credit Agreement, such successor shall thereupon automatically succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent under this Agreement and all references to the Administrative Agent herein shall refer to such successor, and the retiring Administrative Agent shall thereupon be discharged from its duties and obligations under this Agreement. After any retiring Administrative Agent's resignation, the provisions hereof shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement.

9.17. **WAIVER OF JURY TRIAL**. EACH GRANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

9.18. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the Liens on any Collateral granted to the Administrative Agent pursuant to this Agreement, and the exercise of any right or remedy by the Administrative Agent with respect to any such Collateral, are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement in effect at such time and the terms of this Agreement, the terms of Intercreditor Agreement shall govern and control. Notwithstanding anything herein to the contrary, so long as the Intercreditor Agreement is effective, any requirement hereunder to deliver any Shared Collateral (as such term is defined in the Intercreditor Agreement) or the proceeds thereof to the Administrative Agent shall be deemed satisfied by delivery of such Shared Collateral to the Applicable Authorized Representative (as such term is defined in the Intercreditor Agreement).

SECTION 10. EQUAL AND RATABLE SECURITY

10.1. Equal and Ratable Security. This Agreement shall secure the Equally and Ratably Secured Notes Obligations on an equal and ratable basis with the other Obligations and shall be construed and enforced accordingly.

10.2. Limitation on Administrative Agent's Responsibilities with Respect to Holders of Equally and Ratably Secured Notes Obligations.

(a) The obligations of the Administrative Agent to the holders of Equally and Ratably Secured Notes Obligations and the TWC Notes Trustee and TWCE Notes Trustee hereunder shall be limited solely to (i) holding the Collateral for the ratable benefit of the holders of Equally and Ratably Secured Notes Obligations for so long as (A) the Discharge Date has not occurred and any Liens securing the Obligations remain outstanding and (B) any Equally and Ratably Secured Notes Obligations are secured by the Collateral pursuant to this Agreement and (ii) distributing any proceeds received by the Administrative Agent from the sale, collection or realization of the Collateral to the TWC Notes Trustee and TWCE Notes Trustee in accordance with Section 7.3. None of the holders of Equally and Ratably Secured Notes Obligations, the TWC Notes Trustee nor the TWCE Notes Trustee shall be entitled to exercise (or direct the Administrative Agent to exercise) any rights or remedies hereunder with respect to the Equally and Ratably Secured Notes Obligations, including without limitation the right to receive any payments, enforce the Lien on Collateral, request any action, institute proceedings, give any instructions to the Administrative Agent or any other Person, make any election, make collections, sell or otherwise foreclose on any portion of the Collateral or execute any amendment, supplement, or acknowledgment hereof. This Agreement shall not create any liability of the Administrative Agent or the Secured Parties to any holders of Equally and Ratably Secured Notes Obligations or to the TWC Notes Trustee or the TWCE Notes Trustee by reason of actions taken with respect to the creation, perfection or continuation of the Lien on Collateral, actions with respect to the occurrence of an Event of Default (under, and as defined in, the Credit Agreement), actions with respect to the foreclosure upon, sale, release, or depreciation of, or failure to realize upon, any of the Collateral or action with respect to the collection of any claim for all or any part of the Equally and Ratably Secured Notes Obligations, guarantor or any other party or the valuation, use or protection of the Collateral. By acceptance of the benefits under this Agreement and the other Loan Documents, the holders of Equally and Ratably Secured Notes Obligations, the TWC Notes Trustee and the TWCE Notes Trustee will be deemed to have acknowledged and agreed that the provisions of the preceding sentence are intended to induce the Lenders to permit such Persons to be secured parties under this Agreement and are being relied upon by the Lenders as consideration therefor.

(b) Notwithstanding anything to the contrary herein, nothing in this Agreement shall or shall be construed to (i) result in the security interest in the Collateral securing the Equally and Ratably Secured Notes Obligations less than equally and ratably with the Liens securing the Obligations or (ii) modify or affect the rights of the holders of the Equally and Ratably Secured Notes Obligations to receive the pro rata share specified in Section 7.3 of any proceeds of any collection or sale of Collateral.

(c) The parties hereto agree that the Equally and Ratably Secured Notes Obligations and the Secured Obligations are, and will be, equally and ratably secured with each other by the Liens on the Collateral. Any and all rights not herein expressly given to the TWC Notes Trustee or the TWCE Notes Trustee are expressly reserved to the Administrative Agent and the Secured Parties other than the holders of the Equally and Ratably Secured Notes Obligations.

IN WITNESS WHEREOF, each Grantor and the Administrative Agent has caused this Agreement to be duly authenticated as of the date first above written by executing and delivering the Restatement Agreement to which this Agreement is attached.

Notwithstanding any of the other provisions set forth in any subsection of this Section 2.1 or any other provision of this Agreement, (i) this Agreement shall not constitute a grant of a security interest in, and the Collateral shall not include, (v) any Co-Owned TWC IP, (w) any intent-to-use trademark application to the extent and for so long as creation by a Grantor of a security interest therein would result in the loss by such Grantor of any material rights therein, until such time, if any, as a statement of use is filed and accepted, (x) any property to the extent that such grant of a security interest is prohibited by any Requirements of Law of a Governmental Authority, requires a consent not obtained of any Governmental Authority pursuant to such Requirement of Law or is prohibited by, or constitutes a breach or default under or results in the termination of or requires any consent not obtained under, any contract, license, agreement (including any joint venture, partnership or limited liability company operating agreement, unless the same relates to a Wholly Owned Subsidiary), instrument or other document evidencing or giving rise to such property (including, without limitation, any contractual restriction applicable to any Patent or Trademark that is jointly owned by one or more Grantors, on the one hand, and any Person that is not a member of the Charter Group, on the other hand) except to the extent that such Requirement of Law or the term in such contract, license, agreement, instrument or other document providing for such prohibition, breach, default or termination or requiring such consent is ineffective under applicable law (it being understood that, subject to the limitations set forth in this paragraph, it is the intent of the parties that the Collateral include all FCC Licenses, CATV Franchises, the economic value thereof and all Proceeds thereof), (y) any property that is subject to a purchase money security interest permitted by the Indenture for so long as it is subject to such security interest or (z) any Equity Interests or other securities of any Subsidiary of the Issuers in excess of the maximum amount of such Equity Interests or securities that could be included in the Collateral without creating a requirement pursuant to Rule 3-16 of Regulation S-X under the Securities Act of 1933, as amended, for separate financial statements of such Subsidiary to be included in filings by any member of the Charter Group with the SEC (or any other governmental agency) and (ii) in no event shall more than 66% of the total outstanding Foreign Subsidiary Voting Equity Interests of any Foreign Subsidiary constitute Collateral or be required to be pledged hereunder.

Each Grantor hereby represents and warrants to the Collateral Agent and each Secured Party that:

4.1 Title; No Other Liens. Except for the security interest granted to the Collateral Agent for the ratable benefit of the Secured Parties pursuant to this Agreement and the other Liens not prohibited to exist on the Collateral by the Indenture, such Grantor owns each item of the Collateral free and clear of any and all Liens or claims of others. For the avoidance of doubt, it is understood and agreed that any Grantor may, as part of its business, grant licenses to third parties to use Intellectual Property owned or developed by a Grantor. For purposes of this Agreement and the other Indenture Documents, such licensing activity shall not constitute a "Lien" on such Intellectual Property. Each of the Collateral Agent and each Secured Party understands that any such licenses may be exclusive to the applicable licensees, and such exclusivity provisions may limit the ability of the Collateral Agent to utilize, sell, lease or transfer the related Intellectual Property or otherwise realize value from such Intellectual Property pursuant hereto.

4.2 Perfected First Priority Liens. The security interests granted pursuant to this Agreement (a) constitute valid perfected security interests in all of the Collateral in favor of the Collateral Agent, for the ratable benefit of the Secured Parties, as collateral security for such Grantor's Obligations, enforceable in accordance with the terms hereof against all creditors of such Grantor and any Persons purporting to purchase any Collateral from such Grantor and (b) are prior to all other Liens on the Collateral in existence on the date hereof except for Liens not prohibited by the Indenture.

4.3 Jurisdiction of Organization. On the date hereof, such Grantor's jurisdiction of organization is specified on Schedule 4.

4.4 Pledged Securities. The Equity Interests pledged by such Grantor hereunder constitute all the issued and outstanding shares of all classes of the Equity Interests of each Pledged Issuer owned by such Grantor or, in the case of Foreign Subsidiary Voting Equity Interests, if less, 66% of the outstanding Foreign Subsidiary Voting Equity Interests of each relevant Pledged Issuer.

(a) Except with respect to Pledged Stock from time to time constituting an immaterial portion of the Collateral, all the shares of the Pledged Stock have been duly and validly issued and are fully paid and nonassessable.

(b) None of the Pledged LLC Interests or Pledged Partnership Interests constitutes a security under Section 8-103 of the Applicable UCC or the corresponding code or statute of any other applicable jurisdiction.

(c) Except with respect to Pledged Notes from time to time constituting an immaterial portion of the Collateral, each of the Pledged Notes constitutes the legal, valid and binding obligation of the obligor with respect thereto, enforceable in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and the implied covenant of good faith and fair dealing.

(d) Such Grantor is the record and beneficial owner of, and has good and marketable title to, the Pledged Securities pledged by it hereunder, free of any and all Liens or options in favor of, or claims of, any other Person, except the security interest created by this Agreement and any Liens not prohibited by the Indenture.

SECTION 5. COVENANTS

Each Grantor covenants and agrees that, from and after the date of this Agreement until the Obligations shall have been paid in full or the relevant Collateral has been released in accordance with Section 8.14:

5.1 Delivery of Instruments, Certificated Securities and Chattel Paper. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any Instrument, Certificated Security or Chattel Paper with a face value of \$5,000,000 or more, such Instrument, Certificated Security or Chattel Paper shall be promptly delivered to the Collateral Agent, duly indorsed, to be held as Collateral pursuant to this Agreement.

5.2 Insurance. All insurance maintained by any Grantor with respect to the Collateral shall name the Collateral Agent as insured party or loss payee, as applicable and customary.

5.3 Maintenance of Perfected Security Interest; Further Documentation. (a) Such Grantor shall take all reasonable and necessary actions to maintain the security interest created by this Agreement as a perfected security interest having at least the priority described in Section 4.2 and shall defend such security interest against the claims and demands of all Persons whomsoever.

(b) Such Grantor will furnish to the Collateral Agent and the Holders from time to time statements and schedules further identifying and describing the assets and property of such Grantor constituting, or intended to constitute, Collateral and such other reports in connection therewith as the Collateral Agent may reasonably request, all in reasonable detail.

(c) The Grantors shall at all times ensure that the Collateral Agent, for the benefit of the Secured Parties, has a perfected security interest in the Collateral to the same extent as all Equally and Ratably Secured Indebtedness.

5.4 Changes in Locations, Name, etc. Such Grantor will not, except upon prior written notice to the Collateral Agent:

(k) (l) change its jurisdiction of organization; or

(m) (n) change its name to such an extent that any financing statement filed by the Collateral Agent in connection with this Agreement would become seriously misleading;

unless, within 30 days of the taking of any such actions, such Grantor delivers to the Collateral Agent notice of such change and evidence that all steps necessary to maintain the validity, perfection and priority of the security interests provided for herein have been taken.

5.5 Pledged Securities.

(a) If such Grantor shall become entitled to receive or shall receive any certificate (including, without limitation, any certificate representing a dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), option or rights in respect of the Equity Interests of any Pledged Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares of the Pledged Stock, or otherwise in respect thereof, such Grantor shall accept the same as the agent of the Collateral Agent and the Holders, hold the same in trust for the Collateral Agent and the Holders, and, with respect to Pledged Stock constituting securities under and as defined in Section 8-103 of the Applicable UCC, deliver the

same forthwith to the Collateral Agent in the exact form received, duly indorsed by such Grantor to the Collateral Agent, if required, together with an undated power covering such certificate duly executed in blank by such Grantor, to be held by the Collateral Agent, subject to the terms hereof, as additional collateral security for the Obligations. During the continuance of an Event of Default, after written notice from the Collateral Agent, any sums paid upon or in respect of the Pledged Securities upon the liquidation or dissolution of any Pledged Issuer shall be paid over to the Collateral Agent to be held by it hereunder as additional collateral security for the Obligations, and in case any distribution of capital shall be made on or in respect of the Pledged Securities or any property shall be distributed upon or with respect to the Pledged Securities pursuant to the recapitalization or reclassification of the capital of any Pledged Issuer or pursuant to the reorganization thereof, the property so distributed shall be delivered to the Collateral Agent to be held by it hereunder as additional collateral security for the Obligations. If any sums of money or property so paid or distributed in respect of the Pledged Securities shall be received by such Grantor, during the continuance of an Event of Default, after notice from the Collateral Agent, such Grantor shall, until such money or property is paid or delivered to the Collateral Agent, hold such money or property in trust for the Holders, segregated from other funds of such Grantor, as additional collateral security for the Obligations.

(b) No Grantor shall (i) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, the Pledged Securities or Proceeds thereof (except pursuant to a transaction not prohibited by the Indenture), (ii) create, incur or permit to exist any Lien, or any claim of any Person with respect to, any of the Pledged Securities or Proceeds thereof, or any interest therein, except for the security interests created by this Agreement or Liens not prohibited under the Indenture or (iii) enter into any agreement or undertaking restricting, directly or indirectly, the right or ability of the Collateral Agent to sell, assign or transfer any of the Pledged Securities hereunder or Proceeds thereof.

(c) In the case of each Grantor which is an Pledged Issuer, such Pledged Issuer agrees that (i) it will be bound by the terms of this Agreement relating to the Pledged Securities issued by it and will comply with such terms insofar as such terms are applicable to it, (ii) it will notify the Collateral Agent promptly in writing of the occurrence of any of the events described in Section 5.5(a) with respect to the Pledged Securities issued by it and (iii) the terms of Sections 6.1(c) and 6.5 shall apply to it, mutatis mutandis, with respect to all actions that may be required of it pursuant to Section 6.1(c) or 6.5 with respect to the Pledged Securities issued by it.

SECTION 6. REMEDIAL PROVISIONS

6.1 Investment Property.

(a) Unless an Event of Default shall have occurred and be continuing and the Collateral Agent shall have given written notice to the relevant Grantor of the Collateral Agent's intent to exercise its corresponding rights pursuant to Section 6.1(b), each Grantor shall be permitted to receive all cash dividends paid in respect of the Pledged Stock and all payments made in respect of the Pledged Notes, to the extent not prohibited by the Indenture, and to exercise all voting and organizational rights with respect to the Pledged Securities; provided, however, that no vote shall be cast or right exercised or other action taken which would impair the Collateral or which would be inconsistent with or result in any violation of any provision of the Indenture, this Agreement or any other Indenture Document.

(b) If an Event of Default shall occur and be continuing and the Collateral Agent shall give written notice of its intent to exercise such rights to the relevant Grantor or Grantors, (i) the Collateral Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Pledged Securities and make application thereof to the Obligations in the order specified in Section 6.3, and (ii) any or all of the Pledged Securities shall be registered in the name of the

(c) Each Grantor hereby authorizes and instructs each Pledged Issuer of any Pledged Securities pledged by such Grantor hereunder to (i) comply with any instruction received by it from the Collateral Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Pledged Issuer shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, pay any dividends or other payments with respect to the Pledged Securities directly to the Collateral Agent.

6.2 Proceeds To Be Turned Over to Collateral Agent. All Proceeds received by the Collateral Agent hereunder shall be held by the Collateral Agent in a Collateral Account maintained under its sole dominion and control. All Proceeds while held by the Collateral Agent in a Collateral Account (or by such Grantor in trust for the Collateral Agent and the Holders) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 6.3.

6.3 Application of Proceeds. At such intervals as may be agreed upon by the Issuers and the Collateral Agent, or, if an Event of Default shall have occurred and be continuing, at any time at the Collateral Agent's election, the Collateral Agent may apply all or any part of Proceeds constituting Collateral, whether or not held in any Collateral Account in payment of the Obligations in the order specified in the Indenture, and any part of such funds which the Collateral Agent elects not so to apply and deems not required as collateral security for the Obligations shall be paid over from time to time by the Collateral Agent to the Issuers or as a court of competent jurisdiction shall direct. Without limiting the generality of the foregoing, the Collateral Agent,

without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or, to the extent permitted by law, private sale or sales, at any exchange, broker's board or office of the Collateral Agent or any other Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Collateral Agent or any other Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each Grantor further agrees, at the Collateral Agent's request, to assemble the Collateral and make it available to the Collateral Agent at places which the Collateral Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.4, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Collateral Agent and the other Secured Parties hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in such order as the Collateral Agent may elect, and only after such application and after the payment by the Collateral Agent of any other amount required by any provision of law, including, without limitation, Section 9-615(a)(3) of the Applicable UCC, need the Collateral Agent account for the surplus, if any, to any Grantor. 6.5 Registration Rights.

(a) If the Collateral Agent shall determine to exercise its right to sell any or all of the Pledged Stock pursuant to Section 6.4, and it is necessary or advisable to have the Pledged Stock, or that portion thereof to be sold, registered under the provisions of the Securities Act, the relevant Grantor will cause the Pledged Issuer thereof to (i) execute and deliver, and cause the directors and officers of such Pledged Issuer to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts as may be necessary or advisable to register the Pledged Stock, or that portion thereof to be sold, under the provisions of the Securities Act, (ii) use its reasonable best efforts to cause the registration statement relating thereto to become effective and to remain effective for a period of one year from the date of the first public offering of the Pledged Stock, or that portion thereof to be sold, and (iii) make all amendments thereto and/or to the related prospectus which are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the Securities and Exchange Commission applicable thereto. Each Grantor agrees to cause such Pledged Issuer to comply with the provisions of the securities or "Blue Sky" laws of any and all jurisdictions which the Collateral Agent shall designate and to make available to its security holders, as soon as practicable, an earnings statement (which need not be audited) which will satisfy the provisions of Section 11(a) of the Securities Act.

(b) Each Grantor recognizes that the Collateral Agent may be unable to effect a public sale of any or all the Pledged Stock, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may by reason of such prohibitions be

compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Collateral Agent shall be under no obligation to delay a sale of any of the Pledged Stock for the period of time necessary to permit the Pledged Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Pledged Issuer would agree to do so.

(c) Each Grantor agrees to use its reasonable best efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Stock pursuant to this Section 6.5 valid and binding and in compliance with any and all other applicable Requirements of Law. Each Grantor further agrees that a breach of any of the covenants contained in this Section 6.5 will cause irreparable injury to the Collateral Agent and the other Secured Parties, that the Collateral Agent and the other Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 6.5 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred under the Indenture.

6.6 Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the fees and disbursements of any attorneys employed by the Collateral Agent or any other Secured Party to collect such deficiency.

6.7 Certain Matters Relating to Pledged Receivables. The Collateral Agent hereby authorizes each Grantor pledging Receivables hereunder to collect such Grantor's Pledged Receivables, provided that the Collateral Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. At any time after the occurrence and during the continuance of an Event of Default, after written notice to such Grantor from the Collateral Agent, any payments of Pledged Receivables, when collected by any Grantor, (i) shall be forthwith (and, in any event, within two Business Days) deposited by such Grantor in the exact form received, duly indorsed by such Grantor to the Collateral Agent if required, in a Collateral Account maintained under the sole dominion and control of the Collateral Agent, subject to withdrawal by the Collateral Agent for the account of the Secured Parties only as provided in Section 6.3, and (ii) until so turned over, shall be held by such Grantor in trust for the Collateral Agent and the other Secured Parties, segregated from other funds of such Grantor. Each such deposit of Proceeds of Pledged Receivables shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

6.8 Communications with Obligors; Grantors Remain Liable.

(a) The Collateral Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default communicate with obligors under the Pledged Receivables to verify with them the existence, amount and terms of any Receivables.

(b) Upon the written request of the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify obligors on the Pledged Receivables that the Pledged Receivables have been assigned to the Collateral Agent for the ratable benefit of the Secured Parties and that payments in respect thereof shall be made directly to the Collateral Agent.

(c) Anything herein to the contrary notwithstanding, each Grantor pledging Receivables shall remain liable under each of the Pledged Receivables to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Collateral Agent nor any other Secured Party shall have any obligation or liability under any Receivable (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Collateral Agent or any other Secured Party of any payment relating thereto, nor shall the Collateral Agent or any other Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Receivable (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

7.1 Collateral Agent's Appointment as Attorney-in-Fact, etc.

(a) Each Grantor hereby irrevocably constitutes and appoints the Collateral Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Collateral Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Pledged Receivable or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Collateral Agent for the purpose of collecting any and all such moneys due under any Pledged Receivable or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Collateral Agent may request to evidence the Collateral Agent's and the other Secured Parties' security interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.4 or 6.5, any indorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral;

(v) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Collateral Agent or as the Collateral Agent shall direct; (2) ask or demand for, collect, and receive payment of and

receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Collateral Agent may deem appropriate; (7) assign any Patent or Trademark (along with the goodwill of the business to which any such Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Collateral Agent shall in its sole discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and do, at the Collateral Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Collateral Agent deems necessary to protect, preserve or realize upon the Collateral and the Collateral Agent's and the other Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do; and

(vi) exercise any of the Collateral Agent's rights pursuant to Section 6.9.

Anything in this Section 7.1(a) to the contrary notwithstanding, the Collateral Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless an Event of Default shall have occurred and be continuing and the Collateral Agent shall have given written notice of its intent to exercise its rights under this Section 7.1(a).

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Collateral Agent, at its option, after prior notice to such Grantor, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Collateral Agent incurred in connection with actions undertaken as provided in this Section 7.1, together with interest thereon at a rate per annum equal to the highest rate per annum at which interest would then be payable on the Notes under the Indenture, from the date of payment by the Collateral Agent to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Collateral Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

7.2 Duty of Collateral Agent. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the Applicable UCC or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. Beyond the exercise of reasonable care in the custody thereof, the Collateral Agent shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Collateral Agent shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in

the Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Collateral Agent in good faith. Neither the Collateral Agent, any other Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Collateral Agent and the other Secured Parties hereunder are solely to protect the Collateral Agent's and the other Secured Parties' interests in the Collateral and shall not impose any duty upon the Collateral Agent or any other Secured Party to exercise any such powers. The Collateral Agent and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers. The Collateral Agent shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of the Collateral Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Company to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral.

7.3 Financing Statements. Pursuant to any applicable law, each Grantor authorizes the Collateral Agent to file or record financing statements and other filing or recording documents or instruments with respect to the Collateral without the signature of such Grantor in such form and in such offices as the Collateral Agent may deem appropriate to perfect the security interests of the Collateral Agent under this Agreement. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction. Each Grantor authorizes the Collateral Agent to use the collateral description "all personal property" in any such financing statements. Notwithstanding the foregoing authorizations, in no event shall the Collateral Agent be obligated to prepare or file any financing statements whatsoever, or to maintain the perfection of the security interest granted hereunder. Each Grantor agrees to prepare, record and file, at its own expense, financing statements (and continuation statements when applicable) with respect to the Collateral now existing or hereafter created meeting the requirements of applicable state law in such manner and in such jurisdictions as are necessary to perfect and maintain perfected the Collateral, and to deliver a file stamped copy of each such financing statement or other evidence of filing to the Collateral Agent. Neither the Trustee nor the Collateral Agent shall be under any obligation whatsoever to file any such financing or continuation statements or to make any other filing under the UCC in connection with this Agreement.

7.4 Authority of Collateral Agent. Each Grantor acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the other Secured Parties, be governed by the Indenture and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and each Grantor, the Collateral Agent shall be conclusively presumed to be acting as agent for the other Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

SECTION 8. MISCELLANEOUS

8.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Article 9 of the Indenture.

8.2 Notices. All notices, requests and demands to or upon the Collateral Agent or any Grantor hereunder shall be effected in the manner provided for in the Indenture.

8.3 No Waiver by Course of Conduct; Cumulative Remedies. Neither the Collateral Agent nor any other Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Collateral Agent or such other Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4 Enforcement Expenses; Indemnification.

(a) Each Grantor agrees to pay or reimburse the Collateral Agent for all its costs and expenses incurred in enforcing or preserving any rights under this Agreement and the other Indenture Documents to which such Grantor is a party, including, without limitation, the reasonable and documented fees and disbursements of one firm of counsel (together with any special and local counsel) to the Collateral Agent to the extent the Issuers would be required to do so pursuant to the Indenture.

(b) Each Grantor agrees to pay, and to save the Collateral Agent and the other Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral to the extent the Issuers would be required to do so pursuant to the Indenture.

(c) Each Grantor agrees, jointly and severally, to pay, and to save the Collateral Agent harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Issuers would be required to do so pursuant to the Indenture.

(d) The agreements in this Section 8.4 shall survive repayment of the Obligations and all other amounts payable under the Indenture and the other Indenture Documents.

8.5 Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Grantor and Guarantor and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their successors and assigns; provided that no Grantor or Guarantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent.

8.6 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

8.7 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.8 Governmental Approvals.

(a) Notwithstanding anything herein to the contrary, this Agreement, the other Indenture Documents and the transactions contemplated hereby and thereby, prior to the exercise of any rights and remedies provided in this Agreement or the other Indenture Documents, including, without limitation, voting the Pledged Securities or a foreclosure of the security interest granted under this Agreement, except to the extent not prohibited by applicable Requirements of Law, (i) do not and will not constitute, create, or have the effect of constituting or creating, directly or indirectly, actual or practical ownership of the Issuers or any Subsidiary of the Issuers by the Collateral Agent or the other Secured Parties, or control, affirmative or negative, direct or indirect, by the Collateral Agent or the other Secured Parties over the management or any other aspect of the operation of the Issuers or any Subsidiary of the Issuers, which ownership and control remains exclusively and at all times in the Issuers and such Subsidiary, and (ii) do not and will not constitute the transfer, assignment, or disposition in any manner, voluntarily or involuntarily, directly or indirectly, of any License at any time issued to the Issuers or any Subsidiary of the Issuers, or the transfer of control of the Issuers or any Subsidiary of the Issuers, including, without limitation, within the meaning of Section 310(d) of the Communications Act of 1934, as amended.

(b) Notwithstanding any other provision of this Agreement, any foreclosure on, sale, transfer or other disposition of, or the exercise of any right to vote or consent with respect to, any of the Pledged Securities, as provided herein, or any other action taken or proposed to be taken by the Collateral Agent hereunder which would affect the operational, voting or other control of the Issuers or any Subsidiary of the Issuers, shall be in accordance with applicable Requirements of Law.

(c) Notwithstanding anything to the contrary contained in this Agreement or in any other Indenture Document, the Secured Parties shall not, without first obtaining the approval of the FCC or any other applicable Governmental Authority, take any action pursuant to this Agreement which would constitute or result in, or be deemed to constitute or result in, any assignment of a License, including, without limitation, any CATV Franchise of the Issuers or any Subsidiary of the Issuers, or any change of control of the Issuers or any Subsidiary of the Issuers, if such assignment or change in control would require, under then existing Requirements of Law (including the written rules and regulations promulgated by the FCC), the prior approval of the FCC or such other Governmental Authority.

(d) If the consent of the FCC or any other Governmental Authority is required in connection with any of the actions which may be taken by the Collateral Agent in the exercise of its rights under this Agreement or any of the other Indenture Documents during the continuance of an Event of Default, then the Issuers, at its sole cost and expense, shall use its reasonable best efforts to secure such consent and to cooperate fully with the Collateral Agent to secure such consent. Upon the exercise by the Collateral Agent of any power, right, privilege or remedy pursuant to this Agreement during the

continuance of an Event of Default which requires any consent, approval, recording, qualification or authorization of the FCC or any other Governmental Authority or instrumentality, the Issuers will promptly prepare, execute, deliver and file, or will promptly cause the preparation, execution, delivery and filing of, all applications, certificates, instruments and other documents and papers that may be deemed necessary or advisable to obtain such governmental consent, approval, recording, qualification or authorization including, without limitation, the assignor's or transferor's portion of any application or applications for consent to the assignment of license necessary or appropriate under the rules and regulations of the FCC or any other Governmental Authority for approval of any sale, transfer or assignment to the Collateral Agent or any other Person of the Pledged Securities. Subject to the provisions of applicable law, if the Issuers fail or refuse to execute, or fails or refuse to cause another Person to execute, such documents, the Collateral Agent, as attorney-in-fact for the Issuers appointed pursuant to Section 7.1, or the clerk of any court of competent jurisdiction, may execute and file the same on behalf of the Issuers. In addition to the foregoing, during the continuance of an Event of Default the Issuers agree to take, or cause to be taken, any action which may be deemed necessary or advisable in order to obtain and enjoy the full rights and benefits granted to the other Secured Parties or the Collateral Agent by this Agreement and any other instruments or agreements executed pursuant hereto, including, without limitation, at the Issuers' cost and expense, the exercise of the Issuers' best efforts to cooperate in obtaining FCC or other governmental approval of any action or transaction contemplated by this Agreement or any other instrument or agreement executed pursuant hereto which is then required by law.

(e) the Issuers recognizes that the authorizations, permits and licenses held by the Issuers or any of their respective Subsidiaries are unique assets which may have to be assigned or transferred in order for the other Secured Parties to realize the value of the security interests granted to the Collateral Agent. The Issuers further recognize that a violation of this Section 8.8 could result in irreparable harm to the Secured Parties for which monetary damages are not readily ascertainable. Therefore, in addition to any other remedy which may be available to the Collateral Agent and other Secured Parties at law or in equity, the Collateral Agent and the other Secured Parties shall have the remedy of specific performance of the provisions of this Section 8.8. To enforce the provisions of this Section 8.8, the Collateral Agent is authorized to request the consent or approval of the FCC or other Governmental Authority to a voluntary or an involuntary assignment or transfer of control of any authorization, permit or license. In connection with the exercise of its remedies under this Agreement or under any of the other Indenture Documents, the Collateral Agent may obtain the appointment of a Collateral Agent or receiver to assume, upon receipt of all necessary judicial, FCC or other Governmental Authority consents or approvals, the control of any Person, subject to compliance with applicable Requirements of Law. Such Collateral Agent or receiver shall have all rights and powers provided to it by law or by court order or provided to the Collateral Agent under this Agreement.

8.9 Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

8.10 Integration. This Agreement and the other Indenture Documents represent the agreement of each Grantor, the Collateral Agent and the other Secured Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other Secured Party relative to subject matter hereof and thereof not expressly set forth or referred to herein or in the other Indenture Documents.

8.11 GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

8.12 Submission to Jurisdiction; Waivers. Each Grantor hereby irrevocably and unconditionally:

(o) (p) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Indenture Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(q) (r) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(s) (t) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Grantor at its address referred to in Section 8.2 or at such other address of which the Collateral Agent shall have been notified pursuant thereto;

(u) (v) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(w) (x) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

8.13 Acknowledgments. Each Grantor hereby acknowledges that:

(y) (z) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Indenture Documents to which it is a party;

(aa) (bb) neither the Collateral Agent nor any other Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Indenture Documents, and the relationship between the Grantors, on the one hand, and the Collateral Agent and other Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(cc) (dd) no joint venture is created hereby or by the other Indenture Documents or otherwise exists by virtue of the transactions contemplated hereby among the other Secured Parties or among the Grantors and the other Secured Parties.

8.14 Additional Grantors; Release.

(a) Each Subsidiary of the Issuers that is required to become a party to this Agreement pursuant to the Indenture shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex 1 hereto.

(b) The Liens securing the Obligations will be released, in whole or in part, as provided in Section 14.03 of the Indenture. At such time as the Liens securing the Obligations are released in whole as provided in Section 14.03 of the Indenture, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive

such termination) of the Collateral Agent and each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Collateral Agent shall deliver to such Grantor any Collateral held by the Collateral Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(c) If any of the Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a transaction not prohibited by the Indenture Documents, then the Collateral Agent, at the request and sole expense of such Grantor, shall promptly execute and deliver to such Grantor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral. At the request and sole expense of the Issuers, a Subsidiary Grantor shall be released from its obligations hereunder in the event that all the Equity Interests of such Subsidiary Grantor shall be sold, transferred or otherwise disposed of in a transaction not prohibited by the Indenture.

8.15 WAIVER OF JURY TRIAL. EACH GRANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

8.16 Intercreditor Agreement. Notwithstanding anything herein to the contrary, the Liens on any Collateral granted to the Collateral Agent pursuant to this Agreement, and the exercise of any right or remedy by the Collateral Agent with respect to any such Collateral, are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement in effect at such time and the terms of this Agreement, the terms of Intercreditor Agreement shall govern and control. Notwithstanding anything herein to the contrary, so long as the Intercreditor Agreement is effective, any requirement hereunder to deliver any Shared Collateral (as such term is defined in the Intercreditor Agreement) or the proceeds thereof to the Collateral Agent shall be deemed satisfied by delivery of such Shared Collateral to the Applicable Authorized Representative (as such term is defined in the Intercreditor Agreement).

8.17 Incorporation of Rights. The rights, privileges and immunities of the Trustee in the Indenture are hereby incorporated by reference and extended to the Collateral Agent in this Agreement.

IN WITNESS WHEREOF, each of the undersigned has caused this Collateral Agreement to be duly executed and delivered as of the date first above written.

(b) Each Collateral Agent agrees, for itself and on behalf of each applicable First Lien Secured Party, that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral, pursuant to any First Lien Security Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each of the First Lien Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other First Lien Secured Parties that have a security interest in such Shared Collateral and promptly transfer such Shared Collateral, Proceeds or payment, as the case may be, to the Applicable Authorized Representative, to be distributed in accordance with the provisions of Section 2.01 hereof.

(b) Each Collateral Agent agrees, for itself and on behalf of each applicable First Lien Secured Party, that each Collateral Agent may enter into any amendment to any First Lien Security Document that does not violate this Agreement.

(c) Each Collateral Agent agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Applicable Authorized Representative to evidence and confirm any release of Shared Collateral provided for in this Section.

SECTION 2.05. Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.

(a) This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against Holdings or any of its Subsidiaries.

(b) If any Grantor shall become subject to a case (a “**Bankruptcy Case**”) under the Bankruptcy Code and shall, as debtor(s)-in-possession, move for approval of financing (“**DIP Financing**”) to be provided by one or more lenders (the “**DIP Lenders**”) under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law or the use of cash collateral under Section 363 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, each Collateral Agent agrees, for itself and on behalf of each applicable First Lien Secured Party, that it will raise no objection to any such financing or to the Liens on the Shared Collateral securing the same (“**DIP Financing Liens**”) or to any use of cash collateral that constitutes Shared Collateral unless the Applicable Authorized Representative, shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any First Lien Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank *pari passu* with the Liens on any such Shared Collateral granted to secure the First Lien Obligations of the Controlling Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the First Lien Secured Parties of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-a-vis all the other First Lien Secured Parties (other than any Liens of the First Lien Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the First Lien Secured Parties of each Series are granted Liens on any additional collateral pledged to any First Lien Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-a-vis the First Lien Secured Parties (other than any Liens of the First Lien Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First Lien Obligations, such amount is applied pursuant to Section 2.01 of this Agreement, and (D) if any First Lien Secured Parties are granted adequate protection with respect to First Lien Obligations subject hereto, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.01 of this Agreement; provided that the First Lien Secured Parties of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the First Lien Secured Parties of such Series or its Collateral Agent that shall not constitute Shared Collateral; and provided, further, that the First Lien Secured Parties receiving adequate protection shall not object to any other First Lien Secured Party receiving adequate protection comparable to any adequate protection granted to such First Lien Secured Parties in connection with a DIP Financing or use of cash collateral.

SECTION 2.06. Reinstatement. In the event that any of the First Lien Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under the Bankruptcy Code, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such First Lien Obligations shall again have been paid in full in cash.

SECTION 2.07. Insurance. As between the First Lien Secured Parties, the Applicable Authorized Representative shall have the right to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

SECTION 2.08. Refinancings. The First Lien Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Secured Credit Document) of any First Lien Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided that the Collateral Agent of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

SECTION 2.09. Possessory Collateral Agent as Gratuitous Bailee for Perfection.

(a) The Applicable Authorized Representative agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Shared Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee and agent for the benefit of each other First Lien Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09; provided that at any time after the Discharge of the First Lien Obligations of the Series for which the Applicable Authorized Representative is acting, the Applicable Authorized Representative shall (at the sole cost and expense of the Grantors), promptly deliver all Possessory Collateral to the Applicable Authorized Representative (after giving effect to the Discharge of such First Lien Obligations) together with any necessary endorsements reasonably requested by the Applicable Authorized Representative (or make such other arrangements as shall be reasonably requested by the Applicable Authorized Representative to allow the Applicable Authorized Representative to obtain control of such Possessory Collateral). Pending delivery to the Applicable Authorized Representative, each other Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee and agent for the benefit of each other First Lien Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09.

(b) The duties or responsibilities of the Applicable Authorized Representative and each other Collateral Agent under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee and agent for the benefit of each other First Lien Secured Party for purposes of perfecting the Lien held by such First Lien Secured Parties therein.

ARTICLE III

Existence and Amounts of Liens and Obligations

SECTION 3.01. Determinations with Respect to Amounts of Liens and Obligations. Whenever any Collateral Agent shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First Lien Obligations of any Series, or the Shared Collateral subject to any Lien securing the First Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Collateral Agent and shall be entitled to make such determination on the basis of the information so furnished; provided, however, that if any Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent shall be entitled to make any such determination by such method

as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Borrower. Each Collateral Agent may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any First Lien Secured Party or any other Person as a result of such determination.

ARTICLE IV

The Applicable Authorized Representative

SECTION 4.01. Appointment and Authority.

(a) Each of the First Lien Secured Parties hereby irrevocably appoints and authorizes the Applicable Authorized Representative to take such actions on its behalf and to exercise such powers as are delegated to the Applicable Authorized Representative by the terms hereof, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Applicable Authorized Representative and any co-agents, sub-agents and attorneys-in-fact appointed by the Applicable Authorized Representative pursuant to the applicable Secured Credit Documents for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under any of the First Lien Security Documents, or for exercising any rights and remedies thereunder shall be entitled to the benefits of all provisions of this Article IV and Section 9 of the Credit Agreement and the equivalent provision of the Indenture and the Notes Security Agreement and any Additional First Lien Document (as though such co-agents, sub-agents and attorneys-in-fact were the "Collateral Agent" named therein) as if set forth in full herein with respect thereto. Without limiting the foregoing, each of the First Lien Secured Parties, and each Collateral Agent, hereby agrees to provide such cooperation and assistance as may be reasonably requested by the Applicable Authorized Representative to facilitate and effect actions taken or intended to be taken by the Applicable Authorized Representative pursuant to this Article IV, such cooperation to include execution and delivery of notices, instruments and other documents as are reasonably deemed necessary by the Applicable Authorized Representative to effect such actions, and joining in any action, motion or proceeding initiated by the Applicable Authorized Representative for such purposes.

(b) Each Non-Controlling Secured Party acknowledges and agrees that the Applicable Authorized Representative shall be entitled, for the benefit of the First Lien Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the First Lien Security Documents, without regard to any rights to which the Non-Controlling Secured Parties would otherwise be entitled as a result of their Credit Agreement Obligations, Indenture Obligations or Additional First Lien Obligations, as applicable. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Applicable Authorized Representative or any other First Lien Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the First Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any First Lien Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Each of the First Lien Secured Parties waives any claim it may now or hereafter have against the Applicable Authorized Representative or the Collateral Agent for any other Series of First Lien Obligations or any other First Lien Secured Party of any other Series arising out of (i) any actions that do not violate this Agreement which any Collateral Agent or any First Lien Secured Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to

realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First Lien Obligations from any account debtor, guarantor or any other party) in accordance with the First Lien Security Documents or any other agreement related thereto or to the collection of the First Lien Obligations or the valuation, use, protection or release of any security for the First Lien Obligations, (ii) any election by any Collateral Agent or any holders of First Lien Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law by, any Grantor or any of their Subsidiaries, as debtor-in-possession.

SECTION 4.02. Rights as a First Lien Secured Party.

The Person serving as the Applicable Authorized Representative hereunder shall have the same rights and powers in its capacity as a First Lien Secured Party under any Series of First Lien Obligations that it holds as any other First Lien Secured Party of such Series and may exercise the same as though it were not the Applicable Authorized Representative and the term “First Lien Secured Party” or “First Lien Secured Parties” or (as applicable) “Credit Agreement Secured Party”, “Credit Agreement Secured Parties”, “Indenture Secured Party”, “Indenture Secured Parties”, “Additional First Lien Secured Party” or “Additional First Lien Secured Parties” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Applicable Authorized Representative hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Grantors or any Subsidiary or other Affiliate thereof as if such Person were not the Applicable Authorized Representative hereunder and without any duty to account therefor to any other First Lien Secured Party.

SECTION 4.03. Exculpatory Provisions. The Applicable Authorized Representative shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, the Applicable Authorized Representative:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby; provided that the Applicable Authorized Representative shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Applicable Authorized Representative to liability or that is contrary to this Agreement or applicable law;

(iii) shall not, except as expressly set forth herein, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to a Grantor or any of its Affiliates that is communicated to or obtained by the Person serving as the Applicable Authorized Representative or any of its Affiliates in any capacity;

(iv) shall not be liable for any action taken or not taken by it (1) in the absence of its own gross negligence or willful misconduct or (2) in reliance on a certificate of an authorized officer of the Borrower stating that such action is permitted by the terms of this Agreement. The Applicable Authorized Representative shall be deemed not to have knowledge of any Event of Default under any Series of First Lien Obligations unless and until notice describing such Event of Default and referencing applicable agreement is given to the Applicable Authorized Representative;

(v) shall not be responsible for or have any duty to ascertain or inquire into (1) any statement, warranty or representation made in or in connection with this Agreement or any other First Lien Security Document, (2) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (3) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (4) the validity, enforceability, effectiveness or genuineness of this Agreement, any other First Lien Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the First Lien Security Documents, (5) the value or the sufficiency of any Collateral for any Series of First Lien Obligations, or (6) the satisfaction of any condition set forth in any Secured Credit Document, other than to confirm receipt of items expressly required to be delivered to the Applicable Authorized Representative; and

(vi) need not segregate money held hereunder from other funds except to the extent required by law. The Applicable Authorized Representative shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing.

SECTION 4.04. Collateral and Guaranty Matters. Each of the First Lien Secured Parties irrevocably authorizes the applicable Collateral Agent, at its option and in its discretion, to release any Lien on any property granted to or held by the Collateral Agent under any First Lien Security Document in accordance with Section 2.04 or upon receipt of a written request from the Borrower stating that the releases of such Lien is permitted by the terms of each then extant Secured Credit Document.

ARTICLE V

Miscellaneous

SECTION 5.01. Notices. All notices and other communications provided for herein (including, but not limited to, all the directions and instructions to be provided to the Applicable Authorized Representative herein by the First Lien Secured Parties) shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopy, as follows:

- (a) if to any Grantor, to the Borrower, at its address at 440 Atlantic Street, 10th Floor, Stamford, Connecticut 06901;
- (b) if to the Credit Agreement Collateral Agent, to it at Bank of America, N.A., 901 Main Street, Dallas Texas 75202;
- (c) if to the Notes Collateral Agent, to it at The Bank of New York Mellon Trust Company, N.A., 2 North LaSalle Street, Suite 1020, Chicago, Illinois 60602; and
- (d) if to any other Collateral Agent, to it at the address set forth in the applicable Joinder Agreement.

Any party hereto may change its address, fax number or email address for notices and other communications hereunder by notice to the other parties hereto. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and, may be personally served, telecopied, electronically mailed or sent by courier service or U.S. mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a telecopy or electronic mail or upon receipt via U.S. mail (registered or certified, with postage prepaid and properly

addressed). For the purposes hereof, the addresses of the parties hereto shall be as set forth above or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties. As agreed to in writing among the Applicable Authorized Representative and each other Collateral Agent from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable person provided from time to time by such person.

The Notes Collateral Agent agrees to accept and act upon instructions or directions pursuant to this Agreement sent by unsecured e-mail, pdf, facsimile transmission or other similar unsecured electronic methods, provided, however, that the Notes Collateral Agent shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If a Grantor, the Credit Agreement Collateral Agent or any other Collateral Agent or Senior Class Debt Representative elects to give the Notes Collateral Agent e-mail or facsimile instructions (or instructions by a similar electronic method) and the Notes Collateral Agent in its discretion elects to act upon such instructions, the Notes Collateral Agent's understanding of such instructions shall be deemed controlling. The Notes Collateral Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Notes Collateral Agent's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. Each Grantor, the Credit Agreement Collateral Agent and any other Collateral Agent or Senior Class Debt Representative each agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Notes Collateral Agent, including without limitation the risk of the Notes Collateral Agent acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 5.02. Waivers; Amendment; Joinder Agreements.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Collateral Agent. The Grantors shall not have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent their rights or obligations are adversely affected (in which case the Borrower shall have the right to consent to or approve any such amendment, modification or waiver).

(c) Notwithstanding the foregoing, without the consent of any First Lien Secured Party, any Additional Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.13 of this Agreement and upon such execution and delivery, such Additional Agent and the Additional First Lien Secured Parties and Additional First Lien Obligations of the Series for which such Additional Agent is acting shall be subject to the terms hereof.

(d) Notwithstanding the foregoing, without the consent of any other Collateral Agent or First Lien Secured Party, the Applicable Authorized Representative may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional First Lien Obligations in compliance with the Credit Agreement, the Indenture and any Additional First Lien Documents.

SECTION 5.03. Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other First Lien Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 5.04. Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile, PDF or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 5.06 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07. Authorization. By its signature, each Person executing this Agreement on behalf of a party hereto represents and warrants to the other parties hereto that it is duly authorized to execute this Agreement. The Credit Agreement Collateral Agent represents and warrants that this Agreement is binding upon the Credit Agreement Secured Parties. The Notes Collateral Agent represents and warrants that this Agreement is binding upon the Indenture Secured Parties. This Agreement is the "First Priority Intercreditor Agreement" under and as defined in the Indenture.

SECTION 5.08. Submission to Jurisdiction Waivers; Consent to Service of Process. Each Collateral Agent, on behalf of itself and the First Lien Secured Parties of the Series for whom it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York sitting in New York County, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Collateral Agent) at the address referred to in 5.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any First Lien Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any First Lien Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, exemplary, punitive or consequential damages.

SECTION 5.09. GOVERNING LAW; WAIVER OF JURY TRIAL.

(A) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAWS, EXCEPT AS REQUIRED BY MANDATORY PROVISIONS OF LAW.

(B) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 5.10. Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.11. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the other First Lien Security Documents or Additional First Lien Documents, the provisions of this Agreement shall control.

SECTION 5.12. Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the First Lien Secured Parties in relation to one another. No Grantor or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement (provided that nothing in this Agreement (other than Section 2.04, 2.05 or 2.09) is intended to or will amend, waive or otherwise modify the provisions of the Credit Agreement, the TWC Indenture, the TWCE Indenture, the Indenture or any Additional First Lien Documents), and no Grantor may rely on the terms hereof (other than Section 2.04, 2.05 or 2.09). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the First Lien Obligations as and when the same shall become due and payable in accordance with their terms.

SECTION 5.13. Additional First Lien Obligations. To the extent, but only to the extent permitted by the provisions of the Credit Agreement, the TWC Indenture, the TWCE Indenture, the Indenture and the Additional First Lien Documents, the Borrower may incur Additional First Lien Obligations. Any such additional class or series of Additional First Lien Obligations (the “**Senior Class Debt**”) may be secured by a Lien and may be guaranteed by the Grantors on a pari passu basis, in each case under and pursuant to the Additional First Lien Documents, if and subject to the condition that the Collateral Agent of any such Senior Class Debt (each, a “**Senior Class Debt Representative**”), acting on behalf of the holders of such Senior Class Debt (such Collateral Agent and holders in respect of any Senior Class Debt being referred to as the “**Senior Class Debt Parties**”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph.

In order for a Senior Class Debt Representative to become a party to this Agreement,

(i) such Senior Class Debt Representative, the Applicable Authorized Representative and each Grantor shall have executed and delivered an instrument substantially in the form of Annex IV (with such changes as may be reasonably approved by the Applicable Authorized Representative and such Senior Class Debt Representative) pursuant to which such Senior Class Debt Representative becomes a Collateral Agent and Additional Agent hereunder, and the Senior Class Debt in respect of which such Senior Class Debt Representative is the Collateral Agent and the related Senior Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have delivered to the Applicable Authorized Representative true and complete copies of each of the Additional First Lien Documents relating to such Senior Class Debt, certified as being true and correct by a Responsible Officer of the Borrower;

(iii) the Borrower shall have delivered to the Applicable Authorized Representative an Officer's Certificate stating that such Additional First Lien Obligations are permitted by each applicable Secured Credit Document to be incurred, or to the extent a consent is otherwise required to permit the incurrence of such Additional First Lien Obligations under any Secured Credit Document, each Grantor has obtained the requisite consent; and

(iv) the Additional First Lien Documents, as applicable, relating to such Senior Class Debt shall provide, in a manner reasonably satisfactory to the Applicable Authorized Representative, that each Senior Class Debt Party with respect to such Senior Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Senior Class Debt.

SECTION 5.14 Integration. This Agreement together with the other Secured Credit Documents and the First Lien Security Documents represents the entire agreement of each of the Grantors and the First Lien Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, any Collateral Agent or any other First Lien Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Credit Documents or the First Lien Security Documents.

SECTION 5.15 [Reserved].

SECTION 5.16 Information Concerning Financial Condition of Grantors. In accordance with their respective First Lien Obligations Documents, the Applicable Authorized Representative, the other Collateral Agents and the Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Grantors and all endorsers or guarantors of the First Lien Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the First Lien Obligations; provided that nothing in this Section 5.16 shall impose a duty on the Notes Collateral Agent to inform itself or investigate the financial condition of the Grantors beyond that which may be required under the Indenture. The Applicable Authorized Representative, the other Collateral Agents and the Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the Applicable Authorized Representative, any other Collateral Agent or any Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and Applicable Authorized Representative, the other Collateral Agents and the Secured

Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 5.17. Additional Grantors. The Borrower agrees that, if any Subsidiary of the Borrower shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument in the form of Annex V. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder, and will be acknowledged by the Applicable Authorized Representative. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 5.18. Further Assurances. Each Collateral Agent, on behalf of itself and each First Lien Secured Party under the Credit Agreement, TWC Indenture, the TWCE Indenture, Indenture or Additional First Lien Debt Facility, as applicable, agrees that it will take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the other parties hereto may reasonably request to effectuate the terms of, and the Lien priorities contemplated by, this Agreement.

SECTION 5.19. Credit Agreement Collateral Agent and Notes Collateral Agent. It is understood and agreed that (a) the Credit Agreement Collateral Agent is entering into this Agreement in its capacity as administrative agent under the Credit Agreement and in its capacity as collateral agent under the Credit Agreement Security Agreement and the provisions of Section 9 of the Credit Agreement applicable to it as administrative agent thereunder shall also apply to it as Applicable Authorized Representative hereunder, and (b) the Notes Collateral Agent is entering into this Agreement in its capacity as Trustee and Collateral Agent under the Indenture and as Notes Collateral Agent under the Collateral Agreement and the provisions of the Indenture and the Notes Security Agreement granting or extending any rights, protections, privileges, indemnities and immunities to the Trustee, Collateral Agent or Notes Collateral Agent thereunder shall also apply to the Notes Collateral Agent hereunder.

For the avoidance of doubt, the parties hereto acknowledge that in no event shall the Credit Agreement Collateral Agent or Notes Collateral Agent be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether any such party has been advised of the likelihood of such loss or damage and regardless of the form of action.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first above written.

The undersigned Senior Class Debt Representative (the “**New Collateral Agent**”) is executing this Joinder in accordance with the requirements of the First Lien Intercreditor Agreement.

Accordingly, the Applicable Authorized Representative and the New Collateral Agent agree as follows:

SECTION 1. In accordance with Section 5.13 of the First Lien Intercreditor Agreement, the New Collateral Agent by its signature below becomes a Collateral Agent and Additional Agent under, and the related Senior Class Debt and Senior Class Debt Parties become subject to and bound by, the First Lien Intercreditor Agreement with the same force and effect as if the New Collateral Agent had originally been named therein as a Collateral Agent, and the New Collateral Agent, on behalf of itself and such Senior Class Debt Parties, hereby agrees to all the terms and provisions of the First Lien Intercreditor Agreement applicable to it as a Collateral Agent and to the Senior Class Debt Parties that it represents as Additional First Lien Secured Parties.
